BASIS FOR RESOLUTION

1. The City and County of San Francisco and the Redevelopment Agency of the City and County of San Francisco (the “Agency”) entered into a Joint Exercise of Powers Agreement dated as of July 11, 1989, establishing the City and County of San Francisco Redevelopment Financing Authority (the “Authority”) for the purpose of issuing its bonds to be used to provide financial assistance to the Agency.
2. Pursuant to the Marks-Roos Bond Pooling Act of 1985, being Article 4 of Chapter 5 of Division 7 of Title 1 of the California Government Code (the “Bond Law”), and an Indenture of Trust described below, the Authority proposes to issue a series of bonds designated as the “2009 Series B Tax Allocation Revenue Bonds (San Francisco Redevelopment Projects)” (the “Bonds”) for the purpose of enabling the Authority to make loans to the Agency and thereby allowing the Agency to finance and refinance certain redevelopment activities of the Agency for the following Redevelopment Project Areas: Bayview Hunters Point Redevelopment Project Area - Project Area B, South of Market Redevelopment Project Area, Transbay Redevelopment Project Area, and Yerba Buena Center Approved Redevelopment Project Area D-1.
3. The Bonds will be repaid from, and secured by, payments made to the Authority by the Agency pursuant to various Loan Agreements (hereinafter defined).
4. The Authority and the Agency propose to sell the Bonds by negotiated sale and, in connection with the sale of the Bonds, the Authority and the Agency have prepared or caused to be prepared an Official Statement and a Bond Purchase Agreement relating to the Bonds.

5. The Bonds are being issued to finance and refinance certain public capital improvements located within the jurisdiction of the Agency and within the boundaries of the Agency's redevelopment project areas described in paragraph 2 above.
6. Following publication of a notice thereof, at least five days prior thereto in a newspaper of general circulation in this City, this Agency has held a public hearing, pursuant to Government Code Section 6586.5, on the proposed financings.
7. The sale and issuance of the Bonds are Agency fiscal activities that are not Projects as defined by the California Environmental Quality Act ("CEQA") Guidelines Section 15378(b)(4), will not independently result in a physical change in the environment, and are not subject to environmental review under CEQA.

FINDINGS

1. The Commission finds that the Board of Supervisors of the City and County of San Francisco, by its Resolution No. 336-08, adopted on July 22, 2008, approved the issuance of not to exceed \$202,824,283 of bonds for the purpose of financing the Agency's redevelopment activities in fiscal year 2008-09, and the Bonds are being issued pursuant to such approval.
2. The Commission finds that none of the public capital improvements to be financed with proceeds of the Bonds are being constructed to support, or in conjunction with, a "development project," as such term is used in Section 6586.5(a)(2) of the Government Code.
3. The Commission finds that the use of the Authority to accomplish the borrowings will result in significant public benefits accruing from such borrowings, including demonstrable savings in effective interest rates and financing costs associated with the issuance of the Bonds.
