WHEREAS, This Oversight Board now desires to approve and direct the issuance by the Successor Agency of the 2027 Series A Bonds by the Successor Agency and the other actions of the Successor Agency contemplated by the Successor Agency Resolution, attached hereto as Exhibit A; now therefore, be it

RESOLVED, That this Oversight Board approves and directs the issuance by the Successor Agency of its 2027 Series A Tax Allocation Refunding Bonds (Mission Bay North Redevelopment Project) (the "2027 Series A Bonds") (which may be issued with different year and series designation in the discretion of the Successor Agency) pursuant to Section 34177.5(a)(1) of the Safety Code for the purposes of refunding the 2016 Series A Bonds, provided the conditions and requirements set forth in the Successor Agency Resolution regarding the issuance of the 2027 Series A Bonds are met; and, be it, further

RESOLVED, That this Oversight Board approves and directs the sale and delivery of the 2027 Series A Bonds in whole, provided that there is compliance with the debt service savings parameters established by Section 34177.5(a)(1) of the California Health and Safety Code (the "Savings Parameters"), the sale and delivery of the 2027 Series A Bonds in part if necessary to meet the Savings Parameters, and the sale and delivery of additional parts of the 2027 Series A Bonds without the further approval of this Oversight Board provided that in each such instance the 2027 Series A Bonds so sold and delivered in part are in compliance with the Savings Parameters; and, be it, further

RESOLVED, That this Oversight Board makes the following determinations upon which the Successor Agency will rely in undertaking the proceedings relating to the issuance of the 2027 Series A Bonds:

(a) The Successor Agency is authorized, as provided in Section 34177.5(f) of the Code, to recover its costs related to the issuance of the 2027 Series A Bonds from the proceeds of the 2027 Series A Bonds, including the cost of reimbursing its administrative staff for time spent with respect to the authorization, issuance, sale and delivery of the 2027 Series A Bonds.

(b) The application of proceeds of the 2027 Series A Bonds by the Successor Agency to the refunding and defeasance of the 2016 Series A Bonds, and the payment by the Successor Agency of costs of issuance of the 2027 Series A Bonds, as provided in Section 34177.5(a) and Section 34177.5(f) of the Code, shall be implemented by the Successor Agency promptly upon sale and delivery of the 2027 Series A Bonds, notwithstanding Section 34177.3 of the Code or any other provision of law to the contrary, without the approval of the Oversight Board, the California Department of Finance, or any other person or entity other than the Successor Agency.

RESOLVED, That the Oversight Board approves the Successor Agency's execution and delivery of the Indenture of Trust, a form of which is attached to the Successor Agency Resolution, and such supplements to the Indenture authorized and directed in the Successor Agency Resolution in the event the 2027 Series A Bonds are issued in more than one financing transaction; and, be it, further

RESOLVED, That the Oversight Board approves the Successor Agency's execution and delivery of Irrevocable Refunding Instructions related to the refunding of the 2016 Series A Bonds, the form of which is attached to the Successor Agency Resolution, and such other refunding instructions authorized and directed in the Successor Agency Resolution in substantially the form of the Irrevocable Refunding Instructions in the event the 2027 Series A Bonds are issued in more than one financing transaction; and, be it, further

WHEREAS, The sale and issuance of the 2027 Series A Bonds are Successor Agency fiscal activities that do not constitute a "Project" as defined by the California Environmental Quality Act ("CEQA") Guidelines Section 15378(b)(4), will not independently result in a physical change in the environment, and are not subject to environmental review under CEQA; and,

WHEREAS, Section 5852.1 of the California Government Code requires that the Successor Agency obtain from an underwriter, financial advisor or private lender and disclose, in a meeting open to the public, prior to authorization of the issuance of the 2027 Series A Bonds, good faith estimates of (a) the true interest cost of the 2027 Series A Bonds, (b) the sum of all fees and charges paid to third parties with respect to the 2027 Series A Bonds, (c) the amount of proceeds of the 2027 Series A Bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the 2027 Series A Bonds, and (d) the sum total of all debt service payments on the 2027 Series A Bonds calculated to the final maturity of the 2027 Series A Bonds, plus the fees and charges paid to third parties not paid with the proceeds of the 2027 Series A Bonds; and,

WHEREAS, In compliance with Section 5852.1 of the California Government Code, the Successor Agency Commission has obtained from the Municipal Advisor the required good faith estimates and such estimates are attached hereto as Exhibit B and by this reference incorporated herein, and such information has been disclosed and made public; now therefore, be it

RESOLVED, The Successor Agency has full authority under Section 34177.5(a)(1) of the Code to issue the 2027 Series A Bonds to refinance the 2016 Series A Bonds, and upon the Oversight Board's approval and the Department of Finance's non-objection to or approval of the Oversight Board's Resolution, all acts and proceedings required by law necessary to make the 2027 Series A Bonds, when executed by the Successor Agency, authenticated and delivered by the 2027 Trustee and duly issued, the valid, binding and legal special obligations of the Successor Agency, shall have occurred, and all acts and proceedings required by law necessary to constitute the Indenture a valid and binding agreement for the uses and purposes therein set forth, in accordance with its terms, will have been done or taken and the execution and delivery of the Indenture will have been in all respects duly authorized; and, be it further

RESOLVED, The Successor Agency Commission has determined that there are significant potential savings available to the Successor Agency and to applicable taxing entities in compliance with the Savings Parameters by the issuance by the Successor Agency of the 2027 Series A Bonds to provide funds to refund and defease the 2016 Series A Bonds, all as evidenced by the Debt Service Savings Analysis on file with the Successor Agency, which is hereby approved; and, be it further

RESOLVED, Pursuant to the Act, this Resolution, the Indenture, Section 34177.5(b) of the Code, and the Refunding Law, the 2027 Series A Bonds (which may be issued with different year and series designation at the direction of the Executive Director) are hereby authorized to be issued, subject to the approval of the Oversight Board and the approval or failure to request review by the California Department of Finance, provided that the aggregate initial amount of the 2027 Series A Bonds shall not exceed $70,000,000, and the 2027 Series A Bonds shall be in compliance with the Savings Parameters at the time of their issuance and delivery. The 2027 Series A Bonds shall be executed in the form set forth in and otherwise as provided in the Indenture. Notwithstanding the foregoing, the Successor Agency may issue more than one series of refunding bonds at different times if the Authorized Officers (as defined below) determine it is in the best interests of the Successor Agency to do so, and it may issue one or more series as federally taxable bonds, provided that the maximum combined principal amount of all refunding bonds shall not exceed $70,000,000; and, be it further

RESOLVED, It is the intent of the Successor Agency to sell and deliver the 2027 Series A Bonds in whole, provided that there is compliance with the Savings Parameters. However, pursuant to this Resolution, the Successor Agency is authorizing the sale and delivery of the 2027 Series A Bonds in whole or, if such Savings Parameters cannot be met with respect to the whole, then in part; provided that the 2027 Series A Bonds so sold and delivered in part are in compliance with the Savings Parameters. The sale and delivery of the 2027 Series A Bonds in part will in each instance provide sufficient funds only for the refunding of that portion of the 2016 Series A Bonds that meet the Savings Parameters. If the 2027 Series A Bonds are initially sold in part, the Successor Agency intends to sell and deliver additional parts of the 2027 Series A Bonds (which may be issued with different year and series designations and pursuant to a supplement to the Indenture, as authorized herein) without the further approval of the Oversight Board provided that in each such instance the 2027 Series A Bonds so sold and delivered in part are in compliance with the Savings Parameters; and, be it further

RESOLVED, The Indenture is hereby approved in the form lodged with the Successor Agency's Secretary. The Executive Director and the Deputy Executive Director, Finance and Administration (each being hereinafter referred to as an "Authorized Officer"), each acting alone, are hereby authorized and directed, subject to the Oversight Board's approval, and the California Department of Finance's non-objection to or approval of the Oversight Board's Resolution, to execute and deliver the Indenture in said form, with such additions thereto or changes therein as are approved by an Authorized Officer upon consultation with the Successor Agency Counsel and Bond Counsel, the approval of such additions or changes to be conclusively

evidenced by the execution and delivery of the Indenture by an Authorized Officer. The date, manner of payment, interest rate or rates, interest payment dates, denominations, form, registration, privileges, manner of execution, place of payment terms of redemption and other terms of the 2027 Series A Bonds shall be as provided in the Indenture, or such other supplements described below, as finally executed. The Successor Agency hereby authorizes and directs an Authorized Officer upon consultation with the Successor Agency Counsel and Bond Counsel, to execute and deliver one or more supplements to the Indenture in the event the 2027 Series A Bonds are issued in more than one financing transaction, the approval of such supplements to be conclusively evidenced by the execution and delivery of such supplements by an Authorized Officer; and be it further

RESOLVED, Irrevocable Refunding Instructions related to the refunding of the 2016 Series A Bonds are hereby approved in the form lodged with the Successor Agency's Secretary. Each Authorized Officer, acting alone, is hereby authorized and directed, subject to the Oversight Board's approval, and the California Department of Finance's non-objection to or approval of the Oversight Board's Resolution, to execute and deliver the Irrevocable Refunding Instructions in said form, with such additions thereto or changes therein as are approved by an Authorized Officer upon consultation with the Successor Agency Counsel and Bond Counsel, the approval of such additions or changes to be conclusively evidenced by the execution and delivery of the Irrevocable Refunding Instructions by an Authorized Officer. The Successor Agency hereby authorizes and directs an Authorized Officer upon consultation with the Successor Agency Counsel and Bond Counsel, to execute and deliver two or more refunding instructions in substantially the form of the Irrevocable Refunding Instructions in the event the 2027 Series A Bonds are issued in more than one financing transaction, the approval of such refunding instructions to be conclusively evidenced by the execution and delivery of such refunding instructions by an Authorized Officer; and, be it further

