MEMORANDUM

TO: Oversight Board

FROM: Nadia Sesay, Executive Director

SUBJECT: Conditionally authorizing the Executive Director to enter into an Assignment and Assumption Agreement with the City and County of San Francisco to assign the San Francisco Housing Development Corporation Loan Agreement for the Development of 4800 Third Street to the City, acting through the Mayor’s Office of Housing and Community Development, consistent with the Loan Agreement and with Redevelopment Dissolution Law

EXECUTIVE SUMMARY

The Redevelopment Agency of the City and County of San Francisco (the “Former Agency”) and the San Francisco Housing Development Corporation, a non-profit public benefits corporation (“SFHDC”) executed a $250,000 loan agreement, the San Francisco Redevelopment Agency Citywide Tax Increment Loan Agreement by and between the Redevelopment Agency of the City and County of San Francisco and San Francisco Housing Development Corporation for the Development of 4800 Third Street, San Francisco, California, dated as of March 15, 2011 (“SFHDC Loan” or “SFHDC Loan Agreement”). The SFHDC Loan was for tenant and façade improvements at the commercial space at 4800 Third Street. Pursuant to Redevelopment Dissolution Law, the Office of Community Investment and Infrastructure (“OCII”), as the Successor Agency to the Former Agency, holds the SFHDC Loan and seeks to transfer it to the City and County of San Francisco (“City”), acting through the Mayor’s Office of Housing and Community Development (“MOHCD”), to expedite the wind-down of the Former Agency.

The Former Agency approved the SFHDC Loan on March 15, 2011 (Former Agency Reso. 27-2011). The purpose of the SFHDC Loan was to provide for tenant and façade improvements for Radio Africa & Kitchen, a full-service restaurant on the ground floor commercial space at 4800 Third Street, a newly constructed development located at the corner of Third Street and Oakdale Avenue in the Bayview (“4800 Third Street”). The SFHDC Loan is structured as an amortized loan with monthly payments and accrued interest due over the term. It reaches maturity on February 15, 2029. The SFHDC Loan is secured by a commercial promissory note executed on March 15, 2011 (Commercial Note”). SFHDC is current on its payments and has an outstanding balance of $151,389.
Under dissolution, OCII has limited authority and resources to administer the Former Agency’s loans. In order to help carry out the community and economic development purposes for which the SFHDC Loan was originally made, to better serve SFHDC's potential needs as they relate to reasonable requests for debt restructuring, and to effectuate the wind-down of the Former Agency, OCII is recommending that the SFHDC Loan Agreement be assigned to the City, acting through MOHCD, pursuant to an assignment and assumption agreement (“Assignment and Assumption Agreement”), in substantially the form attached (see Attachment A). MOHCD has the capacity and expertise to administer community development loans and has a relationship with SFHDC. In addition, MOHCD’s Community Development division promotes strong communities through activities similar to the SFHDC Loan’s purposes, such as economic development and community building.

Staff recommends approving the Assignment and Assumption Agreement, subject to the approval of the State of California Department of Finance (“DOF”).

BACKGROUND

Bayview Hunters Point Revolving Loan Program

The SFHDC Loan was executed pursuant to the Former Agency’s Bayview Hunters Point Revolving Loan Program (“Revolving Loan Program”) to attract new businesses and revitalize existing businesses along Third Street. The Revolving Loan Program evolved out of the Third Street corridor revitalization work that the Former Agency was supporting through business development programs and the SF Shines Façade and Tenant Improvement Program. By offering loans between $75,000 and $250,000 for façade improvements, tenant improvements, and business assistance, the Revolving Loan Program’s purpose was to help alleviate economic blight and transform Third Street into a viable commercial core for the Bayview. The Revolving Loan Program functioned primarily as an incentive program for attracting new successful businesses to the Third Street Corridor. Revolving Loan Program requests were evaluated based on business experience, equity contribution, and local job creation. Use of Revolving Loan Program proceeds was restricted to improvements that a landlord or tenant made for a new business to begin operations along Third Street. Borrowers were required to provide private equity as evidence of ownership and willingness to share in the risk of the Former Agency’s investment. Additionally, all loans required some form of collateral. The Former Agency used tax increment revenue to fund the Revolving Loan Program.

SFHDC Loan Purpose

The SFHDC Loan was part of the Former Agency’s investment in the 4800 Third Street mixed-use project, which contains affordable housing and ground floor commercial space. The purpose of the SFHDC Loan was to provide for tenant and façade improvements for a full-service restaurant on the ground floor commercial space at 4800 Third Street, a newly constructed mixed-use development located at the corner of Third Street and Oakdale Avenue in the Bayview. Developed by a subsidiary of SFHDC, 4800 Third Street includes 18 units of affordable condominiums for first-time homebuyers and 2,280
square feet of ground floor commercial space. Through a series of resolutions, the Former Agency committed over $11 million to subsidize the development of 4800 Third Street’s affordable units and ground floor commercial shell.

**SFHDC Loan Approval and Execution**

SFHDC requested a $250,000 loan to facilitate tenant and façade improvements for the commercial space located within 4800 Third Street. The total cost of the commercial space improvements was approximately $670,000. The remaining cost funded by equity from SFHDC and the business owner, and by two City grants—a $137,755 stimulus grant from the Mayor’s Office of Housing and a Community Development Block Grant administered by MOH.

On March 2, 2011, the Former Agency’s Bayview Hunters Point Economic Development Loan Committee approved SFHDC’s loan request. The Former Agency's goal of economic development and revitalization along the Third Street corridor was an effort to set the foundation for increased interest and development potential in the area. The Loan Committee determined this goal would be met by investing in a strong business concept that created local jobs. The Former Agency executed the $250,000 SFHDC Loan on March 15, 2011.

**SFHDC Loan Use of Proceeds**

The SFHDC Loan proceeds were used for permits, soft cost contingency, construction management, hard construction and contingency, capital replacement reserve, furnishings/smallware and equipment.

**SFHDC Loan Terms**

The SFHDC Loan bears no interest in the first year, and accrues 1% simple interest over its payment term, which ends on February 15, 2029. The commencement date for the SFHDC Loan payments was the first anniversary of the date that the tenant of the commercial space commenced rental payments under the lease. The Borrower must repay the SFHDC Loan within 15 years following the commencement date. SFHDC is current on its payments and has an outstanding balance of $151,389.

**DISCUSSION**

**OCII Loan Administration**

Typical ongoing loan administration functions performed by OCII include loan servicing (e.g. receipt and tracking of payments, calculation of interest, compliance monitoring), processing requests for loan pay-off and reconveyance of OCII’s lien on a borrower’s property, handling requests for loan subordination in cases where borrowers are refinancing senior debt, and evaluating borrower’s requests for loan modifications in cases where loan restructuring may be warranted to both protect the investment of public funds and assist the borrower in achieving community and economic development objectives.
Redevelopment Dissolution Law and Loan Administration

The SFHDC Loan assignment requires the review and approval of the Oversight Board and the DOF: (1) to determine compliance with Redevelopment Dissolution Law's standard that modifications of existing agreements are in the best interest of the taxing entities (Cal. Health & Safety Code § 34181 (e)), and (2) to review the assignment to the City as an asset transfer.

OCII has limited resources to administer the SFHDC Loan Agreement and collect the amounts owed. Furthermore, a SFHDC request for forgiveness or restructuring of the loan must comply with the Redevelopment Dissolution Law standard that modifications of existing agreements are in the best interest of the taxing entities, Cal. Health & Safety Code § 34181 (e). Since dissolution, routine requests for debt subordination due to refinancing and legitimate requests for restructuring or other loan amendments are subject to Oversight Board and DOF approval under Redevelopment Dissolution Law requirements. These standards are for the benefit of the taxing entities, but the by-product is that they introduce underwriting standards and review periods that pose significant constraints on balancing community development purposes.

Given OCII's limited authority and resources, continuing to hold the SFHDC Loan is not consistent with the wind-down of the Former Agency's activities. To help carry out the community and economic development purposes for which the SFHDC Loan was originally made, to consolidate administration of this mixed-use asset with the City, to better serve SFHDC's potential needs as they might relate to reasonable requests for subordination or debt restructuring that are consistent with those purposes, and to effectuate the wind-down of the Former Agency, OCII is recommending that the SFHDC Loan Agreement be assigned to the City, as is, pursuant to the Assignment and Assumption Agreement in substantially the form attached (see Attachment A).

Assignment to MOCHD

One of MOHCD's functions is to administer community development programs. Its Community Development division promotes strong communities by providing services such as those provided in the SFHDC Loan including community building and economic development. MOHCD has the capacity and expertise to assume and administer the SFHDC Loan Agreement. MOHCD has experience with SFHDC through its investment in the 4800 Third Street affordable housing development and grants for the commercial space. MOHCD would also have the capacity to respond to SFHDC's requests in an expeditious manner.

Benefit to Taxing Entities

The City, as the local taxing entity receiving the largest share of property tax revenues that have become available under Redevelopment Dissolution Law, would benefit from its assumption of the SFHDC Loan to the extent that there are payments due.
As Is Assignment

The SFHDC Loan is recommended for assignment to the City. Under the Assignment and Assumption Agreement, MOHCD would assume the SFHDC Loan Agreement and administer it under the Loan Agreement’s existing terms and conditions. MOHCD would have sole discretion, without further OCII, Oversight Board or DOF review, to take any actions under the SFHDC Loan Agreement that it deems appropriate.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (“CEQA”)

Authorizing this Assignment and Assumption Agreement, which will assign the SFHDC Loan Agreement to the City, is an administrative activity of government that will not result in direct or indirect physical changes in the environment, and does therefore not require environmental review subject to CEQA, pursuant to CEQA Guidelines Section 15060(c)(3) and 15378(b)(5).

NEXT STEPS AND STAFF RECOMMENDATION

The assignment of the SFHDC Loan Agreement is consistent with the transfer of assets and enforceable obligations under the Redevelopment Dissolution Law.

The Oversight Board’s approval of the Assignment and Assumption Agreement is conditioned upon final approval by DOF. Upon Oversight Board approval of the recommended action, staff will submit the resolution and supporting documents to DOF for its review.

Staff recommends approving the Assignment and Assumption Agreement, subject to the approval of DOF.

FORM OF ASSIGNMENT AND ASSUMPTION OF THE SUCCESSOR AGENCY LOAN AGREEMENT WITH THE SAN FRANCISCO HOUSING DEVELOPMENT CORPORATION

This Assignment and Assumption of the Successor Agency’s Loan Agreement with the San Francisco Housing Development Corporation ("SFHDC"), a California nonprofit, public benefit corporation (the “SFHDC Loan” or the “SFHDC Loan Agreement”), is dated as of this ___ day of ____________, 2020 (the “Assignment and Assumption Agreement”), by and between the Successor Agency to the Redevelopment Agency of City and County of San Francisco, a public body organized and existing under the laws of the State of California (the “Successor Agency”, “OCII” or “Assignor”), and the City and County of San Francisco (the “City” or “Assignee”), a municipal corporation, acting by and through the Mayor’s Office of Housing and Community Development ("MOHCD”).

WITNESSETH

A. On March 15, 2011, the Redevelopment Agency of the City and County of San Francisco, a public body, corporate and politic, exercising its functions and powers and organized and existing under the Community Redevelopment Law of the State of California (the “Former Agency”), approved the loan agreement between the Former Agency and the SFHDC (Former Agency Reso. 27-2011). The SFHDC Loan Agreement is included as Attachment A to this Assignment and Assumption Agreement and incorporated herein by reference.

