

COMMISSION ON COMMUNITY INVESTMENT AND INFRASTRUCTURE

RESOLUTION NO. 23-2024

**ADOPTING FINDINGS PURSUANT TO THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND APPROVING THE REPORT TO THE BOARD OF SUPERVISORS ON THE AMENDMENT TO THE REDEVELOPMENT PLAN FOR THE BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA; AND AUTHORIZING TRANSMITTAL OF THE REPORT TO THE BOARD OF SUPERVISORS; BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA**

WHEREAS, In furtherance of the objectives of the California Community Redevelopment Law (Health and Safety Code, section 33000 et seq. the “CRL”), the Redevelopment Agency of the City and County of San Francisco (the “**Former Agency**”) undertook programs for the reconstruction and construction of blighted areas in the City and County of San Francisco (“**City**”), including the Bayview Hunters Point Redevelopment Project Area (“**BVHP Project Area**”) and the Hunters Point Shipyard Redevelopment Project Area (“**HPS Project Area**”); and,

WHEREAS, The Board of Supervisors of the City and County of San Francisco (“**Board of Supervisors**”) adopted the Hunters Point Shipyard Redevelopment Plan (“**HPS Plan**”) on July 14, 1997 by Ordinance No. 285-97 and amended the HPS Plan on August 3, 2010 by Ordinance No. 211-10, on June 22, 2017 by Ordinance No. 122-17, and on July 16, 2018 by Ordinance No. 0166-18; and,

WHEREAS, On May 23, 2006, the Board of Supervisors amended the Bayview Hunters Point Redevelopment Plan (“**BVHP Plan**”) by Ordinance No. 113-06, on August 3, 2010 by Ordinance No. 210-10, on June 22, 2017 by Ordinance No. 123-17, and on July 16, 2018 by Ordinance No. 0167-18; and,

WHEREAS, On June 3, 2010, the Redevelopment Agency Commission of the City and County of San Francisco took several actions approving (or recommending for approval of) a program of development for approximately 700 acres of land within the BVHP Plan and HPS Plan areas (“**CP/HPS2 Project**” or “**Project**”) including a Disposition and Development Agreement (Candlestick Point and Phase 2 of the Hunters Point Shipyard) by and between the Former Agency and CP Development Co., LLC (“**Developer**”); and,

WHEREAS, Pursuant to California Health and Safety Code §§ 34170 et seq. (the “**Dissolution Law**”), the Former Agency was dissolved as of February 1, 2012; and,

WHEREAS, The Successor Agency to the Redevelopment Agency of the City and County of San Francisco (commonly known as the Office of Community Investment and Infrastructure, herein “**Successor Agency**” or “**OCII**”) is completing the enforceable obligations of the Former Agency with regard to the HPS Plan and BVHP Plan areas, including implementation of the CP/HPS2 Project, under the

authority of the CRL as amended by the Dissolution Law, and under San Francisco Ordinance No. 215-12 (Oct. 4, 2012) (establishing the Successor Agency Commission (“Commission”) and delegating to it state authority under the Dissolution Law); and,

WHEREAS, On September 13, 2023, the Governor signed into law Senate Bill 143 (2023) (“**SB 143**”) which amended Health & Safety Code section 34177.7 to add subdivision (j) which states that “the limitations relating to time for establishing loans, advances, and indebtedness, the effectiveness of the redevelopment plans, the time to repay indebtedness, the time for applying tax increment, the number of tax dollars, or any other matters set forth in Section 33333.2 and Section 33492.13 shall not apply” to the Project. SB 143 provides that the applicable time limits for establishing loans, advances, and indebtedness, the effectiveness of the redevelopment plans, the time to repay indebtedness and receive property taxes will be established in the Project agreements. SB 143 further clarified that Redevelopment Dissolution Law does not “limit the receipt and use of property tax revenues generated from the HPS Redevelopment Plan project area or Zone 1 of the BVHP Redevelopment Plan project area” in connection with the Project; and,

WHEREAS, The Successor Agency proposes to adopt amendments to the HPS Plan and the BHVP Plan (“**Plan Amendments**”); and,

WHEREAS, The BVHP Plan establishes the land use controls for the BVHP Project Area, which is divided into two sub-areas (Project Area A and Project Area B), and Project Area B is further divided into Zone 1 (also known as Candlestick Point) and Zone 2 (the remainder of Project Area B); and,

