INFORMATIONAL MEMORANDUM

TO: Community Investment and Infrastructure Commissioners

FROM: Nadia Sesay, Interim Executive Director

SUBJECT: Informational memorandum transmitting the Candlestick Point and Hunters Point Shipyard Master Developer’s Report on compliance with the Community Benefits Programs for October through December of 2016 and OCII staff analysis; Hunters Point Shipyard and Bayview Hunters Point Redevelopment Project Areas

EXECUTIVE SUMMARY

As required in the Phase 1 Community Benefits Agreement (“CBA”) and at the request of the Commission on Community Investment and Infrastructure (“Commission”), the Master Developer has provided a Quarter 4 Community Benefits Report (Attachment 1) demonstrating their efforts to comply with commitments contained in the Hunters Point Shipyard Phase 1 and Candlestick Point and Phase 2 of the Hunters Point Shipyard Disposition and Development Agreements (“DDAs”). Both the Phase 1 and Phase 2 DDAs contain robust Community Benefit commitments to be fulfilled by the Master Developers.

OCII staff has reviewed the report submitted by the Master Developer and provided comments in the attached HPS/CP OCII Community Benefits Compliance Analysis table (Attachment 2), for all the community benefits for each phase.

As illustrated in the attached Community Benefits Compliance table, the Master Developer is in substantial compliance with its requirements under the CBAs and has provided an array of benefits to the District 10 neighborhood. Where requirements have not been fully met, the letter to the Master Developer (Attachment 2) addresses next steps, proposes improvements by the Developer moving forward, or requests additional information.

Future Updates

Per the Phase 1 CBA, the Phase 1 Master Developer is required to provide quarterly written status reports on all Phase 1 community benefits programs to the Commission and make quarterly presentations to the Mayor’s Hunters Point Shipyard Citizen’s Advisory Committee. The next
quarterly community update will occur in April 2017 and cover the period from January 2017 through March 2017. At the Commission's request, OCII staff will provide the Master Developer's Community Benefit Program updates to the Commission with staff's analysis of compliance with the CBA, which will continue to illustrate the cumulative impact of the Phase 1 and Phase 2 CBAs.

Phase 1 - Contractor Assistance Program

- **a) Technical Assistance Program:** Butler Enterprise Group administers the Phase 1 and Phase 2 CAP program. Thirty (30) contractors received TA during Q 2016. Administrator reports will provide greater detail.

- **b) Financial Assistance Program:** Butler Enterprises continues to conduct “Access the Money” workshops and provides other Financial Assistance as part of the “Mobilization Loan Program”. Reports provide specifics. **Mobilization Fund:** To date, nine (9) firms have received loans, $333K in loans have been given to date.

- **c) Mentorship Program:** The Mentorship Protégé program has been administered by Renaissance Entrepreneurship Center since 2010. More information contained in next slide.

- **d) OCIP:** Due to limited insurance market capacity during this time, it was not feasible for Phase 1 Master Developer to purchase a $145M insurance policy. Consequently, Phase 1 Master Developer resorted to address GL limits by establishing them on a project-by-project basis via insurance requirements in licenses & permits to enter and VDDAs approved by OCII. We continue to maintain the program.
Phase 1 - Contractor Assistance Program
Mentorship Protégé Program

- Administered by Renaissance Entrepreneurship Center
- The Protégés received administrative support, project management and marketing services from Light Frame Construction and Big Mouth Productions
- Nearly ninety percent (90%) of our clients are African American men of which sixty percent (60%) are low moderate income and twenty percent (20%) are extremely low-income. All of our clients either live or operate their businesses in District-10.
- During Q4 protégés secured $724,198 in new contracts
Phase 2 - Contractor Assistance Program

Obligation: $2.5 million ($250,000 per year for up to 10 years) for implementation of programs to support contractors:

- Master Developer has spent $1,109,039 in contractor assistance since 2014 *
- Master Developer made $250k contribution towards Surety Bond and Credit Support Program
- Any shortfall at the end of the 10 year term will be paid to the Community Benefits Fund, or Developer will continue the CAP program beyond the term

* 2014 marks the beginning of Phase 2. However, there have been $1,227,662 in expenditures since project inception thru Q4 2016

Construction Assistance Program Provided the Following Services:
Bid Assistance/Outreach/Financial & Technical Assistance/Project Status

Bid Assistance/Outreach
RFP, PRE-BID Notification and Business Development Activities Outreach services provided to Local SBE Contractors and Suppliers

