RESOLUTION NO. 127-2007

Adopted December 4, 2007

ADOPTING AN EMPLOYMENT AND CONTRACTING POLICY FOR THE BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA;
BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA

BASIS FOR RESOLUTION

1. On March 7, 2006, the Redevelopment Agency of the City and County of San Francisco ("Agency") approved a proposed redevelopment plan for the Bayview Hunters Point Redevelopment Project Area ("Project Area").

2. On May 23, 2006, the Board of Supervisors of the City and County of San Francisco approved Ordinance No. 113-06 adopting the Bayview Hunters Point Redevelopment Plan ("Redevelopment Plan").

3. The Project Area comprises approximately 1,500-acres, including the 137-acre existing Hunters Point Redevelopment Project Area ("Project Area A") and the approximately 1,361 acre area expanded boundary ("Project Area B"), both located in the southeast quadrant of the City, generally bounded by Cesar Chavez Street to the North, US 101 to the West, San Mateo County to the South, and the San Francisco Bay to the East.

4. In adopting the Redevelopment Plan, the Agency and the City and County of San Francisco ("City") made a commitment to vigorous equal opportunity and diversity in employment in that the Redevelopment Plan proposes to achieve, among other things, the goal of encouraging the participation of area residents in the economic development that will occur.

5. In order to specifically address this goal, and with regard to local employment and contracting in particular, the Redevelopment Plan specifically states that the Agency, after consultation with the Bayview Hunters Point Project Area Committee ("PAC"), will adopt and implement programs for the Project Area that meet or exceed City policies regarding workforce development, contracting opportunities, and equal opportunity, particularly for economically-disadvantaged Bayview Hunters Point residents and businesses.

6. On September 19, 2006, the Agency and the City Planning Department ("Planning Department") entered into a Delegation Agreement whereby responsibility for implementing the land use entitlement process primarily rests with the Planning Department. Per the Delegation Agreement, the Planning Department shall not approve private "significant" projects in the Project Area unless the project sponsor has entered into an Employment and Contracting Agreement ("Agreement") with the Agency. Ongoing compliance with the Agreement shall become a condition of the permit.
7. In April 2007, Agency staff distributed a draft of the Bayview Hunters Point Employment and Contracting Policy ("Employment and Contracting Policy") to the PAC for its review that meets or exceeds the requirements of the City of San Francisco's Administrative Code Chapter 83 (First Source Policy) and CityBuild Program as well as meets the requirements of Health and Safety Code Section 33422.3 which states that for any contract over $100,000, the Agency may set specific percentages by craft or trade for the employment of available project area residents.

8. The Employment and Contracting Policy was designed to ensure that projects requiring Agency "action" as well as private "significant" projects (which do not receive Agency assistance), provide employment opportunities for lower-income Bayview Hunters Point residents and then San Francisco residents in the areas of construction, professional services, and permanent jobs. The Employment and Contracting Policy was also designed to supplement and not supplant existing Agency employment and contracting policies found in the Agency's Equal Opportunity Program and the Agency's Purchasing Policy and Procedures.

9. On October 18, 2007, after months of review and discussion at various meetings of the PAC subcommittees, the PAC voted to unanimously support and recommend adoption by the Agency Commission of the Employment and Contracting Policy.

10. On November 28, 2007, the Working Group ("Working Group") met to consider the Employment and Contracting Policy. By consensus the Working Group recommended that the policy goes to the Agency Commission for consideration.

11. Hence, Agency staff and the PAC urge the adoption of the Employment and Contracting Policy for the Project Area to become effective on or after December 4, 2007 ("Effective Date").

12. The Agency and the PAC shall review the effectiveness of the Employment and Contracting Policy after one (1) year of implementation.

13. The Agency finds that the adoption and implementation of the proposed Employment and Contracting Policy will not have a significant effect on the environment and does not constitute a project as defined by the California Environmental Quality Act ("CEQA") Guidelines Section 15378(b)(5).

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that it adopts the Employment and Contracting Policy substantially in the form attached as Exhibit A for the Bayview Hunters Point Redevelopment Project Area; and
BE IT FURTHER RESOLVED that the Executive Director is authorized to administer and implement the Employment and Contracting Policy, including but not limited to, negotiating and executing individual Employment and Contracting Agreements.

Adopted Resolution No. iv 11-20-07
I. PURPOSE

A. Purpose

1. Pursuant to California Community Redevelopment Law ("CRL") and consistent with long standing practice, the San Francisco Redevelopment Agency ("Agency") hereby adopts this Employment and Contracting Policy to ensure training and employment opportunities for lower-income residents in the Bayview Hunters Point ("BVHP") Redevelopment Project Area, including residents in the 94124 zip code, subject to the criteria set forth below.

2. In adopting the BVHP Redevelopment Plan, the Agency and the City and County of San Francisco ("City") have made a commitment to vigorous equal opportunity and diversity in employment. Thus, the Agency has proposed programs to encourage local hiring and contracting by the private sector engaged in development in the Project Area.

3. This BVHP Employment and Contracting Policy is designed to ensure that Agency Action Projects and private Significant Projects (which do not receive Agency assistance), provide employment opportunities for lower-income BVHP Residents and San Francisco Residents in the areas of construction, professional services, and permanent jobs. This Policy will supplement and not supplant the existing Agency employment and contracting policies found in the Agency’s Equal Opportunity Program and the Agency Purchasing Policy, which are briefly summarized in Section X. The Employment and Contracting Policy seeks to provide economic benefits to existing BVHP Residents and San Francisco Residents from redevelopment activities within the Project Area. BVHP Residents have disproportionately lower income levels. As part of this policy, residents will be referred by the CBOs (defined below) that serve San Francisco lower-income residents. Therefore, the BVHP residential preference fulfills the purpose of providing economic opportunity to lower-income residents.

