The Redevelopment Plan establishes land use controls for the Mission Bay South Project Area; and,

WHEREAS, The former Redevelopment Agency for the City and County of San Francisco (“Former Agency”) entered into that certain Mission Bay South Owner Participation Agreement (“Original OPA”), dated as of November 16, 1998 and recorded December 3, 1998, and recorded as Document No. 98-G477258-00 in the Official Records of the City and County of San Francisco (“Official Records”), and which was subsequently amended by (i) a First Amendment to the Mission Bay South Owner Participation Agreement, dated as of February 7, 2004 and recorded March 3, 2004, as Document No. 2004H66995 in the Official Records (“First Amendment”), (ii) the Second Amendment to the Mission Bay South Owner Participation Agreement, dated as of November 1, 2004, and recorded November 30, 2005, as Document No. 2005I080843 in the Official Records (“Second Amendment”), (iii) the Third Amendment to the Mission Bay South Owner Participation Agreement, dated as of May 21, 2013 and recorded December 9, 2013, as Document No. 2013J802261 in the Official Records (“Third Amendment”), (iv) the Fourth Amendment to the Mission Bay South Owner Participation Agreement dated as of June 9, 2013, and recorded December 9, 2013, as Document No. 2013J802262 in the Official Records (“Fourth Amendment”), and (v) the Fifth Amendment to the Mission Bay South Owner Participation Agreement dated as of April 29, 2014, and recorded August 15, 2014, as Document No. 2014J927657 (“Fifth Amendment”). The Original OPA, as amendment by the First Amendment, the Second Amendment, the Third Amendment, the Fourth Amendment and the Fifth Amendment is hereafter referred to as the “Mission Bay South OPA.” The Mission Bay South OPA establishes terms pursuant to which the private developer will develop improvements within the Mission Bay South Project Area; and,
WHEREAS, The Redevelopment Plan includes an approximately 0.3 acre portion of Seawall Lot 337 that is subject to the public trust and owned and administered by the Port of San Francisco (“Port”), identified as “P20” in the Redevelopment Plan. P20 is underutilized and is not furthering the objectives and policies of the Redevelopment Plan. The Redevelopment Plan and the Mission Bay South OPA designate P20 as an “open space” area; and,

WHEREAS, On February 1, 2012, state law dissolved the former San Francisco Redevelopment (“Former Agency”), Cal. Health and Safety Code § 34170 et seq. (“Redevelopment Dissolution Law”); and,

WHEREAS, Pursuant to the Redevelopment Dissolution Law, all of the Former Agency’s assets (other than housing assets) and obligations were transferred to the Successor Agency to the Redevelopment Agency of the City and County of San Francisco, commonly known as the Office of Community Investment and Infrastructure (“Successor Agency” or “OCII”); and,

WHEREAS, On October 2, 2012, the Board of Supervisors of the City and County of San Francisco, acting as the legislative body of the Successor Agency (“Board of Supervisors”), adopted Ordinance No. 215-12, which was signed by the Mayor on October 4, 2012, and which, among other matters, delegated to the Successor Agency Commission, commonly known as the Commission on Community Investment and Infrastructure (“Commission”), the authority to (i) act in the place of the Redevelopment Commission to, among other matters, implement, modify, enforce and complete the Former Agency’s enforceable obligations; (ii) approve all contracts and actions related to the assets transferred to or retained by OCII, consistent with the applicable enforceable obligations; and (iii) take any action that the Redevelopment Dissolution Law requires or authorizes on behalf of the Successor Agency and other action that the Commission deems appropriate, consistent with the Redevelopment Dissolution Law, to comply with such obligations; and,

WHEREAS, The Board of Supervisors’ delegation to the Commission includes authority to approve and amend all contracts and actions relating to assets transferred to the Successor Agency, including the Mission Bay South OPA, subject to compliance with the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.) (“CRL”), as amended by the Redevelopment Dissolution Law, which requires the Oversight Board of the City and County of San Francisco to approve amendments to enforce obligations; and,

