OFFICE OF COMMUNITY INVESTMENT AND INFRASTRUCTURE/SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO

PERSONAL SERVICES CONTRACT

This PERSONAL SERVICES CONTRACT ("Contract") is entered into as of August 20, 2014 by and between the OFFICE OF COMMUNITY INVESTMENT AND INFRASTRUCTURE/SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO, a public body, corporate and politic ("OCII"), and Urban Analytics, a California Limited Liability Corporation ("Contractor").

RECITALS

A. Subject to OCII Commission, Oversight Board and Department of Finance ("DOF") approval, the Office of Community Investment and Infrastructure ("OCII" or "Agency"), as successor to the Redevelopment Agency of the City and County of San Francisco, is planning to issue of two series of bonds backed by tax increment ("Bonds") to refinance several outstanding Tax Allocation Revenue Bonds. It is anticipated that two bond series will be issued: one taxable and one tax exempt, against the same credit. The amount of each will depend upon the economics of the refunding but the total may comprise eight or more refunded bonds and approximately $150 million. The amount may vary substantially depending on the economics of each refunded bond.

B. The Issuance of the refunding bonds requires the services of a fiscal consultant to prepare critical disclosure material to be included in the Official Statement including a Fiscal Consultant’s Report; in addition, the OCII requires the preparation of tax increment related tables necessary to its annual tax allocation bond secondary market disclosure reports. Additional tax increment revenue related analytical work may be required during the term of the contract.

C. On August 1, 2014 Agency staff issued to the City Controller’s Economic Consultant Panel a Request for Proposal ("RFP") for Fiscal Consultant for the proposed Bonds. Urban Analytics responded to this request and its proposal was accepted, subject OCII Commission approval.

D. Under this Contract, Contractor will prepare a Fiscal Consultant Report for inclusion in the offering documents for each of the anticipated two bonds issues. Each Report will incorporate analysis and tables identified in previous Tasks. Each Report will include discussions of recent and pending legislation relevant to the Agency’s tax increment receipts, County tax allocation practices and other pertinent fiscal matters, including those identified the Agency and other financing team members. The reports will be provided in draft form as a PDF file and/or a Microsoft Word document for review by financing team members. In addition, contractor will prepare December 2014 tax allocation bond secondary market disclosure reports. The contract allows for extensions, at the discretion of the OCII’s Executive Director, to prepare
the same secondary market disclosures due in December 2015 and to perform other tax increment related analytical work.

NOW, THEREFORE, the Agency and the Contractor agree as follows:

(Required only if Contractor has employees).

(4) Professional Liability Insurance: $2,000,000 per claim and in the annual aggregate. If the Contractor’s Professional Liability Insurance is “claims made” coverage, these minimum limits shall be maintained by the Contractor for no less than five (5) years beyond completion of the Scope of Services.

D. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by OCII. At the option of OCII, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents and employees; or Contractor shall provide a financial guarantee satisfactory to OCII guaranteeing payment of losses and related investigations, claim administration and defense expenses.

E. Other Insurance Provisions. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

(1) The “Office of Community Investment and Infrastructure/Successor Agency to the Redevelopment Agency of the City and County of San Francisco, the City and County of San Francisco and their respective commissioners, members, officers, agents and employees” are to be covered as additional insureds as respects: liability arising out of

(2) For any claims related to this Contract, the Contractor's insurance coverage must be primary insurance as respects to OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents, and employees. Any insurance or self-insurance maintained by OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents or employees shall be in excess of Contractor's insurance and shall not contribute with it.

(3) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents or employees.

(4) Each insurance policy required by this clause must be endorsed to state that coverage will not be suspended, voided, canceled by either party, or reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to OCII.

(5) Contractor hereby grants to OCII a waiver of any right to subrogation which any insurer of said Contractor may acquire against OCII by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not OCII has received a waiver of subrogation endorsement from the insurer.

(6) If any of the required policies provide coverage on a claims-made basis:

a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

b. Insurance must be maintained and evidence of insurance must be provided for at least five years after completion of the contract of work.

F. Acceptability of Insurers. Insurance is to be placed with insurers with a current A. M. Best's rating of no less than A:VII, unless otherwise approved by OCII's Risk Manager.
G. **Verification of Coverage.** Contractor must furnish OCII with certificates of insurance and with original endorsements evidencing coverage required by this clause. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements may be on forms provided by OCII. All certificates and endorsements are to be received and approved by OCII before work commences. OCII reserves the right to require complete, certified copies of all required insurance policies, including endorsements demonstrating the coverage required by these specifications at any time.

H. **Subcontractors.** Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all the requirements stated herein.

11. **RECORDS, REPORTS AND AUDITS**

A. **Records**

(2) All costs shall be supported by properly executed payrolls, time records, invoices, contracts, vouchers or other official documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Contract shall be clearly identified and readily accessible.