4. This Employment and Contracting Policy meets or exceeds the requirements of the City of San Francisco’s Administrative Code Chapter 83 (First Source policy) and CityBuild Program. Thus, entering into and complying with the terms of an Employment and Contracting Policy Agreement will satisfy the requirements of the City’s First Source Policy. It is also intended to satisfy the requirements of Health and Safety Code Section 33422.3 which states that for any contract over $100,000, the Agency may set specific percentages by craft or trade for the employment of available project area residents.

5. The Agency is committed to facilitating Project Sponsor, Contractor and Employer access to and the hiring of qualified BVHP and San Francisco Residents. To further this goal, the Agency will continue to contract with CBOs to provide education and referral programs and services which will allow BVHP and San Francisco Residents to be considered for employment.

6. The Agency and the Planning Department of the City and County of San Francisco ("Planning") entered into a delegation agreement as of September 19, 2006 (the "Delegation Agreement"). Per the Delegation Agreement, Planning shall not approve a Significant Project in the Project Area unless the Project Sponsor has entered into an Employment and Contracting Agreement(s) with the Agency. Ongoing compliance with such Agreements(s) shall become a condition of the permit.

7. This Employment and Contracting Policy shall be effective on or after , 2007 ("Effective Date").
8. The Agency and the PAC shall review the effectiveness of the new Employment and Contracting Policy after one (1) year of implementation.

II. HIRING GOALS

A. Construction Workforce Hiring Goal

1. The Employment and Contracting Policy has a goal that fifty percent (50%) of construction workforce hires for each trade be qualified BVHP Residents and then San Francisco Residents with First Consideration to BVHP Residents. This goal is expressed as a percentage of each Contractor’s total hours of employment and training by trade on the project. The procedure for meeting the construction workforce goal is set forth in Section VII.

B. Permanent / Temporary Workforce Goal

1. The Employment and Contracting Policy has a goal that fifty percent (50%) of permanent / temporary workforce hires be qualified BVHP Residents and then San Francisco Residents with First Consideration given to BVHP Residents. The procedure for meeting the permanent / temporary workforce goal is set forth in Section IX.

C. Trainee Goals

1. The Employment and Contracting Policy requires that all design professionals (architects, engineers, planners, and environmental consultants) on contracts over $100,000, hire qualified BVHP Residents and then San Francisco Residents with First Consideration given to BVHP Residents as trainees. The trainee hiring goal for architects, engineers and other design professionals is based upon the total amount of the design professional’s contract as follows:

<table>
<thead>
<tr>
<th>Trainees</th>
<th>Design Professional Fees</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>$ 0 - $ 99,000</td>

Agency Action Projects will require the Project Sponsor to execute an Employment and Contracting Agreement with the Agency as a condition of approval. The construction workforce goal, permanent / temporary workforce goal and the trainee hiring goal for professional services contracts all apply to this type of project.

Page 24 contains a BVHP Employment and Contracting Policy Matrix which also gives an overview of the application of the policy by project type.
2. Additionally, the Agency’s Small Business Enterprise ("SBE") Program, as amended from time to time, will apply when Project Sponsors on Agency Action Projects contracts for professional / personal services related to the project, such as planning studies, building and/or landscape design, economic or feasibility studies, community outreach services, printing or graphic production. The SBE participation goal is a good faith effort that 50% of the subcontracting opportunities go to Agency certified SBEs with First Consideration given to SBEs within the Project Area.

3. In addition to the local hiring and small business contracting programs listed above, Project Sponsors will be required to comply with the Agency’s Equal Opportunity Program which include:

   o Nondiscrimination in Contracts and Equal Benefits Policy
   o Minimum Compensation Policy
   o Health Care Accountability Policy
   o Agency Prevailing Wage Policy (Labor Standards)

4. The Agency’s Equal Opportunity Program is described briefly in Section X.

5. The requirements of the Employment and Contracting Policy and the Agency’s Equal Opportunity Policies will be incorporated into an Agreement. The Agency’s Executive Director will review and approve the Agreement on behalf of the Agency. Adherence to the Agreement shall be monitored by the Agency’s Contract Compliance Division. CityBuild is an initiative of the Mayor's Office of Economic and Workforce Development, in partnership with other City departments, that utilizes City-sponsored construction as a vehicle to deliver training and employment opportunities to San Francisco residents. When the Agency is providing additional funding for a City funded public project, Agency staff shall work with CityBuild and the lead City department to consider implementation of elements of the Agency Employment and Contracting Policy as well as the Equal Opportunity Program.

2. The purpose of CityBuild is to ensure equal employment opportunities for San Francisco residents of all backgrounds and genders in construction workforce activities provided under City-sponsored construction projects. CityBuild establishes a goal of 50% participation for San Francisco residents in each trade for total hours worked on a project. CityBuild creates a single, responsible and accountable entity, Mayor's Office of Economic and Workforce Development, to direct construction employment and training efforts across projects and departments and develops trained, committed men and women to become the construction workforce of the future.

3. The Agency's Equal Opportunity Program is described briefly in Section X.

D. **Small Private Projects**

Bayview Hunters Point
Employment and Contracting Policy

- BVHP Employment and Contracting Policy

   For Construction Workforce – From the date of the Employment and Contracting Agreement until two (2) years thereafter or the expiration of the building permit for the project, whichever is later.

   For Trainee Hiring – From the date of the Employment and Contracting Agreement until two (2) years thereafter or the expiration of the building permit for the project, whichever is later.

