BASIS FOR RESOLUTION

1. The City and County of San Francisco and the Redevelopment Agency of the City and County of San Francisco (the “Former Redevelopment Agency”) entered into a Joint Exercise of Powers Agreement dated as of July 11, 1989 (the “Agreement”), establishing the City and County of San Francisco Redevelopment Financing Authority (the “Authority”) for the purpose of issuing its bonds to be used to provide financial assistance to the Former Redevelopment Agency.
2. Pursuant to California Assembly Bill No. 1X26 (Chapter 5, Statutes of 2011-12, First Extraordinary Session) (“AB 26”) and the California Supreme Court’s decision in California Redevelopment Association v. Matosantos, No. 5194861, all redevelopment agencies in the State of California (the “State”), including the Former Redevelopment Agency, were dissolved by operation of law as of February 1, 2012, and their non-affordable housing assets and obligations were transferred to certain designated successor agencies, and the Board of Supervisors of the City and County of San Francisco named the successor agency to the Former Redevelopment Agency the “Successor Agency to the Redevelopment Agency of the City and County of San Francisco” (the “Successor Agency”).
3. Under Section 34178(b)(3) of the California Health and Safety Code, which was added by AB 26, the Former Redevelopment Agency’s rights and duties under the Agreement have been assumed by the Successor Agency, and, accordingly, pursuant to the Agreement and said Section 34178(b)(3), the Commission of the Successor Agency has succeeded the Commission of the Former Redevelopment Agency as the Board of Directors of the Authority.

4. Pursuant to the Marks-Roos Bond Pooling Act of 1985, being Article 4 of Chapter 5 of Division 7 of Title 1 of the California Government Code (the “Bond Law”), and the Agreement, the Authority has the power to purchase bonds of a local agency, including the Successor Agency, and has the further power to sell bonds so purchased to public or private purchasers at public or negotiated sale.
5. The Successor Agency has determined, subject to the approval of the Oversight Board of the Successor Agency and the California Department of Finance, which approvals have been obtained, to issue bonds designated as “Successor Agency to the Redevelopment Agency of the City and County of San Francisco 2016 Series B Tax Allocation Bonds (Mission Bay South Redevelopment Project)” (the “2016 Series B Bonds”) and “Successor Agency to the Redevelopment Agency of the City and County of San Francisco 2016 Series C Tax Allocation Refunding Bonds (Mission Bay South Redevelopment Project)” (the “2016 Series C Bonds” and, together with the 2016 Series B Bonds, the “2016 Bonds”), and has further determined to sell the 2016 Bonds by a negotiated sale.
6. The Authority desires to facilitate the sale of the 2016 Bonds by negotiated sale, and to such end has reviewed the form of Bond Purchase Contract (the “Purchase Contract”) relating to the 2016 Bonds among the Successor Agency, the Authority and Stifel, Nicolaus & Company, Incorporated, Backstrom McCarley Berry & Company, LLC, and Blaylock Beal Van, LLC (collectively, the “Underwriters”).
7. The 2016 Series B Bonds are being issued to finance and refinance redevelopment activities with respect to the Mission Bay South Redevelopment Project Area established by the Former Redevelopment Agency and the 2016 Series C Bonds are being issued to refinance all or a portion of the following loan agreements (collectively, the Existing Loan Agreements”):
 - (i) Loan Agreement dated as of September 1, 2009 among the Former Redevelopment Agency, U.S. Bank National Association, as trustee, and the Authority; and
 - (ii) Loan Agreement dated as of March 1, 2011 among the Former Redevelopment Agency, U.S. Bank National Association, as trustee, and the Authority.
8. The Existing Loan Agreements were funded by the Authority through its issuance of \$49,810,000 initial principal amount of City and County of San Francisco Redevelopment Financing Authority 2009 Series D Tax Allocation Revenue Bonds (Mission Bay South Redevelopment Project) and \$36,485,000 initial principal amount of City and County of San Francisco Redevelopment Financing Authority 2011 Series D Tax Allocation Revenue Bonds (Mission Bay South Redevelopment Project) (collectively, the “Prior Bonds”).
9. The Authority desires to facilitate the prepayment of the Existing Loan Agreements and the refunding of the Prior Bonds and, to such end, has reviewed the forms of the Agreements Regarding Redemption (the “Redemption

Agreements”) relating to the Existing Loan Agreements and the Prior Bonds by and among, the Authority, the Successor Agency and U.S. Bank National Association, as the trustee for the Prior Bonds.

10. The approvals of the issuance of the 2016 Series C Bonds to refund existing indebtedness and of the issuance of the 2016 Series B Bonds to provide funding to reimburse the Master Developer for the costs of Improvements that the City has already approved prior to the Successor Agency’s consideration of this Resolution and that are, or will be, substantially completed and inspected by the City prior to any reimbursement are exempt from environmental review under the California Environmental Quality Act (“CEQA”) because (i) they are not a project with the potential for causing a significant effect on the environment, CEQA Guidelines § 15061 (b) (3); (ii) they are government fiscal activities that do not involve any commitment to any specific project with a potentially significant physical impact on the environment, CEQA Guidelines § 15378 (b) (4); and (iii) they constitute an administrative activity that will not result in direct or indirect physical changes in the environment, CEQA Guidelines § 15378 (b) (5).