RESOLVED, The Purchase Contract between Successor Agency and the Underwriters is hereby approved in the form lodged with the Successor Agency's Secretary. An Authorized Officer is hereby authorized and directed to accept the offer of the Underwriters to purchase the 2027 Series A Bonds from the Successor Agency; provided that the aggregate initial principal amount of the 2027 Series A Bonds sold thereby is not in excess of $70,000,000, and the Underwriters' discount, without regard to any original issue discount, is not in excess of 0.5% of the aggregate initial amount of the 2027 Series A Bonds and, subject to the Oversight Board's approval, and the Department of Finance's non-objection to or approval of the Oversight Board's Resolution, to execute and deliver the Purchase Contract in said form, with such additions thereto or changes therein as are recommended or approved by an Authorized Officer upon consultation with the Successor Agency Counsel and its Bond Counsel, the approval of such additions or changes to be conclusively evidenced by the execution and delivery of the Purchase Contract by an Authorized Officer. Additionally, the 2027 Series A Bonds shall not be sold, issued and delivered unless the sale of the 2027 Series A Bonds and the refunding of the 2016 Series A Bonds meet the Savings Parameters, as provided above, and the net present value savings obtained by issuing the 2027 Series A Bonds, based

on the debt service of the 2016 Series A Bonds being refunded, is not less than 3% of the principal amount of the 2016 Series A Bonds being refunded (provided, however, that, in accordance with the Debt Policy of the Successor Agency, this criterion may be waived if there are other reasons for the refunding). The Successor Agency hereby authorizes and directs an Authorized Officer upon consultation with the Successor Agency Counsel and Bond Counsel, to execute and deliver one or more bond purchase contracts, in substantially the form of the Purchase Contract lodged with the Successor Agency's Secretary, in the event the 2027 Series A Bonds are issued in more than one financing transaction, the approval of such bond purchase contracts to be conclusively evidenced by the execution and delivery of such bond purchase contracts by an Authorized Officer; and, be it further

RESOLVED, Following approval by the Oversight Board of the issuance of the 2027 Series A Bonds by the Successor Agency and upon approval or failure to request review by the California Department of Finance of such approval by the Oversight Board, the Successor Agency will, with the assistance of Disclosure Counsel, Bond Counsel, the Fiscal Consultant and the Municipal Advisor, cause to be prepared a form of Official Statement describing the 2027 Series A Bonds and containing material information relating to the 2027 Series A Bonds, the preliminary form of which will be submitted to the Successor Agency (but not to the Oversight Board) for approval for distribution by the Underwriters to persons and institutions interested in purchasing the 2027 Series A Bonds; and, be it further

RESOLVED, The 2027 Series A Bonds, when executed, shall be delivered to the 2027 Trustee for authentication. The 2027 Trustee is hereby requested and directed to authenticate the 2027 Series A Bonds by executing the 2027 Trustee's certificate of authentication and registration appearing thereon, and to deliver the 2027 Series A Bonds, when duly executed and authenticated, to the Underwriters in accordance with written instructions executed on behalf of the Successor Agency by an Authorized Officer, which instructions such officer is hereby authorized and directed to execute and deliver to the 2027 Trustee. Such instructions shall provide for the delivery of the 2027 Series A Bonds to the Underwriters in accordance with the Purchase Contract, upon payment of the purchase price therefor; and, be it further

RESOLVED, The Successor Agency hereby requests the Oversight Board, as authorized by Section 34177.5(f) of the Code, to direct the Successor Agency to undertake the refunding proceedings and as authorized by Sections 34177.5(f) and 34180 of the Code to approve the issuance of the 2027 Series A Bonds pursuant to Section 34177.5(a)(1) of the Code, this Resolution and the Indenture; and, be it further

RESOLVED, The Successor Agency requests that the Oversight Board make the following determinations upon which the Successor Agency will rely in undertaking the refunding proceedings and the issuance of the 2027 Series A Bonds:

(a) The Successor Agency is authorized, as provided in Section 34177.5(f) of the Code, to recover its costs related to the issuance of the 2027 Series A Bonds from the proceeds of the 2027 Series A Bonds, including the cost of reimbursing its administrative staff for time spent with respect to the authorization, issuance, sale and delivery of the 2027 Series A Bonds.

(b) The application of proceeds of the 2027 Series A Bonds by the Successor Agency to the refunding and defeasance of the 2016 Series A Bonds, as well as the payment by the Successor Agency of costs of issuance of the 2027 Series A Bonds, as provided in Section 34177.5(a) and Section 34177.5 of the Code, shall be implemented by the Successor Agency promptly upon sale and delivery of the 2027 Series A Bonds, notwithstanding Section 34177.3 of the Code or any other provision of law to the contrary, without the approval of the Oversight Board, the California Department of Finance, or any other person or entity other than the Successor Agency.

(c) The Successor Agency shall be entitled to receive its full Administrative Cost Allowance under Section 34183(a)(3) of the Code without any deductions with respect to continuing post-issuance compliance and administration costs related to the 2027 Series A Bonds, such as trustee's fees, auditing and fiscal consultant fees and continuing disclosure and rating agency costs (collectively, "Continuing Costs of Issuance"), and such Continuing Costs of Issuance shall be payable from property tax revenues pursuant to Section 34183 of the Code. In addition and as provided by Section 34177.5(f) of the Code, if the Successor Agency is unable to complete the issuance of the 2027 Series A Bonds for any reason, the Successor Agency shall, nevertheless, be entitled to recover its costs incurred with respect to the refunding proceedings of the 2027 Series A Bonds from such property tax revenues pursuant to Section 34183 of the Code without reduction in its Administrative Cost Allowance; and, be it further

RESOLVED The Successor Agency is hereby authorized and directed to file the Debt Service Savings Analysis, together with a certified copy of this Resolution, with the Oversight Board, and, as provided in Section 34180(j) of the Code, with the California Department of Finance, the Administrative Officer and Auditor-Controller of the City and County of San Francisco; and, be it further

RESOLVED, The Authorized Officers, each acting alone, are hereby authorized and directed to take all actions necessary to obtain one or more municipal bond insurance policies and/or reserve account insurance policies, or both, for the 2027 Series A Bonds, or any portion thereof, from a municipal bond insurance company if it is determined, upon consultation with the Municipal Advisor and the Underwriters, that such municipal bond insurance policies and/or reserve account insurance policies will reduce the true interest cost with respect to the 2027 Series A Bonds; and, be it further

MEMORANDUM

Date: August 10, 2026

To: Successor Agency to the Redevelopment Agency of the City and County of San Francisco

From: Fieldman, Rolapp & Associates, Inc.

Re: Municipal Advisor Analysis Required for the Proposed Issuance of Successor Agency to the Redevelopment Agency of the City and County of San Francisco 2027 Series A Tax Allocation Refunding Bonds (Mission Bay North Redevelopment Project)

INTRODUCTION

Fieldman, Rolapp & Associates, Inc. ("Fieldman") has been appointed to serve as Municipal Advisor to the Office of Community Investment and Infrastructure, which functions as the Successor Agency to the Redevelopment Agency of the City and County of San Francisco ("Successor Agency"). Fieldman is an Independent Registered Municipal Advisor, registered with both the Securities and Exchange Commission and the Municipal Securities Rulemaking Board and brings extensive expertise in California tax increment financing, including prior advisory work on financing transactions and a long-term debt analysis for the Successor Agency.

At the Successor Agency's request, Fieldman has prepared this memorandum to provide the analysis required under the California Health and Safety Code for the proposed issuance of refunding tax allocation bonds.

TRANSACTION OVERVIEW

The Successor Agency has previously issued the 2016 Series A Tax Allocation Refunding Bonds ("2016A Bonds") for the Mission Bay North Redevelopment Project. The 2016A Bonds refunded four series of tax allocation bonds and are the only outstanding parity debt secured by the pledge of tax revenues from the project area. The 2016A Bonds were previously reviewed and approved by the California State Department of Finance.

The Successor Agency now proposes to issue approximately $50,360,000.00 of 2027 Series A Tax Allocation Refunding Bonds (Mission Bay North Redevelopment Project) ("2027A Bonds"). Proceeds of the 2027A Bonds will be used to refund the 2016A Bonds. Under the proposed structure outlined in Attachment B, the first interest payment will be made on February 1, 2028 with principal amortization beginning August 1, 2028 and final maturity on August 1, 2041, matching the final term of the 2016A Bonds. The 2027A Bonds are structured to maintain relatively level annual debt service, with the resulting savings concentrated in the later years of the refunding

period. The 2027A Bonds will be secured by tax increment revenues on a first lien position.

It is currently anticipated that the 2027A Bonds will be sold in March 2027. However, the timing of this issuance remains subject to change at the discretion of the Successor Agency.

COMPLIANCE WITH HEALTH AND SAFETY CODE REQUIREMENTS

On June 28, 2011, the California Legislature enacted ABx1 26 ("Dissolution Act"), which mandated the dissolution of all redevelopment agencies statewide. This legislation was later upheld by the California Supreme Court. As a result, all redevelopment agencies, including the Redevelopment Agency of the City and County of San Francisco ("Prior Agency"), were officially dissolved on February 1, 2012. On that date, the Successor Agency assumed all powers, assets, and obligations of the Prior Agency and was tasked with responsibilities with respect to certain enforceable obligations and taking actions that the Dissolution Act requires or authorizes on behalf of the Successor Agency.

The Dissolution Act was subsequently amended by AB 1484, which introduced provisions allowing successor agencies to refinance certain enforceable obligations under specified conditions.

Section 34177.5(a)(1) of the Health & Safety Code—added by AB 1484—permits a successor agency to issue bonds to achieve debt service savings, provided that:

a) the total interest cost plus the principal amount to maturity on the refunding bonds shall not exceed the total remaining interest cost and principal to maturity on the bonds to be refunded; and
b) the principal amount of the refunding bonds shall not exceed the amount required to defease the refunded bonds, to establish customary debt service reserves and to pay related costs of issuance.

Section 34177.5(h) further requires the Successor Agency to:

a) make diligent efforts to ensure that the lowest long-term cost financing is obtained;
b) ensure the financing does not provide for any bullets or spikes and shall not use variable rates;
c) make use of an independent financial advisor in developing financing proposals and make available the work products of the financial advisor to the Department of Finance at its request.

MEMORANDUM

As outlined below, the proposed 2027A Bonds comply with the requirements of the California Health and Safety Code.

Based on the cash flow analysis in Attachment B, the projected total interest cost and principal of the 2027A Bonds ($72,475,261.11) does not exceed the remaining interest and principal on the 2016A Bonds ($81,591,250.00). Attachment A provides a breakdown of projected average annual savings by taxing entity.