The Construction Assistance Program Office (CAP) continues to maintain an on-site plan room with current project plan drawings and specification manuals by providing both digital plan files and hard copy plan drawings. The CAP office will continue to send e-mail blasts to the impacted area contractors, suppliers, and vendors regarding upcoming FivePoint /BVHP Shipyard RFP’s that are posted on the City’s Bid and Contracts website for bidding opportunities. CAP provides LBE/DBE/SBE Certification information for local contractors to become certified with the City or State; Business Development Assistance with Surety-Bonding and Financial Assistance, and provide continuing education workshops and financial resources/or referrals to local Small Business Enterprise (SBE) contractors when needed. The CAP office continues to ask Developers, General Contractors/Estimators on other City projects to provide the CAP’s office plan room, access to their project’s plan drawings and specifications for posting to provide local SBE community contractors an opportunity to review and submit a bid proposal for those projects. The CAP office will follow up with outreach to local SBE contractors in the 94107, 94124, & 94134 zip code areas by sending an email blast of the Invitation to Bid, RFP or RFO, Pre-Bid meeting’s date & time and Bid Due date for those projects. The additional effort increases the local LBE/SBE contractors bidding opportunities outside of their community comfort zone, and the CP/HP Shipyard arena.
FINANCIAL & TECHNICAL ASSISTANCE ACTIVITIES

CAP Office Activity

The CAP office continues our efforts to set up “One-On-One” meetings between Prime Contractors or Large Infrastructure/Engineering contractors with local LBE/SBE contractors. These meetings help create opportunities for bidding partnerships. Typically, before a bid is awarded, the CAP office encourage larger contracting firms bidding on Candlestick Point and Hunters Point Shipyard projects to reach out to our pool of LBE/SBE contractors to include them as part of their bid proposal team. We encourage large contractors to include LBE/SBE contractors as second tier subcontractors and/or suppliers in their bid as part of their LBE/SBE “Good Faith Effort” participation.

CAP will continue to meet with local contractors who visited the CAP office for assistance, to review their company’s business plan and assess whether the company has capacity to handle a project at this current time. If they are not ready or do not have the capital/finances in place to get started, CAP will work to develop a business plan with the contractor to help elevate the firm’s ability to bid, win and successfully completing contracts while making a profit.

CAP team member, Nor-Cal FDC, provides an assessment of LBE/SBE contractor capital needs and provides financial assistance to currently awarded LBE/SBE contractors on site. They also provide access to a Mobilization Loan Program (MLP) fund with a maximize loan amount not to exceed $50,000. The Community Benefits Program (IC Fund) granted the first round of funding totaling $250,000. To date a total of $283,000 in loans have been provided to local SBE contractors with contracts on Hilltop - Phase 1 projects and Commercial Kitchen Replacement - Phase 2 project. There were no new loans this month, several projects have just starting.

Technical Assistance Meetings with New Contractors

There were no new contractors this month. Had two meetings with Professional Consultants.

10/26/16 Met with Maura Abernethy and Christopher Roach of Architectural Urbanism Design at the RGQ Pre-Bid Conference for Candlestick 11A project. Provided them an overview of the CAP program and set up a meeting date for them to come to CAP office to discuss how CAP can help their firm win some projects.

10/26/16 Met with Tom Kostosky of San Francisco Housing Development Corp. to discuss how CAP could assist SFHDC with it outreach to local LBE’s and SBE’s for the Candlestick 11A development. SFHDC and MERCY are the developers for 11A and will need to go out in a few weeks with the RFP for Professional Consultants for Candlestick 11A.
Workshops

There were no workshops in the month of October 2016.

Pre-Bids Conference

On October 26, 2016, there was a Pre-Bid Conference for the RFQ for Candlestick 11 A Development of 150 Affordable Housing units by development Joint Venture of San Francisco Housing Development Corp. (SFHDC) and MERCY. month of September 2016. The Request for Qualification of Professional Consultants in the discipline of Geotech, Construction Manager, Survey, Environmental, and Consultants of the Architect for MEPs, etc. MBE, WBE, LBE and SBE's were encourage to submit qualifications. The meeting was held at the office of OCII, 2nd floor conference room at One South Van Ness, San Francisco, 94103 at 10:00 am. The Bid Due date for this project is 11/14/16 at 2:00 pm.

