IT IS FURTHER RESOLVED that:

1. Appointment to the Agency classification of Executive Director shall be made by the Agency Commission and the person shall serve at the pleasure of the Agency subject to the provisions of any employment agreement.
2. The Executive Director or his or her designee is authorized as required by the workload of the Agency and the written budgets approved by the Agency, to make appointments to positions in all Agency classifications and to vacate such positions.
3. In those cases where reclassification results in allocation of a classification to a lower salary range, the salary of the incumbent employee will not be decreased, but will until termination or other applicable change, remain at its present level by the assignment of an off-range rate where necessary.
4. Assignment of other salary steps, where increases result from reclassification, will be handled in accordance with the Agency Personnel Policy.

5. The Biweekly Schedule Plan approved by this Resolution is set forth in Attachment "A".
6. From and after July 1, 1999, each person employed with the Agency will be entitled to receive for his or her services, in his/her position, the rate of compensation described for the salary range number from Step 1 through Step 5 as assigned to the classification to which his or her position is allocated and is illustrated in Attachment "B".
7. Employees who are required to translate to and from foreign language for ten (10) or more work hours biweekly, including sign language as used by the deaf, may be granted additional compensation of thirty-five (\$35.00) dollars biweekly.
8. Employees who were permanently assigned as primary operators of word processing equipment prior to September 25, 1995 may be granted a premium of \$.91 per hour in their regular compensation rate for such hours that they are assigned to and actually work with word processing equipment following satisfactory completion of training in the word processing equipment to which assigned.
9. Employees who are permanently assigned as Harbor Security Officer will be allowed an annual uniform allowance of up to \$416 for replacement and/or cleaning of security uniform items.
10. Employees who are required to work more than one hour in their regular work schedule, excluding flex-time and voluntary alternate work schedules, between the hours of 5:00 p.m. and 7:00 a.m. will be paid 6-1/4% more than their regular compensation rate for hours worked between 5:00 p.m. and 7:00 a.m.
11. Supervisory employees whose compensation schedule is less than one range number over the compensation schedule of the employee supervised may be granted an adjustment of the compensation schedule in accordance with the applicable provisions of the Salary Ordinance of the City and County of San Francisco.
12. For a part-time, temporary or casual hourly employee, the Executive Director may specify an hourly rate which, when converted to an annual salary, would not exceed the applicable biweekly compensation times twenty-six.
13. Employees in positions whose classification listing is followed in this Resolution by a "Z" symbol will be entitled to compensatory time off at one and one-half times the number of overtime hours worked pursuant to the provisions of the Agency Personnel Policy.
14. Employees in all other (non- "Z" symbol) positions shall be paid in cash at one and one-half times regular compensation for authorized overtime worked.

- a. Employees eligible for paid overtime may, once annually, apply to the Executive Director for a change in the method of overtime compensation to receive compensatory time off instead.
- b. Employees normally eligible to receive paid overtime who have been approved by the Executive Director for a change in the method of overtime compensation to compensatory time off shall not be allowed to accumulate more than 120 hours of compensatory time.
- c. When this compensatory time limit is reached and until it is reduced by compensatory time off, such employees will receive overtime pay for any overtime worked.
