BASIS FOR RESOLUTION

1. The Redevelopment Agency of the City and County of San Francisco (the “Agency”) is a public body organized and existing pursuant to California Health and Safety Code Section 33000, et seq., (the “Law”) and is authorized by Chapter 8, beginning at California Health and Safety Code Section 33750, of the Law to finance residential construction and to issue mortgage revenue bonds to pay the cost of financing such residential construction.

2. Mercy Housing California XXXIV, a California limited partnership (the “Developer”), intends to develop the underutilized real property, owned by the Agency and located at 9th and Jessie Streets, Block 3508, Lot 54, San Francisco, California (the “Site”) in the Mid-Market Redevelopment Survey Area, with approximately 106 units of affordable housing for very low-income seniors and a manager’s unit on the Site (the “Project”).

3. On March 16, 2004, pursuant to determinations and findings regarding the financing and development of the Project made or reflected in Resolution No. 37-2004, the Agency Commission approved a grant in an amount not to exceed THREE MILLION FIVE HUNDRED SEVENTY-TWO THOUSAND TWO HUNDRED FOURTEEN and NO/100 DOLLARS ($3,572,214.00) (the “Grant”) to the Developer from funds in the Tax Increment Affordable Housing Fund for acquisition and predevelopment activities related to the Project.

4. On March 15, 2005, by Resolution Nos. 51-2005 and 52-2005, the Agency Commission approved the acquisition of the Site directly from the previous owner, VILO Properties, Inc., a California corporation, and Victor Honig and Lorraine Honig, as Trustees of the Honig 1986 Family Trust, pursuant to the Agency Commission’s authorization of the financing and development of the Project. On March 31, 2005, the Agency took ownership of the Site using the portion of the Grant funds that was originally intended for purchase of the Site by the Developer.
5. On October 3, 2006, the Agency Commission, by Resolution No. 134-2006, and pursuant to its approved plan for the phased financing of the Project, authorized the Agency to enter into an initial loan with the Developer for the development and construction of the Project for a total aggregate amount not to exceed EIGHTEEN MILLION ONE HUNDRED SEVENTY NINE THOUSAND THIRTY EIGHT AND NO/100 DOLLARS ($18,179,038.00).

6. Also, on October 3, 2006, by Resolution No. 136-2006, the Agency expressed its intention to issue multifamily housing revenue bonds on a tax exempt basis in an amount not to exceed $25,000,000 to finance a portion of the Project, which intention constituted an integral part of the financing of the Project as commenced through the aforesaid Grant and initial loan. On November 9, 2006, the Agency held a public hearing on the proposed issuance of such tax exempt bonds, as required under the Internal Revenue Code of 1986, as amended (the “Code”), following published notice of such hearing on October 26, 2006 and on November 2, 2006, and the Mayor of the City and County of San Francisco, as an applicable elected representative under the Code, approved the issuance of such tax exempt bonds on November 14, 2006.

7. On December 13, 2006, the California Debt Limit Allocation Committee approved an allocation of tax exempt multifamily mortgage revenue bonds in an amount not to exceed $25,000,000 based on the Developer's binding commitment to the Agency to complete the development of the Project in part with the proceeds of such bonds and in furtherance of the Agency’s authorized financing of the Project.

8. Acting pursuant to each of the foregoing actions, authorizations, approvals and commitments, the Agency intends to complete the implementation of its financing program for the Project through the issuance of its Redevelopment Agency of the City and County of San Francisco Tax Exempt Multifamily Housing Mortgage Revenue Bonds in one series in an amount not to exceed $25,000,000 designated as the Redevelopment Agency of the City and County of San Francisco Multifamily Housing Mortgage Revenue Bonds (Ninth and Jessie Senior Housing) 2007 (the “Bonds”). The proceeds of the Bonds will be advanced by Union Bank of California, N.A. as Agent (the “Agent”) for the account of the Agency to the Borrower, for the purpose of funding a loan in the maximum aggregate principal amount of $27,000,000 to finance the Borrower’s construction of the Project (the “Loan”) pursuant to the terms and conditions of a Construction Loan Agreement (the “Loan Agreement”) between the Borrower and the Bank (as defined below) in accordance with a Master Pledge and Assignment dated as of September 1, 2007 (the “Pledge and Assignment”), among the Agency, as issuer of the Bonds, the Agent, as agent, under and pursuant to that certain Master Agency Agreement dated as of September 1, 2007 (the “Agency Agreement”) between the Agency and the Agent, to Union Bank of California, N.A. as initial holder of the Bonds, and any successors and assigns (the “Holder”) and pursuant to certain conditions and requirements to be set forth in a Regulatory Agreement and Declaration of Restrictive Covenants, dated as of September 1, 2007, by and between the Agency and the Borrower (the “Regulatory Agreement”).
9. At all times during the foregoing events, the Agency has been and continues to be authorized and required pursuant to the Law to lend and distribute monies to nonprofit developers and sponsors for the specific and special purpose of increasing the housing stock in the City for very-low, low- and moderate-income households.

