OCII formed a review panel and selected Fieldman, Rolapp & Associates, Inc. (“Fieldman”) as the best qualified firm to perform the scope of services based on its tax allocation bond experience, staff depth and qualifications, as well as knowledge and transaction experience in the post-dissolution environment.

8. INDEPENDENT CONTRACTOR

Contractor has and hereby retains the right to exercise full control and supervision of the services and work to be provided under this Contract and full control over the employment, direction, compensation and discharge of all persons assisting it in the performance of the services and work hereunder. Contractor agrees to be solely responsible for all matters relating to payment of employees, including, but not limited to, compliance with all federal, state and local payroll tax and withholding requirements, workers' compensation requirements and all regulations governing such matters. Contractor agrees to be solely responsible for its own acts and those of its subordinates and employees during the term of the Contract.

9. INSURANCE

A. Contractor must procure and maintain for the duration of the Contract, including any extensions, insurance against claims for injuries to person or damages to property which may arise from or in connection with the performance of the work under this Contract by the Contractor, its agents, representatives, employees, or subcontractors. If the Contractor maintains additional coverages and/or higher limits than the minimums shown in this Article 9, OCII requires and shall be entitled to the additional coverage and/or the higher limits maintained by the Contractor.

B. Minimum Scope of Insurance. Coverage must be at least as broad as:

(1) Insurance Services Office Commercial General Liability coverage (occurrence form CG 00 01).

(2) Insurance Services Office Automobile Liability coverage, code 8 & 9 (hired and non-hired autos).

(Required only if Contractor has employees).

(4) Errors and omissions insurance: \$2,000,000 per claim and in the annual aggregate. If the Contractor's Professional Liability Insurance is "claims made" coverage, these minimum limits shall be maintained by the Contractor for no less than five (5) years beyond completion of the Scope of Services.

D. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by OCII. At the option of OCII, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents and employees; or Contractor shall provide a financial guarantee satisfactory to OCII guaranteeing payment of losses and related investigations, claim administration and defense expenses.

E. Other Insurance Provisions. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

(1) The "Office of Community Investment and Infrastructure, Successor Agency to the Redevelopment Agency of the City and County of San Francisco, the City and County of San Francisco, and their respective commissioners, members, officers, agents and employees" are to be covered as additional insureds as respects: liability arising out of automobiles owned, leased, hired or borrowed by, or on behalf of, the Contractor; and liability arising out of work or operations performed by or on behalf of the Contractor.

Any insurance or self-insurance maintained by OCII, the City and County of San Francisco, and their respective commissioners, members, officers, agents or employees shall be in excess of Contractor's insurance and shall not contribute with it.

(3) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to OCII, the City and County of San Francisco, and their commissioners, members, officers, agents or employees.

(4) Each insurance policy required by this clause must be endorsed to state that coverage will not be suspended, voided, canceled, or reduced in coverage or in limits, by either party, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to OCII by the Contractor.

(5) Contractor hereby grants to OCII a waiver of any right to subrogation which any insurer of said Contractor may acquire against OCII by virtue of the payment of any loss under such insurance (except with regard to professional liability). Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not OCII has received a waiver of subrogation endorsement from the insurer.

(6) If any of the required policies provide coverage on a claims-made basis:

a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b. Insurance must be maintained and evidence of insurance must be provided for at least five years after completion of the contract of work.

F. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise approved by OCII's Risk Manager.

G. Verification of Coverage. Contractor must furnish OCII with certificates of insurance and with original endorsements evidencing coverage required by this clause. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements may be on forms provided by OCII. All certificates and endorsements are to be received and approved by OCII before work commences. OCII reserves the right to require complete, certified copies of all required insurance policies, including endorsements demonstrating the coverage required by these specifications at any time.

H. Subcontractors. Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all the requirements stated herein.

## 10. RECORDS, REPORTS AND AUDITS

Except as otherwise authorized by OCII, such records shall be maintained for a period of four years from the date of the termination of the Contract; except that records that are

the subject of audit findings shall be retained for four years or until such audit findings have been resolved, whichever is later.