CAP released an E-blast flyer on Constant Contact on Wednesday, 10/12/16 to local LBE and SBE Architects, Engineers, Construction Managers firms, Geotech and Environmental firms and Professional Consultant firms to attend the Pre-Bid Conference. (See the attach PDF file for the report)

CAP will continue to provide estimating, project management and business development workshops to enhance local contractor’s skills on how to submit a competitive bid. CAP’s staff will continue to outreach to contractors, professional Consulting firms and suppliers to encourage them to use the CAP’s office Digital Takeoff and Bid Builders estimating software applications, workstations and plan room which give them access to plan drawings and digital plan files to prepare their bids proposals. Lennar Urban kindly provided Microsoft Project software to be installed into the CAP’s office PC systems, which will allow contractors to create their construction project schedules when needed. This is just another tool that should help them sharpen their pencils to produce a successful bid proposal and make a profit.

Technical Assistance Meetings with New Contractors

There was one new contractor this month.

12/08/16 Met with Mitchell Smith and his 4 business partners for Vizcon Construction to discuss assisting his firm to bid on flooring, exteriors and interiors finishes contracts. CAP will assist Mr. Smith with getting his firm certified as a LBE contractor with CMD and the City. Gave Mr. Smith and his partners some business development tasks to complete while they outline upcoming projects in the next few months to start on Candlestick Point development and in the City, like the new “Warriors Complex”.

Workshops

There was no workshops this month.
Pre-Bids Conference

There was no Pre-Bids Conference on the Shipyard/Candlestick Point Projects this month.

12/01/16 CAP called ten contractors and gave them the information to the "Invitation to Bidders" notice of a project job site walk for the “Goodwill Site/1500 Mission Street” Notice to Construction, Equipment, Supplies and General Services Firms to walk the construction of the Mixed-Use Development including Residential/ Retail and Office/ Permit Center Request for Proposal (RFP) – Formwork, Concrete Supply, Shotcrete, Concrete Placement/Finish, Rebar, Shoring, Excavation, Demolition and Abatement. This project is being issued by RELATED Rep. Harold Hill – hhill@related.com and Jimmy Hewitt – james.hewitt@sfgov.org. This is not a Lennar Urban – FivePoint Shipyard/Candlestick Point project, but it is a large city project that if any of the local contractors are awarded contracts on this project, it could lead to more city projects coming up in 2017-2018 calendar. For additional information please go to http://mission.sfgov.org/OCABidPublication/BidDetail.aspx?K=11399

12/01/16 Posted the RFP – Invitation to Bidders notice of a Pre-Bid for the Eddy and Taylor Street project by Cahill Contractors. This project is an 8 story + mezzanine, slab-on-grade, post-tension concrete building. Construction of 113 units with landscaping and hardscape scope of work. Contact was H. Taz Kim – tkim@cahill-sf.com. Cahill works with well with local contractors and anytime CAP send local contractors to Cahill’s projects some of the firms were awarded contracts.

Community Outreach

Holiday Toy Drive for BVHP

12/09/16 The week of December 9, 2016, Butler Enterprise Group, LLC (BE Group)/CAP raised with the help from some local contractors $ 1,800 for the HG “Toy Giveaway” event in BayView Hunters Point. On Thursday December 8, 2016 with the donations received, BE Group/CAP went out to Toys R Us, WalMart and Walgreens to purchase some 300 toys for the event. The event presented by Dr. Hunnicutt’s organization HG, Inc. was held on Friday December 9, 2016 from 6:00 – 9:00 pm at the Joe Lee Gym, a community center in the BayView community. There was around 70 kids and parents in attendance. Mr. Derf Butler from BE Group played “Santa Claus “and the kids loved seeing a black Santa. The remaining toys was donated to the Marine’s “Toy for Tots” program in the name of BE Group/CAP Sr. Project Manager’s wife Jimmie McCoy, who was in the Marines and had passed away on July 4, 2016. The toy giveaway was a success in part to the generous donations from Design Electric, De Haro Ramirez, DeSilva Gates and Spencer Masonry. ECOBAY gave a separate donation and helped sponsor the event.