B. On February 1, 2012, the State of California dissolved all redevelopment agencies, including the Former Agency, and established successor agencies to assume certain rights and obligations of the former redevelopment agencies, Cal. Health & Safety Code § 34170 et seq. (the “Redevelopment Dissolution Law”). All assets, including amounts owed to the former redevelopment agencies, were transferred, by operation of law, to successor agencies on February 1, 2012, Cal. Health & Safety Code § 34175 (b). Redevelopment Dissolution Law requires successor agencies to: (1) “expeditiously wind down the affairs of the redevelopment agency… in accordance with the direction of the oversight board,” Cal. Health & Safety Code § 34177 (h).
C. Under Redevelopment Dissolution Law, the Oversight Board of the City and County of San Francisco ("Oversight Board") may direct the Successor Agency to assign the SFHDC Loan, if it finds that the assignment would be in the best interest of the taxing entities.

D. The SFHDC Loan amount was $250,000, which SFHDC used to fund the construction of tenant improvements to build out a full-service restaurant in the ground floor commercial space at 4800 Third Street, a mixed-use BMR condominium development. The SFHDC Loan Agreement is still in effect and is secured by a commercial promissory note ("Commercial Note"). The SFHDC Loan Agreement provides for monthly amortized payments over a fifteen year term with an annual interest rate on the outstanding principal balance of 1%. Section 13 of the Commercial Note authorizes the Successor Agency to assign the SFHDC Loan; and,

E. Assignment of the SFHDC Loan Agreement from the Successor Agency to MOHCD is consistent with Redevelopment Dissolution because (1) the Successor Agency has limited resources to administer the Loan Agreement and collect the amounts owed; (2) MOHCD has the capacity and expertise to administer community and economic development loans; (3) the City, as the local taxing entity receiving the largest share of property tax revenues under property tax allocation laws, will benefit from the collection of the SFHDC Loan to the extent that it is able to enforce the SFHDC Loan Agreement; (4) MOHCD has existing contractual and other relationships with SFHDC, the Loan borrower and the 4800 Third Street affordable housing development; and (5) the Commercial Note, Section 13 authorizes assignment of the Loan.

F. To wind down the Former Agency’s activities by transferring loan management responsibilities for the SFHDC Loan Agreement, OCII seeks to assign the SFHDC Loan to MOHCD as is, without any stipulations.

G. Assignor and Assignee now wish to enter into the Assignment and Assumption Agreement to transfer all right, title, interest, obligations, duties, and responsibilities of the Assignor under the SFHDC Loan Agreement to Assignee.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

6. **Counterparts.** This Assignment and Assumption Agreement may be executed in any number of counterparts, all of which, together, shall constitute the original agreement; and

TAX INCREMENT LOAN AGREEMENT

4800 Third Street
San Francisco, California

THIS LOAN AGREEMENT (the “Agreement”) is entered into this 15th day of March, 2011 between the Redevelopment Agency of the City and County of San Francisco, a public body, corporate and politic (the “Agency”) and SAN FRANCISCO HOUSING DEVELOPMENT CORPORATION, a California nonprofit public benefit corporation (“SFHDC”) (“Borrower” or “Developer”).

A. In furtherance of the objectives of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq”), the Agency undertakes programs for the reconstruction and rehabilitation of blighted areas in the City and County of San Francisco (the “City”).

B. On May 16, 2006, by Ordinance No. 113-06, the Board of Supervisors of the City adopted the Bayview Hunters Point Redevelopment Project Area (the “Project Area”) in order to undertake a variety of projects and activities to alleviate blighting conditions. The Bayview Hunters Point Redevelopment Plan became effective on September 19, 2006. It is the mission of SFHDC, to provide safe, decent and affordable housing, and stimulate economic development in the Bayview Hunters Point (BVHP) community. On July 3, 2008, the Agency transferred the property at 4800 Third Street (the “Site”) to Green Blended Communities LLC, a California limited liability company (“Green Blended”), an affiliate of the Borrower, pursuant to a Disposition and Development Agreement dated June 27, 2008 (the “DDA”). Green Blended has developed 18 units of homeownership housing (the “Housing Site”) and 2,280 square feet of commercial space (the “Commercial Parcel”) at the Site as described in the DDA. The Commercial Parcel is a separate legal parcel. Borrower desires to designate the Commercial Parcel for a full service restaurant operation.

C. In 2008, per the Disposition and Development Agreement (“DDA”), the Commercial Parcel had an appraised value of approximately $400,000, and at that time the Developer anticipated leasing the Commercial Parcel to a retail tenant for approximately $3.00 per square foot. Per the Amended and Restated Tax Increment Loan Agreement (“Loan Agreement”), dated April 15, 2008, the Developer purchased the Commercial Parcel from the Agency for $400,000, which was paid by a combination of Developer’s contribution of $250,000 of the Developer’s developer fee plus Developer’s execution of a promissory note payable to the Agency in the amount of $150,000 (the “Original Note”).

D. In March 2011, to reflect the full purchase price of the Commercial Parcel, the Developer requested a Fourth Amendment to the Loan Agreement and a Fifth Amendment to the DDA. Due to a downturn in the commercial real estate market, the Commercial Parcel currently has an updated appraised value of approximately $235,000, and the Developer anticipates leasing the Commercial Parcel to a retail tenant for approximately $1.00 per square foot. Based on the current real estate market, the Agency has agreed to reduce the purchase price for the Commercial Parcel to $235,000. That amount was paid by the Developer’s...
contribution of $250,000 in the form of SFHDC’s developer fee. As a result, the Developer has fully paid the purchase price for the Commercial Parcel, and the Agency has agreed to forgive the Developer’s obligations under the Original Note and to cancel the Original Note.

E. Borrower desired to designate the Commercial Parcel for a full service restaurant operation which will not only enhance sales of the residential units above but also provide much desired healthy dining alternatives in addition to those restaurants currently located on the Third Street commercial corridor.

F. In the current economic climate, SFHDC recognizes that the best way to facilitate this goal is to build out the Commercial Parcel for a restaurant turn-key operation. This involves completing the interior tenant improvements and installing all major equipment required by a full service food operator. The selected business would complete the space by adding furniture, fixtures and small wares required by a full service operation.

G. Therefore, SFHDC has applied to the Bayview Hunters Point Revolving Loan Program (“BVHP Loan Program”) for a new loan in the amount of $250,000 to be used expressly for completion of interior surfaces, including walls, electrical and plumbing outlets and fixtures, bathroom build out and all major equipment necessary for on-site food preparation in the Commercial Parcel.

H. On March 2, 2011, based on the Loan Evaluation provided in Attachment A, the Loan Committee approved SFHDC’s loan request under the draft BVHP Loan Guidelines.

I. The Agency and the Borrower have entered into the following earlier agreements, executed by SFHDC and assigned to Green Blended for the development of the Site: (1) an Eighth Amendment to the Exclusive Negotiations Agreement as amended, dated November 31, 2001; (2) a Development Services Agreement, dated March 8, 2006 to provide access to the Original Site for the demolition of the existing improvements and the remediation of the Original Site; and (3) the Tax Increment Affordable Housing Loan Agreement (the “Agency Project Loan Agreement”) as amended, dated, November 30, 2001 to provide construction and permanent financing for the Project (collectively, the “Project Documents”).

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth in this Agreement, the parties agree as follows:

15.3 Force Majeure.

(a) For the purposes of any of the provisions of this Agreement, and notwithstanding any provision herein to the contrary, neither the Agency nor Borrower, as the case may be (the "Delayed Party" as applicable), will be considered in breach of or default in any obligation or satisfaction of a condition to an obligation of another Party, during an event of Force Majeure (defined below). In the event of the occurrence of any event of Force Majeure, the time or times for performance of the obligations of the Agency or Borrower will be extended for the period of the Force Majeure event; provided, however, that the Party seeking the benefit of the provisions of this Article must notify the other Party in writing within thirty (30) days after the beginning of any Force Majeure event, and state the cause or causes of delay and provide notification of an extension for the period of the Force Majeure event.

(b) "Force Majeure" means events that cause enforced delays in the Delayed Party's performance of its obligations under this Agreement due to causes beyond the Delayed Party's
control, including acts of God or of a public enemy, acts of terrorism, acts of the government 
(other than acts of the government relating to the delay or failure to issue building permits for 
cause), fires, floods, epidemics, quarantine restrictions, freight embargoes, inability to obtain 
supplies or materials or reasonably acceptable substitute supplies or materials (provided that 
developer has ordered the materials on a timely basis), unusually severe weather, archeological 
finds on the Commercial Parcel, substantial interruption of work because of labor disputes, 
administrative appeals, litigation and arbitration (provided that Borrower proceeds with due 
diligence to resolve any dispute that is the subject of action), and delays of subcontractors due to 
any of these causes.

ARTICLE 16

RECORDS AND DOCUMENTS

16.1 Generally. Borrower shall keep and maintain books, records, and other 
documents relating to the receipt and use of all Loan proceeds, including but not limited to all 
documents evidencing any Project Income and Project Expenses. Borrower shall maintain 
records of all income, expenditures, assets, liabilities, contracts, operations, buyer eligibility, and 
condition of the Project, which shall be maintained in accordance with generally accepted 
accounting principles, as applicable.

16.2 Response to Inquiries. At the request of the Agency, its agents, employees, or 
atorneys, the Borrower shall promptly and specifically respond to questions relating to the 
income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the 
status of any mortgage encumbering the Project, and any other information with respect to the 
Borrower or the Project.

16.3 Delivery of Records. At the request of the Agency, made through its agents, 
employees, officers, or attorneys, the Borrower shall provide the Agency with a photocopy of 
each of the following documents, certified in writing by the Borrower to be complete and 
accurate:

(a) Copies of all tax returns filed with the United States Internal Revenue 
Service, the California Franchise Tax Board, and/or the California State Board of Equalization 
on behalf of the Borrower and, as applicable, any officer, employee, general or limited partner of 
Borrower; and

(b) Copies of all certified financial statements of the Borrower and, if 
applicable, its managing member, the accuracy of which shall be certified by an auditor 
satisfactory to the Agency; and

(c) Copies of any other records related to the Borrower’s ownership structure 
and the use and occupancy of the Property.

16.4 Access to the Project and Other Project Books and Records. Borrower agrees 
that duly authorized representatives of the Agency shall, at all reasonable times, following
reasonable notice, have (a) access to the Project through the Term to monitor the progress of work on the Project and compliance by the Borrower with the terms of this Agreement, and (b) access to and the right to inspect, copy, audit, and examine all books, records, and other documents of the Borrower required to be kept under Section 16.1 above until three (3) years after expiration of the Term of this Agreement.

ARTICLE 17

REPRESENTATIONS AND WARRANTIES

17.1 Borrower Representations and Warranties. As a further inducement for the Agency to make the Loan, the Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the Loan Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower pursuant to any applicable law or regulation, and Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decrees or other instrument binding upon or affecting Borrower.

(b) When duly executed, the Loan Documents shall constitute the legal, valid and binding obligations of the Borrower. Borrower hereby waives any defense to the enforcement of the Loan Documents related to alleged invalidity of the Loan Documents.

(c) There is no action, suit or proceeding pending or threatened against Borrower which might adversely affect the Borrower or the Project in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including but not limited to any lease of real property which might adversely affect the Borrower or the Project in any material respect.

(e) Neither Borrower nor its general contractor has been suspended or debarred by any federal, state or local governmental or regulatory agency, nor has Borrower or its general contractor been suspended, disciplined or prohibited from contracting with any federal, state or local governmental agency.

(f) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

ARTICLE 18

ARTICLE 19  
HAZARDOUS SUBSTANCES  

19.1 Covenant. Unless the Agency otherwise consents in writing, the Borrower shall at all times during the Term, at its sole expense: (a) comply with all applicable Environmental Requirements relating to the Commercial Parcel and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Requirements or which is not customary and incidental to the intended use of the Commercial Parcel, provided that nothing contained in this Section shall prevent the Borrower from contesting, in good faith and by appropriate proceedings, any such Environmental Requirements or the interpretation or application of such Environmental Requirements; and (b) deliver to the Agency, promptly following the occurrence of any such event, notice of the discovery by the Borrower of any event the occurrence of which would render any representation contained in this Section incorrect in any respect if made at the time of such discovery.