According to the cash flow analysis in Attachment B, the principal and premium of the 2027A Bonds ($54,250,946.60) plus funds help in the prior debt service fund ($3,769,500.00) will be allocated to fund an escrow deposit to defease the 2016A Bonds ($56,949,341.67); pay issuance costs and underwriter's discount ($752,588.26); and fund insurance and surety premiums ($318,516.67).
The Successor Agency has engaged an experienced financing team, including a municipal advisor, bond counsel, disclosure counsel, fiscal consultant, and underwriters—all selected through a competitive RFP process based on expertise in the Successor Agency's debt portfolio and post-dissolution matters. This team will develop a financing plan that supports both current program goals and long-term objectives, emphasizing fiscal efficiency, credit quality, and preservation of future debt capacity.

The financing will exclude any balloon payments or variable-rate structures. The 2027A Bonds will be issued as fixed-rate debt, designed to deliver consistent annual debt service over the short-term and sustained capacity over the long-term. This structure helps stabilize debt service coverage and maximizes future bonding flexibility while keeping costs low. The Successor Agency may opt to accelerate amortization to enhance net present value savings ahead of final issuance. The 2027A Bonds are projected to maintain relatively average level annual debt service of $5,176,804.37 from 2028 through 2041.

Fieldman has been retained as municipal advisor and has prepared this memo along with the accompanying financial analysis. Fieldman is available to provide further information upon request by the Department of Finance.

Should you have any questions or need additional details, please feel free to contact our office.

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the 2027 Series A Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the Successor Agency by Fieldman, Rolapp & Associates, Inc., as the Successor Agency's Municipal Advisor (the "Municipal Advisor").

Principal Amount. The Municipal Advisor has informed the Successor Agency that, based on the Successor Agency's financing plan and current market conditions, their good faith estimate of the aggregate principal amount of the 2027 Series A Bonds to be sold is $50,360,000.00 (the "Estimated Principal Amount"), which excludes approximately $3,890,946.60 of net premium estimated to be generated from current market pricing. Net premium is generated when, on a net aggregate basis for a single issuance, the prices paid for the bonds are higher than the face values of such bonds. The sum of the Estimated Principal Amount and the estimated net premium is $54,250,946.60, which is equal to the estimated net proceeds of the 2027 Series A Bonds.

True Interest Cost of the 2027 Series A Bonds. The Municipal Advisor has informed the Successor Agency that, assuming that the Estimated Principal Amount of the 2027 Series A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the true interest cost of the 2027 Series A Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the 2027 Series A Bonds, is 3.98%.

Finance Charge of the 2027 Series A Bonds. The Municipal Advisor has informed the Successor Agency that, assuming that the Estimated Principal Amount of the 2027 Series A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the finance charge for the 2027 Series A Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the 2027 Series A Bonds), is $1,071,104.93.

Amount of Proceeds to be Received. The Municipal Advisor has informed the Successor Agency that, assuming that the Estimated Principal Amount of the 2027 Series A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the amount of proceeds expected to be received by the Successor Agency from the sale of the 2027 Series A Bonds, less the finance charge of the 2027 Series A Bonds, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the 2027 Series A Bonds, is $53,179,841.67.

Total Payment Amount. The Municipal Advisor has informed the Successor Agency that, assuming that the Estimated Principal Amount of the 2027 Series A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the total payment amount, which means the sum total of all payments the Successor Agency will make to pay debt service on the 2027 Series A Bonds, plus the finance charge for the 2027 Series A Bonds, as described above, not paid with the proceeds of the 2027 Series A Bonds, calculated to the final maturity of the 2027 Series A Bonds, is $72,475,261.11, which excludes

any reserves or capitalized interest paid or funded with proceeds of the 2027 Series A Bonds (which may offset such total payment amount).

The foregoing estimates constitute good faith estimates only and are based on market conditions prevailing at the time of preparation of such estimates. The actual principal amount of the 2027 Series A Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the 2027 Series A Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of 2027 Series A Bonds sold being different from the Estimated Principal Amount, (c) the actual amortization of the 2027 Series A Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the 2027 Series A Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, or (f) alterations in the Successor Agency's financing plan, including delays in the financing, or a combination of such factors. The actual date of sale of the 2027 Series A Bonds and the actual principal amount of 2027 Series A Bonds sold will be determined by the Successor Agency based on the timing of the need for proceeds of the 2027 Series A Bonds and other factors. The actual interest rates borne by the 2027 Series A Bonds will depend on market interest rates at the time of sale thereof. The actual amortization of the 2027 Series A Bonds will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the Successor Agency.

Such notice

The par amount of any Term Bonds so purchased by the Successor Agency in any twelve-month period ending on June 1 in any year shall be credited towards and shall reduce the par amount of the Term Bonds required to be redeemed pursuant to subsection (d) on August 1 in each year; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said June 1.

Whenever any Bond shall be surrendered for transfer, the Successor Agency shall execute and the Trustee shall thereupon authenticate and deliver to the transferee a new Bond or Bonds of like tenor, maturity and aggregate principal amount of authorized denominations. The Trustee shall collect from the

Owner any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.06. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Successor Agency.

Every temporary Bond shall be executed by the Successor Agency upon the same conditions and in substantially the same manner as the definitive Bonds. If the Successor Agency issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Principal Corporate Trust Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations, interest rates and like maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond has matured or

has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the Successor Agency). The Successor Agency may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

The Successor Agency and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Successor Agency to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Successor Agency shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Successor Agency and the Trustee shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Successor Agency or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the Successor Agency may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Successor Agency determines to terminate the Depository as such, then the Successor Agency shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Successor Agency and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Successor Agency fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 2.12. Applicability of Provisions to Additional Bonds. Unless otherwise provided in a Supplemental Indenture, the provisions of Sections 2.03(c) through (g) and 2.05 through 2.11 shall apply to additional Bonds.

ARTICLE III

DEPOSIT AND APPLICATION; ADDITIONAL DEBT

Section 3.01. Issuance of Bonds. Upon the execution and delivery of this Indenture, the Successor Agency shall execute and deliver to the Trustee the 2027 Series A Bonds in the aggregate principal amount of _____ Dollars ($[Principal Amount]) and the Trustee shall authenticate and deliver the 2027 Series A Bonds upon the Written Request of the Successor Agency.

Section 3.02. Application of Proceeds of Sale and Certain Other Amounts. On the Closing Date with respect to the 2027 Series A Bonds, the proceeds of sale of the 2027 Series A Bonds received by the Trustee, being $_____ (calculated as the par amount of the 2027 Series A Bonds, plus original issue premium in the amount of $_____, less the discount of the Original Purchaser in the amount of $_____, [less $_____ to the 2027 Series A Insurer as the premium for the 2027 Series A Bond Insurance Policy, and less $_____ paid to the 2027 Series A Insurer as the premium for the 2027 Series A Reserve Insurance Policy]), shall be applied by the Trustee as follows:

(a) The Trustee shall deposit the amount of $_____ in the Costs of Issuance Fund.

(b) The Trustee shall deposit $___, being the remaining amount of proceeds of the 2027 Series A Bonds, in the Refunding Fund.

Section 3.03. Costs of Issuance Fund. There is hereby established a separate fund to be known as the "Costs of Issuance Fund", which shall be held by the Trustee in trust. The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance with respect to the 2027 Series A Bonds upon submission of a Written Request of the Successor Agency stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. On the date which is six (6) months following the Closing Date with respect to the 2027 Series A Bonds, or upon the earlier Written Request of the Successor Agency, all amounts (if any) remaining in the Costs of Issuance Fund shall be withdrawn therefrom by the Trustee and transferred to the Debt Service Fund, and the Costs of Issuance Fund shall be closed.

Section 3.04. Refunding Fund. There is hereby created the 2027 Series A Refunding Fund (the "Refunding Fund") held by the Trustee in trust for the benefit of the Successor Agency. The moneys in the Refunding Fund shall be maintained separate and apart from other moneys of the Successor Agency.

On the Closing Date with respect to the 2027 Series A Bonds, the Trustee shall transfer $_____ on deposit in the Refunding Fund to the Prior Trustee for deposit and application in accordance with the Refunding Instructions. Upon making such transfer, the Refunding Fund shall be closed by the Trustee.

Section 3.05. Issuance of Parity Debt. In addition to the 2027 Series A Bonds, the Successor Agency may issue additional bonds (including pursuant to a supplemental Indenture) or incur other loans, advances or indebtedness payable from Tax Revenues on a parity with the 2027 Series A Bonds to finance or refinance redevelopment activities with respect to the

Redevelopment Project in such principal amount as shall be determined by the Successor Agency. The Successor Agency may issue and deliver any such Parity Debt subject to the following specific conditions all of which are hereby made conditions precedent to the issuance and delivery of such Parity Debt:

(a) no event of default hereunder or under any Parity Debt Instrument shall have occurred and be continuing;

(b) the Tax Revenues received or to be received for the then current Fiscal Year based on the most recent taxable valuation of property in the Project Area as evidenced in a written document from an appropriate official of the City and County, exclusive of State subventions and taxes levied to pay voter approved outstanding general obligation bonded indebtedness, shall be at least equal to one hundred twenty five percent (125%) of Maximum Annual Debt Service on the 2027 Series A Bonds and any other Parity Debt that will be outstanding immediately following the issuance of such Parity Debt;

(c) in the event the Successor Agency issues additional Bonds pursuant to a Supplemental Indenture, the Successor Agency shall cause the amount on deposit in the Reserve Account to equal the Reserve Requirement; and

(d) the Successor Agency shall deliver to the Trustee a Written Certificate of the Successor Agency certifying that the conditions precedent to the issuance of such Parity Debt set forth above have been satisfied.

Parity Debt issued solely for refunding purposes shall not be required to meet the requirements set forth in (b) above in the event that debt service on the Bonds and all Parity Debt is reduced in each Bond Year as a result of such refunding.

Section 3.06. Issuance of Subordinate Debt. The Successor Agency may issue or incur Subordinate Debt in such principal amount as shall be determined by the Successor Agency. Such Subordinate Debt may be payable from any assets or property of the Successor Agency, including Tax Revenues on a subordinate basis to the payment of debt service on the Bonds.