WHEREAS, On January 24, 2014, the California Department of Finance finally and conclusively determined that the Mission Bay South OPA is an enforceable obligation under Redevelopment Dissolution Law. Letter, J. Howard to T. Bohee, Re: “Request for Final and Conclusive Determination” (Jan. 24, 2014); and,
WHEREAS, The State Legislature has declared, pursuant to Assembly Bill 2797, Stats. 2016 ch. 529 (“AB 2797”), that redevelopment of Seawall Lot 337 is of “particular importance to the state,” and on that basis, has authorized expedited procedures to facilitate the development of Seawall Lot 337. Stats. 2016, ch. 529 § 4 (“...[N]o action of the Department of Finance or the Controller shall be required for, any action taken by the oversight board, the successor agency commission, board of supervisors, or any other government body required to act to amend the Mission Bay South Redevelopment Plan to remove Parcel P20 from the Mission Bay South redevelopment project Area, or to amend any related documents or agreements to delete regulatory requirements, zoning controls, and the Mission Bay developer’s obligations with respect to P20”); and,

WHEREAS, The Port engaged with a private developer to develop Seawall Lot 337, Pier 48 and adjacent streets, all as described in the Final Environmental Impact Report (“FEIR”) for the Seawall Lot 337 and Pier 48 Mixed-Use Project (“Project”). The Project calls for the redevelopment of the aforementioned areas as a mixed-use residential and commercial project that will be integrated with the adjacent neighborhood as well as provide parks, open space and enhanced San Francisco Bay connectivity; and,

WHEREAS, Seawall Lot 337 is underutilized and frequently vacant, thereby contributing to blight within the adjacent Mission Bay South Project Area, and the removal of P20 from the Redevelopment Plan effectuates the reconfiguration of Seawall lot 337 and the redevelopment of that site consistent with the Project; and,

WHEREAS, Removal of P20 from the Mission Bay South OPA is consistent with AB 2797 and San Francisco Proposition D (Nov. 2015), will advance the Port’s land use planning efforts for Seawall Lot 337, and will have no adverse impacts on the completion of the Successor Agency’s Mission Bay South OPA; and,

WHEREAS, The Commission held a duly-noticed public hearing on October 17, 2017, on both approval of the Sixth Amendment to the Mission Bay South OPA (“OPA Amendment”) as well as approval of amendments to the Redevelopment Plan for the Mission Bay South Redevelopment Project (“Plan Amendments”); and,

WHEREAS, The environmental findings and statement of overriding considerations adopted in accordance with CEQA by the Planning Commission pursuant to Motion No. 20017 were and remain adequate, accurate and objective and are incorporated herein by reference as applicable; and,

WHEREAS, The Commission on October 17, 2017 found and determined that the OPA Amendment is within the scope of the Project analyzed by the FEIR, and require no additional environmental review pursuant to CEQA Guidelines Sections 15162, 15163, as: (a) the OPA Amendment does not result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects; (b) no substantial changes have occurred with
respect to the circumstances under which the Project analyzed in the FEIR will be undertaken that would require major revisions to the FEIR due to new significant environmental effects, or a substantial increase in the severity of effects identified in the FEIR; and (c) no new information of substantial importance to the Project analyzed in the FEIR has become available that would indicate that (i) the OPA Amendment will have significant effects not discussed in the FEIR; (ii) significant environmental effects will be substantially more severe; (iii) mitigation measures or alternatives found not feasible that would reduce one or more significant effects have become feasible; or (iv) mitigation measures or alternatives that are considerably different from those in the FEIR will substantially reduce one or more significant effects on the environment; and,

WHEREAS, The Commission, on October 17, 2017, approved the OPA Amendment substantially in the form attached hereto as Exhibit A, recommended forwarding the OPA Amendment to the Oversight Board for its approval, and authorized the Executive Director to execute an OPA Amendment substantially in the form of Exhibit A attached to this Resolution herewith; and,

WHEREAS, On January 23, 2018, the Board of Supervisors held a duly-noticed public hearing on the Plan Amendment and subsequently adopted Ordinance No. 0032-18 approving the Plan Amendment; and,

WHEREAS, The Redevelopment Dissolution Law authorizes the Oversight Board to amend an enforceable obligation of a successor agency if it determines that the amendment “would be in the best interests of the taxing entities,” Cal. Health and Safety Code § 34181 (e); and,