ARTICLE 20  
INDEMNITY  

Borrower shall indemnify, defend and hold harmless the Agency, the City and their respective officers, agents and employees ("Indemnities") from and against any and all losses, liabilities, damages, costs, expenses and charges (including the reasonable fees, charges and disbursements of internal and external legal counsel) arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the Loan Documents (including, without limitation, those covenants set forth in Section 19.1 above); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other Loss occurring on or in connection with the Project,
whether caused by the negligence or any other act or omission of Borrower or any other person under control of the Borrower or by negligent, faulty, inadequate or defective design, building, construction or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to construction of any Improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the Loan Documents, the Loan, the Project or any transaction contemplated by, or the relationship between Borrower and the Agency or any action or inaction by the Agency under, the Loan Documents; (f) the occurrence, after commencement of Borrower’s acquisition of the Commercial Parcel and prior to the expiration of the Term, of any Environmental Activity or any failure of the Borrower or any other person to comply with all applicable Environmental Requirements relating to the Commercial Parcel; (g) any failure of the Project to comply with any law, statute, ordinance, rule, regulation or order of the local, state and federal authorities now or later in effect, including, but not limited to, the Americans with Disabilities Act; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Government Agency, whether meritorious or not, which directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (g) above. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, and upon written notice from such Indemnitee, Borrower shall at its sole expense answer and otherwise defend such action or proceeding using counsel approved in writing by the Indemnitee. The Indemnitees shall have the right, exercised in their sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement; provided, however that no Indemnitee shall be entitled to indemnification under this section for matters caused by such Indemnitee's gross negligence or willful misconduct. The provisions of this Section 24 shall survive the repayment of the Loan and/or termination of this Agreement with respect to any Loss occurring prior to or upon termination of this Agreement, but shall have no force or effect in connection with any Loss occurring following the expiration of the Term, unless such Loss is due to the Borrower’s negligence or willful misconduct.

ARTICLE 21

GENERAL PROVISIONS

21.1 Subordination. The Commercial Deed of Trust may be subordinated to other financing secured by and used for development of the Project, provided that all of the following conditions are satisfied:

(a) All of the proceeds of the proposed financing, less any transaction costs, must be used to provide acquisition, construction and/or permanent financing for the Project;

(b) The terms of the proposed financing and any subordination agreement must be reviewed and approved by the Agency;
(c) The proposed lender ("Lender") shall be a state or federally chartered financial institution, a nonprofit corporation or a public entity that is not affiliated, other than as a depositor or a lender, with the Borrower or any of the Borrower’s affiliates;

(d) The Borrower shall demonstrate, to the satisfaction of the Agency, that subordination of the Commercial Deed of Trust is necessary to secure adequate acquisition, construction and/or permanent financing to ensure the viability of the Project. To satisfy this requirement, the Borrower shall provide the following information to the Agency, in addition to any other information reasonably required by the Agency:

(i) A written request from the Lender stating the economic reasons for the proposed subordination;

(ii) Evidence demonstrating that the proposed amount of the Loan is necessary to provide adequate acquisition, construction and/or permanent financing to ensure the viability of the Project, and adequate financing for the Project would not be available without the proposed subordination;

(e) The subordination agreement(s) shall be structured to minimize the risk that, as a result of a foreclosure by the Lender or other holder of such financing, the Commercial Deed of Trust will be extinguished. To satisfy this requirement, the subordination agreement must provide the Agency with adequate rights to cure any defaults by the Borrower, including but not limited to (i) providing the Agency or its successor with copies of any notices of default in the same time and manner as provided to the Borrower, and (ii) providing the Agency with a cure period at least equal to that provided to the Borrower to cure such default;

(f) The subordination(s) described in this condition shall be effective only during the original term of the Loans and any extension of the term approved in writing by the Agency;

(g) The effect of the subordination shall be to extinguish the Commercial Deed of Trust subsequent to a transfer of the Project pursuant to a judicial foreclosure, private sale under a power or sale, or grant under a deed in lieu of foreclosure that arises out of a default under any of the Loans; and

(h) Any subordination shall not limit the effect of the Commercial Deed of Trust prior to a foreclosure.

(i) Following review and approval by Agency staff, the Agency’s Executive Director, or his/her successor or designee, shall be authorized to execute the approved subordination agreement without the necessity of any further action or approval.

21.2 **No Third Party Beneficiaries.** Nothing contained in this Agreement, nor any act of the Agency, shall be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the Agency and Borrower or Borrower's agents, employees or contractors. Borrower shall at all times be deemed an independent contractor and shall be wholly responsible
for the manner in which it or its agents, employees or contractors, or any of them, perform the
services required of it by the terms of this Agreement for the development of the Project.
Borrower has and hereby retains the right to exercise full control of employment, direction,
compensation and discharge of all persons assisting in the performance of services hereunder. In
regard to the development of the Project, Borrower acknowledges and agrees to be solely
responsible for all matters relating to payment of its agents, employees, and contractors,
including compliance with Social Security, withholding and all other laws and regulations
governing such matters, and shall include requirements in each contract that contractors shall be
solely responsible for similar matters relating to their employees. Borrower agrees to be solely
responsible for its own acts and those of its agents, employees and contractors.

21.3 No Claims by Third Parties. Nothing contained in this Agreement shall create
or justify any claim against the Agency by any person or entity with respect to the purchase of
materials, supplies or equipment, or the furnishing or the performance of any work or services
with respect to the Project. Borrower shall include this requirement as a provision in any
contracts entered into for the development of the Project.

21.4 Entire Agreement. This Agreement and the Exhibits to it and, to the extent
applicable, the DDA incorporate the terms of all agreements made by the Agency and Borrower
with regard to the Agency's loan to the Borrower of the Loan Amount. No alteration or variation
of the terms of this Agreement shall be valid unless made in writing and signed by the parties
hereto. No oral understandings or agreements not incorporated herein shall be binding on the
Agency or Borrower.

21.5 Agency Obligations. The Agency's sole obligation under this Agreement is
limited to the providing of funds as described in this Agreement, up to the Loan Amount. Except
as set forth in the DDA, under no circumstances, including breach of this Agreement, shall the
Agency be liable to the Borrower for any special or consequential damages arising out of actions
or failure to act by the Agency in connection with any of the Loan Documents.

21.6 Borrower Solely Responsible. Borrower shall be solely responsible for its work,
shall bear full responsibility for any losses or damages incurred by Borrower, any of its
contractors or subcontractors, the Agency, its officers, representatives, agents and employees on
account of any act, error or omission of the Borrower in the performance of this Agreement and
the development of the Project.

21.7 No Inconsistent Agreements. Borrower warrants that it has not, and will not
execute any other agreement(s) with provisions materially contradictory or in opposition to the
provisions hereof without the Agency's prior written consent.

21.8 Inconsistencies in Loan Documents. In the event of any conflict between the
terms of this Agreement and any other Loan Document, the terms of this Agreement shall
control. However, any provision in this Agreement in conflict with any federal, state or local
statute or regulation shall be interpreted subject to said statute or regulation.

21.9 Governing Law. This Agreement shall be governed by California law.
21.10 **Joint and Several Liability.** If more than one person executes this Agreement as Borrower, each shall be jointly and severally liable to the Agency for the faithful performance of this Agreement.

21.11 **Successors.** Except as otherwise limited herein, the provisions of this Agreement shall be binding upon and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns.

21.12 **Attorneys’ Fees.** If any lawsuit is commenced to enforce any of the terms of this Agreement, the prevailing party shall have the right to recover its reasonable attorneys' fees and costs of suit from the other party.

21.13 **Severability.** The invalidity or unenforceability of any one or more provisions of this Agreement shall in no way affect any other provision.

21.14 **Time.** Time is of the essence in this Agreement. The Borrower agrees to pursue the purpose of this Agreement in an effective and continuous manner and agrees to use best efforts to achieve the purpose of this Agreement pursuant to the provisions of the Agreement.

21.15 **Binding Covenants.** The provisions of the Loan Documents shall constitute covenants which shall run with the land and be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title, interest in whatever form, including but not limited to leasehold interests, in or to any part of the subject property, except that the same shall terminate and become void automatically at the expiration of the Term of this Agreement. Any attempt to transfer title or any interest therein in violation of these covenants shall be void.

21.16 **Consent.** Except as expressly provided otherwise; whenever consent or approval of either party is required, that party shall not unreasonably withhold or delay consideration of such consent or approval.
IN WITNESS WHEREOF, the parties hereto have executed this Agreement at San Francisco, California as of the date first written above.

Form of Commercial Note

US $250,000
March 15, 2011
San Francisco, California

FOR VALUE RECEIVED, the undersigned, San Francisco Housing Development Corporation, a California nonprofit public benefit corporation ("Borrower" or "Maker"), promises to pay to the Redevelopment Agency of the City and County of San Francisco ("Agency" or "Holder"), or order, the principal sum of Two Hundred Fifty Thousand Dollars ($250,000) (the “Commercial Loan”).

1. Secured by a Deed of Trust. The Commercial Loan is secured by a deed of trust of even date herewith (the “Commercial Deed of Trust”) on the real property in San Francisco, California described more particularly in Exhibit A to the Commercial Deed of Trust ("Commercial Parcel"); This Note is non-recourse to the Maker. The Holder shall have recourse only to the security in the event of a default under this Commercial Loan or the Commercial Deed of Trust.

2. Disbursement. The Agency shall disburse the Commercial Loan as provided in the Tax Increment Loan Agreement of even date herewith between the Agency and the Borrower (the “Loan Agreement”).

4. Reconveyance. Upon payment in full of all sums payable under this Commercial Note, the Commercial Deed of Trust shall be fully reconveyed.

5. Place and Manner of Payment. Payments shall be made in lawful money of the United States at the Holder’s address for notices set forth below or such other address as the Holder may require from time to time.

6. Interest. Interest shall accrue on the outstanding principal balance of this Commercial Note at a rate of One Percent (1%) annum, simple interest, which interest shall begin to accrue commencing on the first anniversary of the date that the tenant of the Commercial Parcel commences rental payments under the lease between Borrower and such tenant, until paid in full, except as provided in Section 7(c).

7. Repayment.

(a) The “Commencement Date” is the first anniversary of the date that the tenant of the Commercial Parcel commences rental payments under the lease between Borrower and such tenant.

(b) Borrower shall repay the Loan within (15) years following the Commencement Date (the “Term”), subject to extension under Subsection (c), or on the earlier of the date on which Borrower sells, assigns, conveys or otherwise transfers the Property Commercial Parcel in violation of this Agreement.

(1) Beginning in the first year on the first day of each month during the Term, Borrower shall pay the agency an amount necessary to fully amortize the Loan over the Term, subject to any applicable cure periods.
(2) Upon full repayment of the Loan, the Agency shall promptly reconvey the Commercial Deed of Trust.

(c) If at any time during the Term the Commercial Parcel is vacant for any reason for a period in excess of thirty (30) days, the Borrower may defer its obligation to make monthly payments hereunder during the period of such vacancy, commencing on the 31st day of such vacancy and continuing until the first day of the month in which Borrower receives monthly rental payment under a new lease (the "Vacancy Period."). In that case, the Term shall be extended for the Vacancy Period, and Borrower shall recommence monthly payments due hereunder beginning on the first day of the first full month following the Vacancy Period. No interest shall accrue on the Loan during the Vacancy Period.

(d) Amounts due under this Note may be prepaid at any time without penalty or other charge.