   For Permanent / Temporary Workforce – Up to ten (10) years from the date of the temporary certificate of occupancy per building, as determined through good faith negotiations between the Project Sponsor and the Agency based upon the anticipated number of permanent and/or temporary positions created by the Project.

VI. APPLICABLE COMMUNITY REDEVELOPMENT LAWS

1. The Employment and Contracting Policy is designed to further the objectives of the Community Redevelopment Law that redevelopment project areas support local businesses and lower-income BVHP Residents in the revitalization efforts of the Agency. Specifically, the Community Redevelopment law (which is codified in the California Health and Safety Code) states:

   33422.1. Preference in Awarding Contracts to Local Businesses.
   To the greatest extent feasible, contracts for work to be performed in connection with any redevelopment project shall be awarded to business concerns which are located in, or owned in the substantial part by persons residing in, the project area.

   33422.3. Agency Specification of Workmen to be Lower-Income Project Area Residents for Certain Contracts.
   To insure training and employment opportunities for lower-income project area residents, the agency may specify in the call for bids for any contract over one hundred thousand dollars ($100,000) for work to be performed in connection with any redevelopment project that project area residents, if available, shall be employed for a specified percentage of each craft or type of workmen needed to execute the contract or work.
33423. Prevailing Wage Rates Required.

Before awarding any contract for such work to be done in a project, the agency shall ascertain the general prevailing rate of per diem wages in the locality in which the work is to be performed, for each craft or type of workman needed to execute the contract or work, and shall specify in the call for bids for the contract and in the contract such rate and the general prevailing rate for regular holiday and overtime work in the locality, for each craft or type of workman needed to execute the contract.

33424. Payment of Prevailing Wages.

The contractor to whom the contract is awarded and any subcontractor under him shall pay not less than the specified prevailing rate of wages to all workmen employed in the execution of the contract.

33425. Penalty for Noncompliance with Prevailing Wages.

As a penalty to the agency which awarded the contract, the contractor shall forfeit ten dollars ($10) for each calendar day or portion thereof for each workman paid less than the stipulated prevailing rates for any public work done under the contract by him or by any subcontractor under him. A stipulation to this effect shall be included in the contract.

33426. Record of Wages.

Each contractor and subcontractor shall keep an accurate record showing the name, occupation, and actual per diem wages paid to each workman employed by him in connection with the work. The record shall be kept open at all reasonable hours to the inspection of the agency.

VII. CONSTRUCTION WORKFORCE HIRES

A. Procedures For Construction Workforce Hires

1. Compliance with the Policy

The Project Sponsor agrees and will require each Contractor and all subcontractors to use its good faith efforts to employ 50% of its construction workforce hires by trade and by hours from qualified BVHP Residents and then San Francisco Residents with First Consideration to BVHP Residents. Project Sponsors and Contractors will be deemed in compliance with this Employment and Contracting Policy by meeting or exceeding the goal or by taking the following steps in good faith towards compliance.

2. Execute Employment and Contracting Agreement

The Project Sponsor shall execute an Agreement which details the requirements of the Employment and Contracting Policy, as well as the Agency’s Equal Opportunity Program, if applicable.    The general contractor shall submit, to the extent available, labor force projections to the Compliance Officer within two (2) weeks of award.

4. **Submit Subcontractor Information Form**

   The general contractor shall submit to the Compliance Officer the Subcontractor Information Forms, twenty-four (24) hours prior to the preconstruction meeting. The Subcontractor Information Forms are available from the Compliance Officer upon request.

5. **Preconstruction Meeting**

   The general contractor shall hold a preconstruction meeting which shall be attended by the Compliance Officer, the CBO assigned to the proposed project, all prime contractor(s) and all subcontractor(s). The preconstruction meeting shall be scheduled between two (2) days and thirty (30) days prior to the start of construction at a time and place convenient to all attendees. The purpose of the meeting is to discuss: the hiring goals, workforce composition, role of the CBOs, worker referral process, certified payroll reporting, procedure for termination and replacement of workers covered by this policy and to explore any anticipated problems in complying with the Employment and Contracting Policy. All questions regarding how this Employment and Contracting Policy applies to the Project Sponsor, general contractor, subcontractors and consultants should be answered at this meeting. Failure to hold or attend at least one (1) preconstruction meeting will be a breach of this Employment and Contracting Policy that may result in the Agency ordering a suspension of work until the breach has been cured. Suspension under this provision is not subject to arbitration.

6. **Submit Construction Worker Request Form**

   For the Term of the Agreement, each time the Project Sponsor or Contractor seeks to hire workers for the construction or rehabilitation of improvements, they must first submit, by fax, email or hand delivery, an executed construction worker request form to the CBO. Preferably this request will be submitted at least two (2) business days before the workers are needed. However, requests with less than two (2) business days notice will be accepted. The construction worker request form will indicate generally: the number of workers needed, duration needed, required skills or trade and date/time to report. The construction worker request form is available from the CBO or Compliance Officer upon request.

7. **Response from CBO**

   The CBO shall respond, in writing, via fax, email or hand delivery to each request for construction workers. The response shall state that the CBO was able to satisfy the request in full, in part or was unable to satisfy the request. The CBOs shall look to their own referral lists, as well as confer with other CBOs and CityBuild in an attempt to find qualified BVHP Residents and San Francisco Residents. If the CBO is able to satisfy the request in full or in part, it shall direct the qualified BVHP Resident(s) or San Francisco Resident(s) to report to the Contractor on the date and...
time indicated in the request. If the CBO is unable to satisfy the request, then the CBO shall send a fax or email stating that no qualified BVHP Residents or San Francisco Residents are currently available.