Section 3.07. Validity of Bonds. The validity of the authorization and issuance of the Bonds shall not be dependent upon the completion of the Redevelopment Project or upon the performance by any person of his obligation with respect to the Redevelopment Project.

ARTICLE IV

SECURITY OF BONDS; FLOW OF FUNDS

Section 4.01. Security of Bonds; Equal Security. Except as provided in Section 6.06, the 2027 Series A Bonds and any Parity Debt shall be equally secured by a pledge of, security interest in and lien on all of the Tax Revenues and the moneys in the Special Fund, and the 2027 Series A Bonds and any additional Bonds shall also be secured by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Redemption Account and, except as provided in the Indenture, the Reserve Account without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Except for the Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the Bonds.

In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.02. Special Fund; Deposit of Tax Revenues. There is hereby established a special fund to be known as the "Mission Bay North Redevelopment Project 2027 Series A Special Fund" which is to be held by the Successor Agency and which shall be known as the "Special Fund". The Successor Agency shall transfer all of the Tax Revenues received in any Bond Year ratably to the Special Fund and the special funds created with respect to any additional Parity Debt, promptly upon receipt thereof by the Successor Agency, until such time during such Bond Year as the amounts on deposit in the Special Fund equal the aggregate amounts required to be transferred for deposit in such Bond Year (i) for deposit into the Interest Account, the Principal Account, the Reserve Account and the Redemption Account in such Bond Year pursuant to Section 4.03 hereof and, if applicable, (ii) with respect to any additional Parity Debt (other than additional Bonds issued pursuant to a Supplemental Indenture) pursuant to the applicable Parity Debt Instruments. If the amount of Tax Revenues available in such Bond Year shall be insufficient to deposit the full amount required to be deposited pursuant to subsections (i) and (ii) of this paragraph, then the Successor Agency shall transfer such Tax Revenues for deposit pro rata based on the full amounts required to be so deposited.

All Tax Revenues received by the Successor Agency during any Bond Year in excess of the amount required to be deposited in the Special Fund and the other special funds mentioned in the preceding paragraph during such Bond Year pursuant to the preceding paragraph of this Section 4.02 shall be released from the pledge, security interest and lien hereunder for the security of the Bonds and any additional Parity Debt and may be applied by the Successor Agency for any lawful purpose of the Successor Agency, including but not limited to the payment of Subordinate Debt, or the payment of any amounts due and owing to the United States of America pursuant to Section 5.14. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indenture or Parity Debt Instrument, the Successor Agency shall not have any beneficial right or interest in the moneys on deposit in the Special

Fund, except as may be provided in this Indenture and in any Supplemental Indenture or Parity Debt Instrument.

Section 4.03. Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Debt Service Fund, which shall be held by the Trustee hereunder in trust. Moneys in the Special Fund shall be transferred by the Successor Agency to the Trustee in the following amounts, at the following times, and deposited by the Trustee in the following respective special accounts, which are hereby established in the Debt Service Fund, and in the following order of priority (provided further that, if on the fifth (5th) Business Day prior to the date the Successor Agency is required to transfer amounts on deposit in the Special Fund to the Trustee there are not amounts on deposit therein sufficient to make the following deposits, taking into accounts amounts required to be transferred with respect to Parity Debt other than Bonds, the Successor Agency shall immediately notify the Trustee of the amount of any such insufficiency):

(a) Interest Account. On or before the fourth (4th) Business Day preceding each Interest Payment Date, commencing with the Interest Payment Date of February 1, 2028, the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee, for deposit in the Interest Account an amount which when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. On or before the fourth (4th) Business Day preceding August 1 in each year beginning August 1, 2028, the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then contained in the Principal Account, will be equal to the principal becoming due and payable on the Outstanding Serial Bonds and Outstanding Term Bonds, including pursuant to mandatory sinking account redemption, on the next August 1. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal to become due on the next August 1 on all of the Outstanding Serial Bonds and Term Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Serial Bonds and the Term Bonds, including by mandatory sinking account redemption, as the same shall become due and payable.

(c) Reserve Account. The Trustee shall establish a separate subaccount within the Reserve Account designated as the "2027 Reserve Subaccount" to hold the Reserve Requirement with respect to the 2027 Series A Bonds. Amounts on deposit in the 2027 Reserve Subaccount may be used to pay debt service on the 2027 Series A Bonds and also any other Bonds specified in the Supplemental Indenture pursuant to which such Bonds are issued.

[The Reserve Requirement for the 2027 Series A Bonds shall be satisfied by the delivery of the 2027 Series A Reserve Insurance Policy by the 2027 Series A Insurer to the Trustee on the Closing Date, and the Trustee shall credit the 2027 Series A Reserve Insurance Policy to the 2027 Reserve Subaccount. Amounts, if any, drawn on the 2027 Series A Reserve Insurance Policy shall be available only to pay debt service on the 2027 Series A Bonds. The provisions governing the administration of the 2027 Series A Reserve Insurance Policy are set forth in the 2027 Series A Financial Guaranty Agreement.]

In the event that the amount on deposit in the Reserve Account at any time becomes less than the Reserve Requirement, the Trustee shall promptly notify the Successor Agency of such fact. Promptly upon receipt of any such notice, the Successor Agency shall transfer to the Trustee an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. If there shall then not be sufficient Tax Revenues to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account, the Successor Agency shall be obligated to continue making transfers as Tax Revenues become available in the Special Fund until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account so long as there shall be on deposit therein a sum at least equal to the Reserve Requirement. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account in such order of priority, in the event of any deficiency at any time in any of such accounts, or for the retirement or defeasance of the Bonds then Outstanding (as may be permitted herein), except that so long as the Successor Agency is not in default hereunder, any amount in the Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account semiannually on or before the fifth (5th) Business Days preceding each February 1 and August 1, and the date of redemption or defeasance of any Bonds, by the Trustee and deposited in the Interest Account or, in the case of the redemption or defeasance of Bonds, also in the Principal Account or an escrow account established for the defeasance of any of the Bonds. All amounts in the Reserve Account on the Business Day preceding the final Interest Payment Date shall be withdrawn from the Reserve Account and shall be transferred either (i) to the Interest Account and the Principal Account, in such order, to the extent required to make the deposits then required to be made pursuant to this Section 4.03 or, (ii) if the Successor Agency shall have caused to be transferred to the Trustee an amount sufficient to make the deposits required by this Section 4.03, then to the Successor Agency.

The Successor Agency shall have the right at any time to direct the Trustee to release funds from the Reserve Account, in whole or in part, by tendering to the Trustee: (i) a Qualified Reserve Account Credit Instrument, and (ii) an opinion of Bond Counsel stating that neither the release of such funds nor the acceptance of such Qualified Reserve Account Credit Instrument will cause interest on the 2027 Series A Bonds or any other Bonds the interest on which is excluded from gross income of the owners thereof for federal income tax purposes to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Trustee, and upon delivery by the Successor Agency to the Trustee of written calculation of the amount permitted to be released from the Reserve Account (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the Reserve Account to the Successor Agency to be used for any lawful purpose that does not adversely affect the exclusion from gross income for federal income tax purposes of interest on any of the Bonds. The Trustee shall comply with all documentation relating to a Qualified Reserve Account Credit Instrument as shall be required to maintain such Qualified Reserve Account Credit Instrument in full force and effect and as shall be required to receive payments thereunder in the event and to the extent required to make any payment when and as required under this subsection (c). Upon the expiration of any Qualified Reserve Account Credit Instrument, the Successor Agency shall either (i) replace such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) deposit or cause to be deposited with the Trustee an amount of funds equal to the Reserve Requirement, to be derived from the first available Tax Revenues.

In the event that a Qualified Reserve Account Credit Instrument delivered with respect to a series of Bonds is available to be drawn upon for only one particular issue of Bonds, a separate

subaccount in the Reserve Account may be established for such issue, and the calculation of the Reserve Requirement with respect to all other Bonds shall exclude the debt service on such issue of Bonds, and the Bonds secured by such Qualified Reserve Account Credit Instrument shall not have access to any other amounts on deposit in the Reserve Account except as expressly provided in the applicable Supplemental Indenture. Additionally, the Reserve Account may be maintained in the form of one combined Reserve Account or in the form of one more separate sub-accounts which are established for the purpose of holding the proceeds of separate issues of Bonds in conformity with applicable provisions of the Code to the extent directed by the Successor Agency in writing to the Trustee.

If the Reserve Requirement with respect to a series of Bonds is being maintained partially in cash and partially with a Qualified Reserve Account Credit Instrument, the cash shall be first used to meet any deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture, and the Qualified Reserve Account Credit Instrument shall be replenished first before the cash in such subaccount is replenished. If the Reserve Requirement with respect to a series of Bonds is being maintained with two or more Qualified Reserve Account Credit Instruments, any draw to meet a deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture shall be pro-rata with respect to each such instrument.

Prior to drawing on the Reserve Account in order to make a payment of debt service on the Bonds, the Trustee shall notify the Successor Agency.

(d) Redemption Account. On or before the Business Day preceding any date on which Bonds are to be redeemed pursuant to Section 2.03(a), the Trustee shall withdraw from the Debt Service Fund any amount transferred by the Successor Agency pursuant to Section 2.03(a) for deposit in the Redemption Account, such amount being the amount required to pay the principal of and premium, if any, on the 2027 Series A Bonds and on other Bonds to be redeemed on such date pursuant to Section 2.03(a) or a similar provision of a Supplemental Indenture. All moneys in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and premium, if any, on the 2027 Series A Bonds and on such other Bonds to be redeemed pursuant to Section 2.03(a) or a similar provision of a Supplemental Indenture on the date set for such redemption. Interest due on the 2027 Series A Bonds or such other Bonds to be redeemed on the date set for redemption shall, if applicable, be paid from funds available therefor in the Interest Account. Notwithstanding the foregoing, at any time prior to giving notice of redemption of any such 2027 Series A Bonds or such other Bonds, the Trustee may, at the direction of the Successor Agency, apply amounts deposited or otherwise to be deposited in the Redemption Account to the purchase of the 2027 Series A Bonds or such other Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest on such 2027 Series A Bonds or such other Bonds, which is payable from the Interest Account) as shall be directed by the Successor Agency.