WHEREAS, Proposed amendments to the BVHP Plan land use controls consist of the following general changes: (a) allowing the transfer of up to 2,050,000 square feet of research and development and office space from HPS Phase 2 to those portions of BVHP Zone 1 where that use is allowed, subject to Commission approval and any necessary environmental review; (b) clarifying that certain commercial uses currently authorized within HPS Phase 2 are also allowed within BVHP Zone 1; and (c) allowing the transfer of residential units from HPS Phase 2 to BVHP Zone 1, subject to Commission approval and any necessary environmental review; and,

WHEREAS, Proposed amendments to the BVHP Plan further implement SB 143 and establish the applicable limitations relating to time for establishing loans, advances, and indebtedness, the effectiveness of the BVHP Plan, and the time to repay indebtedness and receive property taxes, in connection with BVHP Zone 1 as follows: (a) the time limit for establishing loans, advances, and indebtedness in connection with Zone 1 of Project Area B shall be 30 years from the 2024 Plan Amendment Date (defined in the BVHP Plan as the date on which the Board of Supervisors ordinance adopting the amendments to the BVHP Plan becomes effective); (b) the time limit for the effectiveness of the BVHP Plan for Zone 1 of Project Area B shall be 30 years from the 2024 Plan Amendment Date; (c) the time limit to repay indebtedness and receive property taxes for Zone 1 of Project Area B shall be 45 years from the 2024 Plan Amendment Date; and,

WHEREAS, Solely for the purpose of using property tax revenues generated from Zone 1 of the BVHP Project Area to fund Qualified Project Costs and other costs necessary to complete the enforceable obligations in Phase 2 of the HPS Project Area, the time limits referenced in clauses (a) – (c) above shall include an additional fifteen (15) years. The Navy has recently informed OCII that completion of remediation and conveyance of all portions of the Shipyard Site, excluding Parcel F, to Developer will occur between 2036-2038, including time needed for a Finding of Suitability for Transfer and associated conveyance documentation. Documentation from the Navy relaying these schedule delays are described in correspondence provided to OCII by the Navy, and which are on file with the Commission Secretary. This estimated delay (defined as the Anticipated Navy Delay in the BVHP Plan) warrants the additional 15-year extension of the redevelopment timelines referenced above for purposes of redevelopment activities on the Shipyard Site and related tax increment financing; and,

WHEREAS, The Plan Amendment further proposes adjusting the limit on the amount of bonded indebtedness that can be outstanding at one time by combining the existing \$800 million applicable to Candlestick Point and the existing \$900 million limit applicable to the Shipyard Site into a single limit in the amount of \$5.9 billion applicable to both BVHP Zone 1 and Phase 2 of the HPS Project Area. The limits on bonded indebtedness, which have not been adjusted since the approval of the Project in 2010, is necessary to address increases in project costs and inflation that have occurred since 2010 and future increases in project costs and inflation as redevelopment activities within Zone 1 of Project Area B and Phase 2 of the HPS Project Area progress; and,

WHEREAS, The Plan Amendments remain consistent with the development envisioned by the Conceptual Framework (Board of Supervisors Resolution No. 264-07 (May 15, 2007); Agency Commission Resolution No. 40-2007 (May 1, 2007), Proposition G, the Jobs Parks and Housing Initiative (June 2008), and Proposition O, the Hunters Point Shipyard/Candlestick Point Jobs Stimulus Proposition (November 2016); and,

WHEREAS, Pursuant to Section 33457.1 of the CRL, the Successor Agency has prepared a Report to the Board of Supervisors on Amendments to the Bayview Hunters Point Redevelopment Plan (the “**BVHP Report**”) that includes the information required by Section 33352 to the extent warranted by the proposed amendment; and,

WHEREAS, On September 3, 2024, the Commission adopted Resolution No. 22-2024, by which the Commission determined that the Final EIR (therein defined), together with further analysis provided in Addendum No. 1, Addendum No. 4, Addendum No. 5, Addendum No. 6, and Addendum No. 7 remain adequate, accurate, and objective and in compliance with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.) (“**CEQA**”) and the CEQA Guidelines (14 California Code of Regulations Sections 15000 et seq.); and,

WHEREAS, The environmental effects of the Redevelopment Plan Amendment have been analyzed in the environmental documents, which are described in Agency Resolution No. 22-2024. Copies of the environmental documents are on file with the Agency; now, therefore, be it,

RESOLVED, That the Commission hereby finds that the Plan Amendments are included in the actions identified in Resolution No. 22-2024 for purposes of compliance with CEQA; and, be it further

Said findings are in furtherance of the actions contemplated in this Resolution and are made part of this Resolution by reference herein; and, be it further
