What's next

- First round of Engagement:
 - CBO Conversations
 - Online Survey
 - In-Person workshop
- Team will use what we learn to identify key barriers and other roads that need to be improved, then design solutions
- Second round of engagement in the spring will bring forward ideas for solutions

What we need from you:

- Guidance about community-based organizations we should be connecting with in the coming months
- Help Identifying “Key Barriers” to active transportation near the school site
- Help identifying what streets should be improved to best connect to school to existing transit and the bike network

Construction Updates:

- This week: DSA approval
- Next week: Pile driving begins (through Feb)
- Foundation, grade beams, and slab (Mar-May)
- Steel (begins May)

Thank you.