WHEREAS, The proposed OPA Amendment, in conjunction with the Plan Amendments, removes P20 from the area included in the Mission Bay South OPA, allows the Port to redevelop P20 as part of the Project without requiring the Successor Agency to commit any property tax revenues (formerly tax increment) for that redevelopment, and has no adverse fiscal impact on the completion of the remaining development required under the OPA because P20 had been designated as open space, which would not have generated any property tax revenues; now, therefore, be it

RESOLVED, The Oversight Board finds and determines that the OPA Amendment is within the scope of the project analyzed by the FEIR, and require no additional environmental review pursuant to CEQA Guidelines Sections 15162, 15163, as: (a) the OPA Amendment does not result in new significant environmental effects or a substantial increase in the severity of previously identified significant effects; (b) no substantial changes have occurred with respect to the circumstances under which the Project analyzed in the FEIR will be undertaken that would require major revisions to the FEIR due to new significant environmental effects, or a substantial increase in the severity of effects identified in the FEIR; and (c) no
new information of substantial importance to the Project analyzed in the FEIR has become available that would indicate that (i) the OPA Amendment will have significant effects not discussed in the FEIR; (ii) significant environmental effects will be substantially more severe; (iii) mitigation measures or alternatives found not feasible that would reduce one or more significant effects have become feasible; or (iv) mitigation measures or alternatives that are considerably different from those in the FEIR will substantially reduce one or more significant effects on the environment; and, be it further

RESOLVED, The Oversight Board finds and determines that the OPA Amendment would be in the best interest of the taxing entities by allowing the redevelopment of P20 without the need for the commitment of property tax revenues (formerly tax increment); and, be it further

RESOLVED, The Oversight Board approves the OPA Amendment substantially in the form attached hereto as Exhibit A, and authorizes the Executive Director to execute a Sixth Amendment to the Mission Bay South OPA substantially in the form of Exhibit A.

I hereby certify that the Oversight Board at its meeting of May 24, 2018 adopted the foregoing resolution.

SIXTH AMENDMENT TO
MISSION BAY SOUTH OWNER PARTICIPATION AGREEMENT

Dated as of ________________

By and Between

THE SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO

and

FOCIL-MB, LLC
SIXTH AMENDMENT TO MISSION BAY SOUTH OWNER PARTICIPATION AGREEMENT

THIS SIXTH AMENDMENT TO THE MISSION BAY SOUTH OWNER PARTICIPATION AGREEMENT (this “Amendment”) dated for reference as of ____________, is by and between the Successor Agency to the Redevelopment Agency of the City and County of San Francisco, a public body, established and existing under the laws of the State of California, commonly known as the Office of Community Investment and Infrastructure (the “Successor Agency” or “OCII”) and FOCIL-MB, LLC, a Delaware limited liability company (the “Owner” or “FOCIL”). As used in this Amendment, “City” means the City and County of San Francisco, a charter city and county. All initially capitalized terms in this Amendment shall have the meanings set forth in the Mission Bay South OPA (as defined below), unless otherwise specifically provided in this easement.

THIS AMENDMENT is made with reference to the following facts and circumstances:

A. The Board of Supervisors of the City and County of San Francisco (“Board of Supervisors”) adopted the Mission Bay South Redevelopment Plan on November 2, 1998 by Ordinance No. 335-98 (“Redevelopment Plan”) and amended the Redevelopment Plan on July 9, 2013 by Ordinance No. 143-13. The Redevelopment Plan establishes land use controls for the Mission Bay South Project Area (“South Plan Area”).

B. The former Redevelopment Agency for the City and County of San Francisco (“Former Agency”) entered into that certain Mission Bay South Owner Participation Agreement (“Original OPA”), dated as of November 16, 1998 and recorded December 3, 1998, and recorded as Document No. 98-G477258-00 in the Official Records of the City and County of San Francisco (“Official Records”), and which was subsequently amended by (i) a First Amendment to the Mission Bay South Owner Participation Agreement, dated as of February 7, 2004 and recorded March 3, 2004, as Document No. 2004H66995 in the Official Records (“First Amendment”), (ii) the Second Amendment to the Mission Bay South Owner Participation Agreement, dated as of November 1, 2004, and recorded November 30, 2005, as Document No. 2005I080843 in the Official Records (“Second Amendment”), (iii) the Third Amendment to the Mission Bay South Owner Participation Agreement, dated as of May 21, 2013 and recorded December 9, 2013, as Document No. 2013J802261 in the Official Records (“Third Amendment”), (iv) the Fourth Amendment to the Mission Bay South Owner Participation Agreement dated as of June 4, 2013, and recorded December 9, 2013, as Document No. 2013J802262 in the Official Records (“Fourth Amendment”), and (v) the Fifth Amendment to the Mission Bay South Owner Participation Agreement dated as of April 29, 2014, and recorded August 15, 2014, as Document No.
Exhibit A

