

COMMISSION ON COMMUNITY INVESTMENT AND INFRASTRUCTURE

RESOLUTION NO. 15-2022

Adopted June 21, 2022

- WHEREAS, In furtherance of the objectives of the California Community Redevelopment Law (Health and Safety Code, section 33000 et seq. the "CRL"), the Redevelopment Agency of the City and County of San Francisco (the "Former Agency") undertook programs for the reconstruction and construction of blighted areas in the City and County of San Francisco ("City"), including the Bayview Hunters Point Redevelopment Project Area ("BVHP Project Area") and the Hunters Point Shipyard Redevelopment Project Area ("HPS Project Area"); and,
- WHEREAS, The Board of Supervisors of the City and County of San Francisco ("Board of Supervisors") adopted the Hunters Point Shipyard Redevelopment Plan ("HPS Plan") on July 14, 1997 by Ordinance No. 285-97 and amended the HPS Plan on August 3, 2010 by Ordinance No. 211-10, on June 22, 2017 by Ordinance No. 122-17 and on July 16, 2018 by Ordinance No. 166-18; and,
- WHEREAS, On December 2, 2003, the Former Agency and LENNAR/BVHP, LLC, a California limited liability company doing business as Lennar/BVHP Partners (now HPS Development Co., L.P. ("HPS1 Developer") entered into the Hunters Point Shipyard Phase 1 Disposition and Development Agreement (including all current and future amendments thereto, the "Phase 1 DDA") establishing a development program and obligations within Phase 1 of the HPS Project Area ("HPS Phase 1 Project"); and,
- WHEREAS, On May 23, 2006, the Board of Supervisors amended the Bayview Hunters Point Redevelopment Plan ("BVHP Plan") by Ordinance No. 113-06, on August 3, 2010 by Ordinance No. 210-10, on June 22, 2017 by Ordinance No. 123-17 and on July 16, 2018 by Ordinance No. 167-18; and,
- WHEREAS, On June 3, 2010, the Former Agency Commission took several actions approving (or recommending for approval of) a unified development program for approximately 702 acres of land composed of Zone 1 of Project Area B of the BVHP Project Area ("Candlestick Point") and Phase 2 of the HPS Project Area ("HPS Phase 2", and collectively the "CP/HPS2 Project"), including a Disposition and Development Agreement (Candlestick Point and Phase 2 of the Hunters Point Shipyard by and between the Former Agency and CP Development Co., LP (now CP Development Co., LLC, or "CP/HPS2 Developer") (as currently amended and including all related binding plans and agreements attached to or referenced in the text thereof, the "CP/HPS Phase 2 DDA"); and,

WHEREAS, on February 1, 2012, the State of California dissolved all redevelopment agencies, including the Former Agency, by operation of law pursuant to California Health and Safety Code §§ 34170 et seq. (“Redevelopment Dissolution Law”). Under the authority of the Redevelopment Dissolution Law and under San Francisco Ordinance No. 215-12 (Oct. 4, 2012) (establishing the Successor Agency Commission (“Commission”) and delegating to it state authority under the Redevelopment Dissolution Law), the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (commonly known as the Office of Community Investment and Infrastructure or “OCII”) is administering the enforceable obligations of the Former Agency in the Project Area, including the HPS Plan, BVHP Plan, Phase 1 DDA and CP/HPS2 DDA (collectively the “DDAs”); and,

WHEREAS, On December 14, 2012, the California Department of Finance determined “finally and conclusively” that the HPS Plan, the BVHP Plan, the Phase 1 DDA and the CP/HPS Phase 2 DDA are enforceable obligations under the Dissolution Law; and,

WHEREAS, Since 1996, the Former Agency, and subsequently OCII, engaged a consultant to provide public meeting support services to the Mayor's Hunters Point Shipyard Citizen's Advisory Committee ("CAC") and community outreach assistance to OCII staff, the CAC and the Legacy Foundation for Bayview Hunters Point (a quasi-public community body created in accordance with the DDAs to advise and monitor implementation of HPS1 Developer's and CP/HPS2 Developer's community benefits obligations) in the implementation of the HPS1 Project and CP/HPS2 Project, as well as oversight of OCII's security badging program. In 2013, in accordance with its purchasing policy, OCII issued a request for proposals and in accordance therewith, awarded MJF & Associates a contract to perform the above-described services as well as management responsibilities for a site office within the then-newly constructed Community Facilities Demonstration Building, more commonly referred to as the Project FROG or "Site Office" Building located at 451 Galvez Avenue within the HPS Project Area; and,

WHEREAS, In 2019, in accordance with its purchasing policy, OCII issued a request for proposals for these services and OCII selected MJF & Associates, a San Francisco minority owned small businesses, as the highest scoring of two respondents, to provide the services described above. On July 16, 2019, the Commission authorized a three-year contract with MJF & Associates, which expires June 30, 2022; and,

WHEREAS, Since assuming management responsibilities at the Site Office, MJF & Associates has provided a high level of service and completed all required tasks under their existing contract, as well as additional tasks not included in the original scope of work. In so doing, it has developed an extensive rapport with the BVHP community and community stakeholders and organizations, the US Navy and federal and state regulatory agencies with jurisdiction over the Shipyard, which is critical to the role of on-site administrative services. Additionally, the members of MJF & Associates' consulting team have previous experience at the Site Office, providing administrative support to the CAC and Legacy Foundation, and disseminating information about the redevelopment of the Project Areas to the broader BVHP community. In addition, MJF & Associates has successfully coordinated and conducted virtual meetings during the COVID 19 pandemic. Given the unpredictable nature of COVID and necessary responses to potential future waves, ability to administer remote meetings safely and effectively, sometimes on short notice, is critical to the functioning of the CAC and Legacy Foundation and to avoiding hardship on community residents seeking access to and participation with the CAC or Legacy Foundation; and,

WHEREAS, MJF & Associates has gained experience that makes it uniquely qualified to continue providing the requested on-site administrative services. Accordingly, pursuant to Section IX.D.1.d. of the OCII Purchasing Policy, staff now recommends entering into this three-year contract with MJF & Associates for on-site services on a sole-source basis; and,

WHEREAS, The fees and expenses authorized under the Contract have been, and will be, reimbursable from the Phase 1 and CP/HPS2 Developer under the DDAs. The Contract is shown on line HPSY 25 of the Recognized Obligation Payment Schedule ("ROPS"), which has been approved by the Department of Finance and will be included on each successive ROPS until expiration or termination of the Contract; and,

WHEREAS, Authorization of the Contract is not a project, as defined by the California Environmental Quality Act ("CEQA") in CEQA Guidelines Section 15378(b)(5) and therefore, is not subject to environmental review under CEQA. The Contract will allow for the provision of administrative support, outreach and information services and will not independently result in a physical change in the environment; now; therefore, be it

RESOLVED, That the Commission approves and authorizes the Executive Director to execute, substantially in the form attached to the Commission Memorandum accompanying this Resolution, a personal services contract with MJF & Associates Consulting, a sole proprietorship, for the purposes of providing outreach and administrative support services to the CAC, OCII and the Legacy Foundation, for a contract term of July 1, 2022 to June 30, 2025 and a total contract amount not to exceed \$957,100.

