The San Francisco Office of Community Investment and Infrastructure (OCII) is seeking an experienced Contract Compliance Specialist II.

BRIEF DESCRIPTION:

This professional position is responsible for administering OCII's purchasing policy and equal opportunity programs on OCII-assisted contracts. The position provides technical support to all OCII departments in the areas of contract document preparation and contract administration, including preparation and processing of Invitation for Bids (IFBs), Request for Proposals (RFPs), and Request for Qualifications (RFQs), and reviews and monitors all contracts to ensure completeness and consistency with all OCII policies, procedures, and guidelines. The position also provides compliance monitoring and enforcement support on equal opportunity program matters with the OCII developers, contactors, and consultants.

JOB RESPONSIBILITIES:

The following list of duties and tasks represents the primary job responsibilities:

- Manages all phases of the solicitation process (including print and website advertising, leading pre-bid/proposal meetings, coordinating and responding to questions and requests for clarification) to ensure open and fair competition and compliance with OCII policies and procedures;
- Organizes, plans and assists with writing IFBs, RFPs, RFQs, addenda, contract language and amendments to ensure compliance with purchasing policies and equal opportunity programs. Develops terms and conditions and solicitation provisions with the assistance of subject matter experts from such areas as Project Management, Risk Management, Finance, and Legal;
- Monitors public bid openings, analyzes bids received, determines responsiveness and responsibility of bidders, and performs cost/price analyses. Researches and evaluates sole source procurement requests;
- Conducts preconstruction conferences with developers and contractors for the purpose of explaining OCII's equal opportunity program requirements and underscoring enforcement procedures;
- Supports contract negotiations and assists with monitoring moderately complex land disposition, owner participation, housing loan agreements and professional services agreements and their ensuing requirements, including affirmative action in employment, small business participation, prevailing wages and local workforce hiring;
- Assists with the enforcement of equal opportunity programs in employment and entrepreneurship;

- Assists with the gathering of contractor reports and the compilation of documentation required to verify/record data; analyzes statistical data and prepares oral/written reports for supervisory and management staff;
- Investigates and assists with resolution of contract disputes, performance issues, wage and labor issues, and other related matters;
- Liaison with external contract administrators, outreach organizations, various union representatives, contractors, professional association representatives, minority and women-owned businesses, and business association advocates;
- Develops and maintains strong working relationships with diverse communities, developers, contractors, and City of San Francisco departments. Provides excellent customer service and guidance to Project Managers on all aspects of the solicitation and contracting process;
- Perform related duties as required.

MINIMUM QUALIFICATIONS:

Minimum qualifications include:

At least four years of contract compliance work experience related to fostering the creation of jobs, business opportunities, labor standards enforcement, S/M/WBE procurement, and equal opportunity programs.