2014J927657 (“Fifth Amendment”). The Original OPA, as amendment by the First Amendment, the Second Amendment, the Third Amendment, the Fourth Amendment and the Fifth Amendment is hereafter referred to as the “Mission Bay South OPA.” The Mission Bay South OPA establishes terms pursuant to which the private developer will develop improvements within the South Plan Area.

C. The Redevelopment Plan includes an approximately 0.3 acre portion of Seawall Lot 337 that is subject to the public trust and owned and administered by the Port of San Francisco (“Port”), identified as “P20” in the Redevelopment Plan, which is underutilized and is not furthering the objectives and policies of the Redevelopment Plan. The Redevelopment Plan and the Mission Bay South OPA identify P20 as an “open space” area.

D. On February 1, 2012, the Former Agency was dissolved pursuant to California State Assembly Bill No. 1X 26 (Chapter 5, Statutes of 2011-12, First Extraordinary Session) (“AB 26”), codified in relevant part in California’s Health and Safety Code Sections 34161 - 34168 and upheld by the California Supreme Court in California Redevelopment Assoc. v. Matosantos, No. S194861 (Dec. 29, 2011). On June 27, 2012, AB 26 was amended in part by California State Assembly Bill No. 1484 (Chapter 26, Statutes of 2011-12) (“AB 1484”), which among other things, provide that a successor agency is a separate public entity from the public agency that provides for its governance. (AB 26 and AB 1484, as amended from time to time, are primarily codified in Cal Health & Safety Code §§ 34170 et seq., and referred to as the “Redevelopment Dissolution Law.”)

E. Pursuant to the Redevelopment Dissolution Law, all of the Former Agency’s assets (other than housing assets) and obligations were transferred to the Successor Agency. Some of the Former Agency’s housing assets were transferred to the City, acting by and through the Mayor’s Office of Housing and Community Development.

F. Subsequent to the adoption of AB 1484, on October 2, 2012, the Board of Supervisors, acting as the legislative body of the Successor Agency, adopted Ordinance No. 215-12, which was signed by the Mayor on October 4, 2012, and which, among other matters, delegated to the Successor Agency Commission, commonly known as the Commission on Community Investment and Infrastructure (“Commission”), the authority to (i) act in the place of the Redevelopment Agency Commission to, among other matters, implement, modify, enforce and complete the Former Agency’s enforceable obligations; (ii) approve all contracts and actions related to the assets transferred to or retained by OCII, consistent with the applicable enforceable obligations; and (iii) take any action that the Redevelopment Dissolution Law requires or authorizes on behalf of the Successor Agency and other action that the Commission deems appropriate, consistent with the Redevelopment Dissolution Law, to comply with such obligations.

G. The Board of Supervisors’ delegation to the Commission includes authority to approve and amend all contracts and actions relating to assets transferred to the
Successor Agency, including the Mission Bay South OPA, as allowed under the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.) (“CRL”).

H. The State Legislature has declared, pursuant to Assembly Bill 2797, Stats. 2016, ch. 529 (“AB 2797”), that redevelopment of Seawall Lot 337 is of “particular importance to the state,” and on that basis, has authorized expedited procedures to facilitate the reconfiguration of Seawall Lot 337. Stats. 2016, ch. 529, § 4 (“[N]o action of the Department of Finance or the Controller shall be required for, any action taken by the oversight board, the successor agency commission, the board of supervisors, or any other governmental body required to act to amend the Mission Bay South redevelopment plan to remove Parcel P20 from the Mission Bay South redevelopment project area, or to amend any related documents or agreements to delete regulatory requirements, zoning controls, and the Mission Bay developer’s obligations with respect to Parcel P20.”). Consistent with the foregoing, and as the result of an extended public process, the Port engaged with a private developer to redevelop Seawall Lot 337, Pier 48 and adjacent streets, all as described in the Final Environmental Impact Report (“FEIR”) for the Seawall Lot 337 and Pier 48 Mixed-Use Project (“Project”). The Project calls for the redevelopment of the aforementioned areas as a mixed-use residential and commercial project that will be integrated with the adjacent neighborhood as well as provide parks, open space and enhanced San Francisco Bay connectivity.

