RESOLUTION NO. 192-2001

Adopted November 6, 2001

AUTHORIZING A MISSION BAY NORTH HOUSING LOAN AGREEMENT IN AN AMOUNT NOT TO EXCEED $1,966,515 TO MERCY HOUSING CALIFORNIA, A CALIFORNIA NON-PROFIT PUBLIC BENEFIT CORPORATION FOR THE DEVELOPMENT OF 139 UNITS OF AFFORDABLE SENIOR RENTAL HOUSING ON PARCEL 1 OF BLOCK N3a; MISSION BAY NORTH REDEVELOPMENT PROJECT AREA

BASIS FOR RESOLUTION

1. In furtherance of the objectives of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq., the “Law”), the Agency undertakes programs for the reconstruction and rehabilitation of slums and blighted areas in the City and County of San Francisco (the “City”).

2. On September 17, 1998, the Agency Commission approved the Mission Bay North and South redevelopment Plans and Owner Participation Agreements (“OPAs”) with Catellus Development Corporation (“Catellus”). The OPAs require that approximately 1,700 of the 6,000 housing units be affordable to low and moderate income households. Catellus is obligated to create approximately 255 affordable units as part of its development plans. The remaining 1,445 units will be developed by nonprofit housing developers selected by the Agency on approximately 16 acres of land that Catellus is required to contribute to the Agency. The 16 acres are composed of 3.8 acres in Mission Bay North and 12.2 acres in Mission Bay South. Catellus is generally required to contribute land to the Agency as it proceeds with its own developments.

3. The Agency’s Mission Bay Affordable Housing Policy (the “Policy”), also approved by the Commission on September 17, 1998, states that the type of housing to be built on the Agency land will select nonprofit developers for these sites through a Request For Qualifications (“RFQ”) process. The RFQ for Parcel 1 of Block N3a (“Site”) was developed in consultation with the Director of the Mayor’s Office of Housing and in compliance with the City’s affordable housing goals, as required by the Policy.

4. On August 15, 2000, the Agency Commission approved Catellus Development Corporation’s Major Phase Application for Blocks N3-N4a in the Mission Bay North Redevelopment Project Area. Pursuant to the terms of the Mission Bay North Owner Participation Agreement between the Agency and Catellus (“OPA”), the Site then became available for the Agency to select a developer.

5. On August 29, 2000, the Agency issued the Request for Qualifications (“RFQ”) for the Site, seeking nonprofit teams capable of developing and operating a 130-140 unit senior rental development for very low income households and related community and commercial space (the “Project”).
6. The Agency received Statements of Qualifications ("SOQs") from two nonprofit development teams by the response deadline: (1) Citizens Housing Corporation in partnership with Northern California Presbyterian Homes & Services, and the Goldman Institute on Aging; and, (2) Mercy Housing California ("Mercy") in partnership with Mercy Services Corporation as property manager and North & South of Market Adult Day Health (NSM) as service provider.

7. At its meeting on January 16, 2001, the Agency Commission authorized the Agency Executive Director to enter Exclusive Negotiations with Mercy and further authorized an Exclusive Negotiations Agreement (the "Agreement") with Mercy to clarify the obligations Mercy must fulfill to remain in Exclusive Negotiations leading to the execution of a Ground Lease Agreement and the development of the Site.

8. In 1999, the Agency received $1.4 million from the California Housing Finance Agency ("CHFA") Housing Enabled Local Partnerships ("HELP") Program for the purpose of creating a revolving loan fund to fund predevelopment and pre-construction costs incurred by developers of Agency Affordable Housing Parcels in Mission Bay. In 2001, the Agency received an additional $1.5 million so that a total of $2.9 million is available. The HELP Funds would be loaned through the end of construction at which time the Agency will substitute other Mission Bay Funds so that the HELP Funds will be available to lend to the next Agency Mission Bay affordable housing parcel.

9. On September 10, 2001, Mercy requested a Mission Bay North Housing Loan to pay for predevelopment and pre-construction associated with the Project.

10. At its meeting of October 19, 2001, the Citywide Affordable Housing Loan committee recommended approval of a Mission Bay North Housing Loan Agreement for $1,966,515 subject to the terms and conditions listed in the Loan Evaluation.