B. **Reports and Information**

At such times and in such forms as OCII, the City and County of San Francisco or HUD, if the Contract is funded with CDBG funds, may require, there shall be furnished to OCII or its designated representative such statements, records, reports, data and information as OCII, the City and County of San Francisco or HUD may request pertaining to matters covered by this Contract.

12. **CONFLICTS**

Except for approved eligible administrative or personnel costs, no employee, agent, contractor, officer or official of OCII who exercises any functions or responsibilities with respect to this Contract or who is in a position to participate in a decision making process or gain inside information with regard to it, shall obtain a personal or financial interest in or benefit from any contract, subcontract or agreement with respect thethereto, or the proceeds thereunder, either for himself or herself or for those with whom they have family or business ties, during his or her tenure or for two years thereafter. The term “Contractor” also includes the employees, officers (including board members), agents and subcontractors of a Contractor under this Contract. In order to carry out the purposes of this Section, Contractor shall incorporate, or cause to be incorporated, in all contracts and subcontracts relating to activities pursuant to this Contract, a provision similar to that of this Section.

13. **CONTRACTOR’S DUTY OF LOYALTY**

Contractor for itself and subcontractors, if any, agrees to abide by OCII’s duty of loyalty, which appears at Section IX.H. (Prohibited Activities of Present and Former Employees, Commissioners and Consultants) of OCII’s Personnel Policy and which states in part the following: “Unless approved in advance in writing by OCII, no present or former employee, Commissioner or consultant of OCII shall knowingly act for anyone other than OCII in connection with any particular matter in which OCII is a party, or has a direct and substantial interest, and in which he or she participated personally and substantially as an Agency employee, Commissioner or consultant whether through decisions, recommendations, advice, investigation or otherwise. Violation of this section by a present employee, consultant or Commissioner may, in the case of an employee or consultant, be grounds for discharge or termination of the consultant contract, and in the case of a Commissioner, be considered misconduct in office pursuant of California Health and Safety Code Section 33115.”

14. **LIMITATIONS ON CONTRIBUTIONS**

Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with OCII for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) the Mayor or members of

15. **CONFIDENTIALITY/PROPERTY OF AGENCY**

All of the reports, information, data or other materials prepared or assembled by Contractor under this Contract, including Contractor's opinions and conclusions based upon such items, are confidential. Contractor agrees that such reports, information, opinions or conclusions shall not be made available to or discussed with any individual or organization, including the news media, without the prior written approval of OCII. Unless otherwise stated in the Scope of Services, all such reports, information, data or other materials and work product shall become the property of OCII.

16. **COMPLIANCE WITH CALIFORNIA GOVERNMENT CODE**

It is understood and agreed that Contractor shall comply with California Government Code Section 7550. California Government Code Section 7550 provides in part that when the total cost for work performed for a local agency by nonemployees of such agency exceeds $5,000.00, any document or written report prepared in whole or in part by nonemployees for such agency shall contain, in a separate section, the numbers and dollar amount of all contracts and subcontracts relating to the preparation of such document or written report.

D. Contractor agrees not to discriminate in the provision of benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, and shall comply fully with all provisions of OCII’s Nondiscrimination in Contracts Policy (“Policy”), adopted by Agency Resolution No. 175-97, as such Policy may be amended from time to time. Contractor is compliant with the City and County of San Francisco 12B Ordinance (see Directory of 12B-Complaint Firms, http://www.sfgsa.org/Modules/ShowDocument.aspx?documentID=11784, last visited Aug. 11, 2014). Accordingly, Contractor complies with the Agency’s Policy in lieu of completing the Agency’s Nondiscrimination in Contracts and Benefits Declaration Form.

E. Contractor shall provide all services to the public under this Contract in facilities that are accessible to persons with disabilities as required by state and federal law.

18. COMPLIANCE WITH SMALL BUSINESS ENTERPRISE PROGRAM

OCII implements a Small Business Enterprises (“SBE”) Program that was adopted by Agency Resolution No. 82-2009 and that requires consideration in awarding contracts in the following order: 1) Project Area SBEs, 2) San Francisco-based SBEs (outside an Agency Project Area), and 3) All other SBEs. Non San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non San Francisco-based SBEs (see Attachment D “SBE Agreement”).

Under the SBE Program, the Contractor, in awarding subcontracts, must make good faith efforts to achieve SBE participation of 50% for professional, personal services, and construction contracts; provided, however, that this goal may vary depending on the extent of subcontracting opportunities under OCII contract and the availability of SBE subcontractors capable of providing goods or services required by the contract; and provided further, that OCII has the sole discretion to modify the 50% SBE participation goal consistent with the SBE Program, as specified in the SBE Agreement.
OCII relies on the information that a business may have provided to qualify under another public entities’ business certification program in determining whether that business qualifies as an SBE under OCII’s SBE Program. Those other programs include: City and County of San Francisco Local Disadvantaged Business Enterprises (LBE) certification, information available at: http://sfgsa.org/index.aspx?page=5364; and State of California-Small Business Enterprises certification: http://www.dgs.ca.gov/pd/Programs/OSDS/GetCertified.aspx. OCII retains the discretion, however, to determine if the information provided for those other programs meets SBE eligibility under OCII’s SBE Program.