I hereby certify that the foregoing resolution was adopted by the Commission at its meeting of June 21, 2022.

Commission Secretary

Exhibit A: HPS Site Office Management Personal Services Contract

**OFFICE OF COMMUNITY INVESTMENT AND INFRASTRUCTURE/
SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY AND
COUNTY OF SAN FRANCISCO**

PERSONAL SERVICES CONTRACT

This PERSONAL SERVICES CONTRACT (“Contract”) is entered into as of July 1, 2022 by and between the OFFICE OF COMMUNITY INVESTMENT AND INFRASTRUCTURE/ SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO, a public body, corporate and politic (“OCII”), and M.J.F. & ASSOCIATES CONSULTING, a sole proprietorship (“Contractor”).

RECITALS

A. In furtherance of the objectives of the Community Redevelopment Law of the State of California (Health and Safety Code, section 33000 et seq. the “CRL”), the Redevelopment Agency of the City and County of San Francisco (the “Former Agency”) and the Board of Supervisors of the City and County of San Francisco (the “City”) created the Bayview Hunters Point Redevelopment Project Area and the Hunters Point Shipyard Redevelopment Project Area (the “Project Areas”).

B. In 1995, the Mayor's Hunters Point Shipyard Citizens Advisory Committee (“CAC”) was initially formed to advise the Former Agency on conversion of the former Hunters Point Naval Shipyard (“Shipyard”) to civilian use and subsequent development. The CAC consists of eight members that are appointed by the Mayor and include residents of Bayview Hunters Point (“BVHP”), tenants or businesses operating at the Shipyard, and members of the public. In 2010 the Mayor expanded the role of the CAC to include advising on the redevelopment of Zone One of Plan Area B of the Bayview Hunters Point Redevelopment Project Area.

C. In furtherance of its goals for the Project Areas, the Former Agency entered into two agreements concerning development within the Project areas: (1) the Former Agency and Lennar – BVHP, LLC, a California limited liability company (“Phase 1 Developer”), entered into the Disposition and Development Agreement Hunters Point Shipyard Phase 1 dated as of December 2, 2003, which has been subject to seven subsequent amendments (as amended, the “Phase 1 DDA”); and (2) the Former Agency and CP Development Co., LP (“Phase 2 Developer”) entered into a Disposition and Development Agreement (Candlestick Point and Phase 2 of the Hunters Point Shipyard), dated June 3, 2010, which has been subject to three subsequent amendments (as amended, the “CP/HPS2 DDA”).

D. On February 1, 2012, the Former Agency was dissolved pursuant to California Health and Safety Code Sections 34161 – 34168 (“Redevelopment Dissolution Law”). Under the authority of the Redevelopment Dissolution Law and under San Francisco Ordinance No. 215-12 (Oct. 4, 2012) (establishing the Successor Agency Commission (“Commission”) and delegating to it state authority under the Redevelopment Dissolution Law), OCII is administering the enforceable obligations of the Former Agency, including its rights and obligations under the Phase 1 DDA and Phase 2 DDA (together the “DDAs”).

E. The DDAs are enforceable obligations of OCII, and on December 14, 2012 the State Department of Finance issued a Final & Conclusive Determination affirming these obligations. The DDAs govern the public-private partnership between OCII and the master developers thereunder. The DDAs require OCII to approve land use and related decisions at public hearings before the Commission. To fulfill this obligation, certain support services, including public outreach and administrative support services to the CAC are necessary.

F. Since 1996, the Former Agency, and subsequently OCII, engaged a consultant to provide meeting support services to the CAC and community outreach assistance to OCII staff, the CAC and the Legacy Foundation (a quasi-public community body created in accordance with the DDAs to advise and monitor implementation of Developer's community benefits obligations) in the implementation of the Project's redevelopment, as well as oversight of OCII's security badging program. In 2013, in accordance with its purchasing policy, OCII issued a request for proposals and in accordance therewith, awarded MJF & Associates a contract to perform the above-described services as well as management responsibilities for a site office within the then-newly constructed Community Facilities Demonstration Building, more commonly referred to as the Project FROG or "Site Office" Building located at 451 Galvez Avenue within the Hunters Point Shipyard Redevelopment Project Area.

G. In 2019, in accordance with its purchasing policy, OCII issued a request for proposals for these services and OCII again selected MJF & Associates, as the highest scoring of two respondents, to provide the services described above. On July 16, 2019, the Commission authorized a three-year contract with MJF & Associates, which expires June 30, 2022.

H. Since assuming management responsibilities at the Site Office, MJF & Associates has provided a high level of service and completed all required tasks under their existing contract, as well as additional tasks not included in the original scope of work. In so doing, it has developed an extensive rapport with the BVHP community and community stakeholders and organizations, the US Navy and federal and state regulatory agencies with jurisdiction over the Shipyard, which is critical to the role of on-site administrative services. Additionally, the members of MJF & Associates' consulting team have previous experience at the Site Office, providing administrative support to the CAC and Legacy Foundation, and disseminating information about the redevelopment of the Project Areas to the broader BVHP community. In addition, MJF & Associates has successfully coordinated and conducted virtual meetings during the COVID 19 pandemic. Given the unpredictable nature of COVID and necessary responses to potential future waves, ability to administer remote meetings safely and effectively, sometimes on short notice, is critical to the functioning of the CAC and Legacy Foundation and to avoiding hardship on community residents seeking access to and participation with the CAC or Legacy Foundation.

I. Thus, MJF & Associates has gained experience that makes it uniquely qualified to continue providing the requested on-site administrative services. Accordingly, pursuant to Section IX.D.1.d. of the OCII Purchasing Policy, staff now recommends entering into this three-year contract with MJF & Associates for on-site services on a sole-source basis.

J. The fees and expenses authorized under this Contract have been, and will be, reimbursed by the Phase 1 and Phase 2 Developer under the DDAs. The Contract is shown on line HPSY 25 of the Recognized Obligation Payment Schedule ("ROPS"), which has been approved by the Department of Finance and will be included on each successive ROPS until expiration or termination of the Contract.

