RESOLUTION NO. 39-2008

Adopted May 6, 2008

ESTABLISH AND ADMINISTER DEPOSITARY ACCOUNTS AND
MANAGE INVESTMENTS ON BEHALF OF THE REDEVELOPMENT
AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO

BASIS FOR RESOLUTION

1. Pursuant to the California State Government Code Section 53679, the
Redevelopment Agency of the City and County of San Francisco (hereafter
"Agency") is a local agency authorized to establish accounts with banks and other
statutorily designated financial institutions as needed and to conduct the business
of the Agency and enter into contracts regarding the Agency's bank and other
deposit relationships through Agency employees and officials.

2. Pursuant to the California State Government Code Section 53601, the Agency is
also a local agency authorized to invest funds not needed for the Agency’s
immediate needs in statutorily designated investments, including but not limited
to bonds, notes, certificates of indebtedness and other instruments and the Agency
is also authorized to pool its funds with the funds of other local agencies for
investment purposes.

3. The Agency desires to appoint certain personnel as Agency signatories and agents
authorized to: (i) establish depositary accounts with banks and other such
financial institutions, (ii) execute the disbursement of monies utilizing checks,
electronic fund transfers, or other means of payment, (iii) establish investment
accounts for the purpose of investing Agency monies, and (iv) execute the
purchase, sale, and trading of investments, all in accordance with the requirements
and standards imposed by applicable law.

4. Designating and authorizing certain Agency personnel to establish accounts to
conduct the business of the Agency is not a project, as defined by the California
Environmental Quality Act ("CEQA") Guidelines Section 15378(b)(5) because
such activities are normal administrative activities of the Agency, which will not
independently or directly result in a physical change in the environment and is
therefore not subject to environmental review under CEQA.
