

**OVERSIGHT BOARD TO THE SUCCESSOR AGENCY OF THE
REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO**

RESOLUTION NO. 03 – 2019
Adopted September 23, 2019

**APPROVING AN AMENDMENT TO THE RECOGNIZED OBLIGATION PAYMENT
SCHEDULE FOR JANUARY 1, 2020 TO JUNE 30, 2020 (“ROPS 19-20”) FOR THE
SUCCESSOR AGENCY**

WHEREAS, The Successor Agency to the Redevelopment Agency of the City and County of San Francisco, commonly known as the Office of Community Investment and Infrastructure (“OCII”), assumed certain obligations under the Redevelopment Dissolution Law, Cal. Health & Safety Code § 34170 *et seq.*, to implement the enforceable obligations of the Redevelopment Agency of the City and County of San Francisco (“Former Agency”); and,

WHEREAS, Among OCII’s enforceable obligations are four, long-term development agreements requiring private and public parties to, among other things, construct significant amounts of public improvements for which the Former Agency was obligated to reimburse those parties for the cost of construction. *See* Mission Bay South Owner Participation Agreement, executed November 16, 1998, by and between the Former Agency and Catellus Development Corporation, as amended (“MBS OPA”); Mission Bay North Owner Participation Agreement, executed November 16, 1998, by and between the Former Agency and Catellus Development Corporation, as amended (“MBN OPA”); Disposition and Development Agreement, executed October 29, 2010, by and between the Former Agency and CP Development Co., LP. (“CP-HPS2 DDA”); Transbay Redevelopment Project Implementation Agreement, executed March 14, 2006, by and between the Former Agency and the Transbay Joint Powers Authority (“Transbay Implementation Agreement”) (collectively the “Development Agreements”); and,

WHEREAS, The Mission Bay and CP-HPS2 Development Agreements include Financing Plans requiring OCII to use net available increment to pay or reimburse the costs of contractual obligations. MBS OPA, Attachment E, Financing Plan, § 4.A.ii. (“Any Net Available Increment shall be used, consistent with the South OPA, this Financing Plan and the Redevelopment Law, . . . to pay or reimburse directly the costs of such Infrastructure.”)¹; CP-HPS2 DDA, Exhibit H, Financing Plan, § 3.2 (b) (“After paying or setting aside amounts needed for debt service due on Tax Allocation Debt secured by or payable from Shipyard [Candlestick]² Net Available Increment during the Agency Fiscal Year, the Agency will use Shipyard [Candlestick] Net Available Increment to reimburse Developer’s Qualified Shipyard [Candlestick] Project Costs pursuant to this Financing Plan.”). The Transbay Implementation Agreement requires OCII to comply with the Transbay Pledge, described below; and,

¹ The MBN OPA contains the same language at Section 4.A.ii of its Financing Plan.

² The CP-HPS2 Financing Plan contains similar language committing Candlestick increment, § 3.3 (b) and Shipyard increment.

WHEREAS, The Development Agreements rely on financing mechanisms that allocate property tax revenues over time and that depend on future growth in these revenues to finance the costs of these enforceable obligations. Each of the Development Agreements incorporate agreements that irrevocably pledge net available tax increment to reimbursing the costs of construction required under the Development Agreements. See Mission Bay South Tax Increment Allocation Pledge Agreement, executed November 16, 1998, by and between the City and County of San Francisco and the Former Agency, with Catellus Development Corp. as an intended third-party beneficiary (the “MBS Pledge”); Mission Bay North Tax Increment Allocation Pledge Agreement, executed Nov. 2, 1998, by and between the City and County of San Francisco and the Former Agency, with Catellus Development Corp. as an intended third-party beneficiary (“MBN Pledge”); Tax Increment Allocation Pledge Agreement, dated June 3, 2010, by and between the City and County of San Francisco and the Former Agency, with CP Development Co., LP as an intended third-party beneficiary (“CP-HPS2 Pledge”); Transbay Redevelopment Project Tax Increment Allocation and Sales Proceeds Pledge Agreement, dated Jan. 31, 2008, by and between the City and County of San Francisco, the Former Agency, and the Transbay Joint Powers Authority (“TB Pledge”) (collectively the “Pledge Agreements”); and,