8. **Action by Contractor When Referrals Available**

The Project Sponsor or Contractor whose request has been satisfied in full or in part shall make the final determination of whether the BVHP Residents or San Francisco Residents are qualified for the positions and the ultimate hiring decision. The Agency strongly encourages the Contractor to hire the qualified BVHP Residents or San Francisco Residents referred by the CBO. However, if the Contractor finds the BVHP Residents or San Francisco Residents are not qualified, then the Contractor shall send the BVHP Residents or San Francisco Residents back to the CBO. Before the close of business on the same day, the Contractor shall fax or email a statement addressed to the CBO stating in detail the reason(s) the BVHP Residents or San Francisco Residents were not qualified or the reason(s) for not hiring the BVHP Residents or San Francisco Residents. The CBO shall, within one (1) business day of receipt of the fax or email, send new qualified BVHP Residents or San Francisco Residents that meet the legitimate qualifications set by the Contractor or alternatively, send a fax or email stating that no qualified BVHP Residents or San Francisco Residents are currently available.

9. **Action by Contractor When Referrals Unavailable**

If a Contractor receives a response from the CBO stating that no qualified BVHP Residents or San Francisco Residents are currently available, then the Contractor may hire the number of construction workers requested from the CBO, using its own recruiting methods, giving first consideration to BVHP Residents and then San Francisco Residents. Any additional new construction workforce hires (including the replacement of any terminated workers) must comply with this Employment and Contracting Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from the CBO as proof of compliance and submit a copy of each response received to the Agency Compliance Officer upon request.

10. **Action by Contractor When No Response From CBO**

If a Contractor has not received a response to its construction worker request from the CBO within two (2) business days, then the Contractor should immediate advise the Agency Compliance Officer by phone, fax or email. The Agency Compliance Officer or his/her designee shall cause a response to be sent to the Contractor within two (2) business days of being notified. If the Contractor does not receive a response from the CBO within four (4) business days (the original two (2) business days plus the additional two (2) business days), then the Contractor may hire the number of construction workers requested from the CBO, using its own recruiting methods, giving first consideration to BVHP Residents and then San Francisco Residents. Any construction workforce hires (including the replacement of any terminated workers) must comply with this Employment and Contracting Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from the CBO as proof of compliance and submit a copy of each response received to the Agency Compliance Officer upon request. This Employment and Contracting Policy is intended to provide qualified BVHP and San Francisco...
Residents with employment opportunities without causing undue delay in hiring needed construction workers.

11. **Action by Contractor When No Response From Union**

The Contractor should immediately advise the Agency Compliance Officer by phone, fax or email when the Contractor has sent a qualified BVHP Resident or San Francisco Resident to a union hall for referral in accordance with a collective bargaining agreement and the union did not refer the qualified BVHP or San Francisco Resident back for employment or when the union referral process impedes the Contractor’s ability to meet its obligations under this policy. Conflicts between this Employment and Contracting Policy and any collective bargaining agreements will be resolved pursuant to Section XI (4).

12. **Hiring Apprentices**

A Contractor may meet part of the Construction Workforce Goal by hiring apprentices. However, hiring an apprentice does not satisfy or waive the trainee hiring obligation, if any, for design professionals. Unless otherwise permitted by law, apprentices must be trained pursuant to training programs approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training or the California Department of Industrial Relations, Division of Apprenticeship Standards. Credit towards compliance will only be given for paid apprentices actually working on the project. No credit is available for apprentices while receiving class room training. Under no circumstances shall the ratio of apprentices to journeymen in a particular trade or craft exceed 1:5.

13. **Termination and Replacement of Referrals**

If at any time it becomes necessary to terminate for cause a construction worker who was hired under this Employment and Contracting Policy, the Contractor shall notify the CBO in writing via fax or email and submit a report of termination pursuant to Section VII (B)(4). If the Contractor intends to fill the vacant position, then the Contractor shall follow the process set forth in this Employment and Contracting Policy beginning at Section VII (A)(6).

**B. Reporting Requirements For Construction Workforce**

1. **Submission of Certified Payroll Reports**

Each Contractor subject to this Employment and Contracting Policy shall submit to the Agency a certified payroll report for the preceding work week on each of its employees. The Project Sponsor is ultimately responsible for the submission of these reports by the Contractors. The certified payroll report is due to the Agency by noon each Wednesday. To facilitate compliance, the Agency uses the online LCP Tracker system (www.lcptracker.com) for submission of certified payroll reports. This system is available at no cost to the Contractor and LCP Tracker is compatible with all major computer payroll systems. Training and educational materials for LCP Tracker are available at no cost online and through the Compliance Officer. Contractors are required to report certified payroll using the LCP Tracker system at www.lcptracker.com. However, a waiver shall be granted pursuant to Section XI (10) to any Contractors who do not have a computer, online access or who use a computer payroll system that is incompatible with LCP Tracker.

2. **Contents of Certified Payroll Reports**
If certified payroll records are submitted via the LCP Tracker system, the required data points are already listed. If certified payroll records are submitted in paper form, the records shall be organized in an easily understandable format and contain all the following information: the name, address, telephone number, residency (Bayview Hunters Point, another redevelopment project area, San Francisco or other), last four (4) digits of the worker's Social Security number\(^3\), gender, ethnicity (see codes in Section VII (B)(8)), construction trade (see codes in Section VII (B)(8)), classification (e.g., mechanic, apprentice, trainee, helper or laborer), union affiliation (if any), dates of changes in status, daily and weekly number of hours worked, hourly wage rates (including rates of contributions for costs anticipated for fringe benefits or cash equivalents thereof), deductions made and actual wages paid. The foregoing notwithstanding, the reporting of hourly wage rates, deductions and actual wages paid are not required for Significant Projects unless the Project Sponsor has voluntarily subscribed to the Agency's Prevailing Wage Policy or the payment of prevailing wages is otherwise required by law. To the degree that existing certified payroll records satisfy these requirements, the Contractor shall not be required to maintain separate records.

