Effective 7/1/2015, per CalPERS Circular Letter 2000-029-14 dated June 5, 2014, CalPERS bills a monthly dollar amount required to pay down the unfunded liability on pension accounts. OCII will make a lump sum payment to take advantage of associated savings. As per the Annual Valuation Report for PEPRA Miscellaneous Plan, the 17-18 ARC is \$774. As per the Annual Valuation Report for Classic Miscellaneous Plan the 17-18 ARC is \$960,952. For a total amount due of \$961,426.

This is the first time OCII has requested the full ARC. In prior years OCII has paid \$300,000 per year to pay down future liability. This change is in response to GASB 74 & 75 which require employers to report their net OPEB Liability on their financial statements.

84	MBN OPA: FINAL & CONCLUSIVE DETERMINATION (1.24.14); This line shows the amount of funds that will be used to reimburse FOCIL-MB, LLC pursuant to the MBN OPA. The OPA obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure. OCII estimates it will reimburse the developer \$9.6M from bonds. The full TI amount has been allocated to paying down CFD#4, therefore there is no reimbursement projected from TI. However, the final total amount of the Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS. Any reimbursement from TI would reduce the amount utilized to pay down CFD#4 bonds.
85	MBN Payment on CFD#4 Bonds: FINAL & CONCLUSIVE DETERMINATION (1.24.14). RPTTF from MBN may be used for the early repayment of principle of existing 2002 CFD Bond. In 16-17 OCII projected use of \$0.9 million in Reserve and \$5.0 million in TI for early repayment of principle of 2002 CFD Bond. This reflects the full \$5.0 million TI projected in 16-17 as well as the projected balance of \$936,728 at the end of 15-16. This is a subline of line 84.

