Disclosure Regarding Impact of COVID-19

The COVID-19 pandemic is a significant development materially adversely affecting the City and County of San Francisco (the "City")'s finances and outlook. Many aspects of the City's future finances and operations and the local economy have been and are expected to continue to be materially adversely impacted by the COVID-19 pandemic. Financial impacts relevant to the Successor Agency (whose revenue is derived primarily from tax increment or other tax revenues generated in the Successor Agency's project areas, which are located within the City) have included, and could continue to include, a decrease in assessed valuation and in the amount of certain other tax revenues generated due to this sustained downturn in economic activity. To date, the City's economic and tax revenue losses associated with the COVID-19 pandemic have been significant.

While certain emergency orders have been lifted, and the national and local economy has improved, the situation is still developing and the resulting impact on the City's economy, finances and operations remains unknown.

Notwithstanding the foregoing, the Successor Agency ended Fiscal Year 2020-21 with a positive net operating result and met all of its debt service obligations, its fund balance and debt service coverage requirements. It currently anticipates that the same will be true for Fiscal Year ending 2022; however, the Successor Agency can make no guarantees or assurances.

The information in this Continuing Disclosure Annual Report only speaks as of its date and does not constitute, or imply, any representation (i) that all of the foregoing is material to investors, (ii) regarding any other financial, operating or other information about the Successor Agency, its projects or the Bonds or (iii) that no other circumstances or events have occurred or that no other information exists concerning the Successor Agency or the Bonds, which may have a bearing on the financial condition of the Successor Agency, the security for the Bonds, or an investor's decision to buy, sell or hold any Bonds.

86	MBN Tax Increment Allocation Pledge Agreement. MBN Tax Increment Allocation Pledge Agreement. FINAL & CONCLUSIVE DETERMINATION RECEIVED 1/24/14. The Tax Increment Allocation Pledge Agreement obligates the Successor Agency to use tax increment and to issue bonds backed by tax increment (the proceeds of which are used) to repay FOCIL-MB, LLC for infrastructure. The Total Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. Tax increment is irrevocably pledged to provide for direct reimbursement and payment of debt service on bonds, the proceeds of which reimburse master developer for infrastructure installed in plan area. Debt Service payments are an obligation of the MBS Tax Increment Allocation Pledge Agreement, but the actual payments are shown under each individual bond line item. In addition, the payments to the Master Developer for Infrastructure and to non-profit developers for Affordable Housing, as obligated by the OPA, are shown on separate lines. This line is a sub-line of Line 84. In ROPS 21-22, Reserve funds, which reflect tax increment received in prior years, will be used to fund infrastructure work.
87	MBS OPA. FINAL & CONCLUSIVE DETERMINATION RECEIVED 1/24/14. This line shows the amount of funds that will be used to reimburse FOCIL-MB, LLC pursuant to the MBS OPA. The OPA obligates the Successor Agency to use tax increment and to issue bonds backed by tax increment, the proceeds of which are used to repay FOCIL-MB, LLC for infrastructure. The Total Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC and will be paid from Tax Increment and from CFD Bond Proceeds.

