2. Pursuant to the Marks-Roos Bond Pooling Act of 1985, being Article 4 of Chapter 5 of Division 7 of Title 1 of the California Government Code (the “Bond Law”), the Authority proposes to issue a series of bonds (the interest on which will be subject to federal income taxation) designated as the “2009 Series E Taxable Tax Allocation Revenue Bonds (San Francisco Redevelopment Projects)” (the “Bonds”) for the purpose of enabling the Authority and the Agency to finance certain redevelopment activities of the Agency, including affordable housing, for some or all of the following Redevelopment Project Areas: Bayview Hunters Point Redevelopment Project Area - Project Area B, Embarcadero-Lower Market (Golden Gateway) Approved Redevelopment Project Area E-1, Hunters Point Redevelopment Project Area, India Basin Industrial Park Redevelopment Project Area, Mission Bay North Redevelopment Project Area, Mission Bay South

FINDINGS

1. The Commission finds that the Board of Supervisors of the City and County of San Francisco (the "Board"), by its Resolution No. 267-09, adopted on July 10, 2009, approved the incurring of not to exceed \$87,500,000 of debt for the purpose of financing the Agency's redevelopment activities in fiscal year 2009-10, that the Agency, by its Resolution No. 89-2009, adopted on August 4, 2009, has already incurred debt of \$8,300,000 pursuant to the authority of Board Resolution No. 267-09, and that the Board is expected to approve the incurring by the Agency of an additional \$28,000,000 of debt for the purpose of financing additional redevelopment activities of the Agency for fiscal year 2009-10.
2. The Commission finds that none of the public capital improvements to be financed with proceeds of the Bonds are being constructed to support, or in conjunction with, a "development project," as such term is used in Section 6586.5(a)(2) of the Government Code.

3. The Commission finds that the use of the Authority to accomplish the borrowings will result in significant public benefits accruing from such borrowings, including demonstrable savings in effective interest rates and financing costs associated with the issuance of the Bonds.
4. The Commission finds, pursuant to Section 5903 of the California Government Code, that interest on the Bonds will be subject to federal income taxation.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that:

Section 1. Approval of Loans. The Agency authorizes and approves borrowings from the City and County of San Francisco Redevelopment Financing Authority (the "Authority") pursuant to loan agreements (collectively, the "Loan Agreements") with respect to some or all of the following redevelopment project areas of the Agency: Bayview Hunters Point Redevelopment Project Area - Project Area B, Embarcadero-Lower Market (Golden Gateway) Approved Redevelopment Project Area E-1, Hunters Point Redevelopment Project Area, India Basin Industrial Park Redevelopment Project Area, Mission Bay North Redevelopment Project Area, Mission Bay South Redevelopment Project Area, Rincon Point – South Beach Redevelopment Project Area, South of Market Redevelopment Project Area, Transbay Redevelopment Project Area, Western Addition Redevelopment Project Area A-2, and Yerba Buena Center Approved Redevelopment Project Area D-1. The Agency finds and determines that the use of the Authority to accomplish the financings will result in significant public benefits accruing from such borrowings, including demonstrable savings in effective interest rates and financing costs associated with the issuance of the Bonds. The Agency affirms the reserve account cross-collateralization provisions contained in the Loan Agreements, and finds and determines that the expenditure of low and moderate income housing funds is of benefit to all of the redevelopment project areas of the Agency. The Loan Agreements are approved substantially in the form lodged with the Agency General Counsel, with any additions or changes therein deemed necessary or advisable by the Executive Director or the Deputy Executive Director, Finance and Administration, and their designees, after consultation with the Agency General Counsel, and the execution thereof shall be conclusive evidence of the approval of any such changes or additions. The proceeds of the loans will be used by the Agency to finance its redevelopment activities. Each Loan Agreement shall be executed by either the Executive Director or the Deputy Executive Director, Finance and Administration, or their respective designees, each of whom is authorized to execute the Loan Agreements on behalf of the Agency. The Agency hereby authorizes the delivery and performance of the Loan Agreements for borrowings in an aggregate principal amount not to exceed \$107,200,000, provided that the aggregate principal amount of the Loan Agreements shall not exceed \$79,200,000 if the additional \$28,000,000 of debt is not approved by the Board, as referenced above, and provided further that in no event shall the aggregate principal amount of the Loan Agreements and the loan agreements being executed in connection with the Authority's 2009 Series F Tax Allocation Revenue Bonds (San Francisco Redevelopment Projects) exceed the total

amount of debt approved by the Board. The financings through the Authority, as contemplated in the Loan Agreements, are hereby approved. The Agency also approves the execution and delivery of the Promissory Notes in connection with the execution and delivery of the Loan Agreements. Pursuant to Section 5903 of the California Government Code, the interest on the Bonds will be subject to federal income taxation.

