In November 2019, San Francisco voters approved Proposition F, which added Section 1.127 to the San Francisco Campaign and Governmental Conduct Code. Section 1.127 refers explicitly to, among others, the Commission on Community Investment and Infrastructure (CCII) and prohibits any person or entity with a "Financial Interest" in a "Land Use Matter" pending before CCII from making a campaign contribution to a member of the Board of Supervisors, the Mayor, the City Attorney, or a candidate for these offices. The prohibition applies from the "date of commencement of the Land Use Matter" until 12 months after CCII has made a final decision or any appeal to a City agency from that decision has been resolved. Section 1.127 defines relevant terms, including "Land Use Matter," which means "(a) any request to a City elective officer for a Planning Code or Zoning Map amendment or (b) any application for an entitlement that requires a discretionary determination at a public hearing before a City board or commission." Section 1.127 requires CCII to post a description of this restriction on its meeting agendas and website. Additional information is available at: sfethics.org
