WHEREAS, The former Redevelopment Commission of the former Redevelopment Agency of the City and County of San Francisco has conducted proceedings under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code (the "Act"), to form Redevelopment Agency of the City and County of San Francisco Community Facilities District No. 8 (Hunters Point Shipyard Phase One Maintenance) (the "CFD"), to authorize the levy of special taxes upon the land within the CFD, as described in those proceedings; and,

WHEREAS, On April 1, 2014, the Commission of the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (the "Successor Agency"), also known as the Commission on Community Investment and Infrastructure (hereinafter referred to as, the "Commission"), adopted a resolution entitled "Adopting a Resolution of Consideration to Amend and Restate the Rate and Method of Apportionment of Special Tax for Redevelopment Agency of the City and County of San Francisco Community Facilities District No. 8 (Hunters Point Shipyard Phase One Maintenance); Hunters Point Shipyard Project Area" (the "Resolution of Consideration"), pursuant to which the Commission (i) approved a proposed form of amendment and restatement of the Rate and Method of Apportionment of Special Tax for the CFD (the "Initial Form of Amended and Restated RMA") in the form attached as Exhibit A to the Resolution of Consideration and (ii) set a public hearing for May 6, 2014; and,

WHEREAS, The Resolution of Consideration is hereby incorporated herein by reference as if set forth herein in its entirety; and,

WHEREAS, Subsequent to the adoption of the Resolution of Consideration by the Commission, the owners of certain taxable land in the CFD requested by written petition that the Commission approve a revised proposed form of amendment and restatement of the Rate and Method of Apportionment of Special Tax for the CFD (as so revised, the "Amended and Restated RMA") to address the unintentional failure of the Initial Form of Amended and Restated RMA to exclude private and publicly owned streets, walkways, alleys, rights of way, parks and open spaces

from the special tax levied within the CFD, to allow changes in the location of Agency Affordable Housing Parcels and to make various conforming and clean-up changes; and,

WHEREAS, The Secretary of the Commission caused the publication of the notice of the public hearing on the question of approving the Amended and Restated RMA in accordance with the provisions of Section 53335 of the Act; and,

WHEREAS, The public hearing was held on this date, and the Amended and Restated RMA was not opposed by more than 50% of the owners of taxable property within the CFD or by 50% or more of the registered voters, or six registered voters, whichever is more, residing in the area of the CFD; and,

WHEREAS, Government Code Section 53338 authorizes the holding of a special election of the qualified electors in the CFD on the issue of the Amended and Restated RMA; and,

WHEREAS, Following the public hearing, the Commission, acting as the legislative body of the CFD, adopted a resolution entitled "Adopting a Resolution Calling Special Election To Amend and Restate the Rate and Method of Apportionment of Special Tax for Redevelopment Agency of the City and County of San Francisco Community Facilities District No. 8 (Hunters Point Shipyard Phase One Maintenance); Hunters Point Shipyard Project Area" approving the Amended and Restated RMA in the form attached thereto as Exhibit A, waiving the minor defect in these change proceedings resulting from the unintentional failure of the Initial Form of Amended and Restated RMA to exclude the real property described above from the special tax levied within the CFD, to allow changes in the location of Agency Affordable Housing Parcels and to make various conforming and clean-up changes, and calling for a special landowner election of the qualified electors within the CFD to be held on May 6, 2014; and,

WHEREAS, The special election was held this date, and the ballots were submitted to the Secretary of the Commission as the official conducting the election; and,

WHEREAS, The Commission subsequently adopted "Adopting a Resolution Declaring Results of Special Election to Change the Special Tax for Redevelopment Agency of the City and County of San Francisco Community Facilities District No. 8 (Hunters Point Shipyard Phase One Maintenance); Hunters Point Shipyard Project Area" on May 6, 2014, in which it found that more than two-thirds of the votes cast at the election were in favor of the ballot measure; now therefore, be it

RESOLVED, The Commission finds that:

The Commission hereby approves the Amended and Restated RMA, attached hereto as Exhibit "A"; and, be it further