19. **COMPLIANCE WITH MINIMUM COMPENSATION POLICY AND HEALTH CARE ACCOUNTABILITY POLICY**

Contractor agrees, as of the date of this Contract and during the term of this Contract, to comply with the provisions of OCII’s Minimum Compensation Policy and Health Care Accountability Policy (the “Policies”), adopted by Agency Resolution 168-2001, as such policies may be amended from time to time (See Attachment E “Minimum Compensation Policy” and Attachment F “Health Care Accountability Policy”). Such compliance includes providing all “Covered Employees,” as defined under Section 2.7 of the Policies, a minimum level of compensation and offering health plan benefits to such employees or to make payments to the City and County of San Francisco’s Department of Public Health, or to participate in a health benefits program developed by the City and County of San Francisco’s Director of Health.

Scope of Services

Introduction

The following scope of services is focused on providing two fiscal consultant reports for the planned 2014 tax allocation bond issue(s) for the San Francisco Redevelopment Agency, including ancillary fiscal analysis in support of the issuance of bonds, and tables required for the FY 2013-14 continuing disclosure report due December 2014. It is anticipated that the Agency will issue bonds two series of bonds, one taxable and one tax exempt against the same credit; this Scope anticipates a fiscal consultant report will be prepared for each of the two issues.

Urban Analytics (the Consultant) will draw on its experience with redevelopment tax increment matters in California and particularly on its experience with tax allocation bond issues in executing the services described below. The firm will obtain and utilize county tax roll data in this assignment and will make data available through the Urbics website to staff, financing team members, and if desired, rating agencies and insurers.

This contract may be extended at the discretion of the OCI Executive Director to encompass FY 2014-15 tax allocation bond continuing disclosure reports due December 2015 and additional tax increment research and analysis as the need may arise from time to time.

Task 1: Project Initiation

Urban Analytics will discuss with Agency staff, bond counsel and financial advisor, either in a meeting or via email and telephone correspondence, items of particular concern. These may include issues related to pass-through payments including their potential subordination, growth rate scenarios to be included in the final report and recent state legislation. Consultant will utilize tax roll data for 2013-14.

Task 2: Redevelopment Plan Review

The Consultant will review the redevelopment plans in effect for the Project Areas, identifying fiscal limitations relevant to the issuance of debt. Such limitations may include time limits on the collection of tax increment and other statutory limitations. All such limitations will be noted in the Fiscal Report. The Report will incorporate descriptive accounts of the plans and will present relevant time and fiscal limits in tabular form.

Task 3: Analysis of Pass-through Payments

Consultant will prepare a descriptive account of the Agency’s pass-through obligations for inclusion in the Report. The account will note any constraints or limitations these obligations may have on the Agency’s collection of tax increment revenue over time.
Task 4: Analysis of County Tax Increment Allocation Procedures

Urban Analytics will review the calculation and allocation of tax increment revenue by the County Controller’s office for the prior fiscal year. In particular, the Consultant will verify the tax increment received by the Agency against the incremental valuation reported by the County Controller. The firm will review the tax rates applied by the Controller’s office to the incremental valuation and verify that the County’s payments of tax increment correspond to the amount due to the Agency, taking into account any statutorily mandated adjustments to revenue. Significant discrepancies or problems identified in the Task will be discussed with Agency and County staff and, where relevant, noted in the Fiscal Report.

Task 5: Top Taxpayers and Land Use

Consultant will prepare a table for inclusion in the Report showing the ten largest taxpayers in each project area using the secured, unsecured and state-assessed utility rolls, ranked by assessed valuation. Valuation for each taxpayer will also be shown as a percentage of project area total valuation. Consultant will also provide a table showing a breakdown of land uses within the project area.

Task 6: Historical Review of Taxable Values

Using available tax increment reports and assessment roll data, the Consultant will prepare tables showing assessed valuation growth in the project areas over a five-year period. Where such information is available, the major reasons for significant changes in valuation will be discussed. The Consultant will also prepare a table showing the debt service levies, if any, applicable to the Agency’s incremental valuation over the period.

Task 7: Tax Increment Revenue Projections

Consultant will prepare tax increment projections for any and all project areas as required. The projections will utilize the most current available tax rolls and will be prepared for the Fiscal Report using a two percent growth rate. Projections will be made over the remaining life of the project areas. Where appropriate, the projection will incorporate estimated taxable value from developments identified by the Agency as completed but not yet on the rolls. Housing set-aside revenue, ERAF payments; statutorily mandated adjustments to revenue; pass-through payments and other obligations will be incorporated into the projection. Pass-through payments will be separately shown, when appropriate, for subordinated and non-subordinated obligations.