Number 89	Notes Mission Bay Agency Costs Reimbursements. OPAs allow Successor Agency to access tax increment or direct developer fees to reimburse Agency Costs, including the cost of other City agencies or outside organizations whose expertise is needed to implement the OPAs, based on T&M for costs allowed by the OPAs. In previous years Public Works, the City Attorney's Office and other City Agencies would bill FOCIL-MB who would then seek reimbursement from the tax increment pledge (Line 87). FOCIL-MB is alllowed to charge interest on these payements to City Agencies. To expedite the payment to City Agencies and to reduce the use of tax increment, these Agencies will now be reimbursed directly from Tax Increment. Additionally it is anticipated that there will be four contracts with third party entities to provide consulting services for fiscal analysis and planning services. All costs will be paid out of Reserve funds, which is tax increment received in prior years, in ROPS 21-22. The remaining costs are agency costs that are reimbursed by the developer.
	MBN and MBS DPW Construction Cost Review Consulting. A consultant must review developer reimbursement requests in order to ensure such requests are appropriate per the OPAs and CFDs. This review of developer reimbursement request is a long-term obligation under the MBN and MBS OPAs that has been fulfilled through a contract between the City's Department of Public Works ("DPW") and Financial Consultants, the cost for which is paid by the Successor Agency. These costs will be paid out of Reserve funds, or tax increment received in prior years, in ROPS 21-22. MBN and MBS Art Program. The Mission Bay Redevelopment Plans require projects with over 25,000 square feet in commercial space to pay 1% of hard costs for public art. The source of these Other funds are Developer Fees. It is anticipated the San Francisco Arts Commission will administer these funds to contract with individual artists and maintain the public art. The contract dates in this line are the start and end dates of the Mission Bay South
101	Redevelopment Plan (the Mission Bay North Redevelopment Plan started on October 26, 1998 and ends on October 26, 2028). RETIRE IN FY 21/22: Transbay Folsom Design Services. Ancillary contract in compliance with the Transbay Implementation Agreement (Line 105), which was finally and conclusively determined to be an enforceable obligation on 4/15/2013. These expenditures are required pursuant to Section 2.1.d of the Transbay Implementation Agreement requiring activities related to major infrastructure improvements. This contract is for design services required to implement the Redevelopment Plan. The contract terminates in June 2024 and will be paid for using DDR-Approved bond proceeds from the 2017B & 2017E bonds and developer fees. Lines 422 and 423 have been created to break
102	Transbay Tax Increment Sales Proceeds Pledge Agreement. FINAL & CONCLUSIVE DETERMINATION RECEIVED 4/15/13. Sales proceeds and tax increment generated from the sale and development of the state-owned parcels is pledged to TJPA for development to the Transit Center as required by the Redevelopment Plan Cooperative Agreement. TJPA will use these funds to pay debt service on bonds issued to repay the Transportation Infrastructure Finance and Innovation Act ("TIFIA") loan executed between TJPA and US Department of Transportation. Tax increment from the state-owned parcels provided to TJPA is net of AB1290 pass-through and affordable housing requirements, per the Cooperative Agreement.
105	Transbay Implementation Agreement. FINAL & CONCLUSIVE DETERMINATION RECEIVED 4/15/13. The Agency shall execute all activities related to the implementation of the Transbay Redevelopment Plan, including, but not limited to, activities related to major infrastructure improvements, including new public parks, new pedestrian oriented alleys, and widened sidewalks. The project cost for implementation of the Transbay Redevelopment Plan activities set forth in the Agreement shall be incurred by the Agency and included in the Agency's annual budget submitted to the City. The total outstanding obligation is the estimated public improvement costs necessary to implement the redevelopment plan, specifically the Transbay Streetscape and Open Space Concept Plan which was approved in 2006. As contracts are approved they are added as separate lines in the ROPS. The total outstanding debt was estimated at \$241M as of the final and conclusive determination. The current outstanding obligation amount is \$102,100,000 and is spread between this line (105) and other ancillary contracts to the implementation agreement, captured by Lines 101, 107, 109, 115, 391, 423, 431 and 432. Transbay Streetscape improvements. Ancillary contract with San Francisco Department of Public Works in compliance with the Transbay Implementation Agreement (Line 105). These obligations are required pursuant to section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "execute activities related to major infrastructure improvements." The construction project is scheduled to be completed towards the end of FY 20/21, however there may be invoices to close out the contract that may be processed in FY 21/22; therefore rolling forward \$1M in contract authority in Bonds to allow for any final payments to Public Works.
