RESOLUTION NO. 112-2008

Adopted September 16, 2008

AUTHORIZING A LOAN AGREEMENT
WITH HUNTERS VIEW ASSOCIATES, L.P., A CALIFORNIA LIMITED
PARTNERSHIP, IN AN AMOUNT NOT
TO EXCEED $4,410,206 FOR PHASE I PREDEVELOPMENT AND
CONSTRUCTION OF THE LOW AND MODERATE-INCOME
HOMEOWNERSHIP UNITS AT THE HUNTERS VIEW HOUSING
DEVELOPMENT AT MIDDLE POINT AND WEST POINT ROADS, AND
MAKING ENVIRONMENTAL FINDINGS PURSUANT TO THE CALIFORNIA
ENVIRONMENTAL QUALITY ACT; BAYVIEW HUNTERS POINT
REDEVELOPMENT PROJECT AREA
(AREAS A AND B)

BASIS FOR RESOLUTION

1. The Redevelopment Agency of the City and County of San Francisco (the
   “Agency”) is authorized by the California Community Redevelopment Law
   (Health and Safety Code, Section 33000 et seq.), to distribute monies from its Tax
   Increment Affordable Housing Fund to developers for the specific purpose of
   increasing and maintaining the housing stock in the City and County of San
   Francisco affordable by very low-, low-, and moderate-income households.

2. The Hunters View site is an approximately 21 acre site currently improved with
   267 housing units generally known as 227-229 West Point Road (Block 4624,
   Lots 3, 4 & 9 and Block 4720, Lot 27, collectively referred to as the “Site”),
   located in Areas A and B of the Bayview Hunters Point Redevelopment Project
   Area, which is owned and operated by the San Francisco Housing Authority
   (“SFHA”). A portion of the Site, consisting of an approximately 1.65 acre parcel
   (Block 4720, Lot 27, hereafter the “Agency Parcel”), is owned by the Agency.

3. In 2003, SFHA (owner and operator of the 267 existing Hunters View rental
   units) issued a Request for Qualifications for a developer to redevelop the Hunters
   View public housing property, a severely distressed site that could not feasibly be
   rehabilitated.

4. In August 2005, SFHA selected the development team known as the Hunters
   View Community Partners, the predecessor-in-interest to Hunters View
   Associates, L.P., a California limited partnership (the “Borrower”).

5. The Borrower’s general partners are the managing general partners, The John
   Stewart Company, a California corporation, and two co-general partners, Devine
   and Gong, Inc., a California corporation, and Hunters Point Affordable Housing,
   Inc., a California nonprofit public benefit corporation which is a wholly owned
   subsidiary of the Ridge Point Non-Profit Housing Corporation, also a California
   nonprofit public benefit corporation.
6. The Borrower will demolish the existing 267 housing units and develop the Site in three phases. Upon completion, the Site will contain the following potential unit mix: (a) 267 housing units that will replace all of the existing 267 housing units and will be rented to low-income households; (b) approximately 83 units will be constructed for rent to low-income tenants (collectively referred to as “Very Low-Income Rental Units”); (c) approximately 58 units will be constructed for sale to first-time homebuyers in accordance with the Agency’s Limited Equity Homeownership Program ("Low and Moderate-Income Homeownership Units"); and (d) approximately 17-20 units that may be constructed by Habitat for Humanity San Francisco, (collectively the “Project”). Borrower also intends to construct approximately 315 new housing units to be sold at market rates, which are not considered to be part of the Project for the purpose of the predevelopment loan requested by Borrower.

7. Borrower intends to work with SFHA to subdivide the Site into numerous lots for transfer of lots in fee or by ground lease to facilitate the financing and development of the residential components described in Recital 6 above.

8. If authorized by the Agency, the Agency Parcel will be conveyed to either SFHA for conveyance to the Borrower or directly to the Borrower for development in connection with the Project, subject to the Borrower’s successful completion of conditions precedent to such disposition to be hereafter specified by the Agency.