Section 4.04. Claims Upon the 2027 Series A Bond Insurance Policy: Rights of the 2027 Series A Insurer . [to come, if applicable]

Section 4.05. Claims Upon the 2027 Series A Reserve Insurance Policy: Additional Rights of the 2027 Series A Insurer with respect to the 2027 Series A Reserve Insurance Policy. [to come, if applicable]

ARTICLE V

OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.01. Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and of this Indenture. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, all Supplemental Indentures and the Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Section 5.02. Limitation on Additional Indebtedness; Against Encumbrances. The Successor Agency hereby covenants that, so long as the Bonds are Outstanding, the Successor Agency shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Tax Revenues, excepting only the 2027 Series A Bonds, any Parity Debt and any Subordinate Debt**.** The Successor Agency will not otherwise encumber, pledge or place any charge or lien upon any of the Tax Revenues or other amounts pledged to the Bonds superior or equal to the pledge and lien herein created for the benefit of the Bonds.

Section 5.03. Extension of Payment. The Successor Agency will not, directly or indirectly, extend or consent to the extension of the time for the payment of any Bond or claim for interest on any of the Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Bonds or claims for interest in any other manner. In case the maturity of any such Bond or claim for interest shall be extended or funded, whether or not with the consent of the Successor Agency, such Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Payment of Claims. The Successor Agency shall promptly pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Successor Agency or upon the Tax Revenues or other amounts pledged to the payment of the Bonds, or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Bonds. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said claims.

Section 5.05. Books and Accounts; Financial Statements. The Successor Agency shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Successor Agency and the City and County, in which complete and correct entries shall be made of all transactions relating to the Redevelopment Project, the Tax Revenues and the Special Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of any Insurer and the Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or their representatives authorized in writing.

The Successor Agency will cause to be prepared, within one hundred and eighty (180) days after the close of each Fiscal Year so long as the Bonds are Outstanding, complete audited

financial statements with respect to such Fiscal Year showing the Tax Revenues, all disbursements of Tax Revenues and the financial condition of the Redevelopment Project, including the balances in all funds and accounts relating to the Redevelopment Project, as of the end of such Fiscal Year. The Successor Agency shall promptly furnish a copy of such financial statements to the Trustee and any Insurer at no expense and to any Owner upon reasonable request and at the expense of such Owner. The Trustee shall have no obligation to review any financial statements provided to it by the Successor Agency.

Section 5.06. Protection of Security and Rights of Owners. The Successor Agency will preserve and protect the security of the Bonds and the rights of the Owners. From and after the Closing Date with respect to the 2027 Series A Bonds, the 2027 Series A Bonds shall be incontestable by the Successor Agency.

Section 5.07. Payments of Taxes and Other Charges. Except as otherwise provided herein, the Successor Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Successor Agency or the properties then owned by the Successor Agency in the Redevelopment Project, or upon the revenues therefrom when the same shall become due. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said taxes, assessments or charges. The Successor Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Redevelopment Project or any part thereof.

Section 5.08. Taxation of Leased Property. All amounts derived by the Successor Agency pursuant to Section 33673 of the Law with respect to the lease of property for redevelopment shall be treated as Tax Revenues for all purposes of this Indenture.

Section 5.09. Disposition of Property. The Successor Agency will not participate in the disposition of any land or real property in the Project Area to anyone which will result in such property becoming exempt from taxation because of public ownership or use or otherwise (except property dedicated for public right-of-way and except property planned for public ownership or use by the Redevelopment Plan in effect on the date of issuance of the 2027 Series A Bonds) so that such disposition shall, when taken together with other such dispositions, aggregate more than ten percent (10%) of the land area in the Project Area unless such disposition is permitted as hereinafter provided in this Section 5.09. If the Successor Agency proposes to participate in such a disposition, it shall thereupon appoint an Independent Redevelopment Consultant to report on the effect of said proposed disposition. If the Report of the Independent Redevelopment Consultant concludes that the security of the Bonds, or the rights of the Agency, the Bond Owners and the Trustee hereunder will not be materially impaired by said proposed disposition, the Successor Agency may thereafter make such disposition. If said Report concludes that such security will be materially impaired by said proposed disposition, the Successor Agency shall disapprove said proposed disposition.

Section 5.10. Maintenance of Tax Revenues. The Successor Agency shall comply with all requirements of the Law to ensure the allocation and payment to it of the Tax Revenues, including without limitation the timely filing of any necessary statements of indebtedness with appropriate officials of the City and County and, in the case of amounts payable by the State, appropriate officials of the State. The Successor Agency shall not undertake proceedings for amendment of the Redevelopment Plan if such amendment shall result in payments to one or more taxing entities pursuant to Sections 33607.5 and 33607.7 of the Law unless the Successor

Agency shall first obtain a written opinion of an Independent Redevelopment Consultant that such payments will not adversely impair the Successor Agency's ability to pay debt service on the Bonds. Additionally, the Successor Agency shall not approve any amendment to the Redevelopment Plan which would, in and of itself, cause the amount of Tax Revenues available to the Successor Agency for application hereunder in any succeeding Fiscal Year to fall below 125% of Maximum Annual Debt Service without the written consent of the Insurers, if any.

Section 5.11. No Arbitrage. The Successor Agency shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the 2027 Series A Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the 2027 Series A Bonds would have caused the 2027 Series A Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

Section 5.12. Private Activity Bond Limitation. The Successor Agency shall assure that the proceeds of the 2027 Series A Bonds are not so used as to cause the 2027 Series A Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

Section 5.13. Federal Guarantee Prohibition. The Successor Agency shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the 2027 Series A Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

Section 5.14. Rebate Requirement. The Successor Agency shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the 2027 Series A Bonds.

Section 5.15. Maintenance of Tax-Exemption. The Successor Agency shall take all actions necessary to assure the exclusion of interest on the 2027 Series A Bonds from the gross income of the Owners of the 2027 Series A Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the 2027 Series A Bonds.

Section 5.16. Record Retention. The Successor Agency will retain its records of all accounting and monitoring it carries out with respect to the 2027 Series A Bonds for at least 3 years after the 2027 Series A Bonds mature or are redeemed (whichever is earlier); however, if the 2027 Series A Bonds are redeemed and refunded, the Successor Agency will retain its records of accounting and monitoring at least 3 years after the earlier of the maturity or redemption of the obligations that refunded the 2027 Series A Bonds.

Section 5.17. Compliance with Tax Certificate. The Successor Agency will comply with the provisions of the Certificate as to Arbitrage and Certificate Regarding Use of Proceeds with respect to the 2027 Series A Bonds, which are incorporated herein as if fully set forth herein. The covenants of this Section will survive payment in full or defeasance of the 2027 Series A Bonds.

Section 5.18. Compliance with the Law. The Successor Agency shall ensure that all activities undertaken by the Successor Agency with respect to the redevelopment of the Project Area are undertaken and accomplished in conformity with all applicable requirements of the Redevelopment Plan and the Law.

Section 5.19. Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, the Trustee at the request of any Participating Underwriter (as defined in the Continuing Disclosure Certificate) or the holders of at least 25% aggregate principal amount of Outstanding Bonds, shall, but only to the extent the Trustee has been indemnified from and against any loss, liability, cost or expense, including, without limitation, fees and expenses of its attorneys and advisors and additional fees and expenses of the Trustee, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.20. Compliance with the Dissolution Act. The Successor Agency has heretofore established the Retirement Fund as required by Section 34170.5(a) of the California Health and Safety Code, and covenants that it shall continue to hold and maintain the Retirement Fund so long as any of the Bonds are Outstanding. The Successor Agency hereby agrees that it will hold the Special Fund, as well as the special funds established with respect to any future Parity Debt, as an account within Retirement Fund and will continue to deposit all Tax Revenues, as and when received, into the Special Fund and such other special funds as required by Section 4.02 hereof in order to ensure that all Tax Revenues are available for the payment of debt service on the Bonds and any other Parity Debt on a timely basis.

The Successor Agency shall comply with all of the requirements of the Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder.

Further, it will take all actions required under the Dissolution Act to include:

(i) scheduled debt service on the Bonds and any other Parity Debt and any amount required under this Indenture or any Parity Debt Instrument to replenish the Reserve Account and subaccounts therein established hereunder and the reserve accounts or subaccounts established under any Parity Debt Instrument,

(ii) scheduled debt service on any Subordinate Debt and any amount required under any instrument pursuant to which Subordinate Debt is issued to replenish the reserve accounts or subaccounts established thereunder, and

(iii) amounts due to any Insurer or issuer of a Qualified Reserve Account Credit Instrument hereunder or under an insurance or surety bond agreement,

in each annual Recognized Obligation Payment Schedule so as to enable the Auditor-Controller of the City and County of San Francisco to distribute from the Redevelopment Property Tax Trust Fund to the Successor Agency's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Successor Agency to pay principal of, and interest

on, the Bonds coming due in the respective six-month period and to pay amounts owed to any Insurer, as well as the other amounts set forth above.

These actions will include, without limitation, placing on the periodic Recognized Obligation Payment Schedule for approval by the Oversight Board and Department of Finance the amounts to be held by the Successor Agency as a reserve until the next six-month period, as contemplated by paragraph (1)(A) of subdivision (d) of Section 34171 of the Dissolution Act, that are necessary to comply with this Indenture. Not later than February 1, 2028 and each February 1 thereafter (or at such other time as may be required by the Dissolution Act) for so long as any of the Bonds, any Parity Debt or any Subordinate Debt remain outstanding or any amounts owing to an Insurer or an issuer of a Qualified Reserve Account Credit Instrument remain unpaid, (a) the Successor Agency will place on the Recognized Obligation Payment Schedules relating to the subsequent January 2 disbursement date all amounts that, together with other amounts on deposit in the Redevelopment Property Tax Trust Fund reserved for payment of debt service on the Bonds, any Parity Debt and any Subordinate Debt or on deposit in the Special Fund or in the special fund relating to such other debt, are sufficient to pay debt service on the Bonds, any Parity Debt and any Subordinate Debt on the immediately succeeding February 1 and August 1, and (b) if the Successor Agency determines it is necessary to do so to ensure receiving sufficient tax increment revenues from the Project Area to pay debt service on the Bonds, any Parity Debt and any Subordinate Debt on a timely basis, the Successor Agency will place on Recognized Obligation Payment Schedules relating to the June 1 disbursement date amounts required to pay debt service on the Bonds, any Parity Debt and any Subordinate Debt on the next succeeding August 1. Additionally, if the Successor Agency determines it is necessary to ensure timely payment of debt service on the Bonds, any Parity Debt and any Subordinate Debt, the Successor Agency may also collect on each January 2 a reserve to be held for debt service on the Bonds, any Parity Debt and any Subordinate Debt on February 1 and August 1 of the next succeeding calendar year. Further, the Successor Agency will place any amounts required to replenish the Reserve Account and subaccounts therein established hereunder or the reserve accounts and subaccounts established under any Parity Debt Instrument and any amounts owing to any Insurer or any issuer of a Qualified Reserve Account Credit Instrument hereunder or under an insurance or surety bond agreement, on its next Recognized Obligation Payment Schedule upon any such amounts becoming owing.