3. **Additional Information**

In order to prevent unlawful discrimination in the selection, hiring and termination of employees on the basis of race, ethnicity, gender or any other basis prohibited by law and to identify and correct such unlawful practices, the Agency will monitor and collect information on the ethnicity and gender of each construction worker and apprentice. If an identifiable pattern of apparent discrimination is revealed by this additional information, it will be treated as a breach of this Employment and Contracting Policy and may be addressed as set forth in Section XII, 
Architation of Disputes.

4. **Report on Terminations**

In the event a BVHP Resident or San Francisco Resident hired pursuant to this Employment and Contracting Policy is terminated for cause, the responsible Contractor shall within two (2) days fax or email a termination report to the CBO with a copy to the Agency Compliance Officer stating in detail: (1) the name of the worker(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); (4) whether the Contractor replaced the construction worker(s); and (5) whether the replacement worker(s) were BVHP Resident(s) or San Francisco Resident(s).

5. **Inspection of Records**

The Project Sponsor and each Contractor shall make the records required under this Employment and Contracting Policy available for inspection or copying by authorized representatives of the Agency, and shall permit such representatives to interview construction workers and apprentices during working hours on the job.

6. **Failure to Submit Reports**

If a Contractor fails or refuses to provide the reports as required it will be treated as a breach of this Employment and Contracting Policy and may be addressed as set forth in Section XII, Arbitration of Disputes.

---

\(^3\) Note: The Project Sponsor is required to provide complete Social Security numbers upon the request of the Agency.
## Submission of Good Faith Effort Documentation

If the Project Sponsor’s or Contractor’s good faith efforts are at issue, the Contractor shall provide the Agency with the documentation of its efforts to comply with this Employment and Contracting Policy and the Agreement. The Project Sponsor or Contractor must maintain for the duration of the Term, a current file of the names, addresses and telephone numbers of each BVHP Resident or San Francisco Resident applicant referral whether self referral, union referral or CBO referral and what action was taken with respect to each such individual.

## Coding Certified Payrolls

Each Contractor shall include, on the weekly payroll submissions, the code designating each construction worker’s and apprentice’s craft, skill level, protected class status and domicile in accordance with the following tables:

VIII. TRAINEE HIRES

A. Procedures For Trainee Hires

1. Compliance with the Policy

For architects, engineers and other design professionals only, there is a trainee hiring goal as set forth in Section II (C) above. These design professionals will be deemed in compliance with this Employment and Contracting Policy by meeting or exceeding the trainee hiring goal or by take the following steps in good faith towards compliance.

2. Execute Employment and Contracting Agreement

The Project Sponsor shall execute an Agreement which details the requirements of the Employment and Contracting Policy, as well as the Agency’s Equal Opportunity Program, if applicable. The Project Sponsor shall incorporate by reference or attach the Agreement to its contract with the architects, engineers and other design professionals. Thus, each design professional will be obligated to comply with the terms of the Agreement. The Project Sponsor and/or the design professionals shall retain the executed Agreements and make them available to the Agency Compliance Officer upon request.

3. Contact Educational Institutions

---

The same procedure for trainee hires applies to all design professionals regardless of whether the project is an Agency Action, private Significant Project, or small Private Project when the Project Sponsor has voluntarily subscribed to the Employment and Contracting Policy.

---
Bayview Hunters Point
Employment and Contracting Policy

Trainee Hires

The Agency works with the City, as well as educational institutions within the City, to provide a pool of student referrals to assist design professionals in meeting the trainee hiring goal. Within thirty (30) days of execution of the Agreement, the Agency Compliance Officer shall contact each design professional and provide it with the name, address and telephone number of a point of contact at the City, City College or other educational institutions in the Bay Area who have a current list of students who are BVHP Residents or San Francisco Residents and are available for hire as trainees. Each design professional shall call the City or educational institution(s) and request referrals for the required trainee positions. The request will indicate generally: (1) the number of trainees sought; (2) the required skills set (keeping in mind that these are trainee positions); (3) a brief description of job duties; (4) the duration of the trainee period; and (5) any other information that would be helpful or necessary for the educational institution to make the referral. The minimum duration of assignment is part-time for one semester. However, design professionals are strongly encouraged to offer longer trainee employment periods to allow a more meaningful learning experience. (For example, a half-time or full-time assignment over the summer.) Although the initial contact shall be made by phone, the educational institution(s) may require the design professionals to send a confirming letter or fill out a form which the educational institution will provide. Each design professional is required to timely provide all of the information requested by the City or educational institution(s) in order to get the referrals.

4. Response from Educational Institutions

Each educational institution may have a different way of referring applicants, such as: sending resumes directly to the design professional; having the applicant contact the design professional by phone; require design professionals to conduct on-campus interviews; or some other method. The timing and method of the response will normally have be discussed with the design professional during the initial phone request. The design professional is required to follow the process set by the educational institution(s) in order to get the referrals.