9. Borrower has previously obtained a loan pursuant to the Loan Agreement (City and County of San Francisco Home Program) between the Borrower and the City and County of San Francisco dated as of March 8, 2007, in the amount of Five Hundred Ninety-Seven Thousand Nine Hundred Dollars ($597,900) for certain Project predevelopment costs, including the conceptual design and engineering studies for the Project and Borrower has also secured a recoverable grant from the Local Initiatives Support Coalition in the amount of Fifty Thousand Dollars ($50,000) for the Project.

10. On September 18, 2007, pursuant to Resolution No. 100-2007, the Agency Commission authorized an unsecured predevelopment loan in the amount of $1,500,000 to undertake design development, environmental, entitlements and construction activities related to Master Planning of the Project, to be repaid when permanent financing is obtained for any portion of the Project.

11. On December 7, 2007, the Citywide Loan Committee, as part of the HOPE SF Program, approved a predevelopment loan in the amount of $1,500,000 for Master Planning of the Project.

12. On May 6, 2008, pursuant to Resolution No. 42-2008, the Agency Commission authorized an additional predevelopment loan in an amount not to exceed $1,904,679 for Phase I of the Project, in order to undertake Phase I schematic design development, apply for entitlements and permits, and related Phase I tasks.
13. The Phase I Predevelopment Loan provides funding for predevelopment activities for the Affordable Rental Units and the Affordable Homeownership Units. Financing for the Affordable Rental Units and the Affordable Homeownership Units requires two different ownership entities; and the Phase I Predevelopment Loan amount needs to be allocated between the Affordable Rental Units and the Affordable Homeownership Units, so that the appropriate amount of predevelopment financing can be reflected in the new Construction Loan Agreements. Therefore, of the $1,904,679 Phase I Predevelopment Loan, $374,931 shall be allocated to the Low and Moderate-Income Homeownership Units.

14. The Borrower is now requesting additional loan funds not to exceed $4,035,275 in Phase I Predevelopment and Construction Loan funds, which together with the $374,931 portion of the Phase I Predevelopment Loan allocation results in a total aggregate amount not to exceed $4,410,206, for Low and Moderate-Income Homeownership Units at Hunters View.

15. Based on the analysis contained in the Final Environmental Impact Report for the Hunters View Redevelopment Project ("FEIR"), and the findings pursuant to the California Environmental Quality Act ("CEQA") adopted by the San Francisco Planning Commission ("Planning Commission") on June 12, 2008, in Motion No. 17618, and in Motion No. 17617 certifying the FEIR, and in Motion No. 17621 approving the conditional use authorization for the Project and establishing a Mitigation Monitoring Program that attaches mitigation measures identified in the FEIR to the conditional use authorization, the Agency Commission adopted findings in accordance with CEQA that the Amended and Restated Loan Agreement for Phase I Predevelopment and Construction of Very Low-Income Rental Units is an Implementing Action for the construction of the Project, pursuant to the approvals granted by the Planning Commission, in Agency Resolution No. 211-2008, dated September 16, 2008. Agency staff has determined the Amended and Restated Loan Agreement for Phase I Predevelopment and Construction of Low- and Moderate-Income Homeownership Units is another Implementing Action for construction of the project, pursuant to the approvals granted by the Planning Commission. Staff in making the necessary findings for the Implementing Action contemplated herein, considered and reviewed the FEIR. Documents related to the Implementing Action and the FEIR have been and continue to be available for review by the Agency Commission and the public and are part of the record before the Agency Commission.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that (1) it has reviewed and considered the Final Environmental Impact Report and hereby adopts the CEQA findings set forth in Agency Resolution No. 211-2008, dated September 16, 2008, and (2) the Executive Director is authorized to execute and implement a Tax Increment Loan Agreement with Hunters View Associates, L.P., a California limited partnership, for a loan in an amount not to exceed $4,410,206,
Revised

for the Phase I predevelopment and construction costs for low- and moderate-income homeownership units at Hunters View located at Middle Point and West Point Roads (Block 4624, Lots 3, 4 & 9 and Block 4720, Lot 27), substantially in the form lodged with the Agency General Counsel.