- (2) All costs shall be supported by properly executed payrolls, time records, invoices, contracts, vouchers or other official documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Contract shall be clearly identified and readily accessible.

B. Reports and Information

At such times and in such forms as OCII, the City and County of San Francisco or HUD, if the Contract is funded with CDBG funds, may require, there shall be furnished to OCII or its designated representative such statements, records, reports, data and information as OCII, the City and County of San Francisco or HUD may request pertaining to matters covered by this Contract.

C. Audits and Inspections

At any time during normal business hours and as often as OCII or the City and County of San Francisco may deem necessary, there shall be made available to OCII or its representatives for examination all records with respect to all matters covered by this Contract and Contractor will permit OCII or the City and County of San Francisco to audit, examine and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Contract.

11. CONFLICTS

Except for approved eligible administrative or personnel costs, no employee, agent, contractor, officer or official of OCII who exercises any functions or responsibilities with respect to this Contract or who is in a position to participate in a decision making process or gain inside information with regard to it, shall obtain a personal or financial interest in or benefit from any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom they have family or business ties, during his or her tenure or for two years thereafter. The term "Contractor" also includes the employees, officers (including board members), agents and subcontractors of a Contractor under this Contract. In order to carry out the purposes of this Section, Contractor shall incorporate, or cause to be incorporated, in all contracts and subcontracts relating to activities pursuant to this Contract, a provision similar to that of this Section.

12. CONTRACTOR'S DUTY OF LOYALTY

Contractor, for itself and subcontractors, if any, agrees to abide by OCII's duty of loyalty, which appears at Section IX.H. (Prohibited Activities of Present and Former Employees, Commissioners and Consultants) of OCII's Personnel Policy and which states in part the following: "Unless approved in advance in writing by OCII, no present or former employee,

Commissioner or consultant of OCII shall knowingly act for anyone other than OCII in connection with any particular matter in which OCII is a party, or has a direct and substantial interest, and in which he or she participated personally and substantially as an OCII employee, Commissioner or consultant whether through decisions, recommendations, advice, investigation or otherwise. Violation of this section by a present employee, consultant or Commissioner may, in the case of an employee or consultant, be grounds for discharge or termination of the consultant contract, and in the case of a Commissioner, be considered misconduct in office pursuant of California Health and Safety Code Section 33115.”

### 13. LIMITATIONS ON CONTRIBUTIONS

Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with OCII for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by such individual, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such office holder or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$100,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in section 1.126.

Finally, Contractor agrees to provide to OCII the names of each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is not sponsored or controlled by Contractor.

### 14. CONFIDENTIALITY/PROPERTY OF OCII

All of the reports, information, data or other materials prepared or assembled by Contractor under this Contract, including Contractor’s opinions and conclusions based upon such items, are confidential. Contractor agrees that such reports, information, opinions or conclusions shall not be made available to or discussed with any individual or organization, including the news media, without the prior written approval of OCII, unless disclosure is required by law or judicial or regulatory process. Unless otherwise stated in the Scope of Services, all such reports, information,

data or other materials and work product shall become the property of OCII, but are subject to disclosure under the Public Records Act, Cal. Gov't Code §§ 6250 et seq., and the Agency Public Records Policy, Agency Resolution No. 182-2005 (Nov. 1, 2005).

15. COMPLIANCE WITH CALIFORNIA GOVERNMENT CODE

It is understood and agreed that Contractor shall comply with California Government Code Section 7550. California Government Code Section 7550 provides in part that when the total cost for work performed for a local agency by nonemployees of such agency exceeds \$5,000.00, any document or written report prepared in whole or in part by nonemployees for such agency shall contain, in a separate section, the numbers and dollar amount of all contracts and subcontracts relating to the preparation of such document or written report.

16. NONDISCRIMINATION AND EQUAL BENEFITS

A. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of this Contract. Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations to clients or the general public.