The Successor Agency also covenants to calculate the amount of Tax Revenues received, as described above, to ensure that Tax Revenues are properly credited to and deposited in the Special Fund, as required by Section 4.02 of this Indenture.

The Successor Agency further covenants that it will, on or before May 1 and December 1 of each year, file a Notice of Insufficiency with the County Auditor-Controller if Tax Revenues available to the Successor Agency from the Redevelopment Property Tax Trust Fund on the upcoming June 1 or January 2, as applicable, are insufficient to pay debt service on the Bonds and any Parity Debt, to replenish the Reserve Account and subaccounts therein established hereunder or the reserve accounts and subaccounts established under any Parity Debt Instrument and to pay any Insurer any amounts owing hereunder or any issuer of a Qualified Reserve Account Credit Instrument hereunder or under an insurance or surety bond agreement.

Section 5.21. Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

ARTICLE VI

THE TRUSTEE

Section 6.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Successor Agency may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee shall cease to be eligible in accordance with subsection (f) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Successor Agency to the Trustee, with a copy to any Insurer, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Successor Agency and by giving the Owners and any Insurer notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing, with notice of such appointment to be furnished to any Insurer and any Insurer.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the Successor Agency for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the

successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall cause either the predecessor Trustee or the successor Trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books.

(e) If an Event of Default hereunder occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.03(d) hereof, then the Trustee shall immediately give written notice thereof, by first-class mail to the any Insurer and the Owner of each such Bond, unless such Event of Default shall have been cured before the giving of such notice; provided, however, that unless such Event of Default consists of the failure by the Successor Agency to make any payment when due, the Trustee shall, within thirty (30) days of the Trustee's knowledge thereof, give such notice to any Insurer, and the Trustee, with the consent of any Insurer may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.

(f) The Successor Agency agrees that, so long as any Bonds or any Parity Debt are Outstanding, the Trustee shall be a financial institution having a trust office in the State, having (or in the case of a corporation or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least $75,000,000, and subject to supervision or examination by federal or state authority. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (f), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 6.02. Merger or Consolidation. Any bank or trust company into which the Trustee may be merged or converted or with which may be consolidated or any bank or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or trust company shall be eligible under subsection (f) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.03. Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds or the tax status of interest thereon nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or misconduct. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and employees may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or misconduct of the Trustee. Where the Trustee is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

(d) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the Successor Agency at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the Successor Agency's certificates to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Tax Revenues into the Special Fund and the investment and application of moneys on deposit in the Special Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(e) The Trustee shall have no liability or obligation to the Bondowners with respect to the payment of debt service on the Bonds by the Successor Agency or with respect to the observance or performance by the Successor Agency of the other conditions, covenants and terms contained in this Indenture, or with respect to the

investment of any moneys in any fund or account established, held or maintained by the Successor Agency pursuant to this Indenture or otherwise.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder.

(h) The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(i) Before taking any action under Article VIII or this Article at the request of the Owners or any Insurer, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners or any Insurer for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

Section 6.04. Right to Rely on Documents and Opinions. The Trustee shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal questions, and, in the absence of negligence or intentional misconduct by the Trustee, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of and copying by the

Successor Agency and any Insurer and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions.

Section 6.06. Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the Successor Agency and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a lien on the Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel).

The Successor Agency further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense and liabilities which it may incur to the extent arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the Successor Agency and the rights of the Trustee under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.07. Deposit and Investment of Moneys in Funds. Moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Reserve Account, the Redemption Account and the Costs of Issuance Fund, and any funds or account established in connection with the issuance of Parity Debt, shall be invested by the Trustee in Permitted Investments as directed by the Successor Agency in the Written Request of the Successor Agency filed with the Trustee, except that moneys in the Reserve Account shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (d) of the definition thereof. In the absence of any such Written Request of the Successor Agency, the Trustee shall invest any such moneys in Permitted Investments described in clause (e) of the definition thereof, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder. The Trustee shall be entitled to rely conclusively upon the written instructions of the Successor Agency directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. With respect to any restrictions set forth in the above list which embody legal conclusions (e.g., the existence, validity and perfection of security interests in collateral), the Trustee shall be entitled to rely conclusively on an opinion of counsel or upon a representation of the provider of such Permitted Investment obtained at the Successor Agency's expense. Moneys in the Special Fund may be invested by the Successor Agency in any obligations in which the Successor Agency is legally authorized to invest its funds. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder shall be deposited in the Interest Account; *provided, however,* that all interest or gain from the investment of amounts in the Reserve Account shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the Reserve Account to equal the Reserve

Requirement. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Successor Agency or otherwise made in accordance with this Section. For investment purposes only, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency monthly cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account to the Successor Agency for earnings derived from funds that have been invested.

The Successor Agency covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued by the Successor Agency at their present value (within the meaning of section 148 of the Code). Investments on deposit in the Reserve Account shall be valued on June 30 of each year at their market value.

Section 6.08. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which accurate entries shall be made of all transactions relating to the proceeds of the Bonds made by it and all funds and accounts held by the Trustee established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the Successor Agency, on at least a monthly basis, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.09. Other Transactions with Agency. The Trustee, either as principal or agent, may engage in or be interested in any financial or other transaction with the Successor Agency.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01. Amendment With and Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption without the consent of any Owners, to the extent permitted by law, but only for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or powers herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the Successor Agency, materially adversely affect the interests of the Owners; or

(c) to provide for the issuance of Parity Debt in accordance with Section 3.05; or

(d) to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exemption from federal income taxation of interest on any of the Bonds, in the opinion of Bond Counsel;

(e) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds; or

(f) to comply with the requirements of a provider of a Qualified Reserve Account Credit Instrument.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of any other and the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of any Insurer or the Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event shall any Supplemental Indenture modify any of the rights or obligations of any Insurer without its prior written consent.

Section 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03. Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may, with the prior written consent of any Insurer, determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency the Owners of such Bonds shall present such Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared at the expense of the Successor Agency and executed in exchange for any or all of the Bonds, and in that case, upon demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Principal Corporate Trust Office of the Trustee, without cost to such Owners.

Section 7.04. Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond and, provided further that written consent to such amendment shall first be obtained from any Insurer.

Section 7.05. Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and does not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the Bonds from personal income taxation by the State.

Section 7.06. Copy of Supplemental Indenture to S&P and Moody's. The Successor Agency shall provide to S&P and Moody's, for so long as S&P and Moody's, as the case may be, maintain a rating on any of the Bonds (without regard to any municipal bond or financial guaranty insurance), a copy of any Supplemental Indenture at least 15 days prior to its proposed effective date.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01. Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made by the Successor Agency in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30) days following receipt by the Successor Agency of written notice from the Trustee or any Insurer or written notice from any Owner (with a copy of said notice delivered to the Trustee and any Insurer) of the occurrence of such default, provided that if in the reasonable opinion of the Successor Agency the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure will not constitute an event of default if corrective action is instituted by the Successor Agency (with the prior written consent of any Insurer) within such thirty (30) day period and the Successor Agency thereafter diligently and in good faith cures such failure in a reasonable period of time as approved by any Insurer; or

(c) If the Successor Agency files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition by the Successor Agency seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition by the Successor Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the Successor Agency or of the whole or any substantial part of its property.

In determining whether an Event of Default has occurred under (a) above, no effect shall be given to payments made under any municipal bond insurance policy, financial guaranty insurance policy or Qualified Reserve Account Credit Instrument.

If an Event of Default has occurred under this Section and is continuing, the Trustee, may, and, if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding the Trustee shall, (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (b) subject to the provisions of Section 8.06, exercise any other remedies available to the Trustee and the Bond Owners in law or at equity.

Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to any Insurer and to the Successor

Agency by telephone promptly confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (c) above the Trustee shall, and with respect to any Event of Default described in clause (b) above the Trustee in its sole discretion may, also give such notice to the Owners by mail, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Successor Agency shall, with the written consent of a majority in aggregate principal amount of the Owners of the Bonds, deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law), and the reasonable fees and expenses of the Trustee, (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Trustee shall promptly give written notice of the foregoing to any Insurer and the Owners of all Bonds then Outstanding, and with the prior written approval of the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

Section 8.02. Application of Funds Upon Acceleration. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture (including the Trustee's share of any Tax Revenues) and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the several Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and counsel and any outstanding fees, expenses of the Trustee; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, as applicable, with interest on the overdue principal, and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have

been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority, ratably to the aggregate of such principal and interest.

Section 8.03. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; *provided, however,* that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 8.04. Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Successor Agency, the Trustee and any Insurer written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Law and the Refunding Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the Successor Agency, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06. Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds or Parity Debt shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, *provided, however,* the Trustee shall have no duty or obligation to exercise any such right or remedy unless it has been indemnified to its satisfaction from any loss, liability or expense (including fees and expenses of its outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel).

Section 8.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or the Refunding Law or any other law.

Section 8.08. Determination of Percentage of Bond Owners. Whenever in this Indenture the consent, direction or other action is required or permitted to be given or taken by a percentage of the Owners of an aggregate principal amount of Outstanding Bonds (including by the Owners of a majority in aggregate principal amount of the Outstanding Bonds), such percentage shall be calculated on the basis of the principal amount of the Outstanding Bonds determined as of the next succeeding Interest Payment Date.