Task 9: Fiscal Consultant Report

Urban Analytics will prepare a Fiscal Consultant Report for inclusion in the offering documents for each of the anticipated two bonds issues. Each Report will incorporate analysis and tables identified in previous Tasks. Each Report will include discussions of recent and pending legislation relevant to the Agency’s tax increment receipts, County tax allocation practices and other pertinent fiscal matters, including those identified in the Agency and other financing team members. The reports will be provided in draft form as a PDF file and/or a Microsoft Word document for review by financing team members.

The company or entity executing this Small Business Enterprise Agreement, by and through its duly authorized representative, hereby agrees to use good faith efforts to comply with all of the following:

I. PURPOSE. The purpose of entering into this Small Business Enterprise Program agreement ("SBE Program") is to establish a set of Small Business Enterprise ("SBE") participation goals and good faith efforts designed to ensure that monies are spent in a manner which provides SBEs with an opportunity to compete for and participate in contracts by or at the behest of the Office of Community Investment & Infrastructure ("Successor Agency") and/or the Agency-Assisted Contractor. A genuine effort will be made to give First Consideration to Project Area SBEs and San Francisco-based SBEs before looking outside of San Francisco.

II. APPLICATION. The SBE Program applies to all Contractors and their subcontractors seeking work on Agency-Assisted Projects on or after November 17, 2004 and any Amendment to a Pre-existing Contract.

IV. TERM. The obligations of the Agency-Assisted Contractor and/or Contractor(s) with respect to SBE Program shall remain in effect until completion of all work to be performed by the Agency-Assisted Contractor in connection with the original construction of the site and any
tenant improvements on the site performed by or at the behest of the Agency-Assisted Contractor unless another term is specified in the Agency-Assisted Contract or Contract.

V. **FIRST CONSIDERATION.** First consideration will be given by the Agency or Agency-Assisted Contractor in awarding contracts in the following order: (1) Project Area SBEs, (2) San Francisco-based SBEs (outside an Agency Project or Survey Area, but within San Francisco), and (3) Non-San Francisco-based SBEs. Non-San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non-San Francisco-based SBEs.

VI. **CERTIFICATION.** Only businesses certified by the Agency as SBEs will be counted toward meeting the participation goals. The SBE Certification Criteria are set forth in the Policy (as defined in Section VII below).

VII. **INCORPORATION.** Each contract between the Agency, Agency-Assisted Contractor or Contractor on the one hand, and any subcontractor on the other hand, shall physically incorporate as an attachment or exhibit and make binding on the parties to that contract, a true and correct copy of this SBE Agreement.

VIII. **DEFINITIONS.** Capitalized terms not otherwise specifically defined in this SBE Agreement have the meaning set forth in the Agency’s SBE Policy adopted on November 16, 2004 and amended on July 21, 2009 ("Policy") or as defined in the Agency-Assisted Contract or Contract. In the event of a conflict in the meaning of a defined term, the SBE Policy shall govern over the Agency-Assisted Contract or Contract which in turn shall govern over this SBE Agreement.

**Affiliates** means an affiliation with another business concern is based on the power to control, whether exercised or not. Such factors as common ownership, common management and identity of interest (often found in members of the same family), among others, are indicators of affiliation. Power to control exists when a party or parties have 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties. Affiliated business concerns need not be in the same line of business. The calculation of a concern's size includes the employees or receipts of all affiliates.

**Agency-Assisted Contract** means, as applicable, the Development and Disposition Agreement ("DDA"), Land Disposition Agreement ("LDA"), Lease, Loan and Grant Agreements, personal services contracts and other similar contracts, and Operations Agreement that the Agency executed with for-profit or non-profit entities.

**Agency-Assisted Contractor** means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed an Agency-Assisted Contract.

**Amendment to a Pre-existing Contract** means a material change to the terms of any contract, the term of which has not expired on or before the date that this Small Business Enterprise Policy ("SBE Policy") takes effect, but shall not include amendments to decrease the scope of work or decrease the amount to be paid under a contract.
Annual Receipts means "total income" (or in the case of a sole proprietorship, "gross income") plus "cost of goods sold" as these terms are defined and reported on Internal Revenue Service tax return forms. The term does not include net capital gains or losses; taxes collected for and remitted to a taxing authority if included in gross or total income, such as sales or other taxes collected from customers and excluding taxes levied on the concern or its employees; proceeds from transactions between a concern and its domestic or foreign affiliates; and amounts collected for another by a travel agent, real estate agent, advertising agent, conference management service provider, freight forwarder or customs broker. For size determination purposes, the only exclusions from receipts are those specifically provided for in this paragraph. All other items, such as subcontractor costs, reimbursements for purchases a contractor makes at a customer's request, and employee-based costs such as payroll taxes, may not be excluded from receipts. Receipts are averaged over a concern's latest three (3) completed fiscal years to determine its average annual receipts. If a concern has not been in business for three (3) years, the average weekly revenue for the number of weeks the concern has been in business is multiplied by 52 to determine its average annual receipts.

