RESOLUTION NO. 100-2008

Adopted September 2, 2008

AUTHORIZING A LETTER AGREEMENT WITH THE MAYOR’S OFFICE OF COMMUNITY INVESTMENT, IN AN AMOUNT NOT TO EXCEED $585,000, FOR THE ADMINISTRATION OF A FAÇADE AND TENANT IMPROVEMENT PROGRAM FOR THE THIRD STREET COMMERCIAL CORRIDOR AS PART OF THE LARGER CITYWIDE SF SHINES FAÇADE IMPROVEMENT PROGRAM, FROM SEPTEMBER 2, 2008 TO SEPTEMBER 1, 2009; BAYVIEW HUNTERS POINT REDEVELOPMENT PROJECT AREA (AREA B)

BASIS FOR RESOLUTION

1. On March 7, 2006, the Redevelopment Agency of the City and County of San Francisco (“Agency”) approved a proposed redevelopment plan for the Bayview Hunters Point Redevelopment Project Area (“Project Area”).

2. On May 23, 2006, the Board of Supervisors of the City and County of San Francisco approved Ordinance No. 113-06 adopting the Bayview Hunters Point Redevelopment Plan (“Redevelopment Plan”).

3. The Project Area comprises approximately 1,500 acres, including the 137-acre existing Hunters Point Redevelopment Project Area (“Project Area A”) and the approximately 1,361-acre area expanded boundary (“Project Area B”), both located in the southeast quadrant of the City, generally bounded by Cesar Chavez Street to the North, US 101 to the West, San Mateo County to the South, and the San Francisco Bay to the East.

4. The 2002 Bayview Hunters Point Revitalization Concept Plan (“Concept Plan”), the embodiment of the community’s planning process leading up to the Redevelopment Plan, discussed the immediate need for a façade improvement program for Third Street in the “Town Center.” In accordance with the Concept Plan’s vision, the 2006 Redevelopment Plan specifically describes and authorizes the development of façade and small business assistance programs for Project Area B in Section 3.5, Proposed Economic Development Programs.

5. The Mayor’s Office of Community Investment (“MOCI”), in collaboration with the Mayor’s Office of Economic and Workforce Development (“MOEWD”), currently administers the City’s SF Shines Façade Improvement Program, a citywide program that provides grants and design assistance to property owners and merchants to improve facades, storefronts, and signs. The program targets economically distressed business corridors, including the Third Street Corridor in Bayview Hunters Point.
6. In early 2008, MOCI, MOEWD and Agency staff began to develop a proposal whereby the Agency would cooperatively implement a façade and tenant improvement program for Third Street with MOCI as the primary administrator, and as part of the City’s larger implementation of the existing SF Shines Façade Improvement Program. The Third Street program would provide matching grants and design assistance to property owners and merchants to improve façades, storefronts, signs as well as interior tenant improvements.

7. Staff brought forward a draft of this proposal to both the Bayview Hunters Project Area Committee and the Bayview Merchants Association, incorporated their feedback and gained support for the proposal.

8. Accordingly, staff recommends authorizing a twelve-month letter agreement (“Letter Agreement”) with MOCI for the administration of a façade and tenant improvement program for the Third Street commercial corridor as part of the larger citywide SF Shines Façade Improvement Program, in an amount not to exceed $585,000.

9. The Third Street façade and tenant improvement program is exempt from the California Environmental Quality Act (“CEQA”), pursuant to CEQA Guidelines Section 15301(a). Interior and exterior alterations of existing facilities will not expand existing uses and will not result in a significant effect on the environment. The Letter Agreement with MOCI is not a Project as defined by CEQA Guidelines Section 15378(b)(5). The administration of the façade and tenant improvement program by MOCI would not independently result in a significant physical effect on the environment.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that it authorizes the Letter Agreement, attached as Exhibit A, with the Mayor’s Office of Community Investment, in an amount not to exceed $585,000, for the administration of a façade and tenant improvement program for the Third Street commercial corridor as part of the larger citywide SF Shines Façade Improvement Program, from September 2, 2008 to September 1, 2009, substantially in the form lodged with the Agency General Counsel.
