RESOLUTION NO. 13-2018

ADOPTING FINDINGS PURSUANT TO THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND APPROVING AMENDMENTS TO THE REDEVELOPMENT PLAN FOR THE HUNTERS POINT SHIPYARD REDEVELOPMENT PROJECT AREA AND THE REDEVELOPMENT PLAN FOR THE BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA, REFERRING THE PLAN AMENDMENTS TO THE PLANNING COMMISSION FOR ITS REPORT ON CONFORMITY WITH THE GENERAL PLAN, AND RECOMMENDING THE PLAN AMENDMENTS TO THE BOARD OF SUPERVISORS FOR ADOPTION; HUNTERS POINT SHIPYARD REDEVELOPMENT PROJECT AREA AND BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA

WHEREAS, In furtherance of the objectives of the California Community Redevelopment Law (Health and Safety Code, section 33000 et seq. the “CRL”), the Redevelopment Agency of the City and County of San Francisco (the “Former Agency”) undertook programs for the reconstruction and construction of blighted areas in the City and County of San Francisco (“City”), including the Bayview Hunters Point Redevelopment Project Area (“BVHP Project Area”) and the Hunters Point Shipyard Redevelopment Project Area (“HPS Project Area”); and,

WHEREAS, The Board of Supervisors of the City and County of San Francisco (“Board of Supervisors”) adopted the Hunters Point Shipyard Redevelopment Plan (“HPS Plan”) on July 14, 1997 by Ordinance No. 285-97 and amended the HPS Plan on August 3, 2010 by Ordinance No. 211-10 and on June 22, 2017 by Ordinance No. 122-17; and,

WHEREAS, On May 23, 2006, the Board of Supervisors amended the Bayview Hunters Point Redevelopment Plan (“BVHP Plan”) by Ordinance No. 113-06, on August 3, 2010 by Ordinance No. 210-10, and June 22, 2017 by Ordinance No. 123-17; and,

WHEREAS, On June 3, 2010, the Former Agency took several actions approving (or recommending approval of) a program of development for approximately 700 acres of land within the BVHP Plan and HPS Plan areas (“CP/HPS2 Project”); and,

WHEREAS, Pursuant to California Health and Safety Code §§ 34170 et seq. (the “Dissolution Law”), the Former Agency was dissolved as of February 1, 2012; and,

WHEREAS, The Successor Agency to the Redevelopment Agency of the City and County of San Francisco (commonly known as the Office of Community Investment and Infrastructure, herein “Successor Agency” or “OCI”) is completing the enforceable obligations of the Former Agency with regard to the HPS Plan and BVHP Plan areas, including implementation of the CP/HPS2 Project, under the authority of the CRL as amended by the Dissolution Law, and under San Francisco Ordinance No. 215-12 (Oct. 4, 2012) (establishing the Successor Agency
Commission ("Commission") and delegating to it state authority under the Dissolution Law); and,

WHEREAS, The Successor Agency proposes to adopt amendments to the HPS Plan and the BHVP Plan ("Plan Amendments") to facilitate modifications to the CP/HPS2 Project, which modifications are proposed to be approved by the Commission together with its adoption of the Plan Amendments; and,

WHEREAS, The HPS Plan establishes the land use controls for the HPS Project Area, which consists of two sub-areas, HPS Phase 1 and HPS Phase 2. Proposed amendments to the HPS Plan primarily concern Phase 2 of the HPS Project Area, and consist of the following general changes: (a) a new land use pattern reflecting the historic street grid and building typologies within HPS Phase 2; (b) adjusting the mix of land uses within HPS Phase 2, resulting in a reduction of the amount of research and development and office space allowed, and providing for new uses, including hotel and institutional uses, and an increase in retail space, comprising an overall amount of 5,501,000 square feet of nonresidential development within HPS Phase 2, and resulting in a slight reduction of residential uses with HPS Phase 2 (but not an overall reduction within the CP/HPS2 Project); (c) allowing, at the Commission’s discretion, adjustment to contemplated land uses within HPS Phase 2, subject to materially maintaining the overall 5,501,000-square-foot level of development within HPS Phase 2; (d) allowing for private eco-district infrastructure to serve the CP/HPS2 Project; and,