Arbitration Party means all persons and entities who attend the arbitration hearing pursuant to Section XII, as well as those persons and entities who are subject to a default award provided that all of the requirements in Section XII.L. have been met.

Commercially Useful Function means that the business is directly responsible for providing the materials, equipment, supplies or services in the City and County of San Francisco ("City") as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a "commercially useful function" unless the brokerage, referral or temporary employment services are required and sought by the Agency.

Contract means any agreement between the Agency and a person(s), firm, partnership, corporation, or combination thereof, to provide or procure labor, supplies or services to, for, or on behalf of the Agency.

Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed a Contract.

Non-San Francisco-based Small Business Enterprise means a SBE that has fixed offices located outside the geographical boundaries of the City.

Office" or "Offices means a fixed and established place(s) where work is performed of a clerical, administrative, professional or production nature directly pertinent to the business being certified. A temporary location or movable property or one that was established to oversee a project such as a construction project office does not qualify as an "office" under this SBE Policy. Work space provided in exchange for services (in lieu of monetary rent) does not constitute an "office." The office is not required to be the headquarters for the business but it must be capable of providing all the services to operate the business for which SBE certification is sought. An arrangement for the right to use office space on an "as needed" basis where there is no office exclusively reserved for the business does not qualify as an office. The prospective SBE must submit a rental agreement for the office space, rent receipt or cancelled checks for rent
payments. If the office space is owned by the prospective SBE, the business must submit property tax or a deed documenting ownership of the office.

**Project Area Small Business Enterprise** means a business that meets the above-definition of Small Business Enterprise and that: (a) has fixed offices located within the geographical boundaries of a Redevelopment Project or Survey Area where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a Project Area or Survey Area business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in a Project Area or Survey Area for at least six months preceding its application for certification as a SBE; and (e) has a Project Area or Survey Area office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers of residential addresses alone shall not suffice to establish a firm's location in a Project Area or Survey Area.

**Project Area** means an area of San Francisco that meets the requirements under Community Redevelopment Law, Health and Safety Code Section 33320.1. These areas currently include the Bayview Industrial Triangle, Bayview Hunters Point (Area B), Federal Office Building, Hunters Point Shipyard, Mission Bay (North), Mission Bay (South), Rincon Point/South Beach, South of Market, Transbay Terminal, Yerba Buena Center and Visitacion Valley.

**San Francisco-based Small Business Enterprise** means a SBE that: (a) has fixed offices located within the geographical boundaries of the City where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a San Francisco business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in the City for at least six months preceding its application for certification as a SBE; and (e) has a San Francisco office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers or residential addresses alone shall not suffice to establish a firm's status as local.

**Small Business Enterprise (SBE)** means an economically disadvantaged business that: is an independent and continuing business for profit; performs a commercially useful function; is owned and controlled by persons residing in the United States or its territories; has average gross annual receipts in the three years immediately preceding its application for certification as a SBE that do not exceed the following limits: (a) construction--$14,000,000; (b) professional or personal services--$2,000,000 and (c) suppliers--$7,000,000; and is (or is in the process of being) certified by the Agency as a SBE and meets the other certification criteria described in the SBE application.

In order to determine whether or not a firm meets the above economic size definitions, the Agency will use the firm's three most recent business tax returns (i.e., 1040 with Schedule C for Sole Proprietorships, 1065s with K-1s for Partnerships, and 1120s for Corporations). Once a business reaches the 3-year average size threshold for the applicable industry the business ceases
to be economically disadvantaged, it is not an eligible SBE and it will not be counted towards meeting SBE contracting requirements (or goals).

**Survey Area** means an area of San Francisco that meets the requirements of the Community Redevelopment Law, Health and Safety Code Section 33310. These areas currently include the Bayview Hunters Point Redevelopment Survey Area C.

**IX. GOOD FAITH EFFORTS TO MEET SBE GOALS** Compliance with the following steps will be the basis for determining if the Agency-Assisted Contractor and/or Consultant has made good faith efforts to meet the goals for SBEs:

A. **Outreach.** Not less than 30 days prior to the opening of bids or the selection of contractors, the Agency-Assisted Contractor or Contractor shall:

1. **Advertise.** Advertise for SBEs interested in competing for the contract, in general circulation media, trade association publications, including timely use of the *Bid and Contract Opportunities* newsletter published by the City and County of San Francisco Purchasing Department and media focused specifically on SBE businesses such as the *Small Business Exchange*, of the opportunity to submit bids or proposals and to attend a pre-bid meeting to learn about contracting opportunities.

2. **Request List of SBEs.** Request from the Agency’s Contract Compliance Department a list of all known SBEs in the pertinent field(s), particularly those in the Project and Survey Areas and provide written notice to all of them of the opportunity to bid for contracts and to attend a pre-bid or pre-solicitation meeting to learn about contracting opportunities.

B. **Pre-Solicitation Meeting.** For construction contracts estimated to cost $5,000 or more, hold a pre-bid meeting for all interested contractors not less than 15 days prior to the opening of bids or the selection of contractors for the purpose answering questions about the selection process and the specifications and requirements. Representatives of the Contract Compliance Department will also participate.