K. The Security Services Cooperative Agreement between the United States Navy and OCII is also an enforceable obligation and names OCII as Caretaker for purposes of protecting facilities at the Shipyard and requires OCII to provide security services which include Entry/Exit Gate Control as stipulated in Appendix 2, Section 2 of the aforementioned agreement. Such Gate Control services are to ensure that only authorized persons with an approved identification in the form of a HPS Badge are allowed to enter the base and include maintaining a badging and identification database program.

Where minimum rates of pay required under State or local law are higher than the minimum rates of pay required by or set forth in applicable Federal labor standards, said State or local minimum rates shall be the applicable minimum rates of pay for such classifications.

8a. INDEMNIFICATION

To the fullest extent allowable by law, Contractor shall hold harmless, defend at its own expense and indemnify OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents and employees against any and all liability, claims, losses, damages or expenses, including reasonable attorney's fees, arising directly or indirectly from all acts or omissions to act of contractor or its officers, agents or employees in rendering services under this contract; excluding, however, such liability, claims, losses, damages or expenses arising from OCII's gross negligence or willful acts and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its officers, agents or employees. In addition to Contractor's obligation to indemnify OCII, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend OCII from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by OCII and continues at all times thereafter. This section does not apply to contracts for construction design services provided by a design professional, as defined in California Civil Code Section 2782.8.

8b. INDEMNIFICATION BY DESIGN PROFESSIONALS

This section applies to any design professional as defined in California Civil Code Section 2782.8 who is or will provide construction design services ("Design Professional") as part of, collateral to, or affecting this Agreement with the Contractor. Each Design Professional who will provide construction design services shall hold harmless, defend at his or her own expense and indemnify OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents and employees of and from all claims, loss, damage, injury, actions, causes of action and liability of every kind, nature and description, including reasonable attorney's fees, directly or indirectly that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Design Professional. It is expressly agreed and understood that the duty of indemnification pursuant to this section, including the duty to defend, is to be interpreted broadly, to the greatest extent permitted by law, including but not limited to California Civil Code Section 2782.8.

9. INDEPENDENT CONTRACTOR

A. Contractor hereby declares that it is engaged in an independent business and agrees to perform its services as an independent contractor and not as the agent or employee of OCII. Contractor has and hereby retains the right to exercise full control and supervision of the services and work to be provided under this Contract and full control over the employment, direction, compensation and discharge of all persons assisting it in the performance of the services and work hereunder. Contractor agrees to be solely responsible for all matters relating to payment of employees, including, but not limited to, compliance with all federal, state and local payroll tax and withholding requirements, workers' compensation requirements and all regulations governing such matters. Contractor agrees to be solely responsible for its own acts and those of its subordinates and employees during the term of the Contract.

B. Permit to Enter Office Premises - The Permit to enter the OCII Site Office located at 451 Galvez Ave, San Francisco, CA ("Permit Area") is non-exclusive and is subject to the rights of ingress and egress by the Agency and others or other sub-contractors, who are authorized by OCII to access portions of the Permit Area. Contractor shall use the Permit Area to conduct activities which are described in the Scope of Services (Attachment A)

The Permit Area is accepted "AS IS" and entry upon the Permit Area by Contractor is an acknowledgment by Contractor that all dangerous places and defects in said Permit Area are known to it and are to be made secure and kept in such secure condition by Contractor. Contractor shall only use the Permit area to conduct services defined in Scope of Services and shall maintain the Permit Area so that it will not be unsafe, unsightly or unsanitary. Upon termination of the Permit, Contractor shall vacate the Permit Area and remove any and all personal property located thereon and restore the Permit Area to its condition at the time of entry. The Agency shall have the right without notice to dispose of any property left by Permittee after it has vacated the Permit Area.

10. INSURANCE

A. Contractor must procure and maintain for the duration of the Contract, including any extensions, insurance against claims for injuries to person or damages to property which may arise from or in connection with the performance of the work under this Contract by the Contractor, its agents, representatives, employees or subcontractors. If the Contractor maintains additional coverages and/or higher limits than the minimums shown in this Article 10, OCII requires and shall be entitled to the additional coverage and/or the higher limits maintained by the Contractor.

D. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by OCII. At the option of OCII, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to OCII, the City and County of San Francisco and their respective commissioners, members, officers, agents and employees; or Contractor shall provide a financial guarantee satisfactory to OCII guaranteeing payment of losses and related investigations, claim administration and defense expenses.

12. CONFLICTS

Except for approved eligible administrative or personnel costs, no employee, agent, contractor, officer or official of OCII who exercises any functions or responsibilities with respect to this Contract or who is in a position to participate in a decision making process or gain inside information with regard to it, shall obtain a personal or financial interest in or benefit from any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom they have family or business ties, during his or her tenure or for two years thereafter. The term "Contractor" also includes the employees, officers (including board members), agents and subcontractors of a Contractor under this Contract. In order to carry out the purposes of this Section, Contractor shall incorporate, or cause to be incorporated, in all contracts and subcontracts relating to activities pursuant to this Contract, a provision similar to that of this Section.

13. CONTRACTOR'S DUTY OF LOYALTY

Contractor for itself and subcontractors, if any, agrees to abide by OCII's duty of loyalty, which appears at Section IX.H. (Prohibited Activities of Present and Former Employees, Commissioners and Consultants) of OCII's Personnel Policy and which states in part the following: "Unless approved in advance in writing by OCII, no present or former employee, Commissioner or consultant of OCII shall knowingly act for anyone other than OCII in connection with any particular matter in which OCII is a party, or has a direct and substantial interest, and in which he or she

participated personally and substantially as an OCII employee, Commissioner or consultant whether through decisions, recommendations, advice, investigation or otherwise. Violation of this section by a present employee, consultant or Commissioner may, in the case of an employee or consultant, be grounds for discharge or termination of the consultant contract, and in the case of a Commissioner, be considered misconduct in office pursuant of California Health and Safety Code Section 33115.”

14. LIMITATIONS ON CONTRIBUTIONS

Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with OCII for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) the Mayor or members of the Board of Supervisors, (2) a candidate for Mayor or Board of Supervisors, or (3) a committee controlled by such office holder or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in section 1.126.

Finally, Contractor agrees to provide to OCII the names of each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is not sponsored or controlled by Contractor.

15. CONFIDENTIALITY/PROPERTY OF OCII

All of the reports, information, data or other materials prepared or assembled by Contractor under this Contract, including Contractor's opinions and conclusions based upon such items, are confidential. Contractor agrees that such reports, information, opinions or conclusions shall not be made available to or discussed with any individual or organization, including the news media, without the prior written approval of OCII. Unless otherwise stated in the Scope of Services, all such reports, information, data or other materials and work product shall become the property of OCII, but are subject to disclosure under the Public Records Act, Cal. Govt Code §§6250 et seq; and the Agency Public Records Policy, Agency Resolution No. 182-2005 (Nov.1, 2005).