86	MBN Tax Increment Allocation Pledge Agreement: FINAL & CONCLUSIVE DETERMINATION (1.24.14);The Tax Increment Allocation Pledge Agreement obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure and reimburse CFD#4 bonds. Tax increment is irrevocably pledged to provide for direct reimbursement and payment of debt service on bonds, the proceeds of which reimburse master developer for infrastructure installed in plan area. Debt Service payments are an obligation of the MBN Tax Increment Allocation Pledge Agreement, but the actual payments are shown under each individual bond line item below. In addition, the payments to the Master Developer for Infrastructure and to non-profit developers for Affordable Housing, as obligated by the OPA, are shown on separate lines. The final total amount of the Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. This line is a sub-line of line 84.
87	MBS OPA: FINAL & CONCLUSIVE DETERMINATION (1.24.14);This line shows the amounts of funds that will be used to reimburse FOCIL-MB, LLC pursuant to the MBS OPA. The OPA obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure. Total Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC, and will be is paid both from Bond Proceeds and Tax Increment, and from CFD Bond Proceeds. OCII estimates reimbursing the developer \$73.8M from bond proceeds in 16-17. In ROPS 16-17, no TI is anticipated to be distributed because the total TI amount is pledged to debt service. <i>Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.</i>
88	MBS Tax Increment Allocation Pledge Agreement: FINAL & CONCLUSIVE DETERMINATION (1.24.14);The Tax Increment Allocation Pledge Agreement obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure. The Total Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. Tax increment is irrevocably pledged to provide for direct reimbursement and payment of debt service on bonds, the proceeds of which reimburse master developer for infrastructure installed in plan area. Debt Service payments are an obligation of the MBS Tax Increment Allocation Pledge Agreement, but the actual payments are shown under each individual bond line item below. In addition, the payments to the Master Developer for Infrastructure and to non-profit developers for Affordable Housing, as obligated by the OPA, are shown on separate lines. This line is a sub-line of line 87.
89	Mission Bay Agency Costs Reimbursements: OPAs allow Successor Agency to access TI or direct developer fees to reimburse Agency Costs, including the cost of other City agencies or outside organizations whose expertise is needed to implement the OPAs - based on T&M for costs allowed by the OPAs. Currently the Master Developer, FOCIL, is reimbursing the majority of the Agency Costs, but in the future RPTTF may be used for allowed Agency Costs. However, it is anticipated that there will be three contracts with third party entities to provide consulting services for fiscal analysis and planning services, for a combined amount of \$500,000 that will be reimbursed through direct developer payments considered "Other". Since it is unknown at this time what the ultimate amount of Agency Costs that will not be reimbursed by the Master Developer, thereby requiring RPTTF, the total outstanding obligation is unknown.
90	MBN and MBS DPW/Harris and Associates Construction Cost Review Consulting: This review of developer reimbursement requests by a consultant is required to ensure that developer reimbursements for infrastructure are appropriate per the OPAs and CFDs. It is a long-term obligation under the MBN and MBS OPAs that is fulfilled through a contract between the City's Dept. of Public Works and Harris & Associates, for which the cost is paid through the Successor Agency. DPW has extended Harris & Associates contract term to 5/11/20. The Agency has estimated \$396,000 will be paid in ROPS 17-18 from "Other" funds, (Developer Reimbursements). However, the MBN and MBS OPAs allow the Successor Agency to use RPTTF, Bond Proceeds, and Reserve Balances to reimburse for Agency Costs, which includes the Harris Contract, so such payments may be needed in the future.
91	MBN and MBS Art Program: The Mission Bay Redevelopment Plans require projects with over 25K in commercial space to pay 1% of hard costs for public art. The source of these Other funds are Developer Fees. There will be individual contracts with artists once selected. Expenditures will be made through individual contracts with artists, once selected.
101	Transbay Folsom/Essex/Under-ramp Design Services: Ancillary contract in compliance with the Transbay Implementation Agreement, Item # 105, which was finally and conclusively determined to be an enforceable obligation on April 15, 2013. These expenditures are required pursuant to Section 2.1 .d of the Transbay Implementation Agreement requiring activities related to major infrastructure improvements. This contract is for design services required to implement the Redevelopment Plan. The contract terminates in June 2017, with an option for OCII to extend an additional one year, and will be paid for using DDR-Approved bond proceeds from the 2009B and F bond series, 2011B bonds, and developer fees and the San Francisco Metropolitan Transit Authority.
102	Transbay Tax Increment Sales Proceeds Pledge Agreement. FINAL & CONCLUSIVE DETERMINATION RECEIVED 4.15.13. Sales proceeds and tax increment generated from the sale and development of the state-owned parcels is pledged to TJPA for development to the Transit Center as required by the Redevelopment Plan Cooperative Agreement. TJPA will use these funds to repay the Transportation Infrastructure Finance and Innovation Act (TIFIA) loan executed between TJPA and US DOT. TI from the state-owned parcels provided to TJPA is net of AB1290 pass-through and affordable housing requirements, per the Cooperative Agreement. In ROPS 16-17 the TI is estimated to be \$1,552,146 based on estimates provided by the CCSF Controller's office. <i>Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, OCII requests that the DOF ROPS approval letter instruct the CCSF Controller to distribute the actual TI collected, rather than the projected amount reported in the ROPS.</i>
105	Transbay Implementation Agreement: FINAL & CONCLUSIVE DETERMINATION RECEIVED (4/15/13). The Agency shall execute all activities related to the implementation of the Transbay Redevelopment Plan, including, but not limited to, activities related to major infrastructure improvements, including new public parks, new pedestrian oriented alleys, and widened sidewalks, etc. The project cost for implementation of the Transbay Redevelopment Plan activities set forth in the Agreement shall be incurred by the Agency and included in the Agency's annual budget submitted to the City. The total outstanding obligation is the estimated public improvement costs necessary to implement the redevelopment plan, specifically the Transbay Streetscape and Open Space Concept Plan which was approved in 2006. As contracts are approved they are added as separate lines in the ROPS. The total outstanding debt was estimated at \$297M as of the final and conclusive determination. This amount is spread between this line and other ancillary contracts to the implementation agreement, including items 106-115 and 391.