CAP will continue to provide estimating, project management and business development workshops to enhance local contractor’s skills on how to submit a competitive bid. CAP’s staff will continue to outreach to contractors, professional Consulting firms and suppliers to encourage them to use the CAP’s office Digital Takeoff and Bid Builders estimating software applications, workstations and plan room which give them access to plan drawings and digital plan files to prepare their bids proposals. CONSTRUCTION ASSISTANCE PROGRAM - 2 (CAP 2)  
CANDLESTICK POINT / HUNTERS POINT SHIPYARD PHASE II

Introduction

The Construction Assistance Program - 2 (CAP 2) is a community benefit negotiated by FivePoint (Formally Lennar Urban) and the Bayview-Hunters Point (BVHP) Community. FivePoint is the developer of the Candlestick Point and Hunters Point Shipyard Phase II (CPHPS) Development Projects. The Construction Assistance Program's main objective is to encourage local SBE/LBE contractors and suppliers in the Bayview-Hunters Point (BVHP) Community to engage in the construction opportunities on the (CPHPS) Phase II Development Projects.

The following are services provided to SBE/LBE contractors and SBE/LBE trucking subcontractors under the CAP 2 Program:

I. Outreach

CAP 2 coordinates and executes all outreach meetings to maximize participation and increase bid opportunities for the impacted local area contractors to perform work on both horizontal and vertical construction projects for CPHPS Phase II development.

II. Workshops

CAP 2 is committed to keeping the businesses we serve informed, educated, and current on legislation, industry standards and technical software that helps them continue to be competitive and successful.

III. Technical Assistance

The CAP 2 program assists SBE/LBE contractors in the BVHP Community with technical support such as prequalification, construction software technology training, business development training, bid proposal preparation and assistance in securing financing.
IV. TRUCKING ADMINISTRATION PROGRAM

The Trucking Administration Program (TAP) has developed a unique Small Business Trucking Program Management System that culminates in the use of our Trucking Off-Haul Participation Plan and Trucking Compliance Monitoring Program. CAP 2 provides targeted outreach to Bayview/Hunters Point (94124, 94134, and 94107) owner operators and trucking companies to assure that project general contractors put forth a good faith effort to achieve the required participation goal for local subcontractor participation.

All Contractors, Subcontractors and their 2nd tier subcontractors shall use the services of the Trucking Program Administrator to provide the hauling services for this contract.

The Administrator utilized the Trucking Referral Procedures outlined below:

1. The Contractor shall request trucking referral services via E-mail, by 1:30 pm, the day before the required time of referral.

2. Once the Administrator receives the E-mailed trucking requisition form from the contractor, he or she will go to the list and call the trucking companies in the following order:

   - Owner Operators in the Bay View/Hunters Point Area
   - Owner Operators in San Francisco
   - Companies with drivers in the Bay View/Hunters Point Area
   - Companies with drivers in San Francisco
   - Companies outside the City and County of San Francisco

3. The Administrator will then provide the contractor/subcontractor with a confirmation E-mail within two hours of receiving the requisition form.
TRUCKING ADMINISTRATION PROGRAM

The Trucking Administration Program (TAP) continues to exceed expectations, meet the demand for quality service and provides professional local SBE trucking services. CAP 2 utilized the TAP program on the following projects:

1. **CP-01 INFRASTRUCTURE**
   Contractors: Ghilotti Brothers Inc. / Anvil Builders Joint Venture

2. **HPS PHASE 1 STREETSCAPE HILLTOP**
   Contractor: GECMS / McGuire and Hester Joint Venture

3. **HPS PHASE 2 COMMERCIAL KITCHEN**
   Contractor: Carter's Construction

4. **CP-02, 03, 04 DEMOLITION, MASS GRADING AND SURCHARGE/WET UTILITIES**
   Contractor: DeSilva Gates Construction
   Subcontractor: D.W. Young Construction

5. **HPS PHASE 2 ARTIST PARCEL INFRASTRUCTURE**
   Contractor: Carter's Construction

The total trucking participation for all active projects in October 2016 is as follows:

- BAYVIEW/HUNTERS POINT OWNER OPERATORS - 0%
- SAN FRANCISCO OWNER OPERATOR - 0%
- BAYVIEW/HUNTERS POINT TRUCKING COMPANIES - 100%

Re: 2016 Quarter 4 Community Benefits Report for the Hunters Point Shipyard Phase 1 and Candlestick Point/Hunters Point Shipyard Phase 2 Disposition and Development Agreements

Dear Kofi,

The Office of Community Investment and Infrastructure ("OCI") received the 2016 Quarter 4 Community Benefits Status Report on February 7, 2017 ("2016 Q4 Report") from HPS Development Co., LP and CP Development Co., LP (together, "Developer").