16. COMPLIANCE WITH CALIFORNIA GOVERNMENT CODE

It is understood and agreed that Contractor shall comply with California Government Code Section 7550. California Government Code Section 7550 provides in part that when the total cost for work performed for a local OCII by nonemployees of such OCII exceeds \$5,000.00, any

document or written report prepared in whole or in part by nonemployees for such OCII shall contain, in a separate section, the numbers and dollar amount of all contracts and subcontracts relating to the preparation of such document or written report.

17. NONDISCRIMINATION AND EQUAL BENEFITS

A. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of this Contract. Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. SMALL BUSINESS ENTERPRISE AGREEMENT

The company or entity executing this Small Business Enterprise Agreement, by and through its duly authorized representative, hereby agrees to use good faith efforts to comply with all of the following:

I. PURPOSE. The purpose of entering into this Small Business Enterprise Program agreement (“**SBE Program**”) is to establish a set of Small Business Enterprise (“SBE”) participation goals and good faith efforts designed to ensure that monies are spent in a manner which provides SBEs with an opportunity to compete for and participate in contracts by or at the behest of the Successor Agency to the San Francisco Redevelopment Agency (“**Agency**”) and/or the Agency-Assisted Contractor. A genuine effort will be made to give First Consideration to Project Area SBEs and San Francisco-based SBEs before looking outside of San Francisco.

II. APPLICATION. The SBE Program applies to all Contractors and their subcontractors seeking work on Agency-Assisted Projects on or after November 17, 2004 and any Amendment to a Pre-existing Contract.

III. GOALS. The Agency’s SBE Participation Goals are:

CONSTRUCTION	50%
PROFESSIONAL SERVICES	50%
SUPPLIERS	50%

IV. TRAINEE HIRING GOAL. In addition to the goals set forth above in Section III, there is a trainee hiring goal for all design professionals (architects, engineers, planners, and environmental consultants) on contracts or subcontracts over \$100,000. The trainee hiring goal requires architects, engineers and other design professionals only to hire qualified San Francisco residents as trainees. The trainee hiring goal is based upon the total amount of the design professional’s contract as follows:

<u>Trainees</u>	<u>Design Professional Fees</u>
0	\$ 0 – \$99,000
1	\$ 100,000 – \$249,999
2	\$ 250,000 – \$499,999
3	\$ 500,000 – \$999,999
4	\$1,000,000 – \$1,499,999
5	\$1,500,000 – \$1,999,999
6	\$2,000,000 - \$4,999,999
7	\$5,000,000 - \$7,999,999
8	\$8,000,000 – or more

A. Procedures For Trainee Hires

1. Compliance with the Trainee Hiring Goal

Design professionals will be deemed in compliance with this Agreement by meeting or exceeding

the trainee hiring goal or by take the following steps in good faith towards compliance.

2. **Execution and Incorporation of this Agreement to Sub-agreements**

The Agency-Assisted Contractor shall execute this Agreement and shall incorporate by reference or attach this Agreement to its contract(s) with the architects, engineers and other design professionals. Thus, each design professional (regardless of tier) will be obligated to comply with the terms of this Agreement. The Agency-Assisted Contractor and/or the design professionals shall retain the executed Agreements and make them available to the Agency Compliance Officer upon request.

3. **Contact Educational Institutions**

Each design professional shall call the City and County of San Francisco Office of Economic and Workforce Development (OEWD) or educational institution(s) and request referrals for the required trainee positions. The request will indicate generally: (1) the number of trainees sought; (2) the required skills set (keeping in mind that these are trainee positions); (3) a brief description of job duties; (4) the duration of the trainee period; and (5) any other information that would be helpful or necessary for the educational institution or OEWD to make the referral. The minimum duration of assignment is part-time for one semester. However, design professionals are strongly encouraged to offer longer trainee employment periods to allow a more meaningful learning experience. (For example, a half-time or full-time assignment over the summer.) Although the initial contact shall be made by phone, the educational institution(s) or OEWD may require the design professionals to send a confirming letter or complete its form(s). Each design professional is required to timely provide all of the information requested by the OEWD or educational institution(s) in order to get the referrals.

4. **Response from Educational Institutions**

Each educational institution may have a different way of referring applicants, such as: sending resumes directly to the design professional; having the applicant contact the design professional by phone; require design professionals to conduct on-campus interviews; or some other method. The timing and method of the response will normally be discussed with the design professional during the initial phone request. The design professional is required to follow the process set by the educational institution(s) in order to get the referrals.

5. **Action by Design Professionals When Referrals Available**

The design professional shall interview each applicant prior to making the decision to hire or not to hire. The design professional shall make the final determination whether the applicant is qualified for the trainee position and the ultimate hiring decision. The Agency strongly encourages the design professional to hire a qualified San Francisco resident referred by the educational institution(s). The design professional shall notify the educational institution in writing of the hiring decision.

6. **Action by Design Professionals When Referrals Unavailable**

If after contacting two or more educational institutions the design professional is informed that no San Francisco residents are currently available, then the design professional should wait thirty (30) days and contact the educational institutions a second time to inquire whether qualified San Francisco residents are currently available for hire as trainees. If no qualified San Francisco residents are currently available after the second request, then the design professional has fulfilled its obligation under this Agreement, provided that the design professional has acted in good faith. The design professional must retain its file on all of the steps it took to comply with this Section IV and submit a copy of its file to the Agency Compliance Officer upon request.

7. **Action by Design Professional When No Response From Educational Institutions**

If a design professional has not received a response to its request for referrals from any of the

educational institutions within five (5) business days after the design professional has fully complied with the procedures, if any, set by the educational institution(s) for obtaining referrals, then the design professional should immediately advise the Agency Compliance Officer by phone, fax or email. The Agency Compliance Officer or his/her designee shall cause the educational institution(s) to respond to the design professional within five (5) business days of the Agency Compliance Officer being notified. If the design professional still has not received a response from the educational institution(s) after this additional five (5) business day period has run, then the design professional has fulfilled its obligation under this Section IV, provided that the design professional has acted in good faith. Each design professional must retain its file on all of the steps it took to comply with this Agreement and submit a copy of its file to the Agency Compliance Officer upon request.

8. Termination of Trainee for Cause

If at any time during the Term, it becomes necessary to terminate for cause a trainee who was hired under this Agreement and the design professional has not met the minimum duration requirements under this policy, then the design professional shall hire a new trainee by following the process set forth above.