5. Action by Design Professionals When Referrals Available

The design professional shall give First Consideration to BVHP Residents and then to San Francisco Residents referred by the educational institution(s). The design professional shall interview each applicant prior to making the decision to hire or not to hire. The design professional shall make the final determination whether the applicant is qualified for the trainee position and the ultimate hiring decision. The Agency strongly encourages the design professional to hire a qualified BVHP Resident or San Francisco Resident referred by the educational institution(s). The design professional shall notify each BVHP Resident and San Francisco Resident interviewed and the CBO in writing of the hiring decision.

6. Action by Design Professionals When Referrals Unavailable

If after contacting all of the educational institutions provided by the Agency Compliance Officer, the design professional is informed that no qualified BVHP residents or San Francisco Residents are currently available, then the design professional should wait thirty (30) days and contact the educational institutions a second time to inquire whether qualified San Francisco Residents are currently available for hire as trainees. If no qualified San Francisco Residents are currently available after the second request, then the design professional has fulfilled its obligation under this Section VIII, provided that the design professional has acted in good faith. The design
professional must retain its file on all of the steps it took to comply with this policy and submit a copy of its file to the Agency Compliance Officer upon request.

7. **Action by Design Professional When No Response From Educational Institutions**

If a design professional has not received a response to its request for referrals from any of the educational institutions within five (5) business days after the design professional has fully complied with the procedures, if any, set by the educational institution(s) for obtaining referrals; then the design professional should immediately advise the Agency Compliance Officer by phone, fax or email. The Agency Compliance Officer or his/her designee shall cause the educational institution(s) to respond to the design professional within five (5) business days of the Agency Compliance Officer being notified. If the design professional still has not received a response from the educational institution(s) after this additional five (5) business day period has run, then the design professional has fulfilled its obligation under this Section VIII, provided that the design professional has acted in good faith. Each design professional must retain its file on all of the steps it took to comply with this policy and submit a copy of its file to the Agency Compliance Officer upon request.

8. **Termination of Trainee for Cause**

If at any time during the Term, it becomes necessary to terminate for cause a trainee who was hired under this Employment and Contracting Policy and the design professional has not met the minimum duration requirements under this policy, then the design professional shall hire a new trainee by following the process set forth in Section VIII(A)(3) above.

**B. Reporting Requirements For Trainee Hires**

1. **Annual Reporting**

   Annually, during the Term of the Agreement or the term of the design professional’s contract with the Project Sponsor, whichever is less, the Employer shall fax or email a report to the Agency Compliance Officer stating in detail: (1) the names of the BVHP Resident(s) or San Francisco Resident(s) interviewed in the past year for trainee positions; (2) the date(s) of each interview; (3) the reasons for not hiring the BVHP Residents or San Francisco Residents interviewed; (4) the name, address, gender and racial/ethnic background of the successful candidate for the trainee position; (5) whether the successful candidate is a BVHP or San Francisco Resident; (6) the maximum number of trainees the Employer has had within the last calendar year; and (7) the number of BVHP Residents and San Francisco Residents hired within the last calendar year.

2. **Report on Terminations**

   In the event a BVHP Resident or San Francisco Resident hired pursuant to this Employment and Contracting Policy is terminated for cause, the responsible design professional shall within five (5) days fax or email a termination report to the Agency Compliance Officer stating in detail: (1) the name of the trainee(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); (4) whether the design professional replaced the trainee(s); and (5) whether the new trainee(s) are BVHP Resident(s) or San Francisco Resident(s).

*Adopted Resolution No. 11-20-07*
IX. PERMANENT / TEMPORARY WORKFORCE POLICY

A. Permanent / Temporary Workforce Hires

1. Policy Statement

Due to the wide variety of development, both public and private, that occurs in the City and is anticipated to occur in the Project Area as redevelopment commences, it is difficult to develop a single hiring requirement or procedure that is appropriate in all situations. The Agency seeks to ensure that BVHP Residents have the opportunity to share in the permanent and temporary jobs that come from redevelopment in the Project Area. At the same time, the Agency seeks to assist Employers in meeting workforce demands for Significant Projects within the Project Area. The Agency has adopted a flexible approach to achieve these goals. The Employment and Contracting Policy sets an overall goal of 50% for permanent / temporary workforce hires but allows flexibility to tailor the remaining key terms of the Agreement to fit the specific project.

2. Compliance with the Policy

The Project Sponsor agrees and will require each Employer to use its good faith efforts to employ 50% of its permanent / temporary workforce from qualified BVHP Residents and then San Francisco Residents with First Consideration to BVHP Residents. Project Sponsors and Employers will be deemed in compliance with this Employment and Contracting Policy by meeting or exceeding the goal or by documenting the good faith efforts as set forth in the Agreement.

3. Negotiate and Execute Employment and Contracting Agreement

The Project Sponsor shall negotiate in good faith with the Agency’s Contract Compliance staff to reach agreement on: (a) the Term of the Agreement; (b) the job titles or type of positions subject to this hiring obligation; (c) procedures for fulfilling the hiring obligation or meeting the good faith efforts; and (d) reporting requirements. These negotiations will be based upon the anticipated number of permanent and/or temporary positions created by the project. The executed Agreement will set forth the mutually agreed upon details, as well as the requirements of the Agency’s Equal Opportunity Program, if applicable. The Project Sponsor shall incorporate by reference or attach the Agreement to its contract with the Employer. The Project Sponsor and/or Employer shall retain the executed Agreement and make it available to the Agency Compliance Officer upon request.

4. Review of Permanent / Temporary Workforce Policy

Working with the PAC, the CBOs and the City’s workforce development systems, the Agency will review the Permanent / Temporary Workforce Policy and will revise the procedures and goals as necessary to ensure that BVHP and San Francisco Residents are given First Consideration for these job opportunities.

