AUTHORIZING, PURSUANT TO A DECEMBER 14, 2010 GRANT AGREEMENT WITH THE MEXICAN MUSEUM, A SECOND GRANT DISBURSEMENT AGREEMENT WITH THE MEXICAN MUSEUM, A CALIFORNIA NON-PROFIT CORPORATION, IN AN AMOUNT NOT TO EXCEED $1,000,000, FOR PREDEVELOPMENT WORK FOR A NEW MUSEUM ASSOCIATED WITH A NEW MIXED-USE PROJECT ON A SITE THAT INCLUDES 706 MISSION STREET (ASSESSOR'S BLOCK 3706, LOT 93) AND SUCCESSOR AGENCY DISPOSITION PARCEL CB-1-MM (ASSESSOR'S BLOCK 3706, PORTION OF LOT 277)

WHEREAS, On December 14, 2010, the former San Francisco Redevelopment Agency ("RDA") authorized an Exclusive Negotiations Agreement (the "Museum ENA") and a Grant Agreement ("Grant Agreement") with The Mexican Museum, a California non-profit corporation (the "Museum"), for development of a new museum (the "Museum Space") associated with a planned mixed-use project on a site at Third and Mission Streets in the now-expired Yerba Buena Center Redevelopment Project Area (the "Project"); and

WHEREAS, The Museum ENA sets forth the terms and conditions for negotiating the Museum’s participation in the Project (the "Museum ENA"). The Grant Agreement requires the disbursement of approximately $10.5 million for predevelopment and planning activities and the design and construction of tenant improvements for the Museum Space. The Grant Agreement requires the disbursement of this funding through one or more future grant disbursement agreements ("Grant Disbursement Agreements"). As legally binding and enforceable agreements that were executed prior to June 28, 2011, the Museum ENA and Grant Agreement are enforceable obligations that survived the RDA’s dissolution; and,

WHEREAS, On January 17, 2012, the RDA authorized a Grant Disbursement Agreement with the Museum in an amount not to exceed $750,000 for predevelopment planning, staffing and consultant costs related to the Museum Space (the “First Grant Disbursement Agreement”). Per that agreement, the Museum has submitted satisfactory evidence of the progress it has made over the last year, as well as appropriate documentation of how the grant funds were used to date; and,

WHEREAS, The Museum needs additional funds to continue its predevelopment effort and has submitted a second disbursement request in the amount of $1.0 million for continued predevelopment planning, staffing and consultant costs related to the Museum Space; and
WHEREAS, Staff of the Office of Community Investment and Infrastructure (“OCII”) is recommending approval of a new Grant Disbursement Agreement, which includes a budget for the use of the grant funds, the roles and responsibilities of each party, mechanisms for the disbursement of funds, default provisions, compliance with OCII policies, and a form of funding request, in an amount not to exceed $1.0 million (the “Second Grant Disbursement Agreement”); and,

WHEREAS, Pursuant to the provisions of California State Assembly Bill No. 1X 26 (Chapter 5, Statutes of 2011-12, First Extraordinary Session) (“AB 26”), as amended in part by California State Assembly Bill No. 1484 (Chapter 26, Statutes of 2011-12) (“AB 1484”) (together, “Redevelopment Dissolution Law”), OCII, as the Successor Agency is able to enter into the Second Grant Disbursement Agreement because it is in compliance with the Grant Agreement, an “enforceable obligation” that existed prior to June 28, 2011, Cal. Health & Safety Code § 34177.3 (a); and

WHEREAS, The Second Grant Disbursement Agreement will provide funding for planning and predevelopment work for the future construction of the Museum Space and thus is exempt from the California Environmental Quality Act (“CEQA”) on the following grounds: 1) under Section 15262 of the State CEQA Guidelines, the Disbursement Agreement is a planning study for possible future actions that have not yet been approved; 2) under Section 15061 (b) (3) of the CEQA Guidelines, the Disbursement Agreement does not have the potential for causing a significant effect on the environment because it merely provides funding for pre­development planning activities; and 3) under Section 15268 of the CEQA Guidelines, the Disbursement Agreement is a ministerial act that implements the 2010 Grant Agreement, which requires OCII to disburse these funds pursuant to an enforceable obligation. Furthermore, any challenge to the environmental review of this action should have occurred at the time the RDA approved the Grant Agreement in December 2010; now therefore, be it