WHEREAS, Each of the Pledge Agreements direct OCII to collect and retain net tax increment for the indebtedness created under the Development Agreements and the Pledge Agreements themselves. E.g. MBS Pledge, § 2 (approving “the assumption of indebtedness by the Agency under the Financing Plan for the purpose of financing or refinancing, in whole or in part, the construction of all Infrastructure required for the South Plan Area [and] all Net Available Increment produced from the South Plan Area and any interest earnings thereon shall be irrevocably pledged by the Agency, as first pledge, for the payment of principal of and interest on such indebtedness of the Agency”) and § 6 (requiring that the “Agency shall devote all of the Housing Increment produced by development in the South Plan Area . . . for the predevelopment, development and construction of Agency Sponsored Affordable Housing Units”)³; TB Pledge, § 2 (requiring that “all property tax increment revenues attributable to [formerly State-owned parcels] and any interest thereon, are hereby irrevocably pledged to the [Transbay Joint Powers] Authority for costs associated with construction and design of the Transbay Terminal Project, and further agree[ing] that such revenues shall not be subject to any other indebtedness”); CP-HPS2 Pledge, § 1 (“The Parties intend that all Net Available Increment generated in the Project Site shall be irrevocably pledged to finance or refinance Qualified Project Costs, all in accordance with the terms and conditions of the Financing Plan.”); and,

WHEREAS, After dissolution of the Former Agency, OCII requested that the California Department of Finance (“DOF”) finally and conclusively determine that the Development Agreements and the Pledge Agreements are enforceable obligations under Redevelopment Dissolution Law, Cal. Health & Safety Code § 34177.5 (i) (authorizing final and conclusive determinations where an “enforceable obligation provides for an irrevocable commitment of revenue . . . where allocation of such revenues is expected to occur over time”); and,

³ The MBN Pledge contains similar language committing increment for infrastructure and affordable housing in Mission Bay North at §§ 2 and 7, respectively.

WHEREAS, DOF issued final and conclusive determinations that the Development Agreements and Pledge Agreements were enforceable obligations under Redevelopment Dissolution Law. See Letter, S. Szalay, DOF Local Government Consultant, to T. Bohee, Executive Director (Dec. 14, 2012) (approving CP-HPS2 DDA and CP-HPS2 Pledge); Letter, S. Szalay, DOF Local Government Consultant, to T. Bohee, Executive Director (April 15, 2012 [2013]) (approving TB Implementation Agreement and TB Pledge); and Letter, J. Howard, DOF Assistant Program Budget Manager, to T. Bohee, Executive Director (Jan. 24, 2014) (approving MBS OPA, MBS Pledge, MBN OPA, and MBN Pledge) (collectively the “Final and Conclusive Determinations”); and,

WHEREAS, In submitting requests for the above-referenced Final and Conclusive Determinations, OCII stated, as required by DOF, the total outstanding debt or obligation associated with the enforceable obligations. In addition, OCII has consistently submitted Recognized Obligation Payment Schedules (“ROPS”) identifying the large amounts of total outstanding debt or obligation for the costs of public infrastructure and affordable housing required under the enforceable obligations subject to the Final and Conclusive Determinations; and,

WHEREAS, In reliance on the Final and Conclusive Determinations that the Development Agreements and Pledge Agreements were enforceable obligations, OCII and its public and private partners have made substantial progress in implementing the Development Agreements. For example, OCII has made payments for public infrastructure against the total outstanding indebtedness for each of the four Development Agreements in the amounts of \$0.2 million for Candlestick Point-Hunters Point Shipyard; \$96.8 million in Mission Bay North, \$212.5 million in Mission Bay South, and \$35.8 million in Transbay⁴. Nonetheless, significant amounts of outstanding indebtedness remain and are listed in the ROPS 19-20; and,

WHEREAS, Since redevelopment dissolution, OCII has received, pursuant to approved ROPS, all of the net available tax increment and housing increment that the Pledge Agreements irrevocably committed for costs associated with the Development Agreements; and,

WHEREAS, On January 30, 2019, OCII submitted its ROPS 19-20, identifying significant amounts of total outstanding debts or obligations related to the Development Agreements and estimating projected amounts for pledged property tax that could be used to cover those obligations. OCII requested that DOF approve OCII’s receipt of the tax increment that the City and County of San Francisco (“City”) would receive this fiscal year under the four Pledge Agreements. The actual amounts of property taxes were not known at the time of submission and therefore OCII estimated the amounts on eight line items for July 2019 to December 2019 (“ROPS 19-20A”) and for January 2020 to June 2020 (“ROPS 19-20B”). The notes for each of these line items requested DOF’s approval of OCII’s receipt of potentially higher amounts of property tax revenues if the expected increases in