City Attorney's office will review and approve agreements and contracts required under the Implementation Agreement on an ongoing basis. The source of funds for attorney review of development parcel documents is developer fees whenever billable. In some cases, attorney reviews may be for items that are not billable to developers (e.g. OCII sole obligations for park and certain streetscape improvements), in which case RPTTF would be used.
115	Transbay ancillary contracts for professional services in compliance with the Transbay Implementation Agreement, Item # 105, pursuant to section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "prepare and sell certain state-owned parcels to third parties," "execute all activities related to the Implementation of the Transbay Redevelopment Plan" and "execute activities related to major infrastructure improvements." Contracts funded with Other (\$300K requested this period) would include items that can be reimbursed by developers. 138	RETIRED.
139	RETIRED.
140	Yerba Buena Garden Capital Improvements. Expenditures on this line are for capital improvements in Yerba Buena Gardens (YBG), which the Successor Agency owns but will be transferring to the City in 2017, pursuant to the DOF-approved LRPMP. As background, the Successor Agency uses a software program to forecast and budget for known cyclic repair and replacement requirements that extend the life of the YBG's buildings and systems and maintain them in usable condition. The Gardens were built over an underground convention center so maintaining the waterproofing barriers between the structures of this 20-year old facility has been a significant expense for the Successor Agency over the past few years and is projected to be an ongoing expense in future fiscal years as the properties continue to age. Based on this forecasting model, the Successor Agency expects to expend \$7,319,317 during fiscal year 2017-18 on capital improvements in the Gardens. Capital projects underway at YBG include projects approved in budgets from FY14-15, FY15-16, and FY16-17. The Successor Agency's capital budgets are multi-year budgets, so once we have the authority to spend capital funds, that authority can span multiple fiscal years (unlike ROPS spending authority). Therefore, the amount requested in any given ROPS period is likely to include (1) capital projects from prior fiscal years in addition to projects approved in the current fiscal year, and (2) projected amounts rolled over from previous ROPS periods. Thus, the Successor Agency's request for spending authority is usually higher than the amount budgeted in any given fiscal year. For FY17-18, the Successor Agency is rolling over about \$4,447,317 million in prior year capital projects and has about \$2,872,000 million in new capital projects slated for FY17-18 (pending budget approval in Spring 2017).
141	Yerba Buena Garden Operating Expenses. MJM is the Successor Agency's full-time, on-site property manager responsible for overall operations, maintenance, security, event coordination, and capital repair/replacement work at YBG. The money under this contract pays (1) a fixed management fee to MJM and (2) variable annual operating expenses for YBG. This contract will be transferred to the City when YBG is transferred to the City in 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the contract. The funds to pay for this contract, and YBG operational costs, comes from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens.
142	Children's Creativity Museum Operating Agreement. The funds to pay for this \$600,000/year contract come from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. The Successor Agency owns the museum building/carousel and has an operating agreement with a non-profit to operate the museum and the carousel. This agreement will be transferred to the City when YBG is transferred to the City in 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the agreement until the contract expires. Payments are made quarterly as follows: Qtr. 1 40% (\$240,000); Qtr. 2 30% (\$180,000); Qtr. 3 20% (\$120,000); and, Qtr. 4 10% (60,000).
143	Yerba Buena Center for the Arts Operating Agreement. The funds to pay for this contract come from CDGB restricted lease revenues and developer fees from Yerba Buena Gardens. The Successor Agency owns the Center for the Arts buildings and has a long-term operating agreement (until 2095 with all extended terms) with a non-profit to operate the cultural facilities. The initial term ends 6/30/2019. This agreement will be transferred to the City when YBG is transferred to the City in 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the agreement until the contract expires or is extended by the City. Payments are made in equal quarterly installments of \$832,500 each.
144	Yerba Buena Gardens Outdoor Programming. This is an agreement to provide outdoor event programming in the public open space at Yerba Buena Gardens. The funds to pay for this contract come from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. This contract will be transferred to the City when YBG is transferred to the City in 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the contract until the contract expires. Payments are made quarterly as follows: Qtr. 1 40% (\$30,000); Qtr. 2 20% (\$15,000); Qtr. 3 20% (\$15,000); and, Qtr. 4 20% (\$15,000).
145	Yerba Buena Community Benefit District. The Tax Collector collects CBD assessments via secured property tax bills issued annually and passes the assessment through to the CBD. The Successor Agency owns the following parcels in the YB CBD, which are assessed: APNs: 3723-115, 3706-277, 3751-167, & 3751-168. CBD payments are made annually in December. The final payment will be in December 2029. The funds to pay these fees comes from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. This expense will transfer to the City with the transfer of Yerba Buena Gardens in 2017.
147	Yerba Buena Garden Legal Fees. The funds to pay for these services come from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. The Successor Agency expects to transfer YBG to the City in 2017, pursuant to the Successor Agency's property management plan approved by DOF. At that time, this line will be retired from the ROPS.
151	The Mexican Museum Grant Agreement . This is a \$10.566 million grant agreement for predevelopment and tenant improvements for a museum. The remaining balance of \$7,785,119 is tax exempt bond proceeds reserved for future tenant improvements.