I. Seawall Lot 337 is underutilized and frequently vacant, thereby contributing to blight within the adjacent South Plan Area, and the removal of P20 from the Redevelopment Plan effectuates the reconfiguration of Seawall lot 337 and the redevelopment of that site consistent with the Project.

J. To implement the Project, the Owner and Successor Agency proposed an amendment to the Redevelopment Plan. In accordance with those provisions of the Community Redevelopment Law, as amended by Redevelopment Dissolution Law, that authorize an amendment to a redevelopment plan, Cal. Health & Safety Code §§ 33450 et seq., the Board of Supervisors has approved an amendment to the Redevelopment Plan by Ordinance No. ____-17 (_____, 2017) to remove P20 from the Mission Bay South Plan Area.

K. Removal of P20 from the Mission Bay South OPA would implement the amended Redevelopment Plan, AB 2797 and San Francisco Proposition D (Nov. 2015), advance the Port’s land use planning efforts for Seawall Lot 337, and comply with the Redevelopment Dissolution Law by promoting development in an area formerly subject to the Redevelopment Plan without the need to use property tax revenues (formerly tax increment).

L. Under Redevelopment Dissolution Law, the Oversight Board has the authority to “approve any amendments to [any contracts between the dissolved redevelopment agency and any private parties] if [the Oversight Board] finds that amendments . . . would be in the best interests of the taxing entities.” Cal. Health & Safety Code
§ 34181 (e). For the reasons stated above, this Sixth Amendment meets this standard for amendment of an enforceable obligation.

M. The Owner and the Successor Agency wish to enter into this Sixth Amendment to implement the amended Redevelopment Plan and the Project.

ACCORDINGLY, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the Successor Agency and FOCIL agree as follows:

1. **Amendments to the Mission Bay South OPA.**

   1.1. **Cooperation in Implementing OPA Amendments.** A new section 5.5 is added to the Mission Bay South OPA as follows:

   P20 Amendments. The parties intend that the removal of P20 from the OPA and all related plans and agreements does not result in any adverse impact on the ability of any development within the South Plan Area to meet any applicable land use development standard (including but not limited to parks and open space calculations) or have any adverse impact on any tax increment financing. In the event, at a later time, it is determined that the removal of P20 does result in such unintended impact, the parties will meet and confer and take the necessary steps to reduce or eliminate such unintended impact; provided, however, that nothing herein shall obligate the Successor Agency to assume any financial obligation directly or indirectly to reduce or eliminate the impact.

   1.2. **Mission Bay South Land Use Plan and Legal Description.** Attachment A to the Mission Bay South OPA (Mission Bay South Land Use Plan and Legal Description) is hereby deleted and replaced with Exhibit A hereto.

   1.3. **Mission Bay South Infrastructure Plan.** Section I. B. g of Attachment D to the Mission Bay South OPA (Mission Bay South Infrastructure Plan) is amended as follows:

   Landscape improvements will be provided in P10, P20 and P27.

   1.4. **Mission Bay South Infrastructure Plan.** Section II. B. 3. A. iv (C) of Attachment D to the Mission Bay South OPA (Mission Bay South Infrastructure Plan) is amended as follows:

Subject to approvals required by law, the Successor Agency’s Executive Director is authorized to execute on behalf of the Successor Agency any contracts, agreements, memoranda or similar documents with State, regional or local entities or other Persons that are necessary or proper to achieve the purposes and objectives of this Amendment and do not materially increase the liability or obligations of the Successor Agency under this Amendment, if the Executive Director, in consultation with the Successor Agency’s General Counsel, determines that the document is necessary or proper for the purposes and objectives of this Amendment and in the Successor Agency’s best interests. The Executive Director’s
signature of any such document shall conclusively evidence such a determination by him or her.