⁴ By the ROPS 19-20 Amendment authorized by this Resolution, OCII corrects a typographical error in Item 102 (Transbay Pledge Agreement), Column I, regarding the Total Outstanding Debt or Obligation. The corrected amount is \$1,062,000,000, which is consistent with the Transbay Final and Conclusive Determination and previous ROPS submitted by OCII.

assessed property values generated additional tax revenues from the four project areas subject to the Pledge Agreements; and,

WHEREAS, On May 17, 2019, DOF approved OCII's ROPS 19-20, but denied OCII's request to receive the actual amount of property tax revenues generated under the Pledge Agreements if they exceeded the estimated amount on the ROPS. DOF explained that there is "no authority to distribute amounts in excess of the amounts as listed and approved by Finance on the ROPS." Letter, Jennifer Whitaker, DOF, to Bree Mawhorter, OCII (May 17, 2019). DOF suggested, however, that "if the actual project costs are higher than authorized on the ROPS, and an increase in the amount distributed is necessary, the Agency may request additional funding on a subsequent amended ROPS pursuant to [Health and Safety Code] section 34177 (o) (1) (E)" Id.; and,

WHEREAS, OCII is now in the position to list the actual amount of property tax revenues that will be generated this fiscal year under the irrevocable pledges of property tax increment. In August 2019, the Assessor's Office finalized the 19-20 property tax roll and the actual amounts of property tax revenues that OCII would receive determined. OCII seeks to amend ROPS 19-20 to reflect the updated property tax rolls thereby collecting all property tax increment pledged to the projects, which is contractually obligated for the above-described funding of construction of infrastructure and affordable housing in the project areas of Hunters Point Shipyard/Candlestick Point, Mission Bay, and Transbay; and,

WHEREAS, Section 34177 (o) (1) of the Health and Safety Code states that, commencing with the ROPS covering the period from July 1, 2016 to June 30, 2017 and for each period from July 1 to June 30, thereafter, a successor agency shall submit an Oversight Board-approved Recognized Obligation Payment Schedule to the Department of Finance and to the County Auditor-Controller no later than February 1, 2016, and each February 1 thereafter; and,

WHEREAS, Section 34177 (o) (1) of the Health and Safety Code further states that, once per Recognized Obligation Payment Schedule period, and no later than October 1, a successor agency may submit one amendment to the previously approved ROPS pursuant to this subdivision, if the Oversight Board makes a finding that a revision is necessary for the payment of approved enforceable obligations during the second one-half of the ROPS period, which shall be defined as January 1 to June 30, inclusive; and,

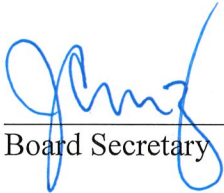

WHEREAS, The proposed amendments to ROPS 19-20 increasing the actual amounts of property tax revenues that OCII will receive this fiscal year are necessary for the payment of approved enforceable obligations in light of the Total Outstanding Debts or Obligations for the Development Agreements identified on the ROPS and the remaining amounts of debts or obligations owed under these Development Agreements; and,

WHEREAS, The amendments to ROPS 19-20 for the period January 1, 2020 to June 30, 2020 are attached to this resolution as Exhibit A, and are fully incorporated in this resolution. Exhibit A also identifies the enforceable obligation with which the specific amendments are associated; and,

WHEREAS, Approval of the amendment to ROPS 19-20 is a government fiscal activity that does not constitute a "Project" pursuant to the California Environmental Quality Act ("CEQA") Guidelines Section 15378(b)(4), and, therefore, is not subject to environmental review under CEQA; now, therefore, be it

RESOLVED, That this Oversight Board finds that the amendments to ROPS 19-20 are necessary for the payment of approved enforceable obligations during the second one-half of ROPS 19-20, approves the amendment to ROPS 19-20, including the Administrative Budget for the Successor Agency, and directs the Executive Director or her designee to take such actions as may be necessary to submit the amendments to ROPS 19-20 to the City Controller and Department of Finance, to post the amendments to ROPS 19-20 on the internet website of the Oversight Board, and to take any other actions appropriate to comply with the Redevelopment Dissolution Law's requirements relating to the ROPS.

I hereby certify that the foregoing resolution was adopted by the Oversight Board at its meeting of September 23, 2019.

Board Secretary

Exhibit A: San Francisco City and County Recognized Obligation Payment Schedule 2019-20 Amended – ROPS Detail