109	Transbay City Attorney or Outside Counsel Review. This line is for review of documents related to Transbay obligations, in compliance with the Transbay Implementation Agreement (Line 105). These expenditures are required pursuant to Section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency "prepare and sell certain state-owned parcels to third parties" and requiring the Successor Agency to "execute activities related to major infrastructure improvements." City Attorney's office will review and approve agreements and contracts required under the Implementation Agreement on an on-going basis. The source of funds for attorney review of development parcel documents is developer fees whenever billable. In some cases, attorney reviews may be for items that are not billable to developers (e.g. OCII sole obligations for park and certain streetscape improvements), in which case RPTTF would be used. Contract Dates and Outstanding Amount represents current year request only.
115	Transbay Ancillary Contracts for Professional Services. This line is pursuant to Section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "prepare and sell certain state-owned parcels to third parties," "execute all activities related to the Implementation of the Transbay Redevelopment Plan" and "execute activities related to major infrastructure improvements." Contracts funded with Other would include items that can be reimbursed by developers. Items that cannot be reimbursed must be covered by RPTTF, including economic forecasting, infrastructure planning, management, and construction. Contract Dates and Outstanding Amount represents current year request only.
151	The Mexican Museum Grant Agreement. This is a \$10.566 million grant agreement for predevelopment and tenant improvements for a museum. The remaining balance of \$6,785,119 is bond proceeds reserved for future tenant improvements.
161	Alice Griffith Agency Funding Obligation. FINAL & CONCLUSIVE DETERMINATION RECEIVED 12/14/12 (shown as line 123 on the F&C which used the ROPS III numbering system). Pursuant to HPS Phase 2 DDA, this line requests capital funds to rebuild the Alice Griffith Public Housing development, which consists of 504 units with six phases. Of the six phases, Phases 1-4 are complete. ROPS 14-15 authorized gap funds for Phases 3A and 3B. ROPS 15-16B authorized \$3.0M in predevelopment funds for Phase 4, and ROPS 16-17 authorized \$10.8M in gap funding. ROPS 17-18 authorized \$7.0M in developer fee contribution. ROPS 17-18 included \$7.0 million for predevelopment expenses for Phases 5 and 6 (\$3.5 million each). This \$7.0 million predevelopment funding was again included in ROPS 18-19 as predevelopment funding is not subject to AB 471. However, Phases 5 and 6 are now delayed and not included in ROPS 21-22 due to master developer delay in constructing necessary infrastructure for the project.
218	HPS Phase 1 Affordable Housing Obligation. FINAL & CONCLUSIVE DETERMINATION RECEIVED 12/14/12 (shown as line 173 on the F&C which used the ROPS III numbering system). Contractual obligation under Hunters Point Shipyard-Phase 1 Disposition and Development Agreement to fund and construct affordable housing on Agency-owned parcels in HPS Phase 1. This is an estimated cost of funding 218 affordable housing units; actual amount will vary with actual cost of housing and timing of issuance of bonds. This line reflects the Pledge of Property Tax Revenues, defined as Housing Increment, under Mission Bay North Tax Allocation Pledge Agreement (to which Owner is a third party beneficiary) to fulfill affordable housing obligations in Mission Bay North Owner Participation Agreement. Upon completion of housing program in MB North, tax increment is then pledged to housing program in MB South. The total outstanding estimate is based on the FY 2011-12 Statement of Indebtedness ("SOI") page 37 of \$320 million, less the amounts included in that number for the housing debt service obligations included on separate ROPS lines: Series 2006A, 2007A, 2009A, 2009E, and 2011E. Total outstanding debt estimated to be \$849,936,548 over life of project (page 47 of the SOI) and required funding for affordable housing obligations. Funding for the specific affordable housing projects and debt service on associated tax allocation bonds required per this obligation are shown on individual Transbay lines: Lines 238 (R.C. This is an estimated amount based on DDA "Alice Griffith Subsidy" in BMR Housing Plan Section 5.4(a) and (c) and Exhibit F-C, but if overruns occur, the developer is contractually obligated to increase their contribution. In ROPS 16-17 \$5.2 million was included for Phase 4 (formerly known as Phase 3C) and subject to AB 471. In ROPS 17-18, due to configuration of units types, developer fee contribution increased by \$1.8 million to \$7.0 million, subject to AB 471. The HPS-CP Developer's next and final commitments will be for AG Phases 5 and 6, and will be included in a subsequent ROPS.