C. **Follow-up.** Follow up initial solicitations of interest by contacting the SBEs to determine with certainty whether the enterprises are interested in performing specific items involved in work.

D. **Subdivide Work.** Divide, to the greatest extent feasible, the contract work into small units to facilitate SBE participation, including, where feasible, offering items of the contract work which the Contractor would normally perform itself.

E. **Provide Timely and Complete Information.** The Agency-Assisted Contractor or Contractor shall provide SBEs with complete, adequate and ongoing information about the plans, specifications and requirements of construction work, service work and material supply work. This paragraph does not require the Agency-Assisted Contractor or Contractor to give SBEs any information not provided to other contractors. This paragraph does require the Agency Assisted Contractor and Contractor to answer carefully and completely all reasonable questions asked by SBEs and to undertake every good faith effort to ensure that SBEs understand the nature and the scope of the work.
F. **Good Faith Negotiations.** Negotiate with SBEs in good faith and demonstrate that SBEs were not rejected as unqualified without sound reasons based on a thorough investigation of their capacities.

G. **Bid Shopping Prohibited.** Prohibit the shopping of the bids. Where the Agency-Assisted Contractor or Contractor learns that bid shopping has occurred, it shall treat such bid shopping as a material breach of contract.

H. **Other Assistance.** Assist SBEs in their efforts to obtain bonds, lines of credit and insurance. (Note that the Agency has a Surety Bond Program that may assist SBEs in obtaining necessary bonding.) The Agency-Assisted Contractor or Contractor(s) shall require no more stringent bond or insurance standards of SBEs than required of other business enterprises.

I. **Delivery Scheduling.** Establish delivery schedules which encourage participation of SBEs.

J. **Utilize SBEs as Lower Tier Subcontractors.** The Agency-Assisted Contractor and its Contractor(s) shall encourage and assist higher tier subcontractors in undertaking good faith efforts to utilize SBEs as lower tier subcontractors.

K. **Maximize Outreach Resources.** Use the services of SBE associations, federal, state and local SBE assistance offices and other organizations that provide assistance in the recruitment and placement of SBEs, including the Small Business Administration and the Business Development Agency of the Department of Commerce. However, only SBEs certified by the Agency shall count towards meeting the participation goal.

L. **Replacement of SBE.** If during the term of this SBE Agreement, it becomes necessary to replace any subcontractor or supplier, the Agency's Contract Compliance Specialist should be notified prior to replacement due to the failure or inability of the subcontractor or supplier to perform the required services or timely delivery the required supplies, then First Consideration should be given to a certified SBE, if available, as a replacement.

X. **ADDITIONAL PROVISIONS**

A. **No Retaliation.** No employee shall be discharged or in any other manner discriminated against by the Agency-Assisted Contractor or Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to enforcement of this Agreement.

B. **No Discrimination.** There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of an Agency-Assisted Contract or Contract. The Agency-Assisted Contractor or Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading,
demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

C. **Compliance with Prompt Payment Statute.** Construction contracts and subcontracts awarded for $5,000 or more shall contain the following provision:

> "Amounts for work performed by a subcontractor shall be paid within ten (10) days of receipt of funds by the contractor, pursuant to California Business and Professions Code Section 7108.5 *et seq.* Failure to include this provision in a subcontractor or failure to comply with this provision shall constitute an event of default which would permit the Agency to exercise any and all remedies available to it under contract, at law or in equity."

In addition to and not in contradiction to the Prompt Payment Statute (California Business and Professions Code Section 7108.5 *et seq.*), if a dispute arises which would allow a Contractor to withhold payment to a subcontractor due to a dispute, the Contractor shall only withhold that amount which directly relates to the dispute and shall promptly pay the remaining undisputed amount, if any.

D. **Submission Of Electronic Certified Payrolls.** For any Agency-Assisted Contract which requires the submission of certified payroll reports, the requirements of Section VII of the Agency’s Small Business Enterprise Policy shall apply. Please see the Small Business Enterprise Policy for more details.

**XI. PROCEDURES**

A. **Notice to Agency.** The Agency-Assisted Contractor or Contractor(s) shall provide the Agency with the following information within 10 days of awarding a contract or selecting subconsultant:

1. the nature of the contract, e.g. type and scope of work to be performed;
2. the dollar amount of the contract;
3. the name, address, license number, gender and ethnicity of the person to whom the contract was awarded; And
4. SBE status of each subcontractor or subconsultant.

B. **Affidavit.** If the Agency-Assisted Contractor or Contractor(s) contend that the contract has been awarded to a SBE, the Agency-Assisted Contractor or Contractor(s) shall, at the same time also submit to the Agency a SBE Application for Certification and its accompanying Affidavit completed by the SBE owner. However, a SBE that was previously certified by the Agency shall submit only the short SBE Eligibility Statement.