As you are aware, OCI oversees the implementation of development at Candlestick Point and Phases 1 and 2 of the Hunters Point Shipyard (together, the "Project"). OCI's oversight includes reviewing the Developer's performance of the community benefits contained in the Hunters Point Shipyard Phase 1 Community Benefits Agreement ("Phase 1 CBA") and the Candlestick Point and Hunters Point Shipyard Phase 2 Community Benefits Plan ("Phase 2 CBA", an exhibit to the Disposition and Development Agreement).

The Project's community benefits are intended to ensure that the Bayview Hunters Point ("BVHP") community has the opportunity to participate in, and benefit from, the Project.

Summary of OCI Review

OCI staff conducted an assessment of the 2016 Q4 Report to identify areas of compliance, partial compliance, or non-compliance. The Developer remains in substantial compliance with its obligations under both the Phase 1 and Phase 2 CBAs. However, there are some areas that require Developer action to bring them into full compliance.
OCII staff has identified the following areas which the Developer should focus on implementing improvements:

**Developer Actions Required for Full Compliance**

1) **Small Business Assistance Program**

   **Requirement**
   Under the Phase 1 CBA, the Developer is required to identify opportunities to assist small businesses in BVHP with obtaining contracts by, among other things, requiring its contractors and consultants to use their best efforts to purchase no less than 20% of the dollar value of all of their Shipyard Project related purchases from BVHP Area Small Businesses. The Developer must require contractors and consultants to provide monthly progress reports on the dollars spent with BVHP Area Small Businesses, and is required to include language in contracts with consultants and contractors regarding this obligation.

   **Status**
   The Developer is in the beginning stages of the approval process necessary for adoption of the required purchasing language in all contracts obligating contractors and consultants to make their best efforts to purchase at least 20% of the dollar value of all of their Shipyard Project related purchases from BVHP Area Small Businesses.

   **Next Steps**
   - Developer will start including language in contracts with Phase 1 consultants and contractors.
   - Developer will report on Phase 1 consultant and contractor purchasing in the 2017 Quarter 2 report.

2) **Community Builder Program**

   **Requirement**
   Under the Phase 1 CBA 30% of private housing development lots must be offered for development in partnership with Community Builders.

   **Status**
   Three Community Builder agreements have been executed to date. The Developer is working to finalize the remaining agreements. Staff has requested additional information from the Developer regarding the qualification of all selected and assigned Community Builders. Phase 1 Community Builders were qualified through a competitive process in 2004 and 2005. OCII has no record of Al Norman Development being qualified as a Phase 1 Community Builder under the process set forth in the Phase 1 Disposition and Development Agreement.

   **Next Steps**
   - Developer will provide OCII any documentation regarding the qualification and selection of Al Norman Development as a Community Builder on Block 52 – including copies of the Fee Developer Agreements for Al Noman Development and Marinship regarding the eligibility and qualifications of each community builder by the end of the second quarter for 2017.
3) Job Training and Employee Assistance Program

Requirement
Under the Phase 1 CBA, the Developer must contribute $225,000 per year to fund community based organizations ("CBOs") that provide job training services.

Status
In 2015, OCII found that the Developer was not in compliance with this requirement and identified a $410,000 shortfall; the total prior years' shortfall as of the date of this letter. In 2015, the Phase 1 Developer committed to accelerating payments through 2018 to address the shortfall.

In the first three quarters of 2016, the Phase 1 Developer has spent approximately $83,332 of the $225,000 annual obligation. No funds have been expended to address the prior years' shortfall. The Developer has submitted a plan to OCII to accelerate $460,000 in spending over the next 2 years. The Developer reported an expenditure of $54,000 in Quarter 4, bringing the total shortfall, including previous years, to $497,668.

</tr>
<tr>

</tr>
</tbody>
</table>

Next Steps.
- Developer will provide OCII with documentation for the selection of CBOs in accordance with the competitive process outlined in the Phase 1 CBA.
- Developer's 2017 Quarter 1 Report will provide additional details on the acceleration of payments to address the $410,000 prior years' shortfall including information on the schedule for issuance of RFPs for BVHP area job training organizations; which training areas are being targeted; and any 2016 shortfall.

A full accounting for each of the Developer's obligations is attached hereto. I look forward to addressing these outstanding issues. If you have any questions regarding these findings, please contact Kasheica McKinney at kasheica.mckinney@sfgov.org or (415) 749-2422.

Sincerely,

Nadia Sesay