8. Events of Default and Remedies. The following shall be events of default hereunder (i) the failure of the Maker to make any payment within ten (10) days of the date when due; (ii) default by the Maker in the performance of any of the terms or conditions of this Commercial Note or the Commercial Deed of Trust which remains uncured for at least thirty (30) days from the date of written notice by Holder of such longer period as provided in the Loan Agreement; and (iii) the filing by the Maker of a petition in bankruptcy, or for appointment of a creditor's receiver or in insolvency, or for reorganization, or the making of an assignment for the benefit of creditors or to a trustee for creditors, or the occurrence of an adjudication in bankruptcy or the taking of possession of the Commercial Parcel or any portion thereof by a receiver for creditors or the seizure and sale of the Commercial Parcel or any portion thereof under judicial process or pursuant to any power of sale. Following the occurrence of an event of default, Holder shall have all remedies available at law or in equity, subject to the limitations in Section 1.

9. Borrower's Waiver. The Borrower hereby waives (a) notice of default or delinquency, (b) notice of acceleration, (c) notice of nonpayment, (d) notice of costs, expenses and losses and interest thereon, (e) notice of interest on interest and late charges, (f) diligence in taking any action to collect any sums owing under this Commercial Note or in proceeding against any of the rights and interest in and to properties securing payment of this Commercial Note, (g) presentment for payment, demand, protest, and notices of dishonor and/or protest, (h) the benefits of all waivable exemptions, and (i) all defenses and pleas on the grounds of any extension or extensions of the time of payment or of any due date under this Commercial Note, in whole or in part, whether before or after maturity and with or without notice.

11. Holder Forbearance. No waiver of any breach, default or failure of condition under the terms of the Commercial Note or the obligations secured thereby shall be implied from any failure of the Holder to take, or any delay by the Holder in taking, action with respect to such breach, default or failure or from any previous waiver of any similar or unrelated breach, default or failure; and a waiver of any term of this Commercial Note or any of the obligations secured thereby must be made in writing and shall be limited to the express written terms of such waiver.

12. Notices. Any notice required pursuant to this Commercial Note shall be deemed given when delivered personally or three (3) business days after being deposited in the U.S. mail, first class postage prepaid, return receipt requested, addressed as follows:

If to the Borrower: San Francisco Housing Development Corporation
13. Successors and Assigns. This Commercial Note may not be assumed without Holder's consent, can be assigned by Holder, and shall be binding on all successors and assigns of Holder and Maker.

14. Attorneys' Fees. If any action is instituted by Holder to enforce this Commercial Note or collect any sums due hereunder or pursuant to the Commercial Deed of Trust, the Holder shall be entitled to collect from Borrower all costs and expenses of such action, including, but not limited to, reasonable attorneys' fees.

15. Severability. If any provisions of this Commercial Note are found invalid or unenforceable by a court of competent jurisdiction, the remaining provisions shall not in any way be affected or impaired thereby, and all other provisions of this Commercial Note shall remain in full force and effect.

16. Time. Time is of the essence in the performance of the terms and conditions of this Commercial Note.

17. Governing Law. This Commercial Note shall be governed by the laws of the State of California.

18. Compliance with Lawful Interest Rate. Notwithstanding any other provisions of this Note or any instrument securing the obligations of Borrower under this Commercial Note, if, for any reason whatsoever, the payment of any sums by Borrower pursuant to the terms of this Commercial Note would result in the payment of interest which would exceed the amount that Holder may charge legally under the laws of the State of California, then the amount by which such payment exceeds the lawful interest rate shall be deducted automatically from the principal balance owing on this Commercial Note, so that in no event shall Borrower be obligated under the terms of this Commercial Note to pay any interest which would exceed the lawful rate.

14. **Attorneys' Fees.** If any action is instituted by Holder to enforce this Commercial Note or collect any sums due hereunder or pursuant to the Commercial Deed of Trust, the Holder shall be entitled to collect from Borrower all costs and expenses of such action, including, but not limited to, reasonable attorneys' fees.

The company or entity executing this Small Business Enterprise Agreement, by and through its duly authorized representative, hereby agrees to use good faith efforts to comply with all of the following:

I. PURPOSE. The purpose of entering into this Small Business Enterprise Program agreement ("SBE Program") is to establish a set of Small Business Enterprise ("SBE") participation goals and good faith efforts designed to ensure that monies are spent in a manner which provides SBEs with an opportunity to compete for and participate in contracts by or at the behest of the San Francisco Redevelopment Agency ("Agency") and/or the Agency-Assisted Contractor. A genuine effort will be made to give First Consideration to Project Area SBEs and San Francisco-based SBEs before looking outside of San Francisco.

II. APPLICATION. The SBE Program applies to all Contractors and their subcontractors seeking work on Agency-Assisted Projects on or after November 17, 2004 and any Amendment to a Pre-existing Contract.

III. GOALS. The Agency’s SBE Participation Goals are:

IV. TERM. The obligations of the Agency-Assisted Contractor and/or Contractor(s) with respect to SBE Program shall remain in effect until completion of all work to be performed by the Agency-Assisted Contractor in connection with the original construction of the site and any
tenant improvements on the site performed by or at the behest of the Agency-Assisted Contractor unless another term is specified in the Agency-Assisted Contract or Contract.

V. **FIRST CONSIDERATION.** First consideration will be given by the Agency or Agency-Assisted Contractor in awarding contracts in the following order: (1) Project Area SBEs, (2) San Francisco-based SBEs (outside an Agency Project or Survey Area, but within San Francisco), and (3) Non-San Francisco-based SBEs. Non-San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non-San Francisco-based SBEs.

VI. **CERTIFICATION.** Only businesses certified by the Agency as SBEs will be counted toward meeting the participation goals. The SBE Certification Criteria are set forth in the Policy (as defined in Section VII below).

VII. **INCORPORATION.** Each contract between the Agency, Agency-Assisted Contractor or Contractor on the one hand, and any subcontractor on the other hand, shall physically incorporate as an attachment or exhibit and make binding on the parties to that contract, a true and correct copy of this SBE Agreement.

VIII. **DEFINITIONS.** Capitalized terms not otherwise specifically defined in this SBE Agreement have the meaning set forth in the Agency’s SBE Policy adopted on November 16, 2004 and amended on July 21, 2009 ("Policy") or as defined in the Agency-Assisted Contract or Contract. In the event of a conflict in the meaning of a defined term, the SBE Policy shall govern over the Agency-Assisted Contract or Contract which in turn shall govern over this SBE Agreement.

**Affiliates** means an affiliation with another business concern is based on the power to control, whether exercised or not. Such factors as common ownership, common management and identity of interest (often found in members of the same family), among others, are indicators of affiliation. Power to control exists when a party or parties have 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties. Affiliated business concerns need not be in the same line of business. The calculation of a concern’s size includes the employees or receipts of all affiliates.

**Agency-Assisted Contract** means, as applicable, the Development and Disposition Agreement ("DDA"), Land Disposition Agreement ("LDA"), Lease, Loan and Grant Agreements, personal services contracts and other similar contracts, and Operations Agreement that the Agency executed with for-profit or non-profit entities.

**Agency-Assisted Contractor** means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed an Agency-Assisted Contract.

**Amendment to a Pre-existing Contract** means a material change to the terms of any contract, the term of which has not expired on or before the date that this Small Business
Enterprise Policy ("SBE Policy") takes effect, but shall not include amendments to decrease the scope of work or decrease the amount to be paid under a contract.

**Annual Receipts** means "total income" (or in the case of a sole proprietorship, "gross income") plus "cost of goods sold" as these terms are defined and reported on Internal Revenue Service tax return forms. The term does not include net capital gains or losses; taxes collected for and remitted to a taxing authority if included in gross or total income, such as sales or other taxes collected from customers and excluding taxes levied on the concern or its employees; proceeds from transactions between a concern and its domestic or foreign affiliates; and amounts collected for another by a travel agent, real estate agent, advertising agent, conference management service provider, freight forwarder or customs broker. For size determination purposes, the only exclusions from receipts are those specifically provided for in this paragraph. All other items, such as subcontractor costs, reimbursements for purchases a contractor makes at a customer's request, and employee-based costs such as payroll taxes, may not be excluded from receipts. Receipts are averaged over a concern's latest three (3) completed fiscal years to determine its average annual receipts. If a concern has not been in business for three (3) years, the average weekly revenue for the number of weeks the concern has been in business is multiplied by 52 to determine its average annual receipts.

**Arbitration Party** means all persons and entities who attend the arbitration hearing pursuant to Section XII, as well as those persons and entities who are subject to a default award provided that all of the requirements in Section XII.L have been met.

**Commercially Useful Function** means that the business is directly responsible for providing the materials, equipment, supplies or services in the City and County of San Francisco ("City") as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a "commercially useful function" unless the brokerage, referral or temporary employment services are required and sought by the Agency.

**Contract** means any agreement between the Agency and a person(s), firm, partnership, corporation, or combination thereof, to provide or procure labor, supplies or services to, for, or on behalf of the Agency.

**Contractor** means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed a Contract.

**Non-San Francisco-based Small Business Enterprise** means a SBE that has fixed offices located outside the geographical boundaries of the City.

**Office** or **Offices** means a fixed and established place(s) where work is performed of a clerical, administrative, professional or production nature directly pertinent to the business being certified. A temporary location or movable property or one that was established to oversee a project such as a construction project office does not qualify as an "office" under this SBE Policy. Work space provided in exchange for services (in lieu of monetary rent) does not constitute an "office." The office is not required to be the headquarters for the business but it must be capable of providing all the services to operate the business for which SBE certification
is sought. An arrangement for the right to use office space on an “as needed” basis where there is no office exclusively reserved for the business does not qualify as an office. The prospective SBE must submit a rental agreement for the office space, rent receipt or cancelled checks for rent payments. If the office space is owned by the prospective SBE, the business must submit property tax or a deed documenting ownership of the office.

**Project Area Small Business Enterprise** means a business that meets the above-definition of Small Business Enterprise and that: (a) has fixed offices located within the geographical boundaries of a Redevelopment Project or Survey Area where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a Project Area or Survey Area business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in a Project Area or Survey Area for at least six months preceding its application for certification as a SBE; and (e) has a Project Area or Survey Area office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers of residential addresses alone shall not suffice to establish a firm’s location in a Project Area or Survey Area.

**Project Area** means an area of San Francisco that meets the requirements under Community Redevelopment Law, Health and Safety Code Section 33320.1. These areas currently include the Bayview Industrial Triangle, Bayview Hunters Point (Area B), Federal Office Building, Hunters Point Shipyard, Mission Bay (North), Mission Bay (South), Rincon Point/South Beach, South of Market, Transbay Terminal, Yerba Buena Center and Visitacion Valley.

**San Francisco-based Small Business Enterprise** means a SBE that: (a) has fixed offices located within the geographical boundaries of the City where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a San Francisco business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in the City for at least six months preceding its application for certification as a SBE; and (e) has a San Francisco office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers or residential addresses alone shall not suffice to establish a firm’s status as local.

**Small Business Enterprise (SBE)** means an economically disadvantaged business that: is an independent and continuing business for profit; performs a commercially useful function; is owned and controlled by persons residing in the United States or its territories; has average gross annual receipts in the three years immediately preceding its application for certification as a SBE that do not exceed the following limits: (a) construction—$14,000,000; (b) professional or personal services—$2,000,000 and (c) suppliers—$7,000,000; and is (or is in the process of being) certified by the Agency as a SBE and meets the other certification criteria described in the SBE application.
In order to determine whether or not a firm meets the above economic size definitions, the Agency will use the firm’s three most recent business tax returns (i.e., 1040 with Schedule C for Sole Proprietorships, 1065s with K-1s for Partnerships, and 1120s for Corporations). Once a business reaches the 3-year average size threshold for the applicable industry the business ceases to be economically disadvantaged, it is not an eligible SBE and it will not be counted towards meeting SBE contracting requirements (or goals).