153	The Paramount/680 Mission LDA: The Paramount/680 Mission LDA: Under a 1990 land disposition agreement, the former Redevelopment Agency conveyed land that had been acquired with federal community development funds. As part of the agreement, the Agency agreed to discount the purchase price by \$1,000,000 so that a below-market lease of space in the project could be provided to a non-profit organization, the California Historical Society (CHS). In 2014, CHS reduced the size of its space under a lease amendment. As a result, the Successor Agency is due payments totaling \$945,949 plus 1% interest in four annual installments beginning in 2015. In addition, to facilitate the preservation of historic component of the project, the Redevelopment Agency agreed to accept a promissory note for \$1.4 million of the purchase price, due with interest upon any sale or refinance of the project. The project was refinanced in January 2017, so the Successor Agency received approximately \$1,905,000 of principal and interest from the note. HUD deems all of these funds to be program income under the Community Development Block Grant (CDBG) program. Accordingly, the Successor Agency will transfer the funds to the Mayor's Office of Housing and Community Development, the City's CDBG administrator.
161	Alice Griffith Agency Funding Obligation. Upon completion of housing program in MB-North, tax increment then pledged to housing program in MB-South. The total outstanding estimate is based on the FY 2011-12 Statement of Indebtedness (SOI) page 37 of \$320M, taking out the amounts included in that number for the housing debt service obligations included on separate ROPS lines: Series 2006A (\$9M, 2007A (\$30M), 2009A (\$4M), 2009E (\$2M), 2011E (\$3M). Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.
226	Mission Bay South Affordable Housing Obligation: FINAL & CONCLUSIVE DETERMINATION (1.24.14); Pledge of Property Tax Revenues, defined as Housing Increment, under Mission Bay South Tax Allocation Pledge Agreement (to which Owner is a third party beneficiary) to fulfill affordable housing obligations in Mission Bay South Owner Participation Agreement. The total outstanding estimate is based on the FY 2011-12 Statement of Indebtedness (SOI) page 42 of \$436M, taking out the amounts included in that number for housing debt service obligations included on separate ROPS lines: Series 2009A (\$6M), 2009E (\$10M), 2011E (\$19M), and taking out reported expenditures from this line on ROPS I, II, III, 13-14A and 13-14B, and taking out outstanding obligations for individual MBS housing projects that have their own separate ROPS lines (228 for MBS Parcel 7W, 393 for MBS Parcel 6E, and 394 for MBS Parcel 3E). Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.
228	Mission Bay South Parcel 7W: Budget for this housing project approved in ROPS 13-14B and committed to the project per AB 471. Project in construction, estimated completion 2017.

Funding for the specific affordable housing projects and debt service on associated tax allocation bonds required per this obligation are shown on individual Transbay lines: Lines 238 (R.C. Apts), 239 (Blks 6/7), 363 (Blk 9), and 374 (Blk 8), 392 (Blk 1) and various debt service lines. Total outstanding obligation lowered by amounts placed on separate ROPS lines 363, 374 and 291. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.
239	Transbay Blocks 6 & 7 Construction: For Block 7, the total funding amount is a \$25.6 million loan including \$3.4M for predevelopment plus \$22.2M toward construction financing for a 120 unit affordable housing project, as mandated by CA Public Resources Code Sec. 5027.1 (per final and conclusive determination regarding Transbay housing umbrella obligation on ROPS Line 237. The project size was previously estimated at 85 units, and \$17 million in Other (developer fee) funding was included on ROPS 14-15B, but the project design was changed to include a total of 120 units, which required an additional \$8.6 million and was included on ROPS 15-16A, for a grand total of \$25.6 million. 255	Sublease Agreement with Carmen and Benito Solis. No expenditures are anticipated in FY16-17

