RESOLUTION NO. 116-2004

Adopted October 5, 2004

AUTHORIZING A FIRST AMENDMENT TO THE GROUND LEASE MODIFYING THE DISTRIBUTION OF THE AGENCY'S PORTION OF RESIDUAL RECEIPTS; EXTENDING THE INITIAL TERM OF 67 YEARS WITH AN OPTION TO RENEW FOR AN ADDITIONAL 32 YEARS; AND AUTHORIZING AN MHP LEASE RIDER WITH JORDAN HOUSING CORPORATION, A CALIFORNIA NONPROFIT PUBLIC BENEFIT CORPORATION, IN CONJUNCTION WITH THE ACQUISITION AND REHABILITATION OF 55 VERY LOW-INCOME RENTAL UNITS, THE JORDAN APARTMENTS, 820 O'FARRELL STREET; CITYWIDE TAX INCREMENT AFFORDABLE HOUSING PROGRAM

BASIS FOR RESOLUTION

1. The Redevelopment Agency of the City and County of San Francisco ("Agency") has established a Citywide Tax Increment Affordable Housing Program to assist in the acquisition and rehabilitation of housing for low- and very low-income tenants.

2. The Agency previously provided a grant of $1,161,181 (the "Grant") and entered into a Regulatory and Grant Agreement (the "Grant Agreement") with Housing for Independent People, a California nonprofit public benefit corporation ("HIP"), dated May 12, 1993, which provided funds for the acquisition, rehabilitation and operation of 54 units of very low income housing and one property manager’s unit (the "Project") at the Jordan Apartments located at 820 O’Farrell Street (the "Property").

3. Concurrently with the Grant Agreement, the Agency also provided a loan in the amount of $261,493 (the "Loan") to HIP for the Project. HIP’s obligations to repay the Loan are secured by a Deed of Trust dated May 12, 1993 ("DOT") duly recorded in the Official Records of the City and County of San Francisco (the "City").

4. HIP assigned its interest in the Grant Agreement, the Loan and the Deed of Trust to 820 O’Farrell, Inc., a California nonprofit public benefit corporation, pursuant to an Assignment and Assumption Agreement, dated June 24, 1994, and later HIP filed bankruptcy in December 1995 due to financial difficulties. Since 820 O’Farrell, Inc. was a subsidiary of HIP, HIP’s bankruptcy affected the ability and desire of 820 O’Farrell, Inc. to own and operate the Project.
5. The Agency issued three Requests for Proposals ("RFP") between 1997 and 1999 in search of a qualified owner/operator for the Project. Conard House Inc., a California nonprofit public benefit corporation ("CHI"), is a qualified entity that responded to the last RFP in August 1999. In September 1999, the Affordable Housing Loan Committee recommended that the Agency Commission (the "Commission") accept CHI as an owner/operator and to proceed with the preparation of a request to rehabilitate the Property. CHI has been providing a variety of support services to residents since April 2000 that have substantially improved the quality of life for tenants residing at the Property.

6. The Agency took the necessary actions to secure its interests under the Deed of Trust and to clear the Project's title and foreclosed on the Property on October 15, 2001 becoming the owner of record. John Stewart Company continues to provide property management services.

7. By Resolution 37-2002 dated February 26, 2002, the Commission authorized a $75,000 Predevelopment Grant Agreement to permit CHI to make the necessary investigations and assessments to prepare them for ownership and operation of the Jordan Apartments.

8. By Resolution 208-2002 dated December 11, 2002, the Commission authorized a first amendment to the Predevelopment Grant Agreement with CHI to modify the Schedule of Performance.

9. CHI has established a single-asset nonprofit subsidiary, Jordan Housing Corporation, a California nonprofit public benefit corporation ("JHC"), to ultimately own and operate the Project.

10. JHC will apply for $1,250,000 in State of California Department of Housing and Community Development (the "HCD") Multifamily Housing Program Funds ("MHP") to partially fund the rehabilitation of the Project.

11. JHC has met the necessary due diligence requirements for entering into a Ground Lease.

12. The terms of the Ground Lease require an annual rent payment of $130,000 with a base rent payment of $1.00 per year, and a residual amount of $129,999.00 per year that is accruable.

13. The HCD will release their funds contingent upon a revised distribution of residual receipts giving the Agency 51 percent and the HCD 49 percent.

14. In accordance with the regulations governing the MHP funds, the initial term of the Ground Lease must extend to 67 years with an option to renew for an additional 32 years.
15. A lease rider is required by the HCD as part of their funding requirements to ensure that the HCD has certain cure rights and remedies in the event of default by JHC.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that the Executive Director is authorized to modify the distribution of the Agency’s portion of residual receipts; extend the initial term of the Ground Lease to 67 years with an option to renew for an additional 32 years and to authorize execution of an MHP lease rider and any other ancillary documents as necessary to complete this transaction with Jordan Housing Corporation, a California nonprofit public benefit corporation, for the acquisition and rehabilitation of 55 units of very low income rental housing at the Jordan Apartments, located at 820 O’Farrell Street, substantially in the form lodged with the Agency General Counsel.