This Bond is one of a duly authorized issue of bonds of the Successor Agency designated as "Successor Agency to the Redevelopment Agency of the City and County of San Francisco 2027 Series A Tax Allocation Refunding Bonds (Mission Bay North Redevelopment Project)" (the "Bonds"), of an aggregate principal amount of _____ Dollars ($[Principal Amount]), all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates, or redemption and other provisions) and all issued pursuant to the provisions of the Section 34177.5 of the California Health and Safety Code, the Community Redevelopment Law, being Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code of the State of California (the "Law"), and Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code (the "Refunding Law"), and pursuant to an Indenture of Trust, dated as of [March] 1, 2027, entered into by and between the Successor Agency and the Trustee (the "Indenture"), providing for the issuance of the Bonds. The Bonds are being issued in the form of registered Bonds without coupons. Additional bonds or other obligations may be issued on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Successor Agency) and all indentures supplemental thereto and to the Law and the Refunding Law for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Tax Revenues (as that term is defined in the Indenture), and the rights thereunder of the registered owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees. Capitalized terms not otherwise defined herein shall have the meanings given them in the Indenture.

The Bonds have been issued by the Successor Agency for the purpose of providing funds to refinance certain redevelopment activities with respect to its Mission Bay North Redevelopment Project (the "Project Area") and to pay certain expenses of the Successor Agency in issuing the Bonds.

The Bonds are special obligations of the Successor Agency and this Bond and the interest hereon and on all other Bonds and the interest thereon (to the extent set forth in the Indenture), are payable from, and are secured by a pledge of, security interest in and lien on the Tax Revenues derived by the Successor Agency from the Project Area.

There has been created and will be maintained by the Successor Agency, the Special Fund (as defined in the Indenture) into which Tax Revenues shall be deposited and from which the Successor Agency shall transfer amounts to the Trustee for payment, when due, of the principal of and the interest and redemption premium, if any, on the Bonds and any additional Parity Debt as defined in the Indenture. As and to the extent set forth in the Indenture, all such Tax Revenues and the moneys in the Special Fund (as such terms are defined in the Indenture) are exclusively and irrevocably pledged to and constitute a trust fund, in accordance with the terms hereof and the provisions of the Indenture and the Law and the Refunding Law, for the security and payment or redemption of, including any premium upon early redemption, and for the security and payment of interest on, the Bonds and any additional Parity Debt (as defined in the Indenture). In addition, the Bonds shall be additionally secured at all times by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund,

the Interest Account, the Principal Account, the Reserve Account and the Redemption Account (as such terms are defined in the Indenture). Except for the Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium, if any, on the Bonds.

The Bonds maturing on or prior to August 1, ____, are not subject to optional redemption. The Bonds maturing on or after August 1, ____, are subject to optional redemption prior to their respective maturity dates as a whole, or in part by lot, on any date on or after August 1, ____, by such maturity or maturities as shall be directed by the Successor Agency (or in absence of such direction, pro rata by maturity and by lot within a maturity), from any source of available funds. Such optional redemption shall be at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued but unpaid interest to the date fixed for redemption, without premium.

The Bonds maturing on August 1, ____ (the "Term Bonds") shall also be subject to mandatory redemption in whole, or in part by lot, on August 1 in each year, commencing August 1, ____, as set forth below, from sinking fund payments made by the Successor Agency to the Principal Account at a redemption price equal to the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts and on August 1 in the respective years as set forth in the following table; provided however, that (x) in lieu of redemption thereof the Term Bonds may be purchased by the Successor Agency pursuant to the Indenture, and (y) if some but not all of the Term Bonds have been redeemed pursuant to optional redemption, the total amount of all future sinking fund payments shall be reduced by the aggregate principal amount of the Term Bonds so redeemed, to be allocated among such sinking fund payments in integral multiples of $5,000 as determined by the Successor Agency (notice of which determination shall be given by the Successor Agency to the Trustee).

Term Bonds Maturing August 1, ____

August 1	Principal Amount

As provided in the Indenture, notice of redemption shall be given by first class mail no less than twenty (20) nor more than sixty (60) days prior to the redemption date to the Registered Owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books maintained by the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption.

The Successor Agency shall have the right to send a conditional notice of optional redemption, and to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of $5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by its attorney duly authorized in writing, at the Principal Corporate Trust Office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of any authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. The Trustee may refuse to transfer or exchange (a) any Bond during the fifteen (15) days prior to the date established for the selection of Bonds for redemption, or (b) any Bond selected for redemption.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Successor Agency and the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the registered owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Successor Agency or the Trustee for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond is not a debt, liability or obligation of the City of and County of San Francisco, the State of California, or any of its political subdivisions, and neither said City and County, said State, nor any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those pledged by the Successor Agency. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law, the Refunding Law and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Law, the Refunding Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the Redevelopment Agency of the City and County of San Francisco has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Deputy Director, Finance and Administration and attested by the facsimile signature of its Secretary, all as of the Dated Date set forth above.

Attention: Executive Director

Ladies and Gentlemen:

The undersigned, _____ (the "Underwriter"), offers to enter into this Bond Purchase Contract (this "Purchase Contract") with the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (the "Successor Agency"). This offer is made subject to acceptance by the Successor Agency by execution of this Purchase Contract and delivery of the same to the Underwriter on or before 11:59 p.m. (California time) on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Successor Agency at any time prior to such acceptance. Upon the acceptance by the Successor Agency hereof, this Purchase Contract will be binding upon the Successor Agency and the Underwriter.

Capitalized terms used in this Purchase Contract and not otherwise defined herein shall have the respective meanings set forth for such terms in the Indenture (as such term is defined below) and if not otherwise defined therein, shall have the meanings given to such terms as set forth in the Official Statement (as such term is defined below).

Section 1. Purchase and Sale of the Bonds. Upon the terms and conditions and upon the basis of the representations set forth in this Purchase Contract, the Underwriter agrees to purchase from the Successor Agency, and the Successor Agency agrees to sell and deliver to the Underwriter, all (but not less than all) of the captioned bonds (the "Bonds). The Bonds shall be dated their date of delivery and shall have the maturities, bear interest at the rates per annum and have the yields all as set forth on Schedule I attached hereto. The purchase price for the Bonds shall be $_____, calculated as $_____ (aggregate principal amount of the Bonds), plus original issue premium of $_____, and less an Underwriter's discount in the amount of $_____.

Section 2. Preliminary Official Statement. The Successor Agency has delivered to the Underwriter a Preliminary Official Statement, dated ____, 2027, as supplemented to date (the

"Preliminary Official Statement"), and will deliver to the Underwriter a final Official Statement dated the date hereof as provided in Section 5 of this Purchase Contract (as amended and supplemented from time to time pursuant to Section 6(k) of this Purchase Contract, the "Official Statement"). The Successor Agency has delivered to the Underwriter a certificate pursuant to Securities and Exchange Commission Rule 15c2-12 ("Rule 15c2-12") relating to the Preliminary Official Statement, in substantially the form attached hereto as Exhibit A.

Section 3. Description of the Bonds. The Bonds shall be payable and subject to redemption as provided in the Indenture and as set forth in the Official Statement. The Bonds are legal, valid and binding limited obligations of the Successor Agency which are payable solely from and secured by a pledge of Tax Revenues as described in the Indenture. The Bonds are issued for the primary purpose of providing funds, together with other lawfully available moneys: (a) to refund the $73,890,000 initial principal amount of Successor Agency to the Redevelopment Agency of the City and County of San Francisco 2016 Series A Tax Allocation Bonds (Mission Bay North Redevelopment Project) (the "Refunded Bonds"); (b) to pay the premium for a debt service reserve fund policy (the "Reserve Policy"), to be issued by _____ (the "Insurer") to satisfy the Reserve Requirement with respect to the Bonds; (c) to pay the premium for a municipal bond insurance policy (the "Bond Insurance Policy") for the Bonds; and (d) to pay the costs associated with the issuance of the Bonds.

The Underwriter reserves the right to make concessions to dealers and to change such initial public offering prices or yields as the Underwriter reasonably deem necessary in connection with the marketing of the Bonds. The Underwriter also reserves the right: (a) to over-allot or effect transactions that stabilize or maintain the market price of the Bonds at a level above that which might otherwise prevail in the open market; and (b) to discontinue such stabilizing, if commenced, at any time.

Section 5. Delivery of Official Statement. The Official Statement shall be provided for distribution, at the expense of the Successor Agency, in such quantity as may be requested by the Underwriter no later than the earlier of (i) seven (7) business days after the date of this Purchase Contract or (ii) one (1) business day prior to the Closing Date (as such term is defined herein), in order to permit the Underwriter to comply with Rule 15c2-12 of the Securities and Exchange Commission ("SEC"), and the applicable rules of the Municipal Securities Rulemaking Board (the "MSRB"), with respect to distribution of the Official Statement. The Successor Agency shall prepare the Official Statement, including any amendments thereto, in word-searchable PDF format as described in the MSRB's Rule G-32 and shall provide the electronic copy of the word-searchable PDF format of the Official Statement to the Underwriter no later than one (1) business day prior to the Closing Date to enable the Underwriter(s) to comply with MSRB Rule G-32.