B. Reporting Requirements For Trainee Hires

1. Reporting

Upon completion of the Term of the Agreement or the term of the design professional's contract with the Agency-Assisted Contractor, whichever is less, the design professional (i.e. Employer) shall fax or email a report to the Agency Compliance Officer stating in detail: (1) the names of the San Francisco resident(s) interviewed for trainee positions; (2) the date(s) of each interview; (3) the reasons for not hiring the San Francisco resident(s) interviewed; (4) the name, address, gender and racial/ethnic background of the successful candidate for the trainee position; and (5) the number of San Francisco residents hired as trainees.

2. Report on Terminations

In the event a San Francisco resident hired pursuant to this Agreement is terminated for cause, the responsible design professional shall within five (5) days fax or email a termination report to the Agency Compliance Officer stating in detail: (1) the name of the trainee(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); and (4) whether the design professional replaced the trainee(s).

V. TERM. The obligations of the Agency-Assisted Contractor and/or Contractor(s) with respect to SBE Program shall remain in effect until completion of all work to be performed by the Agency-Assisted Contractor in connection with the original construction of the site and any tenant improvements on the site performed by or at the behest of the Agency-Assisted Contractor unless another term is specified in the Agency-Assisted Contract or Contract.

VI. FIRST CONSIDERATION. First consideration will be given by the Agency or Agency-Assisted Contractor in awarding contracts in the following order: (1) Project Area SBEs, (2) San Francisco-based SBEs (outside an Agency Project or Survey Area, but within San Francisco), and (3) Non-San Francisco-based SBEs. Non-San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non-San Francisco-based SBEs.

VII. ASSOCIATIONS AND JOINT VENTURES (JV). OCII will recognize JVs and Associations between non-SBE firms and SBE firms where the SBE partner performs at least 35% of the work defined in the JV or Association agreement, and receives at least 35% (or a proportionate share, whichever is higher) of the dollars to be earned by the JV or Association. Under this arrangement, OCII will deem the JV or Association to be an SBE for the purposes of meeting the SBE goal. Due to the technical nature of the disciplines and the various standards of each industry, OCII will not require a standardized agreement. However, each JV and Association agreement must be in writing and contain, at a minimum, the following terms:

- Define the management of the agreement between the parties;
- Define the technical and managerial responsibilities of each party;
- Define the scope of work to be performed by each party, and where possible identify the percentage and break-down of scope of work for each party;
- Identify any additional subcontractors or consultants that will perform the work under the agreement;
- Define the schedule, duration, and deliverable of the agreement;
- Detail the fee schedule, fee breakdown, or division of compensation;
- Specify insurance requirements and/or if each party shall maintain its own insurance;
- Specify how additional work or changes in scope shall be negotiated or determined and which party shall be responsible for notifying OCII of the changes;
- Specify how claims and disputes will be resolved.

A copy of the JV or Association agreement must be provided to OCII for approval in order for the JV or Association to be recognized.

VIII. CERTIFICATION. The Agency no longer certifies SBEs but instead relies on the information provided in other public entities' business certifications to establish eligibility for the Agency's program. Only businesses certified by the Agency as SBEs whose certification has not expired and economically disadvantaged businesses that meet the Agency's SBE Certification Criteria will be counted toward meeting the participation goals. The SBE Certification Criteria are set forth in the SBE Policy.

IX. INCORPORATION. Each contract between the Agency, Agency-Assisted Contractor or Contractor on the one hand, and any subcontractor on the other hand, shall physically incorporate as an attachment or exhibit and make binding on the parties to that contract, a true and correct copy of this SBE Agreement.

X. DEFINITIONS. Capitalized terms not otherwise specifically defined in this SBE Agreement have the meaning set forth in the Agency's SBE Policy adopted on November 16, 2004 and amended on July 21, 2009 ("**Policy**") or as defined in the Agency-Assisted Contract or Contract. In the event of a conflict in the meaning of a defined term, the SBE Policy shall govern over the Agency-Assisted Contract or Contract which in turn shall govern over this SBE Agreement.

Affiliates means an affiliation with another business concern is based on the power to control, whether exercised or not. Such factors as common ownership, common management and identity of interest (often found in members of the same family), among others, are indicators of affiliation. Power to control exists when a party or parties have 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties.

Affiliated business concerns need not be in the same line of business.

Agency-Assisted Contract means, as applicable, the Development and Disposition Agreement (“**DDA**”), Land Disposition Agreement (“**LDA**”), Lease, Loan and Grant Agreements, and other similar contracts, and agreement that the Agency executed with for-profit or non-profit entities.

Agency-Assisted Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed an Agency-Assisted Contract.

Agency Contract means personal services contracts, purchase requisitions, and other similar contracts and operations agreements that the Agency executes with for-profit or non-profit entities.

Amendment to a Pre-existing Contract means a material change to the terms of any contract, the term of which has not expired on or before the date that this Small Business Enterprise Policy (“**SBE Policy**”) takes effect, but shall not include amendments to decrease the scope of work or decrease the amount to be paid under a contract.

Annual Receipts means “total income” (or in the case of a sole proprietorship, “gross income”) plus “cost of goods sold” as these terms are defined and reported on Internal Revenue Service tax return forms. The term does not include net capital gains or losses; taxes collected for and remitted to a taxing authority if included in gross or total income, such as sales or other taxes collected from customers and excluding taxes levied on the concern or its employees; proceeds from transactions between a concern and its domestic or foreign affiliates; and amounts collected for another by a travel agent, real estate agent, advertising agent, conference management service provider, freight forwarder or customs broker. For size determination purposes, the only exclusions from receipts are those specifically provided for in this paragraph. All other items, such as subcontractor costs, reimbursements for purchases a contractor makes at a customer's request, and employee-based costs such as payroll taxes, may not be excluded from receipts. Typically, receipts are averaged over a concern's latest three (3) completed fiscal years to determine its average annual receipts. However, to the extent a public entity considers a five-year average in its certification program, OCII will accept the five-year average provided the remaining certification criteria of the public entity is consistent with OCII's criteria stipulated in this Policy. If a concern has not been in business for three (3) years, the average weekly revenue for the number of weeks the concern has been in business is multiplied by 52 to determine its average annual receipts.

Arbitration Party means all persons and entities who attend the arbitration hearing pursuant to Section XIII, as well as those persons and entities who are subject to a default award provided that all of the requirements in Section XIII.L. have been met.

Association means an agreement between two parties established for the purpose of completing a specific task or project. The associate agreement shall provide the SBE associate a significant project management role and the SBE associate shall be recognized in marketing and collateral material. The Association shall be distinguished from traditional subcontracting arrangements via a written Association agreement that defines the management of the agreement, technical and managerial responsibilities of the parties, and defined scopes and percentages of work to be performed by each party with its own resources and labor force. Unlike the more formal Joint Venture, an Association does not require formation of a new business enterprise between the parties. The Associate agreement shall contain, at a minimum, provisions required by Section VII and be subject to OCII approval.