257	Payments to Port for South Beach Harbor Operations. Port operates SBH on behalf of OCII, with OCII reimbursing costs. \$1,216,700 was budgeted for FY15-16. As per Port, because Port recognized SBH in its financial statements in 15-16, OCII will no longer cover these costs. However, because State Lands has not yet approved the transfer, to be conservative, the 15-16 budget is included in the ROPS. This obligation will remain in place until SBH is reverted to the Port, pending approval by State Lands.
261	1998C Bond Debt Service. No debt service payments until 8.1.2023 (due to trustees 6.30.2023)

In this period, the amount of debt service is \$7,052,688. The total outstanding debt service is \$14,640,688. Debt service on Jessie Square garage would be paid by Other because the buyer will be required to defease the bonds as part of the terms of the sale. The estimated amount of principal and interest to be defeased is \$6,195,000 Jessie Square did not change hands in 15-16A as expected, therefore amount of outstanding obligation is higher.

However, as per MOU with Port, the CalBoating Loan claim is subordinate to the Ports Operating expenses and debt service. Should revenues be insufficient to cover this obligation, OCII will request TI. This obligation will remain in place until SBH is reverted to the Port, pending approval by State Lands. If land transfer is approved, obligation will be transferred with land.

This is an estimated amount based on DDA "Alice Griffith Subsidy" in BMR Housing Plan Section 5.4(a) and (c) and Exhibit F-C, but if overruns occur, the developer is contractually obligated to increase their contribution. \$5.2 million In ROPS 16-17 was included for Phase 4 (formerly known as Phase 3C) and pursuant to AB 471. In the ROPS 14-15B period, predevelopment work started, using pledged Mission Bay increment approved in ROPS 13-14A and ROPS 14-15A lines 220 and 226. Gap funding of \$33,250,000 committed in ROPS 15-16B pursuant to AB 471; amount comprised of \$2.6 M in pledged Mission Bay increment approved in ROPS 15-16A and \$30.6 M in Other (developer fees). Up to \$1m in Other Funds bay be spent for predevelopment expenses in 16-17. Project started construction October 2016.
394	MBS Block 3E Construction funding for affordable housing project in partial fulfillment of MBS OPA Requirements, per final and conclusive determination regarding Mission Bay housing obligation on umbrella lines 220 and 226. Predevelopment work on this project serving homeless veterans and other very low income families began in the ROPS 15-16A calendar period which is funded by a charitable donation of \$2.5m given to OCII - actual payment of predevelopment costs will start in the 15-16B period and the \$2.5m was included in both ROPS15-16B and ROPS 16-17. However, predevelopment expenditures will continue into ROPS 17-18 for an estimated \$1.8 million and this amount is included in ROPS 17-18. ROPS 16-17 included \$21.7 million for construction funding, and ROPS 16-17 Amendment included another \$5.0 million to reflect an increase in the number of units in the project from 101 units to 119 units. The construction funding is subject to AB 471. The project applied for the Affordable Housing & Sustainable Communities Program (AHSC) in 2016 but was unsuccessful. The project will reapply for AHSC, and also apply for Veterans Housing and Homelessness Prevention (VHHP) funding in 2017. In the event one or both of these applications fail, ROPS 17-18 shows full commitment of OCII funds and reflects combination of previously approved ROPS 16-17 as amended (\$26.7 million) and an additional \$12.4 million if neither AHSC or VHHP funds are awarded. The ROPS 17-18 is for construction funding in the amount of \$39.1 million (\$2.1 million existing bonds and \$28 million on SB 107 bonds plus \$6.1 million in developer fee and \$2.0 million in remaining charitable donation). The construction funding amount reflects an increase in the project size from from 101 units originally planned to 119 units as approved at schematic design. All but the pre-development amount of \$2.5 is pursuant to AB 471. Note that the final loan amount provided by OCII will include prior year pledged Mission Bay housing RPTTF (per DOF instructions, these funds only appear on the ROPS in the year they are collected and are not shown again when expended, except on the true-up).
395	HPS Affordable Housing Block 54, per final and conclusive determination for HPS housing obligation in umbrella line 218. This had \$2.5M in ROPS 14-15B for predevelopment but timetable has been extended we expect to be able to starting expending in the ROPS 16-17 period, in addition to predevelopment expenditure estimated at \$3.0m. The source of the \$3.0 million in funding is SB 107 bonding. (Note: due to the timing of the Governor's approval of the legislation needed for the new SB 107 bonding authority, the Oversight Board will not yet have reviewed bond documents related to these new bonds prior to the ROPS 16-17 approval; however no bond issuance or expenditure of funds would occur without Oversight Board and DOF review and approval.) Project now includes Block 52 and Block 54. Because both Block 52 (39 units) and 54 (40 units) are small parcels, OCII wishes to maximize economies of scale. OCII intends to develop the blocks as a "scattered site" tax credit project. This change will increase predevelopment expenses by \$985K to \$4.0M. Source is SB 107 bonding.
398	HPS Phase 2 - CP Other Professional Services: Source of funds: Developer reimbursement. This is an ongoing cost which the Agency anticipates until the completion of the HPS project. 403	HPS Phase 2 - CP Block 10a Affordable Housing, per final and conclusive determination for HPS Phase 2- CP housing obligation in umbrella line 219. The source for the \$3.5 million for predevelopment expenses was proposed to be SB 107 bonds; this amount was in the ROPS 15-16B and ROPS 16-17, but the source is now existing bond proceeds. These predevelopment funds committed in 16-17, will continue to be spent during ROPS 17-18.
404	HPS Phase 2 - CP Block 11a Affordable Housing, per final and conclusive determination for HPS Phase 2- CP housing obligation in umbrella line 219. The source for the \$3.5 million for predevelopment expenses was proposed to be SB 107 bonds; this amount was in the ROPS 15-16B and ROPS 16-17, but the source is now existing bond proceeds. These predevelopment funds committed in 16-17, will continue to be spent during ROPS 17-18.
405	MBS Block 6W Construction funding for affordable housing project in partial fulfillment of MBS OPA Requirements, per final and conclusive determination regarding Mission Bay housing obligation on umbrella lines 220 and 226. Developer funded pre-development financing is now expected in ROPS 17-18.
407	Refunding Bonds Reserve Payments. Refunding bonds requires use of reserve fund to defease bonds. Agency estimates a maximum of \$75 million dollars in housing refundings. Assuming a 10% reserve, this would require a \$7,500,000 reserve payment to defease bonds.

