CALIFORNIA STATE APPEALS COURT UPHOLDS ENVIRONMENTAL REVIEW OF GOLDEN STATE WARRIORS' PROPOSED MISSION BAY EVENT CENTER

SAN FRANCISCO, CA—"The California State Court of Appeals decision to uphold the Subsequent Environmental Impact Report for the Golden State Warriors Event Center and Mixed-Use Development is yet another victory in making this important development come to life here in San Francisco. Under the Mayor's leadership, our office worked tirelessly with our City partners, the University of California San Francisco, neighborhood stakeholders and the broader community to make certain the approval process was thorough and comprehensive," said Tiffany Bohee, Executive Director of the Office of Community Investment and Infrastructure.

Bohee continued, "We are gratified to see that the Court of Appeals ruling recognized the validity of the approval process. We look forward to the completion of this vibrant mixed-use project featuring an 18,000-seat arena, restaurants, cafes, offices and public plazas. The development furthers the neighborhood's planning and revitalization goals through the Mission Bay South Redevelopment Plan."

The Office of Community Investment and Infrastructure (OCII) is the driving force in creating three new San Francisco neighborhoods in Mission Bay, Transbay, and Hunters Point Shipyard/Candlestick Point. Through public private partnerships, OCII is bringing to life over 1,100 acres of land. Reflecting the diverse character of the City and its residents, the new neighborhoods feature economic vitality, affordable and market rate housing opportunities, and neighborhood-serving amenities such as public parks and open space.
