**Disclosure Regarding Impact of COVID-19**

The COVID-19 pandemic is a significant development materially adversely affecting the City and County of San Francisco (the “City”)’s finances and outlook. Many aspects of the City’s future finances and operations and the local economy have been and are expected to continue to be materially adversely impacted by the COVID-19 pandemic. Financial impacts relevant to the Successor Agency (whose revenue is derived primarily from tax increment or other tax revenues generated in the Successor Agency’s project areas, which are located within the City) have included, and could continue to include, a decrease in assessed valuation and in the amount of certain other tax revenues generated due to this sustained downturn in economic activity. To date, the City’s economic and tax revenue losses associated with the COVID-19 pandemic have been significant.

While certain emergency orders have been lifted, and the national and local economy has improved, the situation is still developing and the resulting impact on the City’s economy, finances and operations remains unknown.

Notwithstanding the foregoing, the Successor Agency ended Fiscal Year 2020-21 with a positive net operating result and met all of its debt service obligations, its fund balance and debt service coverage requirements. It currently anticipates that the same will be true for Fiscal Year ending 2022; however, the Successor Agency can make no guarantees or assurances.

---

**The information in this Continuing Disclosure Annual Report only speaks as of its date and does not constitute, or imply, any representation (i) that all of the foregoing is material to investors, (ii) regarding any other financial, operating or other information about the Successor Agency, its projects or the Bonds or (iii) that no other circumstances or events have occurred or that no other information exists concerning the Successor Agency or the Bonds, which may have a bearing on the financial condition of the Successor Agency, the security for the Bonds, or an investor’s decision to buy, sell or hold any Bonds.**