Section 2. Official Statement. The Agency hereby approves the use of an Official Statement describing the Bonds (the “Official Statement”), a draft of which is lodged with the Agency General Counsel, and authorizes and directs either the Executive Director or the Deputy Executive Director, Finance and Administration, in consultation with bond counsel, to make such additions and changes as are necessary to describe the Bonds and the current financial condition and other affairs of the Agency accurately and completely. Distribution of the preliminary Official Statement is hereby approved, and, prior to the distribution of the preliminary Official Statement, either the Executive Director or the Deputy Executive Director, Finance and Administration, or the written designee of the Executive Director, each of whom is so authorized, shall, on behalf of the Agency, deem the preliminary Official Statement “final” pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934. The final Official Statement shall be executed in the name and on behalf of the Agency by either the Executive Director or the Deputy Executive Director, Finance and Administration, or the written designee of the Executive Director, each of whom is authorized to execute the final Official Statement on behalf of the Agency. Distribution of the final Official Statement by the Underwriters (as defined below) is hereby approved.

Section 3. Sale of Bonds. The Agency authorizes the sale of the Bonds to Piper Jaffray & Co. and E. J. De La Rosa & Co., Inc. (the “Underwriters”) pursuant to the terms of the bond purchase contract (the “Bond Purchase Contract”) among the Authority, the Agency and the Underwriters, a draft of which is lodged with the Agency General Counsel, and authorizes the Executive Director or the Deputy Executive Director, Finance and Administration, and their respective designees, to take any and all actions necessary to sell the Bonds by executing the Bond Purchase Contract in substantially the form lodged with the Agency General Counsel, with such additions thereto or changes therein as are recommended or approved by such officer upon consultation with the Agency General Counsel, the approval of such additions or changes to be conclusively evidenced by the execution and delivery of the Bond Purchase Contract by the Executive Director or the Deputy Executive Director, Finance and Administration, provided that the yield to maturity payable with respect to the Bonds shall not exceed eleven percent (11.00%) per annum, and the Underwriters’ discount (excluding original issue discount) shall not exceed one percent (1.00%) of the par amount of the Bonds. In determining yield to maturity, all issuance costs, including Underwriters’ discount, shall be taken into account.

Section 4. Disclosure Certificate. The Continuing Disclosure Certificate (the “Disclosure Certificate”) to be executed by the Agency is hereby approved substantially in the form lodged with the Agency General Counsel. The Executive Director and the

Deputy Executive Director, Finance and Administration are each hereby authorized to execute and deliver the Disclosure Certificate in said form, with such additions thereto or changes therein as are recommended or approved by such officer upon consultation with the Agency General Counsel, the approval of such additions or changes to be conclusively evidenced by the execution and delivery of the Disclosure Certificate by the Executive Director or the Deputy Executive Director, Finance and Administration.

Section 5. Municipal Bond Insurance and Surety Bonds. The Executive Director and the Deputy Executive Director, Finance and Administration, are hereby authorized and directed to obtain a municipal bond insurance policy for the Bonds and reserve account surety bonds for the Loan Agreements if it is determined, upon consultation with the Underwriters and Public Financial Management, Inc., the financial advisor to the Agency and the Authority, that such municipal bond insurance policy and/or surety bonds are available and will reduce the true interest costs with respect to the Bonds and/or otherwise enable the Agency and the Authority to better meet their financing objectives.

Section 6. Official Actions. The Executive Director, the Deputy Executive Director, Finance and Administration, the Secretary, the Agency General Counsel, and any and all other officers and designees of the Agency are authorized and directed, for and in the name and on behalf of the Agency, to do any and all things and take any and all actions, including the execution and delivery of any and all certificates, requisitions, agreements, notices, consents, and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance, sale and delivery of the Bonds and the making of the loans pursuant to the Loan Agreements, all as described herein.