389 391	Tax Allocation Bond Series MBS2014A. Transbay Under Ramp Park Construction. Contract to be managed by the San Francisco Department of Public Works, as an ancillary contract in compliance with Section 201 of the Transbay Implementation Agreement (Line 105). The project was delayed in FY 20/21 and the contract with Public Works has a remaining balance of approximately \$6.34M; the project is anticipated to restart in FY 21/22 and the current contract balance is being rolled forward. Portion of contract to be funded by RPTTF would only be drawn on if project was actually moving forward, hence request is in B period and may not be actually received if not needed. The Outstanding Balance Amount reflects the design and predevelopment work but does not yet include an estimate for construction; that amount is expected to be estimated in FY 21/22, so anticipate providing an updated Outstanding Balance with construction costs for ROPS 22/23

395	HPS Affordable Housing Blocks 52/54. This line is per final and conclusive determination for HPS housing obligation in umbrella line 218. \$2.5M in ROPS 14-15B for predevelopment was increased to \$4.0M in ROPS 16-17
	amendment to reflect timetable extension and combining Blocks 52/54 for a more financially feasible "scattered site" development. Predevelopment funding in ROPS 20-21 will continue spending into ROPS 21-22. The ROPS 20-21
	included OCII's construction funding, but due to project delay, will commit in ROPS 21-22 instead. The source of funds is bonds. The total funding has increased by \$20M in the event that the project does not secure any state funds
	other than tax-exempt bonds and 4% tax credit equity and to account for less favorable financing terms overall based on market changes.
398	HPS Phase 2 CP Other Professional Services. This is funded by Developer Reimbursements. This is an ongoing cost which the Agency anticipates until the completion of the HPS project. Under the Candlestick Point/Hunters Point

411	Enforceable Obligation Support. SB107 requires Successor Agencies to spend no more than 3% of RPTTF Non-Admin on agency administration, across all funding sources. In prior ROPS, OCII recorded agency costs that directly
	support affordable obligations and OCII administration in line 1. As per DOF recommendation, OCII is now separately reporting the OCII costs that directly support affordable obligations. The administrative cost to operate the
	agency is reported in line 1.
412	HPS CP Surety Bond Program. See Section 5.2(b) of the Phase 2 Community Benefits Agreement. Successor Agency's Surety Bond Program will be used to assist BVHP contractors in obtaining insurance and credit support that may

413	Transbay Block 2 West Affordable Housing. Ancillary contract in compliance with the Transbay Implementation Agreement (Line 237) Affordable Housing Program, which was finally and conclusively determined to be an
	enforceable obligation on 4/15/2013. The source for the \$3.5 million for predevelopment expenses is developer fees. Rolled to 20-21 ROPS as a result of delay in issuance of Request for Proposals because of the unexpected

417	MBS Block 9 Affordable Housing. This line is for funding for affordable housing project in partial fulfillment of MBS OPA Requirements, per final and conclusive determination regarding Mission Bay housing obligation on umbrella
	lines 220 and 226. ROPS 17-18 included \$3.5 million in predevelopment funds from SB 107 bonds; amended ROPS 17-18 increased that amount to \$5 million to accommodate increased predevelopment funding due to proposed
	use of modular construction. ROPS 20-21 included gap construction funding pursuant to AB 471. Construction started in ROPS 20-21.
419	MBS Block 9A Affordable. Housing construction funding for affordable housing project in partial fulfillment of MBS OPA Requirements, per final and conclusive determination regarding Mission Bay housing obligation on umbrella

	ROPS 21-22 period; this bond issuance will be sized to fund this loan. The construction funding for this affordable homeownership project is based on the construction cost estimate of the current project design; the estimate is
	from the developer's general contractor and reviewed by OCII. OCII's construction funding amount also estimates other expected project financing sources, and then OCII's construction funding is sized based on the "gap"
	remaining to fully fund the project. Both the construction cost amount and amounts from other funding sources will then be finalized prior to construction start in Spring 2022.
420	HPS Affordable Housing Block 56. Per final and conclusive determination for HPS housing obligation in umbrella line 218. \$3.5M in predevelopment funds committed in ROPS 18-19 and will continue to be spent in ROPS 21-22.
