RESOLUTION NO. 167-2000
Adopted September 12, 2000

AUTHORIZING WAIVER OF AGENCY’S CONFLICT OF INTEREST PROVISION GOVERNING FORMER COMMISSIONER LYNETTE SWEET WORKING FOR THE BAYVIEW CENTER ARTS AND TECHNOLOGY (BAYCAT); HUNTERS POINT SHIPYARD REDEVELOPMENT PROJECT AREA

BASIS OF RESOLUTION

1. The Agency has adopted a Personnel Policy which, in Section IX, H, prohibits a present or former Commissioner or staff from acting on behalf of anyone other than the Agency on a matter in which the Agency has a direct and substantial interest and in which such Commissioner or staff personally and substantially participated in, unless approved in advance by the Agency.

2. Lynette Sweet is a former Agency Commissioner. As a Commissioner, Ms. Sweet personally and substantially participated in approving agreements with the Manchester Craftmen’s Guild, a Pennsylvania corporation, relating to the Bayview Center for Arts and Technology (BAYCAT), a California non-profit corporation, and in other decisions relating to the Hunters Point Shipyard Redevelopment Project Area (“Project Area”). It is anticipated that BAYCAT will develop a facility in the Project Area.

3. Former Commissioner Sweet has accepted a position with BAYCAT and has requested that the Agency approve a waiver of the Agency policy.

4. Agency staff recommends approval of the waiver because former Commissioner Sweet’s employment will not adversely affect the Agency or the City’s interest in the Project Area or other redevelopment projects.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that Lynette Sweet shall not be prohibited from working with Manchester Craftmen’s Guild, Bayview Center for Arts and Technology or any other activities at the Hunters Point Shipyard Redevelopment Project Area by virtue of Section IX,H of the Agency’s Personnel Policy.