Survey Area means an area of San Francisco that meets the requirements of the Community Redevelopment Law, Health and Safety Code Section 33310. These areas currently include the Bayview Hunters Point Redevelopment Survey Area C.

IX. GOOD FAITH EFFORTS TO MEET SBE GOALS  Compliance with the following steps will be the basis for determining if the Agency-Assisted Contractor and/or Consultant has made good faith efforts to meet the goals for SBES:

A. Outreach. Not less than 30 days prior to the opening of bids or the selection of contractors, the Agency-Assisted Contractor or Contractor shall:

1. Advertise. Advertise for SBEs interested in competing for the contract, in general circulation media, trade association publications, including timely use of the Bid and Contract Opportunities newsletter published by the City and County of San Francisco Purchasing Department and media focused specifically on SBE businesses such as the Small Business Exchange, of the opportunity to submit bids or proposals and to attend a pre-bid meeting to learn about contracting opportunities.

2. Request List of SBEs. Request from the Agency’s Contract Compliance Department a list of all known SBEs in the pertinent field(s), particularly those in the Project and Survey Areas and provide written notice to all of them of the opportunity to bid for contracts and to attend a pre-bid or pre-solicitation meeting to learn about contracting opportunities.

B. Pre-Solicitation Meeting. For construction contracts estimated to cost $5,000 or more, hold a pre-bid meeting for all interested contractors not less than 15 days prior to the opening of bids or the selection of contractors for the purpose answering questions about the selection process and the specifications and requirements. Representatives of the Contract Compliance Department will also participate.

C. Follow-up. Follow up initial solicitations of interest by contacting the SBEs to determine with certainty whether the enterprises are interested in performing specific items involved in work.

D. Subdivide Work. Divide, to the greatest extent feasible, the contract work into small units to facilitate SBE participation, including, where feasible, offering items of the contract work which the Contractor would normally perform itself.

E. Provide Timely and Complete Information. The Agency-Assisted Contractor or Contractor shall provide SBEs with complete, adequate and ongoing information about the plans, specifications and requirements of construction work, service work and material supply work.
This paragraph does not require the Agency-Assisted Contractor or Contractor to give SBEs any information not provided to other contractors. This paragraph does require the Agency Assisted Contractor and Contractor to answer carefully and completely all reasonable questions asked by SBEs and to undertake every good faith effort to ensure that SBEs understand the nature and the scope of the work.

F. **Good Faith Negotiations.** Negotiate with SBEs in good faith and demonstrate that SBEs were not rejected as unqualified without sound reasons based on a thorough investigation of their capacities.

G. **Bid Shopping Prohibited.** Prohibit the shopping of the bids. Where the Agency-Assisted Contractor or Contractor learns that bid shopping has occurred, it shall treat such bid shopping as a material breach of contract.

H. **Other Assistance.** Assist SBEs in their efforts to obtain bonds, lines of credit and insurance. (Note that the Agency has a Surety Bond Program that may assist SBEs in obtaining necessary bonding.) The Agency-Assisted Contractor or Contractor(s) shall require no more stringent bond or insurance standards of SBEs than required of other business enterprises.

I. **Delivery Scheduling.** Establish delivery schedules which encourage participation of SBEs.

J. **Utilize SBEs as Lower Tier Subcontractors.** The Agency-Assisted Contractor and its Contractor(s) shall encourage and assist higher tier subcontractors in undertaking good faith efforts to utilize SBEs as lower tier subcontractors.

K. **Maximize Outreach Resources.** Use the services of SBE associations, federal, state and local SBE assistance offices and other organizations that provide assistance in the recruitment and placement of SBEs, including the Small Business Administration and the Business Development Agency of the Department of Commerce. However, only SBEs certified by the Agency shall count towards meeting the participation goal.

L. **Replacement of SBE.** If during the term of this SBE Agreement, it becomes necessary to replace any subcontractor or supplier, the Agency's Contract Compliance Specialist should be notified prior to replacement due to the failure or inability of the subcontractor or supplier to perform the required services or timely delivery the required supplies, then First Consideration should be given to a certified SBE, if available, as a replacement.

X. **ADDITIONAL PROVISIONS**

A. **No Retaliation.** No employee shall be discharged or in any other manner discriminated against by the Agency-Assisted Contractor or Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to enforcement of this Agreement.

B. **No Discrimination.** There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or
disability (including HIV or AIDS status) in the performance of an Agency-Assisted Contract or Contract. The Agency-Assisted Contractor or Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

C. **Compliance with Prompt Payment Statute.** Construction contracts and subcontracts awarded for $5,000 or more shall contain the following provision:

“Amounts for work performed by a subcontractor shall be paid within ten (10) days of receipt of funds by the contractor, pursuant to California Business and Professions Code Section 7108.5 *et seq.* Failure to include this provision in a subcontract or failure to comply with this provision shall constitute an event of default which would permit the Agency to exercise any and all remedies available to it under contract, at law or in equity.”

In addition to and not in contradiction to the Prompt Payment Statute (California Business and Professions Code Section 7108.5 *et seq.*), if a dispute arises which would allow a Contractor to withhold payment to a subcontractor due to a dispute, the Contractor shall only withhold that amount which directly relates to the dispute and shall promptly pay the remaining undisputed amount, if any.

D. **Submission Of Electronic Certified Payrolls.** For any Agency-Assisted Contract which requires the submission of certified payroll reports, the requirements of Section VII of the Agency’s Small Business Enterprise Policy shall apply. Please see the Small Business Enterprise Policy for more details.

**XI. PROCEDURES**

A. **Notice to Agency.** The Agency-Assisted Contractor or Contractor(s) shall provide the Agency with the following information within 10 days of awarding a contract or selecting subconsultant:

1. the nature of the contract, e.g. type and scope of work to be performed;
2. the dollar amount of the contract;
3. the name, address, license number, gender and ethnicity of the person to whom the contract was awarded; And
4. SBE status of each subcontractor or subconsultant.

B. **Affidavit.** If the Agency-Assisted Contractor or Contractor(s) contend that the contract has been awarded to a SBE, the Agency-Assisted Contractor or Contractor(s) shall, at the same time also submit to the Agency a SBE Application for Certification and its
accompanying Affidavit completed by the SBE owner. However, a SBE that was previously certified by the Agency shall submit only the short SBE Eligibility Statement.

C. **Good Faith Documentation.** If the 50% SBE Participation Goals are not met in each category (Construction, Professional Services and Suppliers), the Agency-Assisted Contractor or Contractor(s) shall meet and confer with the Agency at a date and time set by the Agency. If the issue of the Agency-Assisted Contractor’s or Contractor’s good faith efforts is not resolved at this meeting, the Agency-Assisted Contractor or Contractor shall submit to the Agency within five (5) days, a declaration under penalty of perjury containing the following documentation with respect to the good faith efforts (“Submission”):

1. A report showing the responses, rejections, proposals and bids (including the amount of the bid) received from SBEs, including the date each response, proposal or bid was received. This report shall indicate the action taken by the Agency-Assisted Contractor or Contractor(s) in response to each proposal or bid received from SBEs, including the reasons(s) for any rejections.

2. A report showing the date that the bid was received, the amount bid by and the amount to be paid (if different) to the non-SBE contractor that was selected. If the non-SBE contractor who was selected submitted more than one bid, the amount of each bid and the date that each bid was received shall be shown in the report. If the bidder asserts that there were reasons other than the respective amounts bid for not awarding the contract to an SBE, the report shall also contain an explanation of these reasons.

3. Documentation of advertising for and contacts with SBEs, contractor associations or development centers, or any other agency which disseminates bid and contract information to small business enterprises.

4. Copies of initial and follow-up correspondence with SBEs, contractor associations and other agencies, which assist SBEs.

5. A description of the assistance provided SBE firms relative to obtaining and explaining plans, specifications and contract requirements.

6. A description of the assistance provided to SBEs with respect to bonding, lines of credit, etc.

7. A description of efforts to negotiate or a statement of the reasons for not negotiating with SBEs.

8. A description of any divisions of work undertaken to facilitate SBE participation.

9. Documentation of efforts undertaken to encourage subcontractors to obtain small business enterprise participation at a lower tier.

10. A report which shows for each private project and each public project (without a SBE program) undertaken by the bidder in the preceding 12 months, the total dollar
amount of the contract and the percentage of the contract dollars awarded to SBEs and the percentage of contract dollars awarded to non-SBEs.

11. Documentation of any other efforts undertaken to encourage participation by small business enterprises.

D. **Presumption of Good Faith Efforts.** If the Agency-Assisted Contractor or Contractor(s) achieves the Participation Goals, it will not be required to submit Good Faith Effort documentation.

E. **Waiver.** Any of the SBE requirements may be waived if the Agency determines that a specific requirement is not relevant to the particular situation at issue, that SBEs were not available, or that SBEs were charging an unreasonable price.

F. **SBE Determination.** The Agency shall exercise its reasonable judgment in determining whether a business, whose name is submitted by the Agency-Assisted Contractor or Contractor(s) as a SBE, is owned and controlled by a SBE. A firm's appearance in any of the Agency's current directories will be considered by the Agency as prima facie evidence that the firm is a SBE. Where the Agency-Assisted Contractor or Contractor(s) makes a submission the Agency shall make a determination, as to whether or not a business which the Agency-Assisted Contractor or Contractor(s) claims is a SBE is in fact owned and controlled by San Francisco-based SBEs. If the Agency determines that the business is not a SBE, the Agency shall give the Agency-Assisted Contractor or Contractor a Notice of Non-Qualification and provide the Agency-Assisted Contractor or Contractor with a reasonable period (not to exceed 20 days) in which to meet with the Agency and if necessary make a Submission, concerning its good faith efforts. If the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to Section XII.

G. **Agency Investigation.** Where the Agency-Assisted Contractor or Contractor makes a Submission and, as a result, the Agency has cause to believe that the Agency-Assisted Contractor or Contractor has failed to undertake good faith efforts, the Agency shall conduct an investigation, and after affording the Agency-Assisted Contractor or Contractor notice and an opportunity to be heard, shall recommend such remedies and sanctions as it deems necessary to correct any alleged violation(s). The Agency shall give the Agency-Assisted Contractor or Contractor a written Notice of Non-Compliance setting forth its findings and recommendations. If the Agency-Assisted Contractor or Contractor disagrees with the findings and recommendations of the Agency as set forth in the Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to this SBE Agreement.

**XII. ARBITRATION OF DISPUTES.**

A. **Arbitration by AAA.** Any dispute regarding this SBE Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.
B. **Demand for Arbitration.** Where the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor shall have seven (7) business days, in which to file a Demand for Arbitration, unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying any entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Agency-Assisted Contractor and Contractor fails to file a timely Demand for Arbitration, the Agency-Assisted Contractor and Contractor shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.

C. **Parties' Participation.** The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Agency-Assisted Contractor or Contractor made an initial timely Demand for Arbitration pursuant to Section XII.B. above.

D. **Agency Request to AAA.** Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.

E. **Selection of Arbitrator.** One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.

F. **Setting of Arbitration Hearing.** A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.

G. **Discovery.** In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.

H. **Burden of Proof.** The burden of proof with respect to SBE status and/or Good Faith Efforts shall be on the Agency-Assisted Contractor and/or Contractor. The burden of proof as to all other alleged breaches by the Agency-Assisted Contractor and/or Contractor shall be on the Agency.
I. **California Law Applies.** Except where expressly stated to the contrary in this SBE Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.

J. **Arbitration Remedies and Sanctions.** The arbitrator may impose only the remedies and sanctions set forth below:

1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.

2. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Agency-Assisted Contract or this SBE Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Agency-Assisted Contract or this SBE Agreement, other than those minor modifications or extensions necessary to enable compliance with this SBE Agreement.