B. DATA FOR CFD ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Parcels of Taxable Property. The Administrator shall also determine: (i) whether

each Parcel of Taxable Property is Developed Property or Undeveloped Property, (ii) within which Sub-Block each Assessor's Parcel is located, (iii) for Developed Property, which Parcels are Residential Property and Non-Residential Property, (iv) for Residential Property, which units are Market Rate Units, Agency Affordable Housing Units, Required BMR 80% Units, and Required BMR 50% Units, (v) for Market Rate Units, the Square Footage of each unit, (vi) for Required BMR Units, the number of Bedrooms within each unit, (vii) the Square Footage within each building of Non-Residential Property, and (viii) the Special Tax Requirement for the Fiscal Year.

The Administrator shall coordinate with the Agency, Lennar, and/or Subsequent Owners to identify the Required BMR 80% Units and Required BMR 50% Units within each Approved Development Plan. If there are transfers between Required BMR Units and Market Rate Units, the Administrator shall refer to Section D.2 to determine the Maximum Special Tax for each Parcel after such transfer. If the Agency notifies the Administrator of a change in the number or location of the Agency Housing Parcels, then at the request of the Agency and the owner of any private Parcel(s) that is affected by the change, the Administrator shall (i) amend and replace Attachment 3 to reflect the then-current location and designation of Agency Housing Parcels, and (ii) amend and replace Attachment 2 to reflect the then-current Expected Land Uses on, and the Expected Maximum Special Tax for, the Parcel(s) that are affected by the change. The Administrator shall then apply Section C.2 below to determine the impact of the change on the Maximum CFD Revenues.

If a building permit for new construction has been issued for development of a structure on an Assessor's Parcel, and additional structures are anticipated to be built on the Parcel as shown on the Approved Development Plan, a portion of the acreage of the Assessor's Parcel shall be taxed as Undeveloped Property if building permits for all of the structures in the Approved Development Plan were **not** issued as of June 1 of the Fiscal Year prior to the Fiscal Year in which the Special Taxes are being levied. If the acreage assigned to each building anticipated on the Assessor's Parcel is not clearly delineated on the Approved Development Plan, the acreage of the portion of the Assessor's Parcel to be taxed as Developed Property shall be estimated by the Administrator. The remaining acreage within the Assessor's Parcel shall be taxed as Undeveloped Property. Determination of the amount of Developed Property and Undeveloped Property on an Assessor's Parcel shall be at the discretion of the Agency.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan for a portion of property in CFD No. 8 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created parcels, and (iii) one or more of the newly-created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the map or plan by determining the Special Tax that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Assessor's Parcel that was subdivided by recordation of the parcel map or condominium plan.

In addition to the tasks set forth above, the Administrator shall, upon the sale of a Parcel(s) to any Subsequent Owner, or upon a change to any Approved Development Plan,, update Attachment 2 to reflect the then-current Expected Land Uses on, and Expected Maximum Special Tax for, the Parcel(s) being sold. Prior to or concurrent with the sale of the Parcel(s), Lennar shall provide

written confirmation to the Administrator as to the Expected Land Uses and Expected Maximum Special Tax that should apply to the Parcel(s). If a sale occurs and no such confirmation has been provided to the Administrator, the Expected Maximum Special Tax that had applied to the Parcel(s) prior to the sale shall continue to apply to the Parcel(s). To the extent the Expected Maximum Special Tax reflected in a written confirmation from Lennar is less than the Expected Maximum Special Tax that had previously applied to the Parcel(s) and this results in insufficient Maximum CFD Revenues to meet the Required Revenue, such confirmation shall also identify to which Assessor's Parcel in CFD No. 8 the difference in the Expected Maximum Special Tax has been transferred. The Parcel(s) to which the difference in Expected Maximum Special Tax has been shifted must be owned by Lennar. The Administrator shall also keep track of the balance of the Revenue Buffer after any land use change that reduces the buffer pursuant to Section C below.