The Underwriter agrees that from the time that the Official Statement becomes available until the earlier of: (a) the "End of the Underwriting Period," as defined in Section 6(j) of this Purchase Contract; or (b) the time when the Official Statement is available to any person from the MSRB's Electronic Municipal Market Access system ("EMMA"), but in no case less than 25 days following the End of the Underwriting Period, the Underwriter shall send no later than the next business day following a request for a copy thereof, by first class mail or other equally prompt means, to any potential customer (as such term is defined in Rule 15c2-12), on request, a single copy of the Official Statement. Section 8. Termination. The Underwriter shall have the right to terminate their obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds by notifying the Successor Agency of their election to do so if, after the execution hereof and prior to the Closing Date:

(b) the outbreak or declaration of war, institution of a police action, engagement in military hostilities by the United States, or any escalation of any existing conflict or hostilities in which the United States is involved or the occurrences or escalation of any other national emergency or calamity or crisis or any change in financial markets resulting from the foregoing, which, in the reasonable opinion of the Underwriter, would make it impracticable or inadvisable to proceed with the offer, sale or delivery of the Bonds on the terms and in the manner contemplated in the Official Statement;

(c) a general banking moratorium by federal, State of New York or State of California authorities, or the general suspension or material limitation of trading on any national securities exchange which in the Underwriter's reasonable opinion materially adversely affects the market price of the Bonds, is declared;

(d) the New York Stock Exchange or other national securities exchange, or any governmental authority, imposes any material restrictions not now in force with respect to the Bonds or obligations of the general character of the Bonds or securities generally, or there is a material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter which, in the reasonable opinion of the Underwriter would make it impracticable or inadvisable to proceed with the offer, sale or delivery of the Bonds on the terms and in the manner contemplated in the Official Statement;

(e) legislation is enacted (or resolution passed) by or introduced or pending legislation is amended in the Congress or recommended for passage by the President of the United States, or an order, decree or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed) is issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that securities of the general character of the Bonds, or the Bonds, including any or all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Indenture is not exempt from qualification under the Trust Indenture Act of 1939, as amended, or that the execution, offering or sale of obligations of the general character of the Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement, otherwise is or would be in violation of the federal securities laws as amended and then in effect;

(g) there occurs a withdrawal, downgrading or placement on credit watch negative of any rating of the obligations of the Successor Agency (including the rating to be issued with respect to the Bonds) by a "nationally recognized statistical rating organization," as such term is defined for purposes of Rule 436(g)(2) under the Securities Act of 1933, as amended, which, in the reasonable opinion of the Underwriter, would make it impracticable or inadvisable to proceed with the offer, sale or delivery of the Bonds on the terms and in the manner contemplated in the Official Statement;

(h) an event occurs which in the reasonable opinion of the Underwriter requires a supplement or amendment to the Official Statement and: (i) the Successor Agency refuses to prepare and furnish such supplement or amendment; or (ii) in the reasonable judgment of the Underwriter, the occurrence of such event materially and adversely affects the marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds; any change or development occurs involving a prospective change in the condition of the Successor Agency, financial or otherwise, or in the operations of the Successor Agency from those set forth in the Official Statement that makes the Bonds, in the reasonable judgment of the Underwriter, impracticable or inadvisable to offer, sell or deliver the Bonds on the terms and in the manner contemplated by the Official Statement;

(i) (i) trading generally shall have been suspended or materially limited on or by, as the case may be, any of the New York Stock Exchange or the NASDAQ National Market; (ii) trading of any securities of the Successor Agency shall have been suspended on any exchange or in any over-the-counter market; (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred; or (iv) any moratorium on commercial banking activities shall have been declared by federal or State of New York authorities; and which, singly or together with any other event specified in this clause; makes it, in the judgment of the Underwriter, impracticable or inadvisable to proceed with the offer, sale or delivery of the Bonds on the terms and in the manner contemplated in the Official Statement;

(j) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or

(k) any action, suit or proceeding described in Section 6(g) of this Purchase Contract is commenced which, in the reasonable judgment of the Underwriter, materially adversely affects the market for the Bonds.

Section 10. Establishment of Issue Price.

(a) The Underwriter agrees to make a bona fide public offering of the Bonds at a price not in excess of the initial offering price or prices or yields not less than the yields set forth in the Official Statement, which prices may be changed from time to time by the Underwriter after such initial offering.

(b) The Underwriter agrees to assist the Successor Agency in establishing the issue price of the Bonds and shall execute and deliver to the Successor Agency at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit D, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Successor Agency and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(c) Except as otherwise set forth in Schedule I attached hereto, the Successor Agency will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Contract of Purchase, the Underwriter shall report to the Successor Agency the price or prices at which the Underwriter has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Successor Agency the prices at which Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, the Successor Agency or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(d) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Contract of Purchase at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. Schedule I also sets forth, as of the date of this Contract of Purchase, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Successor Agency and the Underwriter agrees that the restrictions set forth in the next sentence shall apply, which will allow the Successor Agency to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(e) The Underwriter confirms that:

(i) any selling group agreement and each third-party distribution agreement (to which the Underwriter is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, and

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below),

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(f) The Successor Agency acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) the agreement of the Underwriter to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that the Underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement

to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Successor Agency further acknowledges that the Underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(g) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Successor Agency (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Contract of Purchase by all parties.

Section 11. Expenses. The Successor Agency will pay or cause to be paid the approved expenses incident to the performance of its obligations hereunder and certain expenses relating to the sale of the Bonds, including, but not limited to, (a) the cost of the preparation and printing or other reproduction of the Successor Agency Legal Documents (other than this Purchase Contract); (b) the fees and disbursements of Bond Counsel, Disclosure Counsel, the Municipal Advisor, Fiscal Consultant and any other experts or other consultants retained by the Successor Agency; (c) the costs and fees of the credit rating agency; (d) the cost of preparing and delivering the definitive Bonds; (e)

the cost of providing immediately available funds on the Closing Date; (f) the cost of the printing or other reproduction of the Preliminary Official Statement and Official Statement and any amendment or supplement thereto, including a reasonable number of certified or conformed copies thereof; (g) the Underwriter's out-of-pocket expenses incurred with the financing; (h) the fees, if any, for continuing disclosure services performed at the direction of the Successor Agency; and (i) the Underwriter's discount set forth in Section 1 of this Purchase Contract, and inclusive in the expense component of the Underwriter's discount are expenses incurred or paid for by the Underwriter on behalf of the Successor Agency in connection with the marketing, issuance, and delivery of the Bonds, including, but not limited to, advertising expenses, fees and expenses of Underwriter's Counsel, the costs of any Preliminary and Final Blue Sky Memoranda, CUSIP fees, and transportation, lodging, and meals for the Successor Agency's employees and representatives. The Underwriter will pay the expenses of the preparation of this Purchase Contract and all other expenses incurred by the Underwriter in connection with the public offering and distribution of the Bonds, and the fee and disbursements of Underwriter's Counsel, which expenses may be included in the expense component of the underwriting discount. The Underwriter is required to pay the fees of the California Debt and Investment Advisory Commission in connection with the offering of the Bonds. The Successor Agency acknowledges that it has had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider such fees. Notwithstanding that such fees are solely the legal obligation of the Underwriter, the Successor Agency agrees to reimburse the Underwriter for such fees.

The Successor Agency and Underwriter acknowledge that expenses included in the expense component of the Underwriter's discount are based upon estimates. The Successor Agency and Underwriter agree that in the event the aggregate estimated expenses exceed the aggregate actual expenses incurred by the Underwriter in an amount equal to or greater than $1,000 (the "Reimbursement Threshold"), the Underwriter shall reimburse to the Successor Agency the aggregate amount of expenses equal to or greater than the Reimbursement Threshold. For the avoidance of doubt, the Successor Agency acknowledges and agrees that in the event the aggregate estimated expenses exceed the aggregate actual expenses incurred by the Underwriter in an amount less than the Reimbursement Threshold, no reimbursement will be made by the Underwriter. The Successor Agency acknowledges that it has had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider the fees and expenses being incurred as part of the issuance of the Bonds.

Section 12. Notices. Any notice or other communication to be given to the Successor Agency under this Purchase Contract may be given by delivering the same in writing at the Successor Agency's address set forth above, and any notice or other communication to be given to the Underwriter under this Purchase Contract may be given by delivering the same in writing to _____, Attention: _____.

Section 13. Parties in Interest. This Purchase Contract is made solely for the benefit of the Successor Agency and the Underwriter (including the successors or assigns of the Underwriter) and no other person shall acquire or have any right hereunder or by virtue hereof. All of the representations and warranties of the parties hereto contained in this Purchase Contract shall remain operative and in full force and effect, regardless of: (a) any investigations made by or on behalf of the Underwriter or the Successor Agency; or (b) delivery of and payment for the Bonds. The agreements contained in Section 11 herein shall survive any termination of this Purchase Contract.

Section 14. **Severability**. In the event that any provision of this Purchase Contract shall be held or deemed to be invalid, inoperative or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 15. **Governing Law; Venue**. This Purchase Contract shall be governed and interpreted exclusively by and construed in accordance with the laws of the State of California applicable to contracts made and to be performed in the State of California. Any and all disputes or legal actions or proceedings arising out of this Purchase Contract or any document related hereto shall be filed and maintained in a court of competent jurisdiction for matters arising in the City and County of San Francisco, California. By execution of and delivery of this Purchase Contract, the parties hereto accept and consent to the aforesaid jurisdiction.

Section 16. **Execution in Counterparts**. This Purchase Contract may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute the Purchase Contract by signing any such counterpart.

Section 17. **Entire Agreement**. This Purchase Contract, together with any contemporaneous written agreements that relate to the offering of the Bonds, represents the entire agreement between the Successor Agency and the Underwriter with respect to the preparation of the Official Statement, the conduct of the offering and the purchase and sale of the Bonds.

Section 18. **Fiduciary Duty**. The Successor Agency acknowledges that in connection with the offering of the Bonds: (a) the purchase and sale of the Bonds pursuant to this Purchase Contract is an arm's-length commercial transaction among the Successor Agency and the Underwriter; (b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principals and is not acting as Municipal Advisor (as such term is defined in Section 15B of the Securities Exchange Act of 1934, as amended); (c) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the Successor Agency with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Successor Agency on other matters); (d) the Successor Agency has consulted its own legal, financial and other advisors to the extent that they have deemed appropriate; and (e) the Underwriter may have interests that differ from those of the Successor Agency.

Section 19. **Effectiveness**. This Purchase Contract shall be effective as of the date set forth above upon the acceptance hereof by authorized officer of the Successor Agency and shall be valid and enforceable as of the time of such acceptance.

FORM OF ISSUE PRICE CERTIFICATE

The undersigned, [Underwriter] (the "Underwriter"), hereby certifies as set forth below with respect to the sale and issuance of the captioned bonds (the "Bonds"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Certificate as to Arbitrage relating to the Bonds.

1. ***Sale of the 10% Maturities***. As of the date of this certificate, for each Maturity of the 10% Test Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A attached hereto.

2. ***Initial Offering Price of the Hold-the-Offering-Price Maturities.***

(a) The Underwriter offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the "Initial Offering Prices") on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

(b) As set forth in the Purchase Contract, the Underwriter agreed in writing on or prior to the Sale Date that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail or other third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail or other third-party distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.