3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the SBE Program requirements in the Agency-Assisted Contract or this SBE Agreement. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.

4. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars ($50,000.00) or ten percent (10%) of the base amount of the breaching party’s contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this SBE Agreement unless the breaching party has failed to cure after being provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

K. **Arbitrator’s Decision.** The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

L. **Default Award; No Requirement to Seek an Order Compelling Arbitration.** The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the
complaining party has a proof of service for the absent person or entity. In order to obtain a
default award, the complaining party need not first seek or obtain an order to arbitrate the
controversy pursuant to Code of Civil Procedure §1281.2.

M. **Arbitrator Lacks Power to Modify.** Except as otherwise provided, the arbitrator
shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the
Agency-Assisted Contract, this SBE Agreement or any other agreement between the Agency, the
Agency-Assisted Contractor or Contractor or to negotiate new agreements or provisions between
the parties.

N. **Jurisdiction/Entry of Judgment.** The inquiry of the arbitrator shall be restricted to
the particular controversy which gave rise to the Demand for Arbitration. A decision of the
arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The non-
prevailing Arbitration Party(ies) shall pay the arbitrator’s fees and related costs of arbitration (or
reimburse the Arbitration Parties that advanced such arbitration fees and costs). Each Arbitration
Party shall pay its own attorneys’ fees, provided, however, that attorneys' fees may be awarded
to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or
defended in bad faith. Judgment upon the arbitrator’s decision may be entered in any court of
competent jurisdiction.

O. **Exculpatory Clause.** Agency-Assisted Contractor or Contractor (regardless of tier)
expressly waive any and all claims against the Agency for damages, direct or indirect, including,
without limitation, claims relative to the commencement, continuance and completion of
construction and/or providing professional and consulting services (“the Work”). Agency-
Assisted Contractor or Contractor (regardless of tier) acknowledge and agree that the procedures
set forth herein for dealing with alleged breaches or failure to comply with the obligations and
requirements of this SBE Agreement are reasonable and have been anticipated by the parties in
securing financing, in inviting, submitting and receiving bids and proposals for the planning,
design and construction of the improvements and in determining the times for commencement
and completion of the planning, design and construction and/or for providing consulting,
professional or personal services.

P. **Severability.** The provisions of this SBE Agreement are declared to be separate and
severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of
this SBE Agreement or the invalidity of the application thereof to any person or circumstance
shall not affect the validity of the remainder of this SBE Agreement or the validity of their
application to other persons or circumstances.

EXHIBIT G

PREVAILING WAGE PROVISIONS
(LABOR STANDARDS)

11.1 Applicability. These Prevailing Wage Provisions (hereinafter referred to as "Labor Standards") apply to any and all construction of the Improvements as defined in the Agreement between the Developer/Borrower/Owner and the Agency.

11.2 All Contracts and Subcontracts shall contain the Labor Standards. Confirmation by Construction Lender.

(a) All specifications relating to the construction of the Improvements shall contain these Labor Standards and the Borrower shall have the responsibility to assure that all contracts and subcontracts, regardless of tier, incorporate by reference the specifications containing these Labor Standards. If for any reason said Labor Standards are not included, the Labor Standards shall nevertheless apply. The Borrower shall supply the Agency with true copies of each contract relating to the construction of the Improvements showing the specifications that contain these Labor Standards promptly after due and complete execution thereof and before any work under such contract commences. Failure to do shall be a violation of these Labor Standards.

(b) Before close of escrow under the Agreement and as a condition to close of escrow, the Borrower shall also supply a written confirmation to the Agency from any construction lender for the Improvements that such construction lender is aware of these Labor Standards.

11.3 Definitions. The following definitions shall apply for purposes of this Attachment:

(a) "Contractor" is the Borrower if permitted by law to act as a contractor, the general contractor, and any contractor as well as any subcontractor of any tier subcontractor having a contract or subcontract that exceeds $10,000, and who employs Laborers, Mechanics, working foremen, and security guards to perform the construction on all or any part of the Improvements.

(b) "Laborers" and "Mechanics" are all persons providing labor to perform the construction, including working foremen and security guards.

(c) "Working foreman" is a person who, in addition to performing supervisory duties, performs the work of a Laborer or Mechanic during at least 20 percent of the work week.

11.4 Prevailing Wage.
(a) All Laborers and Mechanics employed in the construction of the
Improvements will be paid unconditionally and not less often than once a
week, and without subsequent deduction or rebate on any account (except
such payroll deductions as are permitted by §11.5) the full amount of wages
and bona fide fringe benefits (or cash equivalents thereof) due at the time of
payment computed at rates not less than those contained in the General
Prevailing Wage Determination (hereinafter referred to as the "Wage
Determination") made by the Director of Industrial Relations pursuant to
California Labor Code Part 7, Chapter 1, Article 2, sections 1770, 1773 and
1773.1, regardless of any contractual relationship which may be alleged to
exist between the Contractor and such Laborers and Mechanics. A copy of
the applicable Wage Determination is on file in the offices of the Agency
with the Development Services Manager. At the time of escrow closing the
Agency shall provide the Borrower with a copy of the applicable Wage
Determination.

(b) All Laborers and Mechanics shall be paid the appropriate wage rate and
fringe benefits for the classification of work actually performed, without
regard to skill. Laborers or Mechanics performing work in more than one
classification may be compensated at the rate specified for each classification
for the time actually worked therein provided that the Contractor's payroll
records accurately set forth the time spent in each classification in which
work is performed.

(c) Whenever the wage rate prescribed in the Wage Determination for a class of
Laborers or Mechanics includes a fringe benefit which is not expressed as an
hourly rate, the Contractor shall either pay the benefit in the manner as stated
therein i.e. the vacation plan, the health benefit program, the pension plan and
the apprenticeship program, or shall pay an hourly cash equivalent thereof.

(d) If the Contractor does not make payments to a trustee or other third person,
the Contractor may consider as part of the wages of any Laborer or Mechanic
the amount of any costs reasonably anticipated in providing benefits under a
plan or program of a type expressly listed in the Wage Determination,
provided that the Executive Director of the Agency has found, upon the
written request of the Contractor, made through the Borrower that the intent
of the Labor Standards has been met. Records of such costs shall be
maintained in the manner set forth in subsection (a) of §11.8. The Executive
Director of the Agency may require the Borrower to set aside in a separate
interest bearing account with a member of the Federal Deposit Insurance
Corporation, assets for the meeting of obligations under the plan or program
referred to above in subsection (b) of this §11.4. The interest shall be
accumulated and shall be paid as determined by the Agency acting at its sole
discretion.

(e) Regular contributions made or costs incurred for more than a weekly period
(but not less often than quarterly) under plans, funds, or programs, which
cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

11.5 **Permissible Payroll Deductions.** The following payroll deductions are permissible deductions. Any others require the approval of the Agency's Executive Director.

(a) Any withholding made in compliance with the requirements of Federal, State or local income tax laws, and the Federal social security tax.

(b) Any repayment of sums previously advanced to the employee as a bona fide prepayment of wages when such prepayment is made without discount or interest. A "bona fide prepayment of wages" is considered to have been made only when case or its equivalent has been advanced to the employee in such manner as to give him or her complete freedom of disposition of the advanced funds.

(c) Any garnishment, unless it is in favor of the Contractor (or any affiliated person or entity), or when collusion or collaboration exists.

(d) Any contribution on behalf of the employee, to funds established by the Contractor, representatives of employees or both, for the purpose of providing from principal, income or both, medical or hospital care, pensions or annuities on retirement, death benefits, compensation for injuries, illness, accidents, sickness or disability, or for insurance to provide any of the foregoing, or unemployment benefits, vacation pay, savings accounts or similar payments for the benefit of employees, their families and dependents provided, however, that the following standards are met:

1. The deduction is not otherwise prohibited by law; and

2. It is either:

   a. Voluntarily consented to by the employee in writing and in advance of the period in which the work is to be done and such consent is not a condition either for obtaining or for the continuation of employment, or

   b. Provided for in a bona fide collective bargaining agreement between the Contractor and representatives of its employees; and

3. No profit or other benefit is otherwise obtained, directly or indirectly, by the Contractor (or any affiliated person or entity) in the form of commission, dividend or otherwise; and

4. The deduction shall serve the convenience and interest of the employee.
(e) Any authorized purchase of United States Savings Bonds for the employee.

(f) Any voluntarily authorized repayment of loans from or the purchase of shares in credit unions organized and operated in accordance with Federal and State credit union statutes.

(g) Any contribution voluntarily authorized by the employee for the American Red Cross, United Way and similar charitable organizations.

(h) Any payment of regular union initiation fees and membership dues, but not including fines or special assessments provided, that a collective bargaining agreement between the Contractor and representatives of its employees provides for such payment and the deductions are not otherwise prohibited by law.

11.6 **Apprentices and Trainees.** Apprentices and trainees will be permitted to work at less than the Mechanic's rate for the work they perform when they are employed pursuant to and are individually registered in an apprenticeship or trainee program approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training ("BAT") or with the California Department of Industrial Relations, Division of Apprenticeship Standards ("DAS") or if a person is employed in his or her first 90 days of probationary employment as an apprentice or trainee in such a program, who is not individually registered in the program, but who has been certified by BAT or DAS to be eligible for probationary employment. Any employee listed on a payroll at an apprentice or trainee wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate for a Mechanic. Every apprentice or trainee must be paid at not less than the rate specified in the registered program for the employee's level of progress, expressed as a percentage of a Mechanic's hourly rate as specified in the Wage Determination. Apprentices or trainees shall be paid fringe benefits in accordance with the provisions of the respective program. If the program does not specify fringe benefits, employees must be paid the full amount of fringe benefits listed in the Wage Determination.
11.7 **Overtime.** No Contractor contracting for any part of the construction of the Improvements which may require or involve the employment of Laborers or Mechanics shall require or permit any such Laborer or Mechanic in any workweek in which he or she is employed on such construction to work in excess of eight hours in any calendar day or in excess of 40 hours in such workweek unless such Laborer or Mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of eight hours in any calendar day or in excess of 40 hours in such workweek, whichever is greater.

11.8 **Payrolls and Basic Records.**

(a) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of its construction of the Improvements and preserved for a period of one year thereafter for all Laborers and Mechanics it employed in the construction of the Improvements. Such records shall contain the name, address and social security number of each employee, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for fringe benefits or cash equivalents thereof), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the wages of any Laborer or Mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program, the Contractor shall maintain records which show the costs anticipated or the actual costs incurred in providing such benefits and that the plan or program has been communicated in writing to the Laborers or Mechanics affected. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage prescribed in the applicable programs or the Wage Determination.

(b) 1. The Contractor shall submit to the Agency on each Wednesday at noon a copy of the payrolls for the week preceding the previous week in which any construction of the Improvements was performed. The payrolls submitted shall set out accurately and completely all of the information required by the Agency's Optional Form, an initial supply of which may be obtained from the Agency. The Contractor if a prime contractor or the Borrower acting as the Contractor is responsible for the submission of copies of certified payrolls by all subcontractors; otherwise each Contractor shall timely submit such payrolls.

(c) 2. Each weekly payroll shall be accompanied by the Statement of Compliance that accompanies the Agency's Optional Form and properly executed by the Contractor or his or her agent, who pays or supervises the payment of the employees.

(d) The Contractor shall make the records required under this §11.8 available for inspection or copying by authorized representatives of the Agency, and shall
permit such representatives to interview employees during working hours on the job. On request the Executive Director of the Agency shall advise the Contractor of the identity of such authorized representatives.

11.9 **Occupational Safety and Health.** No Laborer or Mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his or her safety and health as determined under construction safety and health standards promulgated by Cal-OSHA or if Cal-OSHA is terminated, then by the federal OSHA.