C. MAXIMUM SPECIAL TAX

The Maximum Special Tax for Agency Affordable Housing Units shall be the Designated Special Tax identified in Section C.2.a below. The Administrator shall update Attachment 2 to reflect any adjustment to the number of Agency Affordable Housing Units, as directed by the Agency, which may, in turn, adjust the Required Revenues.

1. *Property Without an Approved Development Plan*

The Maximum Special Tax for property in CFD No. 8 without an Approved Development Plan shall be the Expected Maximum Special Tax shown in Attachment 2 of this RMA. If, in any Fiscal Year, separate Assessor's Parcels have not yet been created for property within each Sub-Block, the Administrator shall sum the Expected Maximum Special Tax for all Sub-Blocks within an Assessor's Parcel to determine the Maximum Special Tax that shall apply to the Parcel in such Fiscal Year.

If an Assessor's Parcel contains a portion of one or more Sub-Blocks, the Maximum Special Tax shall be determined by allocating the Expected Maximum Special Tax for each Sub-Block proportionately among such Assessor's Parcels based on the estimated acreage of the portion of the Sub-Block that falls within each Parcel, as determined by the Administrator. The Maximum CFD Revenue after such allocation shall not be less than the Maximum CFD Revenue prior to this allocation.

2. *Property Within an Approved Development Plan*

The Maximum Special Tax for a Parcel within an Approved Development Plan shall be the greater of the Designated Special Tax or the Back-Up Special Tax determined pursuant to this Section C.2. When a development plan is approved, the Administrator shall calculate the Designated Special Tax pursuant to Section C.2.a below for each Parcel of Taxable Property based on the land uses reflected in the Approved Development Plan. If it is determined that only a portion of a Sub-Block is included within an Approved Development Plan, the Administrator shall refer to Attachments 1 and 2 to estimate the Expected Land Uses and Expected Maximum Special Taxes that should be assigned to the portion of the Sub-Block that does not yet have an Approved Development Plan.

The Administrator shall confirm this determination with the Agency, Lennar, and/or a Subsequent Owner of the property.

The Administrator shall then calculate the amount that could be levied if the Designated Special Tax was applied to the land uses proposed on Taxable Property within the Approved Development Plan. This "Total Designated Special Tax" shall be compared to the Expected Maximum Special Tax for the property within the Approved Development Plan, and the Administrator shall apply one of the following:

- *If the Total Designated Special Tax is equal to the Expected Maximum Special Tax*, then the Maximum Special Tax for each Residential Unit or Non-Residential Property within the Approved Development Plan shall be the amount determined by applying the Designated Special Tax.
- *If the Total Designated Special Tax is greater than the Expected Maximum Special Tax*, then the Maximum Special Tax for each Residential Unit or Non-Residential Property within the Approved Development Plan shall be the amount determined by applying the Designated Special Tax. The Administrator shall revise Attachment 2 to reflect the increased Expected Maximum Special Tax for the Sub-Block(s) within the Approved Development Plan and the increased Maximum CFD Revenues.
- *If the Total Designated Special Tax is less than the Expected Maximum Special Tax but the Maximum CFD Revenues are still sufficient to provide the Required Revenue*, then the Maximum Special Tax for each Residential Unit or Non-Residential Property within the Approved Development Plan shall be the Designated Special Tax. The Administrator shall revise Attachment 2 to reflect the decreased Expected Maximum Special Tax for the Sub-Block(s) within the Approved Development Plan and the decreased Maximum CFD Revenues.
- *If the Total Designated Special Tax is less than the Expected Maximum Special Tax and such reduction causes the Maximum CFD Revenues to be insufficient to provide the Required Revenue*, then the Administrator shall determine the current balance of the Revenue Buffer and apply the appropriate subsection below:
 - *If the Revenue Buffer is greater than the difference between the Maximum Special Tax and the Total Designated Special Tax*, then the Maximum Special Tax for each Residential Unit or Non-Residential Property within the Approved Development Plan shall be the Designated Special Tax. The Administrator shall subtract the difference between the Maximum Special Tax and the Total Designated Special Tax from the Revenue Buffer to calculate the reduced Revenue Buffer that is available to offset future land use changes.
 - *If the Revenue Buffer is less than the difference between the Maximum Special Tax and the Total Designated Special Tax*, the Maximum Special Tax for each Residential Unit (except Agency Affordable Housing Units) and Non-Residential Property within the Approved Development Plan shall be the Back-Up Special Tax