5 The same procedure for permanent / temporary workforce hires applies to all Project Sponsors regardless of whether the project is an Agency Action, private Significant Project, or small Private Project when the Project Sponsor has voluntarily subscribed to the Employment and Contracting Policy.
X. AGENCY EQUAL OPPORTUNITY PROGRAM

A. Compliance with Agency’s Equal Opportunity Program

Compliance with some or all of the Agency’s Equal Opportunity Program may be mandatory or voluntary depending on whether the development is an Agency Action Project, private Significant Project, CityBuild / public improvement project or a small Private Project. The components of the Agency’s Equal Opportunity Program are described briefly below for reference. The full policies and procedures associated with these programs are available from the Agency’s Contract Compliance Division.

1. Small Business Enterprise Program

The Agency’s Small Business Enterprise (“SBE”) Program was adopted by Agency Resolution No. 133-2004 on November 16, 2004, as part of the Agency’s Interim Purchasing Policy and Procedures, and may be amended from time to time. The SBE Program provides for first consideration in awarding subcontracts and sub-consulting opportunities to Agency certified local small business enterprises. The SBE Program is designed to help ensure that SBEs have a fair opportunity to compete for and participate in contracts related to Agency- Action Projects and other projects that are subject to the SBE Program. SBEs are divided into three groups: (1) Project Area SBEs, (2) Local SBEs (outside an Agency project or survey area, but within San Francisco), and (3) all other SBEs (outside of San Francisco). If subject to the SBE Program, the Project Sponsor and its Contractors and Employers must make good faith efforts to achieve the goal of 50% SBE participation for professional / personal services, and construction contracts. The SBE Program sets a contracting goal and thus is different from the Employment and Contracting Policy which sets hiring goals. The Project Sponsor’s obligations under the SBE Program will be incorporated into a SBE Agreement (“SBE Agreement”). The Agency Executive Director will review and approve the SBE Agreement on behalf of the Agency. The Agency’s Compliance Officer will ensure compliance with the requirements and will report periodically to the BVHP PAC and the Agency Commission on compliance matters.

2. Nondiscrimination in Contracts and Equal Benefits Policy

The Agency’s Nondiscrimination in Contracts and Equal Benefits Policy was adopted by Agency Resolution No. 175-97 on September 9, 1997 and may be amended from time to time. The Nondiscrimination in Contracts and Equal Benefits Policy prohibits discrimination in contracting and which includes a prohibition on discrimination in providing benefits between employees with spouses and employees with domestic partners. This policy requires the Project Sponsor to agree not to discriminate against or segregate any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status). This policy also requires that employee benefits be equally available to domestic partners as they are to spouses.

3. Minimum Compensation Policy and Health Care Accountability Policies

The Agency’s Minimum Compensation Policy (“MCP”) and Health Care Accountability Policy (“HCAP”) were adopted by Agency Resolution 168-2001 on September 25, 2001 and may be amended from time to time. MCP requires that all “Covered Employees,” as defined therein, receive a minimum level of compensation. HCAP requires offering health plan benefits to Covered
Employees or to make payments to the City and County of San Francisco’s Department of Public Health, or to participate in a health benefits program developed by the City and County of San Francisco’s Director of Health.

4. **Agency’s Prevailing Wage Policy**

The Agency’s Prevailing Wage Policy (Labor Standards) was adopted by Agency Resolution No. 327-85 on November 12, 1985 and may be amended from time to time. The Agency’s Prevailing Wage Policy applies to projects: (i) covered under Labor Code Section 1720 et seq., (ii) that are Agency-Action Projects) or (iii) for which the Project Sponsor has voluntarily subscribed to this requirement. The Agency’s Prevailing Wage Policy references the State’s Labor Standards and the prevailing wage, benefits, eligibility, etc. are all calculated using the State’s standards. In many instances, both the California Labor Code and the Agency’s Prevailing Wage Policy will apply.

**XI. EMPLOYMENT AND CONTRACTING POLICY - ADDITIONAL PROVISIONS**

Project Sponsors, Contractors and Employers that are subject to this Employment and Contracting Policy (including those who have voluntarily subscribed to this policy) are subject to the following additional provisions.

1. **Designate a Point of Contact**

Each Project Sponsor, Contractor and Employer shall designate a responsible representative, manager or agent to monitor all employment-related activity under this Employment and Contracting Policy and to be the primary point of contact for issues arising under this policy.

2. **No Retaliation**

No person hired pursuant to this policy shall be discharged or in any other manner discriminated against by the Project Sponsor, Contractor or Employer because such person has filed any complaint or instituted or caused to be instituted any proceeding under or relating to enforcement of this Employment and Contracting Policy.

3. **No Discrimination**

There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status). The Project Sponsor, Contractors and Employers will ensure that applicants are employed, and that persons are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

Adopted Resolution No. 19

11-20-07
4. **Collective Bargaining Exclusion**

Notwithstanding anything to the contrary in this Employment and Contracting Policy, if an Agreement conflicts with an existing labor agreement or collective bargaining agreement to which a Project Sponsor, Contractor or Employer is a party, the labor agreement or collective bargaining agreement shall prevail. Nothing in this Employment and Contracting Policy shall be interpreted to interfere with or prohibit existing labor agreements or collective bargaining agreements. However, the Project Sponsor, Contractor or Employer will still be obligated to provide workforce needs information to the CBO prior to hiring and the Employer will be obligated to make good faith efforts to comply with the requirements of its Employment and Contracting Policy Agreement that do not conflict with the collective bargaining agreement.

5. **No Conflict with State or Federal Law**

This Employment and Contracting Policy is to be implemented in a manner that does not conflict with applicable federal or state laws.

