MINIMUM COMPENSATION POLICY (MCP) DECLARATION

What the Policy does. The Office of Community Investment and Infrastructure (OCII) (successor to the San Francisco Redevelopment Agency) adopted the Minimum Compensation Policy (MCP), which became effective on September 25, 2001. The MCP requires contractors and subcontractors to provide the following to their employees covered by the MCP on OCII contracts and subcontracts for services: For Commercial Business MCP the wage rate is $12.66 per hour. For Nonprofit MCP the wage rate is $11.03 per hour. In addition, 12 days of paid vacation per year (or cash equivalent) and 10 days off without pay per year shall be offered.

The OCII may require contractors to submit reports on the number of employees affected by the MCP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the MCP will have the following effect:

• in each contract, the contractor will agree to abide by the MCP and to provide its employees the minimum benefits the MCP requires, and to require its subcontractors subject to the MCP to do the same.

• if a contractor does not provide the MCP minimum benefits, OCII can award a contract to that contractor only if the contract is exempt under the MCP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII’s contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the MCP to your covered employees, and will ensure that your subcontractors also subject to the MCP do the same.

If you cannot make this assurance now, please do not return this form.

For more information, please see the complete text of the MCP, available from the OCII's Contract Compliance Department by calling (415) 749-2400.

Routing. Return this form to: Contract Compliance Department, Office of Community Investment and Infrastructure (Successor to the San Francisco Redevelopment Agency), 1 South Van Ness, Fifth Floor, San Francisco, CA 94103.

Declaration

Effective with the first OCII contract or amendment this company receives on or after September 25, 2001, this company will provide the minimum benefit levels specified in the MCP to our covered employees, and will ensure that our subcontractors also subject to the MCP do the same, until further notice. This company will give such notice as soon as possible.

I declare under penalty of perjury under the laws of the State of California that the above is true and correct.

HEALTH CARE ACCOUNTABILITY POLICY (HCAP) DECLARATION

What the Policy does. The Office of Community Investment and Infrastructure (OCII) (successor to the San Francisco Redevelopment Agency) adopted the San Francisco Health Care Accountability Policy (the HCAP), which became effective on September 25, 2001. The HCAP requires contractors and subcontractors that provide services to OCII, contractors and subcontractors that enter into leases with OCII, and parties providing services to tenants and sub-tenants on OCII property to choose between offering health plan benefits to their employees or making payments to OCII or directly to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits approved by the OCII Commission; (2) pay OCII $4.00 per hour for each hour the employee works on the covered contract or subcontract or on property covered by a lease (but not to exceed $160 in any week) and OCII will appropriate the money for staffing and other resources to provide medical care for the uninsured; or (3) participate in a health benefits program developed by OCII.

The OCII may require contractors to submit reports on the number of employees affected by the HCAP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the HCAP will have the following effect:

- in each contract, the contractor will agree to abide by the HCAP and to provide its employees the minimum benefits the HCAP requires, and to require its subcontractors to do the same.

- if a contractor does not provide the HCAP’s minimum benefits, OCII can award a contract to that contractor only if the contract is exempt under the HCAP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII’s contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII’s contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCAP to your covered employees, and will ensure that your subcontractors also subject to the HCAP do the same.

If you cannot make this assurance now, please do not return this form.

For more information, please see the complete text of the HCAP, available from the OCII’s Contract Compliance Department by calling (415) 749-2400.