Commercially Useful Function means that the business is directly responsible for providing the materials, equipment, supplies or services in the City and County of San Francisco (“City”) as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a “commercially useful function” unless the brokerage, referral or temporary employment services are required and sought by the Agency.

Contract means any agreement between the Agency and a person(s), firm, partnership, corporation, or combination thereof, to provide or procure labor, supplies or services to, for, or on behalf of the Agency.

Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed a Contract.

Joint Venture means an entity established between two parties for the purposes of completing a venture or project. The Joint Venture agreement typically creates a separate business entity and requires acquisition of additional insurance for the newly created joint business entity. The Joint Venture agreement shall contain, at a minimum, provisions required by Section VII and be subject to OCII approval.

Non-San Francisco-based Small Business Enterprise means a SBE that has fixed offices located outside the geographical boundaries of the City.

Office” or “Offices means a fixed and established place(s) where work is performed of a clerical, administrative, professional or production nature directly pertinent to the business being certified. A temporary location or movable property or one that was established to oversee a project such as a construction project office does not qualify as an “office” under this SBE Policy. Work space provided in exchange for services (in lieu of monetary rent) does not constitute an “office.” The office is not required to be the headquarters for the business but it must be capable of providing all the services to operate the business for which SBE certification is sought. An arrangement for the right to use office space on an “as needed” basis where there is no office exclusively reserved for the business does not qualify as an office. The prospective SBE must submit a rental agreement for the office space, rent receipt or cancelled checks for rent payments. If the office space is owned by the prospective SBE, the business must submit property tax or a deed documenting ownership of the office.

Project Area Small Business Enterprise means a business that meets the above-definition of Small Business Enterprise and that: (a) has fixed offices located within the geographical boundaries of a Redevelopment Project or Survey Area where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a Project Area or Survey Area business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in a Project Area or Survey Area for at least six months preceding its application for certification as a SBE; and (e) has a Project Area or Survey Area office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers of residential addresses alone shall not suffice to establish a firms’ location in a Project Area or Survey Area.

Project Area means an area of San Francisco that meets the requirements under Community Redevelopment Law, Health and Safety Code Section 33320.1. These areas currently include the Bayview Industrial Triangle, Bayview Hunters Point (Area B), Hunters Point Shipyard, Mission Bay

(North), Mission Bay (South), Rincon Point/South Beach, South of Market, and Transbay.

San Francisco-based Small Business Enterprise means a SBE that: (a) has fixed offices located within the geographical boundaries of the City where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a San Francisco business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in the City for at least six months preceding its application for certification as a SBE; and (e) has a San Francisco office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers or residential addresses alone shall not suffice to establish a firm's status as local.

Small Business Enterprise (SBE) means an economically disadvantaged business that is certified by another public entity (either municipal, State, or federal agency) that considers the certification criteria stipulated in this Policy. In general, such criteria shall include a determination by the public entity as to whether an economically disadvantaged business is an independent and continuing business for profit; performs a commercially useful function; is owned and controlled by persons residing in the United States or its territories; and has average gross annual receipts in at least the three years (and no more than five years, if practiced by the public entity) immediately preceding its application for certification as a SBE that do not exceed the following limits:

Industry	OCII SBE Size Standard
Construction Contractors	\$24,000,000
Specialty Construction Contractors	\$14,000,000
Suppliers (goods/materials/ equipment and general services)	\$12,000,000
Professional Services	\$5,000,000
Trucking	\$5,000,000

In addition, an economically disadvantaged business shall meet the other certification criteria described in Exhibit I of the SBE Policy in order to be considered an SBE by the Agency.

In order to determine whether or not a firm meets the above economic size definitions, the Agency will use the firm's most recent business tax returns (i.e., 1040 with Schedule C for Sole Proprietorships, 1065s with K-1s for Partnerships, and 1120s for Corporations) to calculate the firm's average annual gross receipts. In addition, the calculation of a firm's size shall include the receipts of all affiliates.

Once a business reaches the average size threshold for the applicable industry the business ceases to be economically disadvantaged, it is not an eligible SBE and it will not be counted towards meeting SBE contracting requirements (or goals).

Specialty Construction Contractor means a contractor licensed by the Contractors State License Board under the "C" classification license pursuant to California Business and Professions Code Section 7058.

Survey Area means an area of San Francisco that meets the requirements of the

Community Redevelopment Law, Health and Safety Code Section 33310. These areas currently include the Bayview Hunters Point Redevelopment Survey Area C.

XI. GOOD FAITH EFFORTS TO MEET SBE GOALS Compliance with the following steps will be the basis for determining if the Agency-Assisted Contractor and/or Consultant has made good faith efforts to meet the goals for SBEs:

A. Outreach. Not less than 30 days prior to the opening of bids or the selection of contractors, the Agency-Assisted Contractor or Contractor shall:

1. **Advertise.** Advertise for SBEs interested in competing for the contract, in general circulation media, trade association publications, including timely use of the ***Bid and Contract Opportunities*** newsletter published by the City and County of San Francisco Purchasing Department and media focused specifically on SBE businesses such as the ***Small Business Exchange***, of the opportunity to submit bids or proposals and to attend a pre-bid meeting to learn about contracting opportunities.

2. **Request List of SBEs.** Request from the Agency's Contract Compliance Department a list of all known SBEs in the pertinent field(s), particularly those in the Project and Survey Areas and provide written notice to all of them of the opportunity to bid for contracts and to attend a pre-bid or pre-solicitation meeting to learn about contracting opportunities.

B. Pre-Solicitation Meeting. For construction contracts estimated to cost \$5,000 or more, hold a pre-bid meeting for all interested contractors not less than 15 days prior to the opening of bids or the selection of contractors for the purpose answering questions about the selection process and the specifications and requirements. Representatives of the Contract Compliance Department will also participate.

C. Follow-up. Follow up initial solicitations of interest by contacting the SBEs to determine with certainty whether the enterprises are interested in performing specific items involved in work.

D. Subdivide Work. Divide, to the greatest extent feasible, the contract work into small units to facilitate SBE participation, including, where feasible, offering items of the contract work which the Contractor would normally perform itself.

E. Provide Timely and Complete Information. The Agency-Assisted Contractor or Contractor shall provide SBEs with complete, adequate and ongoing information about the plans, specifications and requirements of construction work, service work and material supply work. This paragraph does not require the Agency-Assisted Contractor or Contractor to give SBEs any information not provided to other contractors. This paragraph does require the Agency Assisted Contractor and Contractor to answer carefully and completely all reasonable questions asked by SBEs and to undertake every good faith effort to ensure that SBEs understand the nature and the scope of the work.