WHEREAS, The BVHP Plan establishes the land use controls for the BVHP Project Area, which is divided into two sub-areas (Project Area A and Project Area B), and Project Area B is further divided into Zone 1 (also known as Candlestick Point) and Zone 2 (the remainder of Project Area B). Proposed amendments to the BVHP Plan consist of the following general changes: (a) slightly increasing the number of residential units within BVHP Zone 1; (b) allowing, at the Commission’s discretion, adjustment to contemplated land uses within BVHP Zone 1, subject to materially maintaining the overall 1,185,000-square-foot level of development within BVHP Zone 1; and (c) allowing, at the Commission’s discretion, the transfer of up to 118,500 square feet of research and development and office space from HPS Phase 2 to those portions of BVHP Zone 1 where that use is allowed; and (e) amending the boundaries of BVHP Zone 1 to relocate one parcel of land (the “Jamestown Parcel”) from Zone 1 to Zone 2, thereby including that parcel within the jurisdiction of the San Francisco Planning Department rather than OCII; and,

WHEREAS, The proposed amendments to the Redevelopment Plans remain consistent with the development envisioned by the Conceptual Framework (Board of Supervisors Resolution No. 264-07 (May 15, 2007); Agency Commission Resolution No. 40-2007 (May 1, 2007), Proposition G, the Jobs Parks and Housing Initiative (June 2008)), and Proposition O, the Hunters Point Shipyard/Candlestick Point Jobs Stimulus Proposition (November 2016); and,

WHEREAS, Sections 33450-33458 of the CRL sets forth the process for amending a redevelopment plan. This process includes a publicly noticed hearing of the redevelopment agency; environmental review to the extent required, and adoption
of the amendment by the redevelopment agency after the public hearing; preparation of the report to the legislative body, referral of the amendment to any applicable planning entity for a determination of General Plan conformity, if warranted; a publicly noticed hearing of the legislative body, and legislative body consideration after its hearing. Section 33352 of the CRL further requires the preparation of a report to the legislative body regarding the plan amendment in order to provide relevant background information in support of the need, purpose and impacts of the plan amendment; and,

WHEREAS, Pursuant to Section 33352 of the CRL, OCII staff has prepared a Report to the Board of Supervisors on the Amendments to the Hunters Point Shipyard Redevelopment Plan and a Report to the Board of Supervisors on the Amendments to the Bayview Hunters Point Redevelopment Plan; and,

WHEREAS, The Commission held a public hearing on April 17, 2018 on adoption of the Plan Amendments, notice of which was duly and regularly published in a newspaper of general circulation in the City once a week for three successive weeks beginning 21 days prior to the date of the hearing, and a copy of that notice and affidavit of publication are on file with the Commission Secretary; and,

WHEREAS, Copies of the notice of public hearing were mailed by first-class mail to the last known address of each assesse of land in the HPS Project Area and the BVHP Project Area as shown on the last equalized assessment role of the City; and,

WHEREAS, Copies of the notice of public hearing were mailed by first-class mail to all residential and business occupants in the HPS Project Area and the BVHP Project Area; and,

WHEREAS, Copies of the notice of public hearing were mailed, by certified mail, return receipt requested, to the governing body of each taxing agency which receives taxes from property in the HPS Project Area and the BVHP Project Area; and,

WHEREAS, The Commission has provided an opportunity for all persons to be heard and has considered all evidence and testimony presented for or against any and all aspects of the conforming Plan Amendments; and,

WHEREAS, The Plan Amendments were presented to the Mayor's Hunters Point Shipyard Citizens Advisory Committee Planning and Development subcommittee on March 29, 2018, and to its full Committee on April 2, 2018 and April 9, 2018, and received its recommendation for approval; and,

WHEREAS, OCII staff has reviewed the Plan Amendments, and find them acceptable and recommends approval thereof; and,

WHEREAS, OCII has provided for appropriate public hearings, and referred them to the City's Planning Commission for determination that the Plan Amendments are consistent with the General Plan and with the Eight Priority Policies of City Planning Code Section 101.1; and,
WHEREAS, On April 17, 2018, the Commission adopted Resolution No. XX-2018, by which the Commission determined that the Final EIR (therein defined), together with further analysis provided in Addendum No. 1, Addendum No. 4 and Addendum No. 5, remain adequate, accurate, and objective and in compliance with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.) ("CEQA") and the CEQA Guidelines (14 California Code of Regulations Sections 15000 et seq.); and,

WHEREAS, The environmental effects of the Redevelopment Plan Amendment have been analyzed in the environmental documents, which are described in Agency Resolution No. XX-2018. Copies of the environmental documents are on file with the Agency; now, therefore, be it:

RESOLVED, That the Commission hereby finds that the Plan Amendments are included in the actions identified in Resolution XX-2018 for purposes of compliance with CEQA; and be it further
