RESOLVED, The Commission finds and determines that the ENA and Loan documents facilitate the development of MBS 6W, which is an Implementing Action within the scope of the Mission Bay Project analyzed in the FSEIR and requires no further environmental review beyond the FSEIR pursuant to the State CEQA Guidelines Section 15180, 15162 and 15163 for the following reasons:

- (1) the Implementing Action is consistent with the Mission Bay Project analyzed in the FSEIR and does not require major revisions to the FSEIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant impacts; and,
- (2) no substantial changes have occurred with respect to the circumstances under which the Mission Bay Project analyzed in the FSEIR will be undertaken that would require major revisions to the FSEIR due to the involvement of new significant environmental effects, or a substantial increase in the severity of effects identified in the FSEIR; and,
- (3) no new information of substantial importance relating to the development of affordable housing on MBS 6W has become available, which would indicate that (i) MBS 6W will have significant effects not discussed in the FSEIR; (ii) significant environmental effects will be substantially more severe; (iii) mitigation measures or alternatives found not feasible, which would reduce one or more significant effects, have become feasible; or (iv) mitigation measures or alternatives, which are considerably different from those in the FSEIR, will substantially reduce one or more significant effects on the environment that would change the conclusions set forth in the FSEIR; and, be it further

RESOLVED, The Commission has reviewed and considered the FSEIR and Addenda, and hereby adopts the CEQA findings set forth in Resolutions No. 182-98 and No. 183-98 and hereby incorporates such findings by reference as though fully set forth in this Resolution; and, be it further

RESOLVED, That the Commission authorizes the Executive Director to: (i) enter into the ENA with Mercy Housing California 78, L.P., a California limited partnership, and the Predevelopment Loan Documents with Mercy Housing California 78, L.P., a California limited partnership, substantially in the form of the documents approved by legal counsel for OCII, ; (ii) to make expenditures consistent with Redevelopment Dissolution Law; and (iii) to enter into any and all ancillary documents or to take any additional actions necessary to consummate the transaction contemplated by this Resolution.

I hereby certify that the foregoing resolution was adopted by the Commission at its meeting of July 18, 2017.