F. Good Faith Negotiations. Negotiate with SBEs in good faith and demonstrate that SBEs were not rejected as unqualified without sound reasons based on a thorough investigation of their capacities.

G. Bid Shopping Prohibited. Prohibit the shopping of the bids. Where the Agency-Assisted Contractor or Contractor learns that bid shopping has occurred, it shall treat

such bid shopping as a material breach of contract.

H. Other Assistance. Assist SBEs in their efforts to obtain bonds, lines of credit and insurance. (Note that the Agency has a Surety Bond Program that may assist SBEs in obtaining necessary bonding.) The Agency-Assisted Contractor or Contractor(s) shall require no more stringent bond or insurance standards of SBEs than required of other business enterprises.

I. Delivery Scheduling. Establish delivery schedules which encourage participation of SBEs.

J. Utilize SBEs as Lower Tier Subcontractors. The Agency-Assisted Contractor and its Contractor(s) shall encourage and assist higher tier subcontractors in undertaking good faith efforts to utilize SBEs as lower tier subcontractors.

K. Maximize Outreach Resources. Use the services of SBE associations, federal, state and local SBE assistance offices and other organizations that provide assistance in the recruitment and placement of SBEs, including the Small Business Administration and the Business Development Agency of the Department of Commerce. However, only SBEs certified by the Agency shall count towards meeting the participation goal.

L. Replacement of SBE. If during the term of this SBE Agreement, it becomes necessary to replace any subcontractor or supplier, the Agency's Contract Compliance Specialist should be notified prior to replacement due to the failure or inability of the subcontractor or supplier to perform the required services or timely delivery the required supplies, then First Consideration should be given to a certified SBE, if available, as a replacement.

XII. ADDITIONAL PROVISIONS

A. No Retaliation. No employee shall be discharged or in any other manner discriminated against by the Agency-Assisted Contractor or Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to enforcement of this Agreement.

B. No Discrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of an Agency-Assisted Contract or Contract. The Agency-Assisted Contractor or Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

C. Compliance with Prompt Payment Statute. Construction contracts and subcontracts awarded for \$5,000 or more shall contain the following provision:

“Amounts for work performed by a subcontractor shall be paid within seven (7) days of receipt of funds by the contractor, pursuant to California Business and Professions Code Section 7108.5 *et seq.* Failure to include this provision in a subcontractor or failure to comply with this provision shall constitute an event of default which would permit the Agency to exercise any and all remedies available to it under contract, at law or in equity.”

In addition to and not in contradiction to the Prompt Payment Statute (California Business and Professions Code Section 7108.5 *et seq.*), if a dispute arises which would allow a Contractor to withhold payment to a subcontractor due to a dispute, the Contractor shall only withhold that amount which directly relates to the dispute and shall promptly pay the remaining undisputed amount, if any.

D. Submission Of Electronic Certified Payrolls. For any Agency-Assisted Contract which requires the submission of certified payroll reports, the requirements of Section VII of the Agency’s Small Business Enterprise Policy shall apply. Please see the Small Business Enterprise Policy for more details.

XIII. PROCEDURES

A. Notice to Agency. The Agency-Assisted Contractor or Contractor(s) shall provide the Agency with the following information within 10 days of awarding a contract or selecting subconsultant:

1. the nature of the contract, e.g. type and scope of work to be performed;
2. the dollar amount of the contract;
3. the name, address, license number, gender and ethnicity of the person to whom the contract was awarded; And
4. SBE status of each subcontractor or subconsultant.

B. Affidavit. If the Agency-Assisted Contractor or Contractor(s) contend that the contract has been awarded to a SBE, the Agency-Assisted Contractor or Contractor(s) shall, at the same time also submit to the Agency a SBE Application for Certification and its accompanying Affidavit completed by the SBE owner. However, a SBE that was previously certified by the Agency shall submit only the short SBE Eligibility Statement.

C. Good Faith Documentation. If the 50% SBE Participation Goals are not met in each category (Construction, Professional Services and Suppliers), the Agency-Assisted Contractor or Contractor(s) shall meet and confer with the Agency at a date and time set by the Agency. If the issue of the Agency-Assisted Contractor’s or Contractor’s good faith efforts is not resolved at this meeting, the Agency-Assisted Contractor or Contractor shall submit to the Agency within five (5) days, a declaration under penalty of perjury containing the following documentation with respect to the good faith efforts (“**Submission**”):

1. A report showing the responses, rejections, proposals and bids (including the amount of the bid) received from SBEs, including the date each response, proposal or bid was received. This report shall indicate the action taken by the Agency-Assisted Contractor or Contractor(s) in response to each proposal or bid received from SBEs, including the reasons(s) for any rejections.

2. A report showing the date that the bid was received, the amount bid by and the amount to be paid (if different) to the non-SBE contractor that was selected. If the non-SBE contractor who was selected submitted more than one bid, the amount of each bid and the date that each bid was received shall be shown in the report. If the bidder asserts that there were reasons other than the respective amounts bid for not awarding the contract to an SBE, the report shall also contain an explanation of these reasons.

3. Documentation of advertising for and contacts with SBEs, contractor associations or development centers, or any other agency which disseminates bid and contract information to small business enterprises.

11. Documentation of any other efforts undertaken to encourage participation by small business enterprises.

D. Presumption of Good Faith Efforts. If the Agency-Assisted Contractor or Contractor(s) achieves the Participation Goals, it will not be required to submit Good Faith Effort documentation.

E. Waiver. Any of the SBE requirements may be waived if the Agency determines that a specific requirement is not relevant to the particular situation at issue, that SBEs were not available, or that SBEs were charging an unreasonable price.

F. SBE Determination. The Agency shall exercise its reasonable judgment in determining whether a business, whose name is submitted by the Agency-Assisted Contractor or Contractor(s) as a SBE, is owned and controlled by a SBE. A firm's appearance in any of the Agency's current directories will be considered by the Agency as prima facie evidence that the firm is a SBE. Where the Agency-Assisted Contractor or Contractor(s) makes a submission the Agency shall make a determination, as to whether or not a business which the Agency-Assisted

Contractor or Contractor(s) claims is a SBE is in fact owned and controlled by San Francisco-based SBEs. If the Agency determines that the business is not a SBE, the Agency shall give the Agency-Assisted Contractor or Contractor a Notice of Non-Qualification and provide the Agency-Assisted Contractor or Contractor with a reasonable period (not to exceed 20 days) in which to meet with the Agency and if necessary make a Submission, concerning its good faith efforts. If the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to Section XIII.

