AUTHORIZING EXECUTION OF A PERSONAL SERVICES CONTRACT WITH CIBER, INC., A DELAWARE CORPORATION, IN AN AMOUNT NOT TO EXCEED \$200,000, FOR CONSULTING SERVICES REGARDING THE ONEWORLD ACCOUNTING SOFTWARE SYSTEM UPGRADE

BASIS FOR RESOLUTION

1. The Redevelopment Agency of the City and County of San Francisco ("Agency") has made a commitment to computerizing its operations to improve staff productivity.
2. On April 23, 1991 by Resolution No. 99-91, the Agency approved the purchase of the JD Edwards Accounting Software. On June 26, 2001 by Resolution No. 117-2001, the Agency approved the consulting services with JD Edwards to cover the Phase I implementation of the OneWorld system upgrade for an amount not to exceed \$230,000. Phase I was completed in November 2001.
3. The Phase II implementation is necessary to complete the migration of the entire Agency accounting system. Agency staff issued a Request for Proposals and received three bids. Agency staff recommends Ciber, Inc., a Delaware corporation, for the Phase II project due to its expertise with this software.
4. The cost to the Agency will not exceed \$200,000. A portion of the funds (\$20,000) are available from the 2001-2002 budget and the balance will be paid from the 2002-2003 budget subject to the Board of Supervisors approval of the budget.