10. Pursuant to the requirements of the Agency and in furtherance of the purposes of the aforesaid grants and loans, the Borrower intends to finance the construction of the Project using, among other sources, the proceeds of the Loan. The Bonds to be issued to fund the Loan will be sold to Union Bank of California, N.A. (the "Bank") pursuant to and in furtherance of the purposes of the prior actions of the Agency with respect to the Project.

11. The Agency is authorized and required pursuant to the Law to adopt administrative, ministerial and other regulations that contain standards, qualifications and criteria for the making and approval of loans. In furtherance of the purposes of the foregoing actions, the Agency intends to implement these procedures and requirements in part through the adoption of more particular standards, qualifications and criteria for the making and approval of the Loan as heretofore authorized that are declarative of its prior policies and authorizations, as set forth in the letter dated as of October 2, 2006, from the Bank to the Borrower with respect to the Bank’s commitment to purchase the Bonds (the “Commitment Letter”), the Loan Agreement, the Pledge and Assignment, and the Regulatory Agreement, as the regulation of the Agency that contains standards, qualifications, and criteria for the making and approval of the Loan for purposes of the Law and the prior actions and authorizations of the Agency with respect to the Project and its financing.

12. The Agency hereby ratifies, confirms and affirms that all acts, conditions and things required by the Act and the Law, and by the Constitution and laws of the State of California and by prior Agency actions to exist, to have happened and to have been performed precedent to and in connection with the adoption of the particular standards, qualifications and criteria for the making and approval of the Loan that are set forth in the Loan Agreement, the Pledge and Assignment, the Regulatory Agreement and the Commitment Letter as the regulation of the Agency that contains standards, qualifications and criteria for the making and approval of the Loan for purposes of the Law and the consummation of the financing represented by the Bonds and the Loan do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the Agency continues to be duly authorized and empowered, pursuant to each and every requirement of law, to authorize the adoption of such particular standards, qualifications and criteria, to authorize the consummation of such financing and in furtherance and ratification thereof to authorize the execution and delivery of documents related to such consummation, for the purposes, in the manner and upon the terms contemplated in this Resolution and as contemplated and authorized in the prior resolutions and actions of the Agency adopted or taken in connection with the Project and its ongoing financing.
13. On October 4, 2005, the Agency Commission adopted Resolution No. 153-2005, which found that the schematic design for the development of the 9th and Jessie Senior Housing project located at 9th and Jessie Streets (Assessor’s Block 3508, Lot 51) would not have a significant environmental impact, provided that the mitigation measures identified in the Mitigated Negative Declaration for the project, as approved on June 10, 2004 in Motion No. 16813 of the San Francisco Planning Commission, are incorporated into the project.

14. The issuance, sale and delivery of tax exempt multifamily housing mortgage revenue bonds as previously authorized and contemplated by the Agency is an Implementing Action for the construction of the Project pursuant to the approved schematic design. Agency staff, in making the necessary findings for the Implementing Action contemplated herein, considered and reviewed the Mitigated Negative Declaration. Documents related to the Implementing Action and the Mitigated Negative Declaration have been and continue to be available for review by the Agency Commission and the public and are part of the record before the Agency Commission.

15. The Mitigated Negative Declaration and Resolution No. 153-2005 were and remain adequate, accurate and objective and are incorporated herein by reference as applicable to the Implementing Action.

FINDINGS

The Agency Commission hereby finds and determines that the adoption of particular standards, qualifications and criteria for the making and approval of the Loan and the use of low- and moderate-income housing funds and other funds of the Agency to assist in the consummation of financing of the Project as previously authorized and contemplated will be of benefit to the Agency’s redevelopment project areas.

