INFORMATIONAL MEMORANDUM

TO: Community Investment and Infrastructure Commissioners

FROM: Nadia Sesay, Executive Director

SUBJECT: Report on compliance by the Master Developer on Phase 1 of the Hunters Point Shipyard, with the Community Benefits Programs for October 2018 through December of 2019; Hunters Point Shipyard and Bayview Hunters Point Redevelopment Project Areas

EXECUTIVE SUMMARY

As required by the Hunters Point Shipyard Phase 1 Community Benefits Agreement ("CBA") and at the request of the Commission on Community Investment and Infrastructure ("Commission"), the Master Developer of the Hunters Point Shipyard Phase 1 Project, HPS Development Co., LP (an affiliate of Lennar) ("Master Developer"), has provided 2018 Quarter 4 and 2019 Quarters 1, 2, 3, and 4 Community Benefits Reports (Attachment hereto). The attached reports provide details of the Master Developer’s efforts to meet the various programs of the Community Benefits Agreement ("CBA") as stipulated in the Hunters Point Shipyard Phase 1 Disposition and Development Agreement ("DDA"). The Phase 1 DDA contains robust community benefit commitments to be fulfilled by the Master Developer.

The Office of Community Investment and Infrastructure ("OCII") staff has reviewed the report submitted by the Master Developer and provided comments in the HP OCII Community Benefits Compliance Analysis table (enclosure to Attachment 1), for all the community benefits for each phase.

As illustrated in the attached Community Benefits Compliance table, the Master Developer is in substantial compliance with its requirements under the CBA and has provided an array of benefits to the District 10 neighborhood. The Master Developer has made significant improvements in compliance with the Job Training program. The Master Developer has made major improvements in compliance with the Job Training program. Where the requirement has not been fully met, the letter to the Master Developer (Attachment 2) addresses next steps by the Developer moving forward.
Future Updates

Per the CBA, the Master Developer is required to provide written status reports on all Phase 1 community benefits programs to the Commission and make presentations to the Mayor's Hunters Point Shipyard Citizen's Advisory Committee. The Master Developer provided the Community Benefits Report update to the Hunters Point Shipyard Citizens Advisory Committee (CAC) for the period covering October 2018 through June 2019 on March 9, 2020. The Master Developer provided the Report covering July 2019 through December 2019 to the CAC on July 27, 2020. OCII staff will provide the Commission an update on Master Developer's compliance with the Phase 1 CBA, including staff's analysis of compliance, in November 2020, which will continue to illustrate the cumulative impact of the Phase 1 CBA. The Community Benefits Agreement (“CBA”) for the Candlestick Point/Hunters Point Shipyard Phase 2 (“CP/HPS2”) Project also contains a full community benefits program; however, based on the level of development activity for this phase of the project, no obligations are due at this time. A CP/HPS2 CBA update will be presented to the Commission when full development activity resumes on the project, triggering the obligation.

Re: 2019 Quarter 3 and 2019 Quarter 4 Community Benefits Report for the Hunters Point Shipyard Phase 1 Disposition and Development Agreements

Dear Michael,

The Office of Community Investment and Infrastructure ("OCI") is in receipt of the 2018 Quarter 4 ("2018 Q4") and 2019 Quarter 1 ("Q1"), Quarter 2 ("Q2"), Quarter 3 ("Q3"), and Quarter 4 ("Q4") Community Benefits Status Reports from HPS Development Co., LP ("Developer").

As you are aware, OCI oversees the implementation of development at Phase 1 of the Hunters Point Shipyard (the "Project"). OCI's oversight includes reviewing the Developer's performance of the community benefits contained in the Hunters Point Shipyard Phase 1 Community Benefits Agreement ("Phase 1 CBA").

The Project's community benefits are intended to ensure that the Bayview Hunters Point ("BVHP") community has the opportunity to participate in, and benefit from, the Project.

Summary of OCI Review

OCI staff assessed the reports to identify areas of compliance or partial compliance. The Developer remains in substantial compliance with its obligations under the Phase 1 CBA. However, there is an area that requires Developer action to be in full compliance.

OCI staff has identified one area, Job Training, which the Developer should focus on implementing improvements:
Developer Actions Required for Full Compliance

1) Job Training and Employee Assistance Program

Requirement
Under the Phase 1 CBA, the Developer must contribute $225,000 per year (beginning 2005) to fund community-based organizations (“CBOs”) that provide job training services.

Through the end of 2019, the Phase 1 Master Developer has provided a total of approximately $3,144,858 to over a dozen community based organizations. The Job Training Program has been successful in preparing local workers for the job opportunities available at the Project and outside of the project area, which has achieved significant local workforce participation.

Status
2015: OCI found that the Developer was not in compliance with this requirement and identified a $410,000 shortfall. In 2015, the Phase 1 Developer contributed $241,000 for job training and committed to accelerating payments through 2018 to address the shortfall.

2016: The Phase 1 Developer contributed approximately $205,000 of the $225,000 annual obligation. No funds were expended to address the prior years’ shortfall, bringing the total shortfall, including previous years, to approximately $414,000. In 2016, the Developer submitted a plan to OCI to accelerate $414,000 in contributions over the next 2 years.

2017: Developer contributed approximately $267,000 in 2017, reducing the shortfall to approximately $372,000.

To address the prior years’ shortfall, the Developer contributed $380,000 for a 12-week Trade Union Pre-Apprentice Math Academy and an additional $35,000 grant to the Garden Project.

2018: The Phase 1 Developer contributed approximately $445,000 on job training and barrier removal to address the shortfall. Since project inception, Developer has contributed approximately $2,831,622 of the $2,925,000 obligated for the job training program. Developer has entered into contracts for job training with Young Community Developers and Larkin Street Youth Services to address the remaining $93,378 shortfall.

2019: The Phase 1 Developer contributed approximately $313,236 on job training and barrier removal, reducing the shortfall to $5,142.

Job Training and Employee Assistance Program: Young Community Developers (YCD)

YCD is uniquely qualified to execute this program as it is currently the primary job training organization in D10 and has currently providing educational services for GED/HS Diploma completion, and Career training & Certification completion classes. In addition, YCD also has a summer academic program for D10 youth. Not only does YCD receive resources for training from the City and County of SF, but also philanthropy and several other developers because of our training quality and reputation (Forest City, Bridge, Lennar, Union Bank, Wells Fargo, soon the Giants, Build Inc.). YCD is the sole training entity for the SFPUC SSIP Program careers (along with Labor).

While the math academy will be focused on adults, we see this experience as demonstrating that YCD is familiar with providing the structure necessary to assist the participants in completing the 12 week cycle.