11.10 **Equal Opportunity Program.** The utilization of apprentices, trainees, Laborers and Mechanics under this part shall be in conformity with the equal opportunity program set forth in Exhibit I of the Agreement including Schedules A and B. Any conflicts between the language contained in these Labor Standards and Exhibit I shall be resolved in favor of the language set forth in Exhibit I, except that in no event shall less than the prevailing wage be paid.

11.11 **Nondiscrimination Against Employees for Complaints.** No Laborer or Mechanic to whom the wage, salary or other Labor Standards of this Agreement are applicable shall be discharged or in any other manner discriminated against by the Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to these Labor Standards.

11.12 **Posting of Notice to Employees.** A copy of the Wage Determination referred to in subsection (a) of §11.4 together with a copy of a "Notice to Employees," in the form appearing on the last page of these Labor Standards, shall be given to the Borrower at the close of escrow. The Notice to Employees and the Wage Determination shall both be posted and maintained by the Contractor in a prominent place readily accessible to all applicants and employees performing construction of the Improvements before construction commences. If such Notice and Wage Determination is not so posted or maintained, the Agency may do so.

11.13 **Violation and Remedies.**

(a) **Liability to Employee for Unpaid Wages.** The Contractor shall be liable to the employee for unpaid wages, overtime wages and benefits in violation of these Labor Standards.
(b) **Stop Work--Contract Terms, Records and Payrolls.** If there is a violation of these Labor Standards by reason of the failure of any contract or subcontract for the construction of the Improvements to contain the Labor Standards as required by §11.2 ("Non-Conforming Contract"); or by reason of any failure to submit the payrolls or make records available as required by §11.8 ("Non-Complying Contractor"), the Executive Director of the Agency may, after written notice to the Borrower with a copy to the Contractor involved and failure to cure the violation within five working days after the date of such notice, stop the construction work under the Non-Conforming Contract or of the Non-Complying Contractor until the Non-Conforming Contract or the Non-Complying Contractor comes into compliance.

(c) **Stop Work and Other Violations.** For any violation of these Labor Standards the Executive Director of the Agency may give written notice to the Borrower, with a copy to the Contractor involved, which notice shall state the claimed violation and the amount of money, if any, involved in the violation. Within five working days from the date of said notice, the Borrower shall advise the Agency in writing whether or not the violation is disputed by the Contractor and a statement of reasons in support of such dispute (the "Notice of Dispute"). In addition to the foregoing, the Borrower, upon receipt of the notice of claimed violation from the Agency, shall with respect to any amount stated in the Agency notice withhold payment to the Contractor of the amount stated multiplied by 45 working days and shall with the Notice of Dispute, also advise the Agency that the moneys are being or will be withheld. If the Borrower fails to timely give a Notice of Dispute to the Agency or to advise of the withhold, then the Executive Director of the Agency may stop the construction of the Improvements under the applicable contract or by the involved Contractor until such Notice of Dispute and written withhold advice has been received.

(d) Upon receipt of the Notice of Dispute and withhold advice, any stop work which the Executive Director has ordered shall be lifted, but the Borrower shall continue to withhold the moneys until the dispute has been resolved either by agreement, or failing agreement, by arbitration as is provided in §11.14.

(e) **Withholding Certificates of Completion.** The Agency may withhold any or all certificates of completion of the Improvements provided for in this Agreement, for any violations of these Labor Standards until such violation has been cured.
(f) **General Remedies.** In addition to all of the rights and remedies herein contained, but subject to arbitration, except as hereinafter provided, the Agency shall have all rights in law or equity to enforce these Labor Standards including, but not limited to, a prohibitory or mandatory injunction. Provided, however, the stop work remedy of the Agency provided above in subsection (b) and (c) is not subject to arbitration.

### 11.14 Arbitration of Disputes.

(a) Any dispute regarding these Labor Standards shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further provisions thereof.

(b) The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made a party to the arbitration. Any such person or entity not made a party in the demand for arbitration may intervene as a party and in turn may name any such person or entity as a party.

(c) The arbitration shall take place in the City and County of San Francisco.

(d) Arbitration may be demanded by the Agency, the Borrower or the Contractor.

(e) With the demand for arbitration, there must be enclosed a copy of these Labor Standards, and a copy of the demand must be mailed to the Agency and the Borrower, or as appropriate to one or the other if the Borrower or the Agency is demanding arbitration. If the demand does not include the Labor Standards they are nevertheless deemed a part of the demand. With the demand if made by the Agency or within a reasonable time thereafter if not made by the Agency, the Agency shall transmit to the AAA a copy of the Wage Determination (referred to in §11.4) and copies of all notices sent or received by the Agency pursuant to §11.13. Such material shall be made part of the arbitration record.

(f) One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators of the AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the parties fail to select an arbitrator, within seven (7) days from the receipt of the panel, the AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within 30 days from appointment.
(g) Any party to the arbitration whether the party participates in the arbitration or not shall be bound by the decision of the arbitrator whose decision shall be final and binding on all of the parties and any and all rights of appeal from the decision are waived except a claim that the arbitrator's decision violates an applicable statute or regulation. The decision of the arbitrator shall be rendered on or before 30 days from appointment. The arbitrator shall schedule hearings as necessary to meet this 30 day decision requirement and the parties to the arbitration, whether they appear or not, shall be bound by such scheduling.

(h) Any party to the arbitration may take any and all steps permitted by law to enforce the arbitrator's decision and if the arbitrator's decision requires the payment of money the Contractor shall make the required payments and the Borrower shall pay the Contractor from money withheld.

(i) Costs and Expenses. Each party shall bear its own costs and expenses of the arbitration and the costs of the arbitration shall be shared equally among the parties.

11.15 Non-liability of the Agency. The Borrower and each Contractor acknowledge and agree that the procedures hereinafter set forth for dealing with violations of these Labor Standards are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids for the construction of the Improvements, in determining the time for commencement and completion of construction and in proceeding with construction work. Accordingly the Borrower, and any Contractor, by proceeding with construction expressly waives and is deemed to have waived any and all claims against the Agency for damages, direct or indirect, arising out of these Labor Standards and their enforcement and including but not limited to claims relative to stop work orders, and the commencement, continuance or completion of construction.
The contractor must take equal opportunity to provide employment opportunities to minority group persons and women and shall not discriminate on the basis of age, ancestry, color, creed, disability, gender, national origin, race, religion or sexual orientation.

You shall not be paid less than the wage rate attached to this Notice for the kind of work you perform.

You must be paid not less than one and one-half times your basic rate of pay for all hours worked over 8 a day or 40 a week, whichever is greater.

Apprentice rates apply only to employees registered under an apprenticeship or trainee program approved by the Bureau of Apprenticeship and Training or the California Division of Apprenticeship Standards.

SCHEDULE A

CONSTRUCTION WORK FORCE

I. PURPOSE. The purpose of the Agency and the Borrower entering into this Schedule A is to ensure equal employment opportunities for minority group persons and women in the construction work force involved in building the original improvements or tenant improvements provided by the Borrower upon the Site covered by the Loan Agreement. To achieve this purpose, the Agency and the Borrower adopt the standards and requirements set forth below, which are modeled on the standards and requirements of Executive Order 11246 and its implementing regulations including those contained in 41 Code of Federal Regulations ("CFR") 60-1.4, 60-4.2 and 60-4.3.

II. WORK FORCE GOALS.

A. The goals set forth below are expressed as a percentage of each Contractor's total hours of employment and training by trade on the Site. The goals represent the level of minority and female utilization each Contractor should reasonably be able to achieve in each construction trade in which it has employees on the Site. The Borrower agrees, and will require each Contractor (regardless of tier), to use its good faith efforts to employ minority group persons and women to perform construction work upon the Site at a level at least consistent with said goals.

B. Goals

1. Goal for minority group participation in each trade: 25.6 percent (current Office of Federal Contract Compliance Programs, hereinafter "OFCCP", goal) of the total hours worked in the trade.

2. Goal for female participation in each trade: 6.9 percent (current OFCCP goal) of the total hours worked in the trade.

3. Goal for participation of San Francisco residents in each trade: 50 percent of the total hours worked in the trade. Residents of Bayview Hunters Point (BVHP) area shall be given first consideration for hiring followed by other San Francisco residents.

C. If a conflict arises, achieving the ethnic and gender goals shall take precedence over achieving the residency goal set forth in §II.B.3.
D. The goals set forth in §II.B shall be amended to reflect either:

1. New goals issued by the Director of OFCCP pursuant to 41 CFR 60-4.6 as published periodically in the Federal Register in notice form; or

2. New goals issued by the Agency. Goals issued by the Agency shall either reflect the availability of minority group persons and/or women in the relevant labor area to perform construction work generally or by trade, or, be designed to correct the effects of past discrimination in situations where the Agency concludes that the facts establish a prima facie case of discrimination against a minority group or women, or otherwise meet the current judicial standards for setting employment goals. A judicial finding of discrimination shall not be a prerequisite to the establishment of new goals by the Agency. If the Borrower believes that the new goals violate applicable legal standards, the Borrower may challenge the goals either through arbitration under Attachment I or in a de novo court action.

E. Amendments to the goals shall be prospective and go into effect 20 days after the Agency mails written notice of the amendments to the Borrower. New goals shall not be applied retroactively.

F. Although paragraph B establishes a single goal for minority group persons and a separate, single goal for women, each Contractor is required to provide equal employment opportunity and to take equal opportunity for all ethnic groups, both male and female, and all women, both minority and non-minority. Consequently, a Contractor may be in violation of this Schedule if a particular ethnic group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goal for women generally, the Contractor may be in violation if a specific ethnic group of women is underutilized.) If the Agency determines, after affording a Contractor notice and an opportunity to be heard, that the Contractor has violated its obligations under this paragraph, the Agency may set, for that Contractor, work force participation goals by particular ethnic group, e.g., Blacks, Latinos, etc.

G. Each Contractor is individually required to comply with its obligations under this Schedule A, and to make a good faith effort to achieve each goal in each trade in which it has employees employed at the Site. (See §V below.) The overall good faith performance by other contractors or subcontractors toward a goal does not excuse any covered Contractor's failure to make good faith efforts to achieve the goals.

H. The Contractor shall not use the goals or equal opportunity standards to discriminate against any person because of age, ancestry, color, creed, disability, gender, national origin, race, religion or sexual orientation.

I. In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by
the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Unless otherwise permitted by law, trainees must be trained pursuant to training programs approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training ("BAT") or the California Department of Industrial Relations, Division of Apprenticeship Standards ("DAS").

III. **SECTION 3 CLAUSE.** The Borrower and the Agency also agree that the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u apply to the planning, design and construction of said improvements. Accordingly, the Section 3 clause is set forth verbatim of this Schedule A as required by 24 CFR 135.20(b).

A. The work to be performed under this Contract is on a project assisted under a program providing direct Federal financial assistance from the U.S. Department of Housing and Urban Development ("HUD") and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

B. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of HUD set forth in 24 CFR 135, and all applicable rules and orders of HUD issued thereunder prior to the execution of this contract. The parties to this Contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.

C. The Borrower and Contractor will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
D. The Borrower and Contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of HUD, 24 CFR 135. The Contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

E. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all applicable rules and orders of HUD issued thereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR 135.

IV. INCORPORATION. Whenever the Borrower, the general contractor, any prime contractor, or any subcontractor at any tier subcontracts a portion of the work on the Site involving any construction trade, it shall set forth verbatim and make binding on each subcontractor which has a contract in excess of $10,000 the provisions of Attachment I of the Loan Agreement and this Schedule A, including the applicable goals for minority group and female participation in each trade.