B. Contractor will, in all solicitations or advertisements for employees placed by it or on its behalf, state it is an equal opportunity employer.

C. Contractor will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Contract so that such provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

D. Contractor agrees not to discriminate in the provision of benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, and shall comply fully with all provisions of OCII's Nondiscrimination in Contracts Policy, adopted by Former Agency Resolution No. 175-97, as such Policy may be amended from time to time. The City and County of San Francisco has certified Contractor as being in compliance with Chapter 12B of the San Francisco Administrative Code (the "Equal Benefits Ordinance"). See supplier no. 20224 on the City's FSP System. Accordingly, OCII deems this certification under the Equal Benefits Ordinance as compliance with the Policy.

E. Contractor shall provide all services to the public under this Contract in facilities that are accessible to persons with disabilities as required by state and federal law.

17. COMPLIANCE WITH SMALL BUSINESS ENTERPRISE PROGRAM

OCII implements a Small Business Enterprises (“SBE”) Program that was adopted by Former Agency Resolution No. 43-2015 and that requires consideration in awarding contracts in the following order: 1) Project Area SBEs, 2) San Francisco-based SBEs (outside an OCII Project Area), and 3) All other SBEs. Non San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non San Francisco-based SBEs (see **Attachment D, “SBE Agreement”**).

Under the SBE Program, the Contractor, in awarding subcontracts, must make good faith efforts to achieve SBE participation of 50% for professional, personal services, and construction contracts; provided, however, that this goal may vary depending on the extent of subcontracting opportunities under OCII contract and the availability of SBE subcontractors capable of providing goods or services required by the contract; and provided further, that OCII has the sole discretion to modify the 50 % SBE participation goal consistent with the SBE Program, as specified in the SBE Agreement.

OCII relies on the information that a business may have provided to qualify under another public entities’ business certification program in determining whether that business qualifies as an SBE under OCII’s SBE Program. Those other programs include City and County of San Francisco Local Disadvantaged Business Enterprises (LBE) certification, information available at <https://www.sf.gov/get-certified-lbe> and State of California Small Business Enterprises certification at <https://caleprocure.ca.gov/pages/sbdvbe-index.aspx>. OCII retains the discretion, however, to determine if the information provided for those other programs meets SBE eligibility under OCII’s SBE Program.

18. COMPLIANCE WITH MINIMUM COMPENSATION POLICY AND HEALTH CARE ACCOUNTABILITY POLICY

Contractor agrees, as of the date of this Contract and during the term of this Contract, to comply with the provisions of OCII’s Minimum Compensation Policy and Health Care Accountability Policy (the “Policies”), adopted by Former Agency Resolution 168-2001, as such policies may be amended from time to time (See Attachment E “Minimum Compensation Policy” and Attachment F “Health Care Accountability Policy”). Such compliance includes providing all “Covered Employees,” as defined under Section 2.7 of the Policies, a minimum level of compensation and offering health plan benefits to such employees or to make payments to the City and County of San Francisco’s Department of Public Health, or to participate in a health benefits program developed by the City and County of San Francisco’s Director of Health.

19. TERMINATION

OCII may terminate this Contract at any time without cause upon written Notice of Termination to the other party; provided, however, that in the event of such termination, OCII shall compensate the Contractor for work completed to the satisfaction of OCII as of the date of such

notice or the date of termination specified in and directed by such notice. Any other compensation remains contingent upon the successful closing of the bond sale.

20. MISCELLANEOUS PROVISIONS

For the sake of clarity, any separate agreement between OCII and an affiliate of Fieldman or any third party referred or introduced by OCII shall not in any way be deemed an amendment or modification of this Contract.

F. Severability

If any provision of this Contract shall be determined to be illegal or unenforceable, such determination shall not affect any other provision and all such other provisions shall remain in full force and effect, unless enforcement of this Contract, as so modified by and in response to such invalidation, would be unreasonable or grossly inequitable under all of the circumstances, or would frustrate the fundamental purpose of this contract, in which case, the parties may terminate the contract.