The Agency Commission hereby further finds and determines that the issuance, sale and delivery of tax exempt multifamily housing mortgage revenue bonds for the 9th and Jessie Senior Housing project is an Implementing Action for the construction of the project pursuant to the approved schematic design and requires no additional environmental review pursuant to the California Environmental Quality Act (“CEQA”) (State CEQA Guidelines Section 15074) for the following reasons:

1. The Implementing Action will not change the scope of the project analyzed in the Mitigated Negative Declaration and no major revisions are required due to the involvement of new significant environmental effects or a substantial increase in the severity of significant effects previously identified in the Mitigated Negative Declaration.

2. No substantial changes have occurred with respect to the circumstances under which the project analyzed in the Mitigated Negative Declaration was undertaken that would require major revisions to the Mitigated Negative Declaration due to the
involvement of new significant environmental effects, or a substantial increase in the severity of effects identified in the Mitigated Negative Declaration.

3. No new information of substantial importance to the project analyzed in the Mitigated Negative Declaration has become available that would indicate that (a) the Implementing Action will have significant effects not discussed in the Mitigated Negative Declaration; (b) significant environmental effects will be substantially more severe; (c) mitigation measures found not feasible that would reduce one or more significant effects have become feasible; or (d) mitigation measures or alternatives that are considerably different from those in the Mitigated Negative Declaration will substantially reduce one or more significant effects on the environment.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that (1) it has reviewed and considered the Mitigated Negative Declaration and hereby adopts the CEQA findings set forth in Resolution No. 153-2005 incorporated herein and those set forth above and (2) subject to negotiation of an agreement with the Developer to the satisfaction of the Agency of financing and other Project related terms and conditions:

1. 2. Pursuant to the Act, the Agency hereby ratifies, affirms and confirms its authorization of the issuance, sale and delivery of the Bonds designated as the “Redevelopment Agency of the City and County of San Francisco Multifamily Mortgage Housing Revenue Bonds (Ninth and Jessie Senior Housing) 2007” (the “Bonds”). The Bonds shall be issued pursuant to the Pledge and Assignment. The terms of the Bonds of each series shall be as set forth in the Pledge and Assignment, as such agreement is executed and delivered by the Agency. The Executive Director, the Deputy Executive Director - Finance and Administration, and the Secretary of the Agency (each an “Authorized Officer”), each acting alone, are hereby authorized and directed to execute the Bonds on behalf of the Agency by manual or facsimile signature, in the form set forth in the Pledge and Assignment, with such changes, deletions and insertions as may be approved by such Authorized Officer upon consultation with legal counsel to the Agency, such approval being conclusively evidenced by the execution and delivery thereof, and the Authorized
Officers, each acting alone, are hereby authorized and directed to attest the Bonds in said form and otherwise in accordance with the Pledge and Assignment. The Bonds, when executed, shall be delivered to or upon the order of the Bank.

3. The Pledge and Assignment, the Agency Agreement, the Regulatory Agreement and the Loan Agreement, in the forms lodged with the Agency General Counsel, are hereby approved. The Authorized Officers, each acting alone, are hereby authorized for and on behalf of the Agency to execute and deliver the Pledge and Assignment, the Agency Agreement and the Regulatory Agreement (collectively, the “Bond Documents”) and approve the Loan Agreement in such forms, with such changes, additions or deletions as may be approved by such Authorized Officer upon consultation with legal counsel to the Agency, including such additions or changes as are necessary or advisable in accordance with Section 4 below, such approvals to be conclusively evidenced by the execution and delivery by such Authorized Officer of all of the Bond Documents.

4. All actions heretofore taken by the Agency and the officers and agents of the Agency with respect to the adoption of the standards, qualifications and criteria for the making and approval of the Loan and the sale and issuance of the Bonds are hereby approved, confirmed and ratified. The Executive Director, the Deputy Executive Director - Finance and Administration, the Treasurer, the Secretary and Assistant Secretaries, the Agency General Counsel and Deputy General Counsels and other officers of the Agency are hereby authorized and directed, jointly and severally, to do any and all things, and to execute and deliver any and all documents and certificates (including, without limitation, those in connection with tax compliance matters and continuing disclosure obligations) which they may deem necessary or advisable in order to adopt the standards, qualifications and criteria for the making and approval of the Loan and to consummate the lawful issuance, sale and delivery of the Bonds and the funding of the Loan, and otherwise to implement the purposes of this Resolution both before and after the delivery of the Bonds.