G. Agency Investigation. Where the Agency-Assisted Contractor or Contractor makes a Submission and, as a result, the Agency has cause to believe that the Agency-Assisted Contractor or Contractor has failed to undertake good faith efforts, the Agency shall conduct an investigation, and after affording the Agency-Assisted Contractor or Contractor notice and an opportunity to be heard, shall recommend such remedies and sanctions as it deems necessary to correct any alleged violation(s). The Agency shall give the Agency-Assisted Contractor or Contractor a written Notice of Non-Compliance setting forth its findings and recommendations. If the Agency-Assisted Contractor or Contractor disagrees with the findings and recommendations of the Agency as set forth in the Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to this SBE Agreement.

XIV. ARBITRATION OF DISPUTES.

A. Arbitration by AAA. Any dispute regarding this SBE Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.

B. Demand for Arbitration. Where the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, **the Agency-Assisted Contractor or Contractor shall have seven (7) business days, in which to file a Demand for Arbitration**, unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying any entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Agency-Assisted Contractor and Contractor fail to file a timely Demand for Arbitration, the Agency-Assisted Contractor and Contractor shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.

C. Parties' Participation. The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Agency-Assisted Contractor or Contractor made an initial timely Demand for Arbitration pursuant to Section XIII.B. above.

D. Agency Request to AAA. Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.

E. Selection of Arbitrator. One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.

F. Setting of Arbitration Hearing. A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.

G. Discovery. In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.

H. Burden of Proof. The burden of proof with respect to SBE status and/or Good Faith Efforts shall be on the Agency-Assisted Contractor and/or Contractor. The burden of proof as to all other alleged breaches by the Agency-Assisted Contractor and/or Contractor shall be on the Agency.

I. California Law Applies. Except where expressly stated to the contrary in this SBE Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.

J. Arbitration Remedies and Sanctions. The arbitrator may impose only the remedies and sanctions set forth below:

1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.

2. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Agency-Assisted Contract or this SBE Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Agency-Assisted Contract or this SBE Agreement, other than those minor modifications or extensions necessary to enable compliance with this SBE Agreement.

3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the SBE Program requirements in the Agency-Assisted Contract or this SBE Agreement. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.

4. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars (\$50,000.00) or ten percent (10%) of the base amount of the breaching party's contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this SBE Agreement unless the breaching party has failed to cure after being

provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

K. Arbitrator's Decision. The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

L. Default Award; No Requirement to Seek an Order Compelling Arbitration. The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.

M. Arbitrator Lacks Power to Modify. Except as otherwise provided, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the Agency-Assisted Contract, this SBE Agreement or any other agreement between the Agency, the Agency-Assisted Contractor or Contractor or to negotiate new agreements or provisions between the parties.

N. Jurisdiction/Entry of Judgment. The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The non-prevailing Arbitration Party(ies) shall pay the arbitrator's fees and related costs of arbitration (or reimburse the Arbitration Parties that advanced such arbitration fees and costs). Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of competent jurisdiction.

O. Exculpatory Clause. Agency-Assisted Contractor or Contractor (regardless of tier) expressly waive any and all claims against the Agency for damages, direct or indirect, including, without limitation, claims relative to the commencement, continuance and completion of construction and/or providing professional and consulting services ("the Work"). Agency-Assisted Contractor or Contractor (regardless of tier) acknowledge and agree that the procedures set forth herein for dealing with alleged breaches or failure to comply with the obligations and requirements of this SBE Agreement are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids and proposals for the planning, design and construction of the improvements and in determining the times for commencement and completion of the planning, design and construction and/or for providing consulting, professional or personal services.

P. Severability. The provisions of this SBE Agreement are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this SBE Agreement or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this SBE Agreement or the validity of their application to other persons or circumstances.

MINIMUM COMPENSATION POLICY (MCP) DECLARATION

What the Policy does. The Office of Community Investment and Infrastructure ("OCII") (Successor Agency to the San Francisco Redevelopment Agency) adopted the Minimum Compensation Policy ("MCP"), which became effective on September 25, 2001. The MCP requires contractors and subcontractors to pay Covered Employees a minimum hourly wage and to provide 12 compensated and 10 uncompensated days off per year. The Minimum Compensation rate adjusts automatically to match the wage rate required by the City and County of San Francisco's Minimum Compensation Ordinance. Contractor is obligated to keep informed of the then-current requirements, which are published at https://sfgov.org/olse/minimum-compensation-ordinance-mco.

The OCII may require contractors to submit reports on the number of employees affected by the MCP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the MCP will have the following effect:

- in each contract, the contractor will agree to abide by the MCP and to provide its employees the minimum benefits the MCP requires, and to require its subcontractors subject to the MCP to do the same.
• if a contractor does not provide the MCP minimum benefits, OCII can award a contract to that contractor only if the contract is exempt under the MCP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII's contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the MCP to your covered employees, and will ensure that your subcontractors also subject to the MCP do the same.

If you cannot make this assurance now, please do not return this form.

HEALTH CARE ACCOUNTABILITY POLICY (HCAP) DECLARATION

What the Policy does. The Office of Community Investment and Infrastructure ("OCII") (as Successor Agency to the Redevelopment Agency) adopted the San Francisco Health Care Accountability Policy (the "HCAP"), which became effective on September 25, 2001. The HCAP requires contractors and subcontractors that provide services to OCII, contractors and subcontractors that enter into leases with OCII, and parties providing services to tenants and sub-tenants on OCII property to offer health plan benefits to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits established by the San Francisco Department of Public Health ("SFDPH"), as approved by the OCII Commission; (2) pay OCII an amount equivalent to the current fee established by the SFDPH for each hour the employee works on the covered contract or subcontract or on property covered by a lease and OCII will appropriate the money for staffing and other resources to provide medical care for the uninsured; or (3) participate in a health benefits program developed and offered by SFDPH. The minimum health plan standards and fees established by SFDPH are published at <https://sfgov.org/olse/health-care-accountability-ordinance-hcao>.

The OCII may require contractors to submit reports on the number of employees affected by the HCAP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the HCAP will have the following effect:

- in each contract, the contractor will agree to abide by the HCAP and to provide its employees the minimum benefits the HCAP requires, and to require its subcontractors to do the same.
- if a contractor does not provide the HCAP's minimum benefits, OCII can award a contract to that contractor **only** if the contract is exempt under the HCAP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII's contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII's contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCAP to your covered employees, and will ensure that your subcontractors also subject to the HCAP do the same.

If you cannot make this assurance now, please do not return this form.

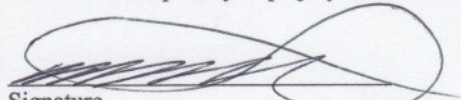

For more information, please see the complete text of the HCAP, available from the OCII's Contract Compliance Department at: (415) 749-2400 or <http://sfocii.org/policies-and-procedures>.