V. EQUAL OPPORTUNITY REQUIREMENTS.

A. Each Contractor shall take specific equal opportunity steps to ensure equal employment opportunity ("EEO"). The evaluation of the Contractor's compliance with this Schedule A shall be based upon its good faith efforts to achieve maximum results from its actions. Each Contractor shall document these efforts fully, and shall implement equal opportunity steps at least as extensive as the following:

1. Ensure and maintain a working environment free of harassment, intimidation, and coercion at the Site. The Contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment with specific attention given to minority group persons or women working at the Site.
2. Provide written notification to: Chinese for Affirmative Action, Mission Hiring Hall, South of Market Employment Center and Young Community Borrowers and any other organizations identified for the Contractor by the Agency when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

3. Maintain a current file of the names, addresses and telephone numbers of each off-the-street, minority group, female or resident applicant and each minority, female and resident referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union, or if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

4. Provide immediate written notification to the Agency when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority group person, a woman or a resident sent or requested by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

5. Develop on-the-job training opportunities and/or participate in training programs which expressly include minority group persons and women, including apprenticeship, trainee and upgrading programs relevant to the Contractor's employment needs, especially those funded or approved by BAT or DAS. The Contractor shall provide notice of these programs to the sources compiled under subparagraph V.A.2 above.

6. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority group and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at the Site.

7. Review, prior to beginning work at the Site and at least annually thereafter, the Contractor's EEO policy and equal opportunity obligations under the Loan Agreement and this Schedule A with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-site supervisory personnel such as superintendents, general foremen, etc. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed and
disposition of the subject matter. The Agency's contract compliance staff shall be invited to attend the meeting held prior to the beginning of work at the Site.

8. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other contractors and subcontractors with whom the Contractor does or anticipates doing business.

9. Direct its recruitment efforts, both oral and written, to local minority group, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

10. Encourage present minority and female employees to recruit other minority group persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the Site and in other areas of a Contractor's work force.

11. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

12. Conduct, at least annually, an inventory and evaluation of minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training etc., such opportunities.

13. Ensure that seniority practices, job classifications, work assignments and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

14. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the genders.

15. Conduct a review, at least annually, of all supervisors' adherence to and performance under the Contractor's EEO policies and equal opportunity obligations.
B. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their equal opportunity obligations under §V.A.1 through 15. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under §V.A.1 through 15 provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minority group persons and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female work force composition, makes a good faith effort to meet its individual goals, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

VI. ADDITIONAL PROVISIONS.

A. The failure by a union with which the Contractor has a collective bargaining agreement, to refer either minority group persons or women shall not excuse the Contractor's obligations under this Schedule A.

B. A Contractor shall not enter into any subcontract with any person or firm that the Contractor knows or should have known is debarred from government contracts pursuant to Executive Order 11246.

C. No employee to whom the equal opportunity provisions of this Schedule A are applicable shall be discharged or in any other manner discriminated against by the Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to Attachment I of the Loan Agreement or this Schedule.

D. Each Contractor shall designate a responsible official to monitor all employment-related activity to ensure that the Contractor's EEO policy is being carried out.

VII. DOCUMENTATION AND RECORDS.

A. Submission of certified payrolls to the Agency. Each Contractor shall submit through the General Contractor to the Agency by noon on each Wednesday a report providing the information contained in the Agency's Optional Form of payroll report for the week preceding the previous week on each of its employees. Each prime contractor is responsible for the submission of this report by each of its subcontractors.

B. Instructions for coding certified payrolls. In addition to maintaining the information required by §VII.C, each Contractor shall include, on the weekly

The MCP requires contractors and subcontractors to provide the following to their employees covered by the MCP on Agency contracts and subcontracts for services: For Commercial Business MCP the wage rate is $11.69. For Nonprofit MCP the wage rate is $11.03; 12 days' paid vacation per year (or cash equivalent); 10 days off without pay per year.

The Agency may require contractors to submit reports on the number of employees affected by the MCP.

The Agency realizes that it may not be possible to make this assurance now.

If you cannot make this assurance now, please do not return this form.

For more information, the complete text of the MCP is available from the Agency's Contract Compliance Department by calling (415) 749-2400.

HEALTH CARE ACCOUNTABILITY POLICY (HCAP) DECLARATION

What the Ordinance does. The San Francisco Redevelopment Agency adopted the San Francisco Health Care Accountability Policy (the “HCAP”), which became effective on September 25, 2001. The HCAP requires contractors and subcontractors that provide services to the Agency, contractors and subcontractors that enter into leases with the Agency, and parties providing services to tenants and sub-tenants on Agency property to choose between offering health plan benefits to their employees or making payments to the Agency or directly to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits approved by the Agency Commission (2) pay the Agency $3.00 per hour for each hour the employee works on the covered contract or subcontract or on property covered by a lease (but not to exceed $120 in any week) and the Agency will appropriate the money for staffing and other resources to provide medical care for the uninsured, or (3) participate in a health benefits program developed by the Agency.

The Agency may require contractors to submit reports on the number of employees affected by the HCAP.

Effect on Agency contracting. For contracts and amendments signed on or after September 25, 2001, the HCAP will have the following effect:

- in each contract, the contractor will agree to abide by the HCAP and to provide its employees the minimum benefits the HCAP requires, and to require its subcontractors to do the same.
- if a contractor does not provide the HCAP’s minimum benefits, the Agency can award a contract to that contractor only if the contract is exempt under the HCAP, or if the contract has received waiver; from the Agency.

What this form does. If you can assure the Agency now that, beginning with the first Agency’s contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCAP to your covered employees, and will ensure that your subcontractors also subject to the HCAP do the same, this will help the Agency contracting process. The Agency realizes that it may not be possible to make this assurance now.

If you cannot make this assurance now, please do not return this form.

For more information, (1) see the complete text of the HCAP, available from the Agency’s Contract Compliance Department at: (415) 749-2400.

THIS FORM MUST BE RETURNED WITH THE ORIGINAL SIGNATURE

Please return this form to: San Francisco Redevelopment Agency, One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103
A. What is the Nondiscrimination in Contracts Policy?

The San Francisco Redevelopment Agency’s Nondiscrimination in Contracts Policy (Policy) requires companies or organizations providing products or services to, or leasing a real property from, the Agency to agree not to discriminate against groups who are protected from discrimination under the Policy, and to include a similar provision in subcontracts and other agreements. Those provisions are the subjects of this form. The Policy is posted on the Web at: www.ci.sf.ca.us/sfra.

If you do not comply with the Policy, the Agency cannot do business with you, except under certain very limited circumstances.

B. What Agency contracts are covered by the Policy?

- Contracts or purchase orders where the Agency purchases products, services or construction with contractors/vendors whose total amount of business with the Agency exceeds a cumulative amount of $5,000 in a 12-month period.
- Leases of property owned by the Agency for a term of 30 days or more. In these cases, the Agency is the landlord. The Policy also applies to leases for a term of 30 days or more where the Agency is the tenant.

C. What are the groups protected from discrimination under the Policy?

You may not discriminate against:
- your employees
- an applicant for employment
- any employee of the Agency or the City and County of San Francisco
- a member of the public having contact with you.

D. What are prohibited types of discrimination?

You may not discriminate against the specified groups for the following reasons (see Question 1a on the declaration form).
- race
- creed
- ancestry
- age
- sexual orientation
- marital status
- disability
- color
- religion
- national origin
- sex
- gender identity
- domestic partner status
- AIDS/HIV status

In the provision of benefits, you also may not discriminate between employees with spouses and employees with domestic partners, or between the spouses and domestic partners of employees, subject to the conditions listed in F.2 below.

E. How are subcontracts affected?

For any subcontract, sublease, or other subordinate agreement you enter into which is related to a contract you have with the Agency, you must include a nondiscrimination provision (See Question 1b on the Declaration Form). The subcontracting provision need not include nondiscrimination in benefits as part of the nondiscrimination requirements. If you’re unsure whether a contract qualifies as a subcontract, contact the Agency division administering your contract with the Agency. “Subcontract” also includes any subcontract of your subcontractor for performance of 10% or more of the subcontract.
F. Nondiscrimination in benefits for spouses and domestic partners

1. Who are domestic partners?
   If your employee and another person are currently registered as domestic partners with a state, county or city that authorizes such registration, then those two people are domestic partners. It doesn’t matter where the domestic partners now live or whether they are a same-sex couple or an opposite sex couple. A company/organization may also institute its own domestic partnership registry (contact the Agency for more information).

2. What is nondiscrimination in benefits?
   You must provide the same benefits to employees with spouses and employees with domestic partners, and to spouses and domestic partners of employees, subject to the following qualifications (See Question 2c on the Declaration Form).
   • If your cost of providing a benefit for an employee with a domestic partner exceeds that of providing it for an employee with a spouse, or vice versa, you may require the employee to pay the excess cost.
   • If you are unable to provide the same benefits, despite taking all reasonable measures to do so, you must provide the employee with a cash equivalent. This qualification is intended to address situations where your benefits provider will not provide equal benefits and you are unable to find an alternative source or state or federal law prohibit the provision of equal benefits. (See Question 2d on the Declaration form).
   • The Policy does not require any benefits be offered to spouses or domestic partners. It does require, however, that whatever benefits are offered to spouses be offered equally to domestic partners, and vice versa.

3. Examples of benefits
   The law is intended to apply to all benefits offered to employees with spouses and employees with domestic partners. A sample list appears in Question 2c on the Declaration Form.

G. Form required
   Complete the Declaration Form to tell the Agency whether you comply with the Policy. All parties to a Joint Venture must submit separate Declarations.

Please submit an original of the Declaration Form and keep a copy for your records. If an Agency division should ask you to complete the form again, you may submit a copy of the form you originally submitted (if the information has not changed), unless you are advised otherwise.

H. Attachments
   If you provide equal benefits, as indicated by your answers to Question 2c on the Declaration form, YOU MUST ATTACH DOCUMENTATION TO THIS FORM, unless such documentation does not exist. See item 3, “Documentation for Nondiscrimination in Benefits.” If documentation does not exist, attach an explanation (e.g., some of your policies are unwritten).

I. If your answers change
   If, after you submit the Declaration, your company/organization’s nondiscrimination policy or benefits change such that the information you provided to the Agency is no longer accurate, you must advise the Agency promptly by submitting a new Declaration.

The Agency realizes that it may not be possible to make this assurance now.

HEALTH CARE ACCOUNTABILITY POLICY (HCP) DECLARATION

What the Ordinance does. The San Francisco Redevelopment Agency adopted the San Francisco Health Care Accountability Policy (the "HCP"), which became effective on September 25, 2001. The HCP requires contractors and subcontractors that provide services to the Agency, contractors and subcontractors that enter into leases with the Agency, and parties providing services to tenants and sub-tenants on Agency property to choose between offering health plan benefits to their employees or making payments to the Agency or directly to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits approved by the Agency Commission (2) pay the Agency $3.00 per hour for each hour the employee works on the covered contract or subcontract or on property covered by a lease (but not to exceed $120 in any week) and the Agency will appropriate the money for staffing and other resources to provide medical care for the uninsured, or (3) participate in a health benefits program developed by the Agency.

The Agency may require contractors to submit reports on the number of employees affected by the HCP.

Effect on Agency contracting. For contracts and amendments signed on or after September 25, 2001, the HCP will have the following effect:

- in each contract, the contractor will agree to abide by the HCP and to provide its employees the minimum benefits the HCP requires, and to require its subcontractors to do the same.
- if a contractor does not provide the HCP's minimum benefits, the Agency can award a contract to that contractor only if the contract is exempt under the HCP, or if the contract has received waiver from the Agency.

What this form does. If you can assure the Agency now that, beginning with the first Agency's contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCP to your covered employees, and will ensure that your subcontractors also subject to the HCP do the same, this will help the Agency contracting process. The Agency realizes that it may not be possible to make this assurance now.

If you cannot make this assurance now, please do not return this form.

For more information, (1) see the complete text of the HCP, available from the Agency’s Contract Compliance Department at: (415) 749-2400.
