### **BASIS FOR RESOLUTION**

1. In furtherance of the objectives of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.), the Redevelopment Agency of the City and County of San Francisco (the "Agency") undertakes programs for the reconstruction and rehabilitation of blighted areas in the City and County of San Francisco (the "City").
2. On May 16, 2006, by Ordinance No. 113-06, the City's Board of Supervisors adopted the Bayview Hunters Point Redevelopment Project Area in order to undertake a variety of projects and activities to alleviate blighting conditions. The Bayview Hunters Point Redevelopment Plan became effective on September 19, 2006.
3. It is the mission of Bayview Hunters Point Multipurpose Senior Services, Inc. ("BHPMSS"), a California nonprofit public benefit corporation, to secure the rights and dignity of elders and their families, and to respect and empower seniors. It is the mission of McCormack Baron Salazar, Inc. ("MBS"), a Missouri corporation, to rebuild neighborhoods in central cities across the United States that have deteriorated through neglect and disinvestment. BHPMSS and MBS (together the "Developer") have joined together to develop 5800 Third Street, Lot 3 (the "Site").
4. On December 17, 2008, BHPMSS entered into a Purchase and Sale Agreement with SF Third Street Equity Partners, LLC to purchase 5800 Third Street, Lot 3, which is located on the northwest corner of a larger parcel, for the purpose of redeveloping it as rental housing for very low-income seniors.
5. The Developer now wishes to enter into an Exclusive Negotiations Agreement with the Agency leading to a ground lease agreement providing for the redevelopment of the Site.

6. The Developer intends to redevelop the Site as approximately 121 units of rental housing for very low income-seniors with a ground floor senior center (the "Project").
7. BHPMSS presented the Project to the Bayview Hunters Point Project Area Committees (the "PAC"), Economic Development Employment and Housing, Health, Environment, and Land Use Committees prior to requesting the endorsement of the full PAC at its regular meeting in December 2009. At each meeting, the PAC supported the development of the Project.
8. The San Francisco Planning Department (the "Planning Department") published a Preliminary Mitigated Negative Declaration (the "Preliminary MND") for the Project on April 30, 2005 pursuant to the California Environmental Quality Act. On May 19, 2005 and May 20, 2005, appeals of the Preliminary MND were received by the Planning Department. After conducting a duly noticed public hearing, the Planning Commission determined that the proposed Project would not cause significant impacts and upheld the MND.
9. On September 1, 2005, the Planning Commission adopted a Final MND for the proposed Project. The Final MND describes the proposed Project, assesses the potential environmental impacts of the Project, and identifies mitigation measures to preclude significant impacts or reduce such impacts to less than significant levels. On September 1, 2005, the Planning Commission also approved a Conditional Use Application and the Mitigation Monitoring Program that attaches the mitigation measures contained in the Final MND to the Conditional Use authorization.
10. On September 21, 2010, the Agency Commission adopted Resolution No. 122-2010, wherein the Commission adopted the Final MND and determined that the Assignment and Assumption Agreement with Bayview Hunters Point Multipurpose Senior Services, Inc., was consistent with the project description contained in the Final MND, would not result in any significant impacts not identified in the MND or any impact identified in the MND that would be substantially more severe.
11. The environmental findings adopted in accordance with the California Environmental Quality Act ("CEQA") by the Agency Commission in Resolution No. 122-2010 were and remain adequate, accurate, and objective and are incorporated herein by reference as applicable to the proposed Exclusive Negotiations Agreement with Bayview Hunters Point Multipurpose Senior Services, Inc., and McCormack Baron Salazar, Inc.
12. The Final MND and related documents have been and continue to be available for review by the Agency Commission and the public and are part of the record before the Agency Commission.