C. **Good Faith Documentation.** If the 50% SBE Participation Goals are not met in each category (Construction, Professional Services and Suppliers), the Agency-Assisted Contractor or Contractor(s) shall meet and confer with the Agency at a date and time set by the
Agency. If the issue of the Agency-Assisted Contractor’s or Contractor’s good faith efforts is not resolved at this meeting, the Agency-Assisted Contractor or Contractor shall submit to the Agency within five (5) days, a declaration under penalty of perjury containing the following documentation with respect to the good faith efforts ("Submission"):

1. A report showing the responses, rejections, proposals and bids (including the amount of the bid) received from SBEs, including the date each response, proposal or bid was received. This report shall indicate the action taken by the Agency-Assisted Contractor or Contractor(s) in response to each proposal or bid received from SBEs, including the reasons(s) for any rejections.

2. A report showing the date that the bid was received, the amount bid by and the amount to be paid (if different) to the non-SBE contractor that was selected. If the non-SBE contractor who was selected submitted more than one bid, the amount of each bid and the date that each bid was received shall be shown in the report. If the bidder asserts that there were reasons other than the respective amounts bid for not awarding the contract to an SBE, the report shall also contain an explanation of these reasons.

3. Documentation of advertising for and contacts with SBEs, contractor associations or development centers, or any other agency which disseminates bid and contract information to small business enterprises.

4. Copies of initial and follow-up correspondence with SBEs, contractor associations and other agencies, which assist SBEs.

5. A description of the assistance provided SBE firms relative to obtaining and explaining plans, specifications and contract requirements.

6. A description of the assistance provided to SBEs with respect to bonding, lines of credit, etc.

7. A description of efforts to negotiate or a statement of the reasons for not negotiating with SBEs.

8. A description of any divisions of work undertaken to facilitate SBE participation.

9. Documentation of efforts undertaken to encourage subcontractors to obtain small business enterprise participation at a lower tier.

10. A report which shows for each private project and each public project (without a SBE program) undertaken by the bidder in the preceding 12 months, the total dollar amount of the contract and the percentage of the contract dollars awarded to SBEs and the percentage of contract dollars awarded to non-SBEs.

11. Documentation of any other efforts undertaken to encourage participation by small business enterprises.
D. Presumption of Good Faith Efforts. If the Agency-Assisted Contractor or Contractor(s) achieves the Participation Goals, it will not be required to submit Good Faith Effort documentation.

E. Waiver. Any of the SBE requirements may be waived if the Agency determines that a specific requirement is not relevant to the particular situation at issue, that SBEs were not available, or that SBEs were charging an unreasonable price.

F. SBE Determination. The Agency shall exercise its reasonable judgment in determining whether a business, whose name is submitted by the Agency-Assisted Contractor or Contractor(s) as a SBE, is owned and controlled by a SBE. A firm's appearance in any of the Agency's current directories will be considered by the Agency as prima facie evidence that the firm is a SBE. Where the Agency-Assisted Contractor or Contractor(s) makes a submission the Agency shall make a determination, as to whether or not a business which the Agency-Assisted Contractor or Contractor(s) claims is a SBE is in fact owned and controlled by San Francisco-based SBEs. If the Agency determines that the business is not a SBE, the Agency shall give the Agency-Assisted Contractor or Contractor a Notice of Non-Qualification and provide the Agency-Assisted Contractor or Contractor with a reasonable period (not to exceed 20 days) in which to meet with the Agency and if necessary make a Submission, concerning its good faith efforts. If the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to Section XII.

G. Agency Investigation. Where the Agency-Assisted Contractor or Contractor makes a Submission and, as a result, the Agency has cause to believe that the Agency-Assisted Contractor or Contractor has failed to undertake good faith efforts, the Agency shall conduct an investigation, and after affording the Agency-Assisted Contractor or Contractor notice and an opportunity to be heard, shall recommend such remedies and sanctions as it deems necessary to correct any alleged violation(s). The Agency shall give the Agency-Assisted Contractor or Contractor a written Notice of Non-Compliance setting forth its findings and recommendations. If the Agency-Assisted Contractor or Contractor disagree with the findings and recommendations of the Agency as set forth in the Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to this SBE Agreement.

XII. ARBITRATION OF DISPUTES.

A. Arbitration by AAA. Any dispute regarding this SBE Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.

B. Demand for Arbitration. Where the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor shall have seven (7) business days, in which to file a Demand for Arbitration, unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this
provision and identifying any entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Agency-Assisted Contractor and Contractor fails to file a timely Demand for Arbitration, the Agency-Assisted Contractor and Contractor shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.

C. **Parties' Participation.** The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Agency-Assisted Contractor or Contractor made an initial timely Demand for Arbitration pursuant to Section XII.B. above.

D. **Agency Request to AAA.** Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.

E. **Selection of Arbitrator.** One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.

F. **Setting of Arbitration Hearing.** A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.

G. **Discovery.** In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.

H. **Burden of Proof.** The burden of proof with respect to SBE status and/or Good Faith Efforts shall be on the Agency-Assisted Contractor and/or Contractor. The burden of proof as to all other alleged breaches by the Agency-Assisted Contractor and/or Contractor shall be on the Agency.