408	2016E Housing Bonds. SB107 authorized OCII to issue bonds to fund affordable housing.
409	2016-17 Transbay Infrastructure Bonds. SB107 authorized OCII to issue bonds to fund infrastructure in the Transbay Project Area.
410	2016-17 Housing Refunding Bonds. A number of existing housing bonds have reached sufficient maturity to be candidates for refunding. Pending actual interest rates, OCII could issue housing refunding bonds in FY16-17
411	Enforceable Obligation Support. SB107 requires Successor Agencies to spend no more than 3% of RPTTF Non-Admin on agency administration, across all funding sources. In prior ROPS OCII recorded agency costs that directly support affordable obligations and OCII administration in line 1. As per DOF recommendation, OCII is now separately reporting the OCII costs that directly support enforceable obligations. The administrative cost to operate the agency is reported in line 1.
412	HPS CP Surety Bond Program. Successor Agency's Surety Bond Program will be used to assist BVHP contractors in obtaining insurance and credit support that may be required in order to participate in the development of the Phase 2 Project.

The amount transferred to the City will be the balance after all expenses on lines 140-147 and OCII staff costs have been paid in full.
416	Transbay Block 2 East Affordable Housing: Ancillary contract in compliance with the Transbay Implementation Agreement, Item #237, Affordable Housing Program, which was finally and conclusively determined to be an enforceable obligation on April 15, 2013. The source for the \$3.5 million for predevelopment expenses is \$ 1.1 million in existing bond funds and \$2.4 million in developer fees.
417	MBS Block 9 Construction funding for affordable housing project in partial fulfillment of MBS OPA Requirements, per final and conclusive determination regarding Mission Bay housing obligation on umbrella lines 220 and 226.