Number	Notes
89	<b>Mission Bay Agency Costs Reimbursements.</b> OPAs allow Successor Agency to access tax increment or direct developer fees to reimburse Agency Costs, including the cost of other City agencies or outside organizations whose expertise is needed to implement the OPAs, based on T&M for costs allowed by the OPAs. In previous years Public Works, the City Attorney's Office and other City Agencies would bill FOCIL-MB who would then seek reimbursement from the tax increment pledge (Line 87). FOCIL-MB is allowed to charge interest on these payments to City Agencies. To expedite the payment to City Agencies and to reduce the use of tax increment, these Agencies will now be reimbursed directly from Tax Increment. Additionally it is anticipated that there will be four contracts with third party entities to provide consulting services for fiscal analysis and planning services. All costs will be paid out of Reserve funds, which is tax increment received in prior years, in ROPS 21-22. The remaining costs are agency costs that are reimbursed by the developer.
90	<b>MBN and MBS DPW Construction Cost Review Consulting.</b> A consultant must review developer reimbursement requests in order to ensure such requests are appropriate per the OPAs and CFDs. This review of developer reimbursement request is a long-term obligation under the MBN and MBS OPAs that has been fulfilled through a contract between the City's Department of Public Works ("DPW") and Financial Consultants, the cost for which is paid by the Successor Agency. These costs will be paid out of Reserve funds, or tax increment received in prior years, in ROPS 21-22.
91	<b>MBN and MBS Art Program.</b> The Mission Bay Redevelopment Plans require projects with over 25,000 square feet in commercial space to pay 1% of hard costs for public art. The source of these Other funds are Developer Fees. It is anticipated the San Francisco Arts Commission will administer these funds to contract with individual artists and maintain the public art. The contract dates in this line are the start and end dates of the Mission Bay South Redevelopment Plan (the Mission Bay North Redevelopment Plan started on October 26, 1998 and ends on October 26, 2028).
101	<b>RETIRE IN FY 21/22: Transbay Folsom Design Services.</b> Ancillary contract in compliance with the Transbay Implementation Agreement (Line 105), which was finally and conclusively determined to be an enforceable obligation on 4/15/2013. These expenditures are required pursuant to Section 2.1.d of the Transbay Implementation Agreement requiring activities related to major infrastructure improvements. This contract is for design services required to implement the Redevelopment Plan. The contract terminates in June 2024 and will be paid for using DDR-Approved bond proceeds from the 2017B & 2017E bonds and developer fees. Lines 422 and 423 have been created to break out the contract amounts for Essex and Under Ramp Park, respectively.
102	<b>Transbay Tax Increment Sales Proceeds Pledge Agreement.</b> FINAL & CONCLUSIVE DETERMINATION RECEIVED 4/15/13. Sales proceeds and tax increment generated from the sale and development of the state-owned parcels is pledged to TJPA for development to the Transit Center as required by the Redevelopment Plan Cooperative Agreement. TJPA will use these funds to pay debt service on bonds issued to repay the Transportation Infrastructure Finance and Innovation Act ("TIFIA") loan executed between TJPA and US Department of Transportation. Tax increment from the state-owned parcels provided to TJPA is net of AB1290 pass-through and affordable housing requirements, per the Cooperative Agreement.
105	<b>Transbay Implementation Agreement.</b> FINAL & CONCLUSIVE DETERMINATION RECEIVED 4/15/13. The Agency shall execute all activities related to the implementation of the Transbay Redevelopment Plan, including, but not limited to, activities related to major infrastructure improvements, including new public parks, new pedestrian oriented alleys, and widened sidewalks. The project cost for implementation of the Transbay Redevelopment Plan activities set forth in the Agreement shall be incurred by the Agency and included in the Agency's annual budget submitted to the City. The total outstanding obligation is the estimated public improvement costs necessary to implement the redevelopment plan, specifically the Transbay Streetscape and Open Space Concept Plan which was approved in 2006. As contracts are approved they are added as separate lines in the ROPS. The total outstanding debt was estimated at \$241M as of the final and conclusive determination. The current outstanding obligation amount is \$102,100,000 and is spread between this line (105) and other ancillary contracts to the implementation agreement, captured by Lines 101, 107, 109, 115, 391, 423, 431 and 432.
107	<b>Transbay Streetscape improvements.</b> Ancillary contract with San Francisco Department of Public Works in compliance with the Transbay Implementation Agreement (Line 105). These obligations are required pursuant to section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "execute activities related to major infrastructure improvements." These expenditures are required pursuant to Section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency "prepare and sell certain state-owned parcels to third parties" and requiring the Successor Agency to "execute activities related to major infrastructure improvements." City Attorney's office will review and approve agreements and contracts required under the Implementation Agreement on an on-going basis. The source of funds for attorney review of development parcel documents is developer fees whenever billable. In some cases, attorney reviews may be for items that are not billable to developers (e.g. OCII sole obligations for park and certain streetscape improvements), in which case RPTTF would be used. Contract Dates and Outstanding Amount represents current year request only.
115	<b>Transbay Ancillary Contracts for Professional Services.</b> This line is pursuant to Section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "prepare and sell certain state-owned parcels to third parties," "execute all activities related to the Implementation of the Transbay Redevelopment Plan" and "execute activities related to major infrastructure improvements." Contracts funded with Other would include items that can be reimbursed by developers. Items that cannot be reimbursed must be covered by RPTTF, including economic forecasting, infrastructure planning, management, and construction. Contract Dates and Outstanding Amount represents current year request only.
151	<b>The Mexican Museum Grant Agreement.</b> This is a \$10.566 million grant agreement for predevelopment and tenant improvements for a museum. The remaining balance of \$6,785,119 is bond proceeds reserved for future tenant improvements.

ROPS 15-16B authorized \$3.0M in predevelopment funds for Phase 4, and ROPS 16-17 authorized \$10.8M in gap funding. ROPS 17-18 authorized \$7.0M in developer fee contribution. ROPS 17-18 included \$7.0 million for predevelopment expenses for Phases 5 and 6 (\$3.5 million each). This \$7.0 million predevelopment funding was again included in ROPS 18-19 as predevelopment funding is not subject to AB 471. However, Phases 5 and 6 are now delayed and not included in ROPS 21-22 due to master developer delay in constructing necessary infrastructure for the project.

OCII's construction funding amount also estimates other expected project financing sources, and then OCII's construction funding is sized based on the "gap" remaining to fully fund the project. Both the construction cost amount and amounts from other funding sources will then be finalized prior to construction start in Spring 2022.
420	<b>HPS Affordable Housing Block 56.</b> Per final and conclusive determination for HPS housing obligation in umbrella line 218. \$3.5M in predevelopment funds committed in ROPS 18-19 and will continue to be spent in ROPS 21-22.