I. **California Law Applies.** Except where expressly stated to the contrary in this SBE Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.

J. **Arbitration Remedies and Sanctions.** The arbitrator may impose only the remedies and sanctions set forth below:
1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.

2. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Agency-Assisted Contract or this SBE Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Agency-Assisted Contract or this SBE Agreement, other than those minor modifications or extensions necessary to enable compliance with this SBE Agreement.

3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the SBE Program requirements in the Agency-Assisted Contract or this SBE Agreement. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.

4. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars ($50,000.00) or ten percent (10%) of the base amount of the breaching party’s contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this SBE Agreement unless the breaching party has failed to cure after being provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

K. **Arbitrator’s Decision.** The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

I. **Default Award; No Requirement to Seek an Order Compelling Arbitration.** The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.

M. **Arbitrator Lacks Power to Modify.** Except as otherwise provided, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the Agency-Assisted Contract, this SBE Agreement or any other agreement between the Agency, the
Agreement-Assisted Contractor or Contractor or to negotiate new agreements or provisions between the parties.

N. **Jurisdiction/Entry of Judgment.** The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this SBE Agreement or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this SBE Agreement or the validity of their application to other persons or circumstances.

MINIMUM COMPENSATION POLICY (MCP) DECLARATION

What the Policy does. The Redevelopment Agency of the City and County of San Francisco adopted the Minimum Compensation Policy (MCP), which became effective on September 25, 2001; the Successor Agency to the Redevelopment Agency ("Agency") continues to enforce the MCP. The MCP requires contractors and subcontractors to provide the following to their employees covered by the MCP on Agency contracts and subcontracts for services: For Commercial Business MCP the wage rate is $12.66. For Nonprofit MCP the wage rate is $11.03; 12 days’ paid vacation per year (or cash equivalent); 10 days off without pay per year.

The Agency may require contractors to submit reports on the number of employees affected by the MCP.

Effect on Agency contracting. For contracts and amendments signed on or after September 25, 2001, the MCP will have the following effect:

- in each contract, the contractor will agree to abide by the MCP and to provide its employees the minimum benefits the MCP requires, and to require its subcontractors subject to the MCP to do the same.

- if a contractor does not provide the MCP minimum benefits, the Agency can award a contract to that contractor only if the contract is exempt under the MCP, or if the contract has received a waiver from the Agency.

What this form does. If you can assure the Agency now that, beginning with the first Agency contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the MCP to your covered employees, and will ensure that your subcontractors also subject to the MCP do the same, this will help the Agency’s contracting process. The Agency realizes that it may not be possible to make this assurance now.

If you cannot make this assurance now, please do not return this form.

For more information, the complete text of the MCP is available from the Agency’s Contract Compliance Department by calling (415) 749-2400.

Routing. Return this form to: Contract Compliance Department, Successor to the San Francisco Redevelopment Agency, 1 South Van Ness, Fifth Floor, San Francisco, CA 94103.

HEALTH CARE ACCOUNTABILITY POLICY (HCAP) DECLARATION

What the Policy does. The San Francisco Redevelopment Agency adopted the San Francisco Health Care Accountability Policy (the “HCAP”), which became effective on September 25, 2001; the Successor Agency to the Redevelopment Agency (“Agency”) continues to enforce the HCAP. The HCAP requires contractors and subcontractors that provide services to the Agency, contractors and subcontractors that enter into leases with the Agency, and parties providing services to tenants and sub-tenants on Agency property to choose between offering health plan benefits to their employees or making payments to the Agency or directly to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits approved by the Agency Commission (2) pay the Agency $4.00 per hour for each hour the employee works on the covered contract or subcontract or on property covered by a lease (but not to exceed $160 in any week) and the Agency will appropriate the money for staffing and other resources to provide medical care for the uninsured, or (3) participate in a health benefits program developed by the Agency.

The Agency may require contractors to submit reports on the number of employees affected by the HCAP.

Effect on Agency contracting. For contracts and amendments signed on or after September 25, 2001, the HCAP will have the following effect:

- in each contract, the contractor will agree to abide by the HCAP and to provide its employees the minimum benefits the HCAP requires, and to require its subcontractors to do the same.
- if a contractor does not provide the HCAP’s minimum benefits, the Agency can award a contract to that contractor only if the contract is exempt under the HCAP, or if the contract has received waiver; from the Agency.

What this form does. If you can assure the Agency now that, beginning with the first Agency’s contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCAP to your covered employees, and will ensure that your subcontractors also subject to the HCAP do the same, this will help the Agency contracting process. The Agency realizes that it may not be possible to make this assurance now.

If you cannot make this assurance now, please do not return this form.

For more information, (1) see the complete text of the HCAP, available from the Agency’s Contract Compliance Department at: (415) 749-2400.