determined pursuant to Section C.2.b below. The Administrator shall then change the balance of the Revenue Buffer to zero and, if applicable, revise Attachment 2 to reflect the decreased Expected Maximum Special Tax for the Sub-Block(s) within the Approved Development Plan and the decreased Maximum CFD Revenues after the Back-Up Special Tax has been determined.

Until individual Assessor's Parcels are created for each Residential Unit and Non-Residential Property within an Approved Development Plan, the Administrator shall sum the Special Tax that, pursuant to Section E below, would be levied on all land uses on a Parcel and levy this aggregate Special Tax amount on the Parcel.

a. Designated Special Tax

The Designated Special Tax for each Residential Unit built or expected to be built on Taxable Property shall be the sum of the Base Special Tax and the Incremental Special Tax as identified in Table 1 below. The Designated Special Tax for each Parcel of Non-Residential Property built or expected to be built on Taxable Property shall be determined by multiplying the Square Footage of the non-residential structure(s) by the Incremental Special Tax shown for Non-Residential Property in Table 1 below.

**Table 1
Base Special Tax and Incremental Special Tax**

Land Use	Base Special Tax Fiscal Year 2013-14*	Incremental Special Tax Fiscal Year 2013-14*
Market Rate Units	\$628 per unit	\$0.81 per Square Foot
Required BMR 80% Units	\$218 per unit	\$73 per Bedroom
Required BMR 50% Units	\$97 per unit	\$33 per Bedroom
Agency Affordable Housing Units	\$218 per unit	N/A
Non-Residential Property	N/A	\$0.82 per Square Foot

**** Beginning July 1, 2014 and each July 1 thereafter, the amounts shown in Table 1 above shall be increased by the lesser of (i) the percentage increase, if any, in the Consumer Price Index (San Francisco-Oakland-San Jose, all urban consumers) since the prior July 1, and (ii) five and one-half percent (5 ½%) of the amount in effect in the prior Fiscal Year.***

b. Back-Up Special Tax

As set forth above, if the Administrator determines that the Total Designated Special Tax calculated for an Approved Development Plan plus the remaining Revenue Buffer is less than the Expected Maximum Special Tax and such "Net Shortfall" causes the Maximum

2. Required BMR Unit and Market Rate Unit Transfers

If, in any Fiscal Year, the Administrator determines that a Residential Unit that had previously been designated as a Required BMR Unit no longer qualifies as such, the Maximum Special Tax on the Residential Unit shall be increased to the Maximum Special Tax that would be levied on a Market Rate Unit of the same Square Footage. If a Market Rate Unit becomes a Required BMR Unit after it has been taxed in prior Fiscal Years as a Market Rate Unit, the Maximum Special Tax on such Residential Unit shall not be decreased unless a Required BMR Unit is simultaneously redesignated as a Market Rate Unit.

As set forth in Section B, if the number or location of Agency Housing Parcels changes, then the Administrator shall apply Section C.2 to determine the impact of the change on the Maximum CFD Revenues. If, based on the proposed changes, the Maximum CFD Revenues would be reduced and would be insufficient to provide the Required Revenue, the Administrator shall apply Section C.2.b to ensure that the Required Revenue is maintained.

E. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Special Tax shall be levied according to the steps outlined below:

- Step 1:** The Special Tax shall be levied Proportionately on each Parcel of Developed Property within CFD No. 8 up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year until the amount levied on Developed Property is equal to the Special Tax Requirement;
- Step 2:** If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Subsequent Owner Property within CFD No. 8, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;
- Step 3:** If additional revenue is needed after Step 2 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property that is not Subsequent Owner Property or an Agency Housing Parcel, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;
- Step 4:** If additional revenue is needed after Step 4 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property that is an Agency Housing Parcel, up to 100% of the Maximum Special Tax for each Parcel for such Fiscal Year;
- Step 5:** If additional revenue is needed after Step 4 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each

Assessor's Parcel of Taxable Public Property, up to 100% of the Maximum Special Tax assigned to each Parcel.