6. **Existing Workforce**

Nothing in this Employment and Contracting Policy shall be interpreted in a manner that would require termination of the Project Sponsor’s, Contractor’s or Employer's existing workers and employees.

7. **Use of Debarred Entities Prohibited**

Neither the Project Sponsor, Contractor nor Employer shall enter into any subcontract with any person or firm that the Project Sponsor, Contractor or Employer knows or should have known is debarred from federal, state or local government contracts.

8. **Incorporation**

Whenever the Project Sponsor, Contractor or Employer subcontracts a portion of the work, it shall set forth verbatim and make binding on each subcontractor the provisions of this Employment and Contracting Policy. That subcontract shall then be deemed a Contractor or Employer for the purposes of this Employment and Contracting Policy and shall be subject to all of the requirements hereeto.

9. **Severability**

If any part or provision of this Employment and Contracting Policy or the application thereof to any person or circumstance is held to be invalid, then the remainder of this Employment and Contracting Policy, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this Employment and Contracting Policy are severable.

10. **Waiver**

Any of the Employment and Contracting Policy requirements may be waived by the Agency’s Executive Director, if he/she determines for good cause shown that a specific requirement is not relevant to the particular situation, would cause undue hardship, or that an alternative approach would better meet the goals of the Employment and Contracting Policy.

Adopted Resolution No. 20 11-20-07
XII. ARBITRATION OF DISPUTES

1. **Arbitration by AAA**
   
   Any dispute involving the alleged breach or enforcement of an Employment and Contracting Policy Agreement, including but not limited to disputes over qualification of referrals; whether termination was for good cause; and whether the Project Sponsor, Contractor or Employer has complied with this Employment and Contracting Policy Agreement in good faith shall be submitted to arbitration. The arbitration shall be submitted to the American Arbitration Association, San Francisco, California office (“AAA”) which will use the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. If there is a conflict between the Commercial Rules of the AAA and the arbitration provisions in this Employment and Contracting Policy, this Employment and Contracting Policy shall govern. The arbitration shall take place in the City and County of San Francisco.

2. **Demand for Arbitration**
   
   The party seeking arbitration shall make a written demand for arbitration (“Demand for Arbitration”). The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying the entities believed to be involved in the dispute; (2) a copy of the notice of default, if any, sent from one party to the other; and (3) any written response to the notice of default.

3. **Parties’ Participation**
   
   The Agency, Project Sponsor, Contractor, Employer and all persons or entities affected by the dispute shall be made Arbitration Parties. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such affected person or entity as an Arbitration Party.

4. **Agency Request to AAA**
   
   Within seven (7) business days after service or receipt of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration and any written response thereto from the Project Sponsor, Contractor and/or Employer. Such material shall be made part of the arbitration record.

5. **Selection of Arbitrator**
   
   One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the Arbitration Parties in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) business days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be the arbitrator’s agreement to: (i) submit to all Arbitration Parties the disclosure statement required under California Code of Civil Procedure Section 1281.9; and (ii) render a decision within thirty (30) days from the date of the conclusion of the arbitration hearing.
6. **Setting of Arbitration Hearing**

A hearing shall be held within ninety (90) days of the date of the filing of the Demand for Arbitration with AAA, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.

7. **Discovery**

In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05 as it may be amended from time to time.

8. **California Law Applies**

California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings in any Employment and Contracting Agreement.

9. **Arbitration Remedies and Sanctions**

The arbitrator may impose only the remedies and sanctions set forth below:

a. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance with the Employment and Contracting Policy Agreement.

b. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Employment and Contracting Policy Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Employment and Contracting Policy Agreement, other than those minor modifications or extensions necessary to enable compliance with the Employment and Contracting Policy Agreement.

c. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any Arbitration Party to comply with any of the requirements in the Employment and Contracting Policy Agreement. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.

d. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars ($50,000.00) or ten percent (10%) of the base amount of the breaching party’s contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of the Employment and Contracting Policy Agreement unless the breaching party has failed to cure after being provided written notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party.
whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

e. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

10. **Arbitrator's Decision**

The arbitrator will normally make his or her award within twenty (20) days after the date that the hearing is completed but in no event past thirty (30) days from the conclusion of the arbitration hearing; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

11. **Default Award; No Requirement to Seek an Order Compelling Arbitration**

The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) the person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.

12. **Arbitrator Lacks Power to Modify**

Except as expressly provided above in this Section XII, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the Employment and Contracting Policy Agreement or to negotiate new agreements or provisions between the parties.

13. **Jurisdiction/Entry of Judgment**

The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The prevailing Arbitration Party (ies) shall be entitled to reimbursement for the arbitrator's fees and related costs of arbitration. Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of competent jurisdiction.

*6 Mandatory means that the Project Sponsor is required to comply with the Agency’s policy. However, each Agency policy has its own threshold and compliance requirements. For example, the Agency’s Minimum Compensation Policy ("MCP") will apply to all Agency-Action projects but MCP has no compliance requirements for Project Sponsors with less than 25 employees.

*7 Voluntary but Encouraged means that the Project Sponsor is not required to comply with the Agency’s policy as a condition to developing the project. However, the Agency’s Contract Compliance Department will encourage the Project Sponsor to subscribe voluntarily to these Agency policies. If the Project Sponsor voluntarily agrees to comply with one or more Agency's policies, then those policies will be added as a condition to the building permit and at that point will become mandatory.

*8 Public Improvements and public/private project receiving City funds are subject to the State of California’s prevailing wage requirements per California Labor Code Section 1720 et seq.
