## Who are we?

The Dahlia School  
of San Francisco

The Dahlia School is an not-for-profit authentic Montessori Spanish immersion school in San Francisco's Mission Bay neighborhood. The Dahlia School of San Francisco provides fully customized, indexed tuition based on family income.

We are proud to prepare students on a great path to contribute to society by supporting their academic and social-emotional skills to be in community, build friendships, and be accountable for their actions.

# Conclusion

## Growing together...

The Early Childhood Program has already become home of a wonderful community and we hope to offer an option for families that would like to continue with Spanish immersion Montessori into elementary age, and for other elementary families who would benefit from being a part of this community.