F. COLLECTION OF SPECIAL TAX

The Special Taxes for CFD No. 8 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the Agency may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

Pursuant to Section 53321 (d) of the Act, the Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Special Tax in effect for the Fiscal Year in which the Special Tax is being levied.

G. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied on (i) Public Property, except Taxable Public Property, (ii) Parcels that are intended to be, or are, Public Property used as streets, walkways, alleys, rights of way, parks, or open space, and (iii) Parcels that are private streets, walkways, alleys, rights of way, common area, open space, or owned by, or dedicated to, a property owner's association.

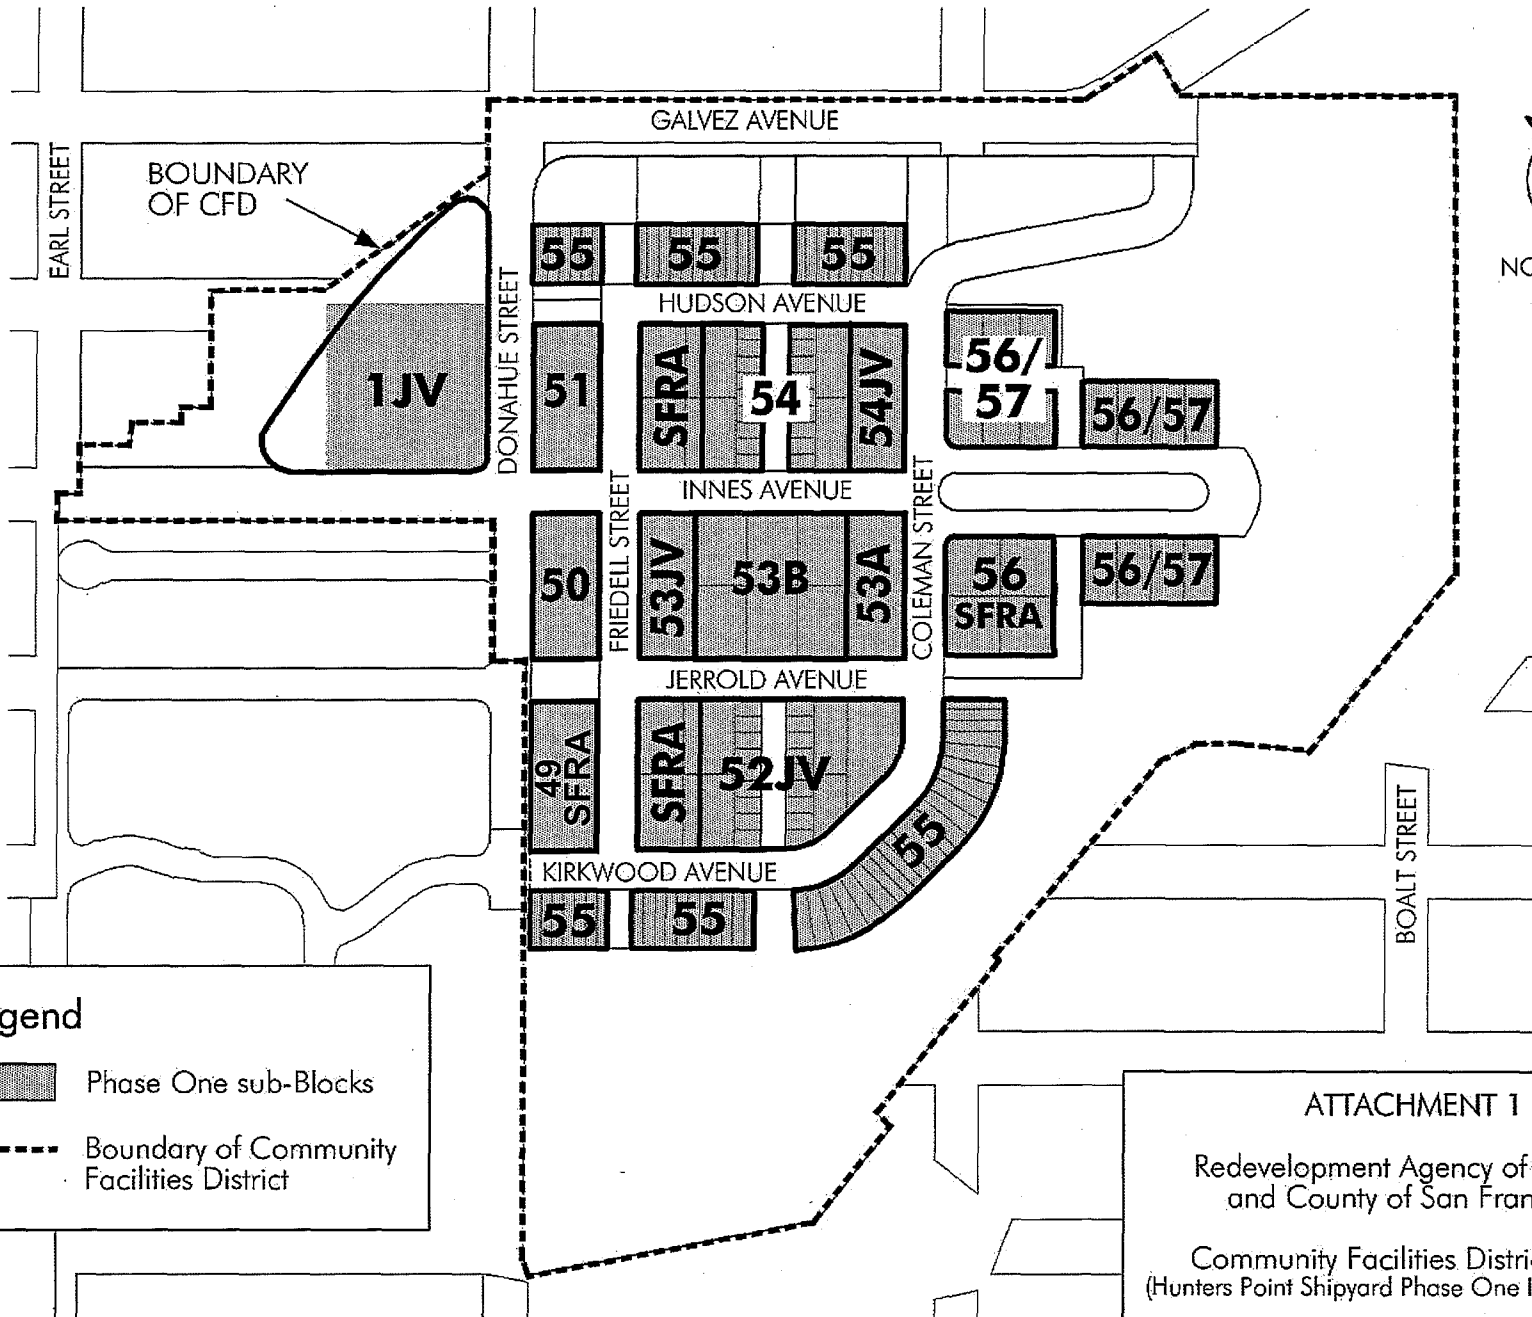

H. INTERPRETATION OF SPECIAL TAX FORMULA

Any taxpayer who feels that the amount or formula of the Special Tax is in error may file an application with the Administrator contesting the levy of the Special Tax. The Agency shall promptly review the application. If the findings of the Agency verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Commission, and as appropriate, the Special Tax levy shall be corrected and, if applicable in any case, a refund shall be granted. If the Agency denies the application, the taxpayer may appeal that determination within 14 days of the mailing of notification of denial, to the Commission under such procedures as the Commission shall establish. The determination of the Commission on the appeal shall be final for all purposes. The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.
